THE EDITORIAL BOARD WISH ALL  
READERS A HAPPY CHRISTMAS AND  
A PEACEFUL NEW YEAR

## THE SEASON OF GOODWILL

At Christmas time we wonder if there are lonely people in Newton Aycliffe, who would be very glad to have a visitor, young or older, to call on them sometimes.

The goodwill and friendliness of many kind people in this town would lead them to pay visits to these lonely folks, if they knew they were wanted.

An Englishman's home, is his castle, and the Radio may be preferred to a visitor. Some perhaps would prefer to be alone with their memories, while there may be others who would appreciate a friendly call.

How can we find out? We can ask. "Would you like a young or older person, to call for a friendly visit?"

If we can get names and addresses, then it will be possible for us to ask the Newton Aycliffe clubs for the young and grownups to help with a wonderful and worthwhile gesture of friendship and goodwill.

The best things in life are free.

## NEWTON AYCLIFFE LOOKS AHEAD

The Darlington Marriage Guidance Council is giving a series of eight lectures on "The Facts of Life" to girls aged 13 to 15 years, belonging to the Girls Section of the Newton Aycliffe Boys Club.

So successful was the response from 75 girls, each with written permission from their parents, that the large games room at the Boys' Club had to be used, for the first lecture.

Mrs. J. L. Kell, Club Leader, said, many parents had written to express their thanks, and in particular, Mothers of large young families, who simply had not the time nor opportunity to give this essential instruction.

The lectures are given by Mrs. B. Freshwater, assisted by qualified medical staff of the Council.

Mrs. Freshwater, said Mrs. Kell, has a wonderful and understanding approach to the subject, and the girls were obviously impressed.

This series of lectures will be followed by more advanced lectures for older girls, and will include Engagement behaviour.

After which, a series of lectures for the Boys of the Club will be given.

## NEWTON AYCLIFFE COUNCIL OF LOCAL ORGANISATIONS

Following the collapse of the Newton Aycliffe Community Association a meeting was arranged on 11th May, 1961 to discuss what action should be taken to continue certain aspects of the work of that Association. It was suggested that an Organisation be set up which would be representative of the Organisations in the town.

The Newton Aycliffe Council of Local Organisation was formed with the object of promoting the interests of the residents of Newton Aycliffe. Committees were formed to ensure the continuation, and the Annual Sports Day.

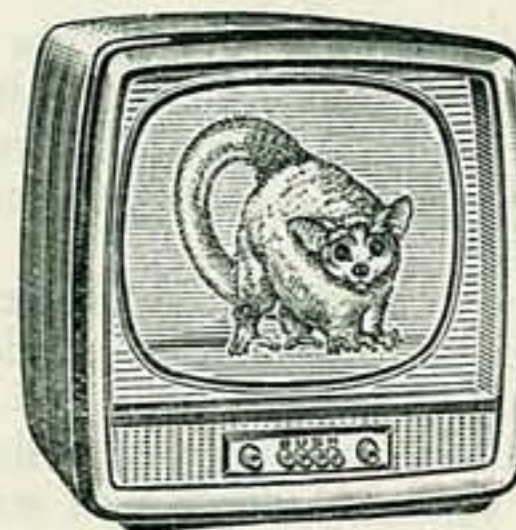

The first Annual General Meeting of the Council was held on 30th October in the Iron Horse Hotel, at which there were representatives from approximately half of the local Organisations, most of which had affiliated to the Council thereby giving great impetus to the work of the Council.

At the A.G.M. there were reports from the four active committees which are summarised here.

**Newtonian.** The cost of printing the Newtonian is met by the printers through revenue obtained from advertisements. There is no lack of items for the Newtonian, the problem is one of space, which could be solved by a larger Newtonian via more advertisements. For those people who wish to contribute to the Newtonian, they are reminded that the material has to be in the hands of the Editor by the 9th day of each month, so that it can be considered for the next publication.

**Sports Day.** A Committee of 10 was set up to organise the Annual Sports Day, the date fixed was 2nd September in the Simpasture Playing Fields. This was an outstanding success, and there will be a balance when the accounts are finalised, which will ensure a healthy start to the next Sports Day.

**Winter Programme.** This committee was able to report that they had been successful in obtaining the necessary information at very short notice, and that the programmes were waiting distribution.

**Welcoming Parties** were also reported to be continuing, two have been held, and the next party is due on 11th December. It is found that the new residents show a great interest in these parties, which form an ideal way of meeting representatives of the local Organisations, so that the newcomers can continue to meet people with similar interests in the New Town.

The election of Officers of the Council was held, and due to Mr. J. Ashford, the late President leaving the town next February, he was unable to accept nomination for the post. The new Officers are Mr. E. Birch, President; Mr. M. Nicholson, Secretary; Mr. A. Bellfield, Treasurer.

Among the motions for discussions was the item, that this Council consider the question of a Community Centre for Newton Aycliffe. As there was not time to discuss this at any length, this matter will be on the agenda for the next meeting of the Council.

A New Constitution was presented and accepted, one of the main points being to extend membership to individual residents.

The Council was asked to give a vote of thanks to all the people who through their voluntary efforts have made the setting up of the organisation justified. There is a great deal of scope in the Town, with the backing of the local organisations, for this Council and we look forward to the next year with confidence.

### CORRECTION TO POLICE NOTICE

The sub-divisional Police Office for Newton Aycliffe Telephone Number is Aycliffe 2173 and NOT 2137 as published last month. If engaged ring Aycliffe 3131, extension 150.

## REMEMBERING AT CHRISTMAS

*Christmas cards adorn the wall,  
Some are big and some are small,  
Some have verses, some have none,  
Most have wintry scenery on.  
There's one from a loved one far away,  
Who could not be with us on Christmas Day,  
There's one which says  
"From us, to you."  
Don't know who it's from or to.*

*One reads "To you, my Pet,  
I thank God for the day we met."  
There's a 'goosey' one from Auntie Flo,  
And one from Somebody none of us know.  
A special one we hadn't last year,  
To our own baby daughter dear,  
One is missing, "Love from Dad,"  
It would have read, This makes me sad.*

*Cards from friends sincere and true,  
To remind us all anew,  
That before the gifts and before the fun,  
Christmas brought us Mary's Son,  
And if we care to seek that far,  
We will find a Guiding Star.*

Mrs. Ann Doran, 23 Tunstall Road

## COUNCIL NOTES

### Parish Council

The Parish Council has given further consideration to the provision of a playing field in the Moore Lane area, and has asked for provisional lay-out plans and estimates of expenditure for three different schemes as follows:- (1). Normal Playing Field; (2). With Running track; (3). With Running and Cycling Track. When these have been received they will decide which scheme to proceed with.

The Council has provisionally agreed to donate ten guineas to the Newton Aycliffe Association for the Welfare of the Physically Handicapped.

The Postmaster General has informed the Council that he cannot reconsider his decision to close the Simpasture and Neville Sub Post Offices when the Crown Post Office is opened in the Town Centre.

### County Council

The County Council has appointed Mr. Leslie Soulsby, B.Sc., to the Headship of the new Campus School—Milton Hall. Mr. Soulsby is at present Head of the St. John's Chapel County School, a post he has held since 1948. He will commence his duties early in the New Year. Mr. T. Walker, 29 Eden Road, has been appointed full time Caretaker of this school, and has already commenced his duties.

The Home Secretary has confirmed bye laws made by the County Council which make it an offence punishable by a fine of not exceeding five pounds for any person in Newton Aycliffe who, being in charge of a dog, allows it to foul the pavement. This bye law became effective on November 1st.

The Council has agreed to participate in a scheme suggested by the Minister of Health for the issue of badges to identify the vehicles of disabled Drivers who have difficulty in walking more than a short distance. The object is to ease the difficulty of these drivers in finding Parking places; the badge will be for identification purposes only, and will confer no legal right or privilege. Persons interested should apply in the first place to the County Medical Officer.

The Youth and Social Services Sub-Committee of the Divisional Education Executive Committee has recommended to the County Council that the following grants in aid be made to the following organisations in Newton Aycliffe :-

Newton Aycliffe Boys' Club £489 3 4

Newton Aycliffe Methodist Youth Club £27 6 8

### TOWN BAND

The Band have quite an interesting programme arranged for the next few months. The best will probably be a concert being arranged in conjunction with the Ladies and Male Voice Choirs. This will be on similar lines to the current radio programme "Sounding Brass and Voices." Watch the Notice Boards situated round the town for date etc. It will probably be in February.

The band have been out two or three times in the town this year and have had no financial gain. We were only too pleased to play for the Sports Day which was such a great success. Please help us when we come round your way playing carols at Christmas. We shall be out the week up to and including Christmas Day.

We are very happy to announce that we have been engaged to play Middridge Miners Lodge into Durham again on the Famous Durham Miners Gala day next year. This is a repeat engagement as most of you know we played the same banner in this year. A great encouragement to all members of the band and shows that Newton Aycliffe Town Band is on the way up.

Will all people, whether male or female, who are interested in Brass bands please come along to our practices. You will find place and times in the Newtonian. If it is a number of years since you last played you will still receive a hearty welcome from all present members. We are now entering all contests, etc. so you can be assured of a very interesting time. Come along, we need you.

A Merry Christmas and a Happy and Prosperous New Year to all residents of our town.

### NEWTON AYCLIFFE MUSIC SOCIETY

During December there is only one date to note. On Tuesday, 12th, under the auspices of the Music Society, the Bishop Auckland and District Choral Society, conductor John Taylor, will give a performance of "Messiah" by Handel. To say any more about this great, traditionally Christmas oratorio would be superfluous, and indeed would be an insult to a Northern musical audience. The performance will be given on the above date at 7 p.m. in the Methodist Church, Newton Aycliffe. This is of course, a public performance, tickets price 5/-.

E.G.W.

### BEVERIDGE ROLLER DANCE AND FIGURE SKATING CLUB, NEWTON AYCLIFFE

The two Presidents trophies which were presented to the club by our President Mr. Fred Markham were awarded in late October to Miss Susan Hindmarsh, and Miss Margaret Thompson, they are held for a period of 3 months. The trophies are intended to promote an excellent standard of conduct and improvement among the club members, and so far the trophies seem to have done the trick.

Although we have found a place for a few new faces in our class lesson sessions, many more young people are still knocking at the door with the hope of getting into one of our classes. Our waiting list of prospective members now number over 40 and at the moment we are sorry to say that we are full up. May I point out that we haven't forgotten the people at the bottom of the waiting list, and we can only hope that we can manage to find you a place as soon as possible. Don't forget our Saturday general skating night, we are pleased to welcome anyone, young or old.

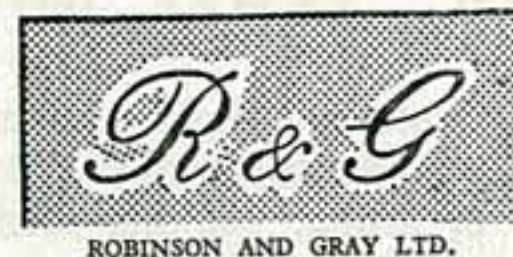

Despite the increase in rent for the use of the Beveridge Hall, we are still able to keep our heads above water. We are nearing the end of a very successful year at the club and our success with National Skating Association roller figure and dance tests has been most pleasing, and a great reward for members and the instructor.

If I may, I would like to thank via the Newtonian, our committee members who have worked so very hard over the past year. Mrs. Bennett is always at the ready with a good cup of tea which is most welcome after a skating session. Our regular doorman Mr. Stewart always has a smile for the customers, and Mr. Markham is usually at the post of skate mechanic. Mr. Noel Bennett is a good man to have around for he will attempt any job at all which will help the running of the club. We all hope that Mr. Sheridan is doing well with his new job out of town. Mr. Godfrey Bennett is what you might call a jack of all trades, and he loves every second of it.

May I on behalf of the Committee wish all our members and friends a very merry Christmas and a happy New Year. We will be delighted to see you at one of our Saturday general skating sessions.

G.A.B. Honorary Secretary.

## R.A.F. ASSOCIATION NOTES

Plans are now underway for the re-decoration of certain parts of the Branch premises. This will be the first time since the premises were officially opened that a re-decoration programme has had to be considered, and much deep thought has been put into the matter. The Queens Lounge and the entrance lobby are first on the proposed list, and we are sure that our members and friends will be more than delighted with the finished results.

With the town growing ever larger, more and more ex-R.A.F./W.R.A.F. members are joining our ranks with every week that passes. This is very heartening to us all, as it goes to prove the point that those who have served, still wish to be connected with something which is R.A.F. Many old friends have been united and many new friends have been made through the medium of the Royal Air Forces Association.

One evening quite recently, a new arrival, both to the town and to the Newton Aycliffe Branch, came in with his wife for an evening's dancing. Before very many minutes had elapsed, he was spotted by an old colleague with whom he had served many years ago in the Middle East. Within minutes, both couples were together and old times were being talked over. Before the evening was over, an old friendship had been more than established.

This incident is by no means unusual, and is in actual fact, the very essence of the Association. The social life of our members, along with their welfare, are our prime concern, and if we can achieve both these issues, we will be more than half way in fulfilling the Association's aims.

To you who are ex-R.A.F./W.R.A.F., we here at the Branch say, come along and join us, you will be more than welcome.

H.G.S.

## THE NEWTON PLAYERS

With the first play of the season behind them the Players are now completing arrangements for the Christmas Fair to be held in St. Clare's Hall, 16th December from 10-30 a.m.—12-30 p.m. Father Christmas is to be present by special arrangements.

Casting and production is going ahead for the annual play for children to be performed on the 10th, 11th and 12th January. Further details will be announced by poster and in the January Newtonian.

Our meetings have returned to their usual time and place—8 p.m. every Thursday in the Upstairs Room of the Community Centre. Anybody interested in acting, painting scenery, serving tea or production etc. is most welcome.

Hon. Secretary Miss J. Kettlewell, 15 St. Godrics Road.

## NEWTON AYCLIFFE OVER 60 CLUB

Our Christmas Party will be held on Wednesday, 20th December, and once again we shall have outside catering and so allow the ladies of the Committee to be free from Kitchen duties to enjoy the fun and games. Any small gifts as prizes will be very acceptable.

We are indebted to Mr. and Mrs. Gallagher of 25 Greathead Crescent, for the gift of a television set for the use of the Club, which is much appreciated.

## SCIENCE FOR TEENAGERS

Harold Bell, test engineer for Bell Aero-systems, strapped a portable rocket to his back and skipped across a stream, over a 30 foot hill, climbed up 10 feet to clear a vehicle and then soared over a distance of up to 300 feet, at about 4 feet from the ground.

Hurricane Esther (1961). A picture of hurricane Esther was taken by weather satellite TIROS III on its 117th orbit of the earth. The pictures were stored on magnetic tape until the 118th orbit and were then 'read out' by the Tiros Station at Point Mugo, California. Picture shows curve of the earth as well as Esther.

### WOMAN'S COLUMN

December is usually the busiest month of the year for the housewife with Christmas preparations and Parties to cater for, so I thought a couple of quickly prepared, but at the same time really interesting, recipes would be appreciated, also a game for the children's party in which all age groups can take part.

Firstly—to the Kitchen to make a Sausage Roly Poly that looks after itself for 3 hours, so that one can get on with other chores. The ingredients required are :-

- 1-lb. uncooked Pork Sausage meat.
- ½-teaspoon herbs (sage is good)
- 1 or 2 cooking apples
- 1-lb. Suet pastry

#### Method :

Make a Suet pastry using hot water to mix it as it makes a much lighter crust, then roll out into an oblong, spread the meat over it with the herbs already mixed in, (a finely chopped onion is just as nice as the herbs if you prefer it). Then a thin layer of raw sliced apple. Roll up and wrap in Kitchen foil or a floured pudding cloth and boil for three hours.

Remove the wrapping and roll the roly poly in bread crumbs, put it in a medium oven to brown and serve with good gravy.

Now for a delicious pudding which takes at the most 5 minutes to prepare and 20 minutes to cook. For 2 people.

Half 3 bananas lengthwise into a fire proof dish, pour over then the juice of 2 oranges then add a heaped tablespoon of brown sugar and finally top with a teacup of desiccated coconut, put into medium oven for 20 minutes.

Most of you will have those pretty coloured candles burning during Christmas time, but did you know they will last much longer if coated with clear varnish, allow them to dry of course before lighting and do keep them out of reach of small hands.

A party game called Gods and Goddesses is not only fun but will help the children's deportment. Each child must balance a book on the head—the children then march round the room to a rousing tune and when the music stops they must kneel down until the music starts again. Any child who loses a book, and there must be no hands used, is out. The last remaining child with its book still intact is, of course the winner.

May I wish you all a Very Happy Christmas.

### THE DURHAM COUNTY ASSOCIATION FOR THE WELFARE OF THE PHYSICALLY HANDICAPPED

#### Newton Aycliffe and District Branch

#### Officers :-

Chairman	Mr. Walton, 5 Greathead Crescent.
Acting Secretary and Handicrafts Officer	Mrs. Alderson, 27 Marshall Road
Treasurer	Mr. Lowery, 5 Marley Road
Welfare Officer and P.R.O.	Coun. Mrs. Hewson, 16 Dixon Road
Transport Officer	Mr. Barker, 2 Dykes Walk
Catering Officer	Mrs. Phillips, 27 Gilpin Road
Entertainments Officer	Mr. Clarkson, 5 Vane Road.

The newly formed Newton Aycliffe and District Branch of the Physically Handicapped Association meet every second Friday in St. Clares' Church Hall. Three fortnightly meetings have now been held and the committee wish to thank the ladies of the ToCH, British Legion and Ladies Club, for taking their turn in providing refreshments. On the opening night the Old Age Pensioners Choir gave a very entertaining concert, which was thoroughly enjoyed by all members and visitors.

Mrs. Mason, the honorary secretary of the Durham Association, presented a cheque to the Newton Aycliffe Branch Chairman, to start their funds, and the Archery Club kindly donated all the proceeds from their "Clout Shoot," held on October 15th. A dance has been arranged to raise further income, at the Working Men's Club, on Tuesday, December 19th. Tickets are now on sale, price 3s. from any member of the committee.

Materials are now available to start handicraft training, and anyone with experience of this type of work, who would be prepared to help either on club nights, or at members homes, should contact the handicrafts officer.

Many local car owners have provided transport to and from the Hall for disabled members and this help is of course essential to the success of the Association. The transport Officer has prepared a rota of drivers, willing to help and any other volunteers will be very welcome.

The welfare officer would also be pleased to hear from anyone prepared to help occasionally on a Friday evening.

E. HEWSON, Welfare Officer.

### NEWTON AYCLIFFE PHYSICALLY HANDICAPPED ASSOCIATION

A grand Christmas 50-50 Dance in the Workingmen's Club on Tuesday, 19th December, 1961. Dancing 8 p.m.—12 midnight to the D. H. Group. Waltzing Competition, Spot Prizes and licensed bar. Tickets 3/- from Mr. S. Clarkson, 5 Vane Road or any member of the committee.

### NEWTON AYCLIFFE COUNCIL FOR INTERNATIONAL RELIEF

It will be remembered that after Refugee Year it was felt that the town should have a continuing Refugee Committee to organise appeals for aid in special crises which might occur.

Recently, however, the Council have been interested in the activities of the Oxford Famine Relief Committee, known as "Oxfam." This is an organised body, equipped with money, food and clothing stores, which can give immediate assistance when and where necessary.

As the Council would like to direct their efforts in full support of "Oxfam" a meeting will be convened early in the New Year to change the constitution of the Council in order to support the Oxford Famine Relief Committee. The Town's organisations will be notified and invited to send a representative.

### NEWTON AYCLIFFE RADIO SOCIETY

A general meeting is to be held in the Iron Horse Hotel on the 6th December, 1961, at 8 p.m. to determine the future outcome of the society owing to the fact that there has been a noticeable decline in attendances during the last few months.

The society holds lectures, film evenings and outings, all of which have proved, in the past, to be of interest and value to members, but the society requires more new members to enable further activities to be carried out.

Why not come along? All will be welcome.

G. MILLWARD (*President*)

### FAMILY PLANNING ASSOCIATION

Clinics are held in the Beveridge Hall Every Tuesday 2—3-15 p.m. There is a lady doctor in attendance. Information and appointments from Mrs. Thomas, 26 Eden Road, Newton Aycliffe—Tel. 637.

### ROAD ACCIDENTS—THREE DEAD DOGS

During the month of October eight road accidents were reported in Newton Aycliffe. Four of these were attributable to dogs, three of which died and one escaped, probably to bring death to a human in the near future. It is becoming more obvious that if we humans are to survive we must ensure the education of the dog race, teach them road manners and kerb drill. Failing that, imprison them, stake them out in the garden, protect and love them, but keep them off our roads.

Milk bottles can be placed in a similar category—they are all potential death to pedestrians and drivers, when they injure our mechanical friends, the vehicular traffic.

Now that dark nights are with us, will the older residents please take extra care. Remember your Road Safety Hints—wear something white and if in doubt wait until traffic has passed before attempting to cross the road. Motorists can help by driving with dipped headlights, when they will not be mistaken for two bicycles.

### SPECIAL NOTICES

#### Items for January Issue

All items for inclusion in the January issue must be received by the Editor by 5 p.m. on Saturday, 9th December, 1961.

Thank you.

#### Gardening Notes

Gardening Notes by D. E. Summerscales of Edinburgh Royal Botanic Garden Guild, held over for January issue.

#### Allotments

There are a few allotments available at the Clarence Chare Allotment Site. Gardeners interested in taking up tenancies should contact the Clerk to the Parish Council, 3rd Floor, Churchill House.

F. E. BEATTY, *Clerk*.

### NOTICE TO CAR OWNERS

It has been noticed that some tenants are driving their cars over the forecourts to their houses in order to clean the inside of their cars. This not only damages the pavements and sown grass but also causes obstruction to pedestrians using the paths.

### CYCLISTS

Many children and adults are cycling on the pavements by the roadside. This is dangerous to pedestrians. Parents, please tell your children that this is an offence punishable by law. This does not apply to Toddlers on three wheel tricycles.

### TENANT'S ASSOCIATION

The following new members have joined the Committee:—  
Mr. Stanford, 8 Cumby Road, Mr. Stone, 24 Bury Road,  
Mr. Booth, 13 Moor Lane.

### BALLROOM DANCING

Miss Linda Ingram and Master Denver Hancock, two fifteen year old pupils of Nora Capps Dancing Academy, Newton Aycliffe, are the Northumberland and Durham Modern Ballroom Junior Champions 1961-62.

This was decided when they entered for and won the junior Championship Trophy at the Annual Contest organised by the North Counties Dance Teachers Association Ltd. at the Empress Ballroom, Whitley Bay.

Linda lives at Coundon, and Denver lives at Newton Aycliffe and is a student at King James I Grammar School, Bishop Auckland.

In August they won first prize in the Old Time dancing at Whitley Bay Dance Festival and on another occasion this year, also at Whitley Bay they won a two dance modern competition. At the beginning of the year they won the Sunday Sun Competition. They have been dancing together for sometime now and have both been pupils of Mrs. Capps for about three years.

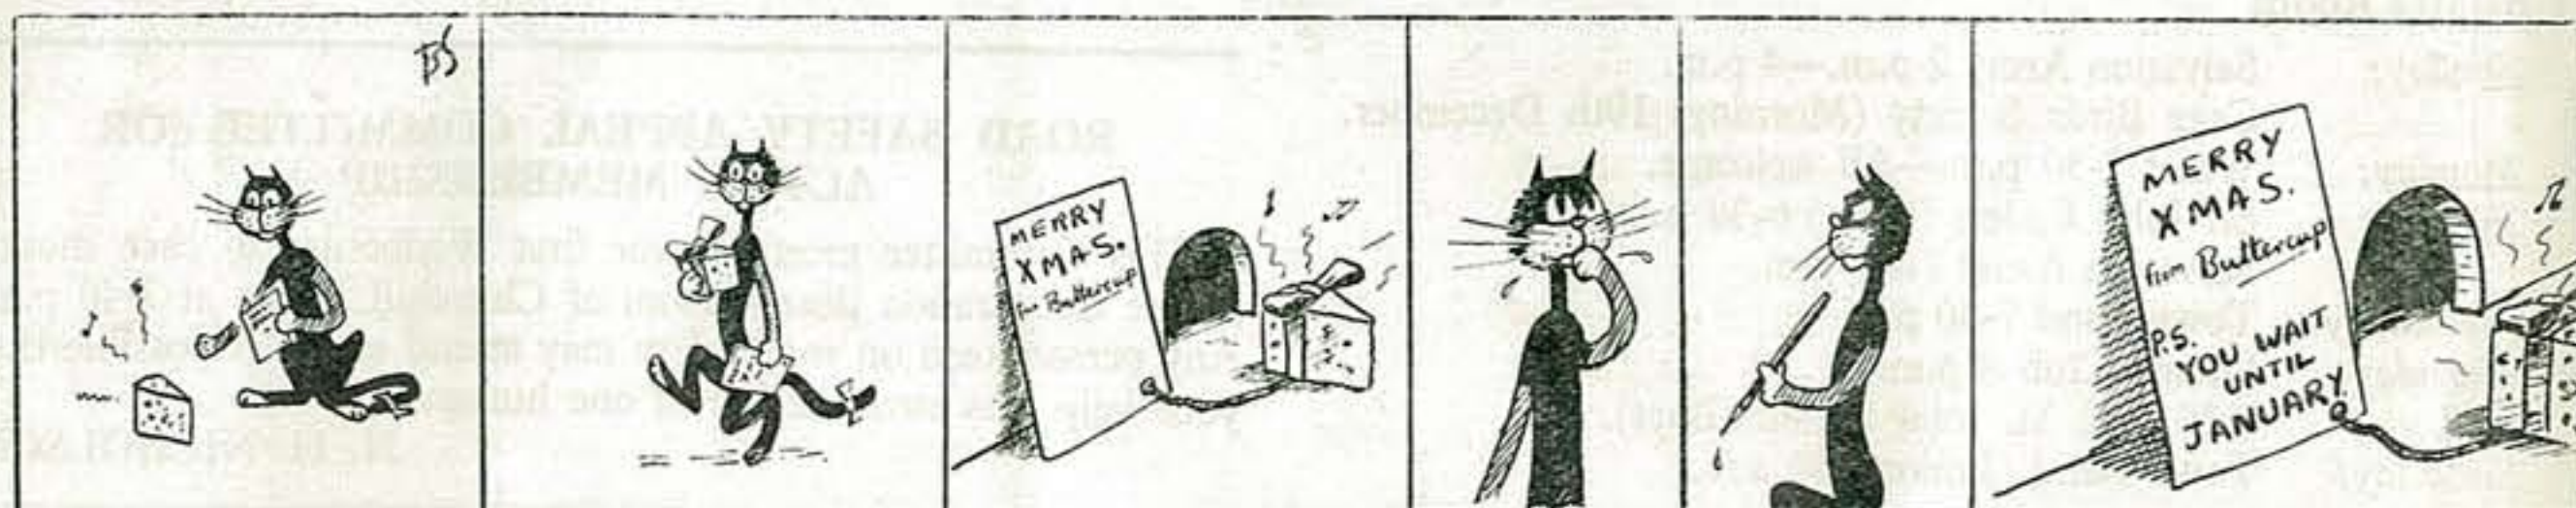

Other pupils of Mrs. Capps have also had many successes. Linda Knight and Alan Clegg both of Newton Aycliffe came third in the Modern Ballroom Junior Championship at Whitley Bay and in the all-girls section, the first prize was won by Corinne Sayers, Newton Aycliffe and Maureen Lackenby of Sherburn Hill, who also again won first prize in the all-girls section at Bridlington Festival recently. Sheila Peck of Darlington and Joy Puttock, Newton Aycliffe were second in the same event.

In the Boy and Girl couples, competing against the British Junior Champions, Denver and Linda came second in the modern Ballroom Dances in the evening session at Bridlington. and third in the afternoon session. Alan and Linda Knight, reversed the procedure with a second prize in the afternoon and a third in the evening, and all this, in spite of not getting home until three o'clock the same morning after a hectic session at Whitley Bay.

Derek Raine and Barbara Barrass both of Newton Aycliffe, who also entered the Bridlington contest did not dishonour the team of five couples from Newton Aycliffe as they reached the finalists and were placed fifth out of the six finalists.

On holiday at Filey, Patricia Bushby, Newton Aycliffe and Keith Malcolm, Shildon, who is shortly moving to Newton Aycliffe, also pupils of Mrs. Capps, entered a Novice Dance Contest there and won third prize in both the modern and old time.
