Community Bazaar for Aycliffe

Aycliffe is to have the first Community Bazaar in the country - On Saturday 13th September 1975. But this is a bazaar with a difference. The only thing for sale will be membership cards.

The Community Bazaar is the idea of Assistant Social Development Officer, Chris Ellis and it is being supported by Great Aycliffe Town Council, as well as the Development Corporation. It is designed to give the towns organisations an opportunity to sell themselves to the people.

"We always hear complaints that there isn't anything to do in New Towns," said Chris. "This bazaar will bury that notion once and for all in Aycliffe. It will prove that there are plenty of opportunities for people to exercise their interests, whatever they are."

So far, 53 organisations from the Cat Club to the Town Band and from the WRVS to the Rugby Club have said they will be in the bazaar. "The idea is that we will make Beveridge Way into an open air market place for the day," Chris explained. Each organisation will have its own stall and will be actively seeking new members.

There is still room for more organisations to join in the Community Bazaar. But space is very limited. Any organisation that wants to enter should contact: Chris Ellis, Assistant Social Development Officer at Churchill House (phone 2521) as soon as possible.

More Central Information Required?

The A.D.C. should consider re-siting the Information Centre.

It does a very good job yet because of its position serves only those persons who have to pass its doors.

It should be possible to gain a more prominent position in the town centre at a spot where the windows could be utilised better and where whatever information is being given can be seen by the majority of towns people.

Elocution Successes.

The following pupils from Newton Aycliffe Elocution Group were recently successful in the elocution examinations which were held at Bishop Auckland:—

Poetry Section
Leslea Batchelor, Honours, Junior Cert.; Lorraine Elliott, Pass, Junior Cert.; Debbie Wise, Credit, Junior Cert.; Lesley Hutchinson, Credit, Adult Cert.; Mandy Batchelor, Credit, Junior Bronze Medal.

London Academy of Music & Dramatic Art
Melanie Jones, Distinction, Preliminary; Theresa Hood, Distinction, Grade 1; Patricia Oldfield, Pass, Grade 4.

BEFORE YOU STEP OUT

John Tully, Durham County Road Safety Officer, announced this week the beginning of a new publicity campaign — "Before you step out."

He said "This slogan will soon become familiar throughout the County, it concerns everyone whatever their age."

The aim of the campaign is to bring home the need for pedestrians to stop, look and listen before crossing the road.

In Durham County last year there were fewer pedestrian accidents than the year before, but even so, 657 men, women and children had been killed or injured whilst crossing the roads.

Each one of these figures represents pain, misery, or those concerned, but because these pedestrian accidents happen singly they go unnoticed, the total figures being a local disaster of terrible proportions.

Mr Tully said "Don't become one of next year's statistics" he warned that accidents don't just happen to other people. The slogan of the campaign "Before you step out, stop — look — listen" is important to us all, everyone is a pedestrian at sometime or another.

Estate Agents and lost deposits

If you lost your deposit paid to an estate agent when buying or leasing property due to what you thought was fraud or dishonesty, you may be able to claim it back through the indemnity scheme run by the Royal Instit. of Chartered Surveyors and the Inc. Soc. of Valuers and Auctioneers. The insurance cover only applies, however, to de-

posits paid on or after 10th October 1969 to members, or to firms with at least one principal who is a member, of one of the two societies operating the scheme.

Your local C.A.B. at 9 Isherwood Close will be able to help you to decide whether or not you have a claim and how to proceed from there.

BUYING A FREEZER? C.A.B. CAN HELP

In these days of soaring food prices and with the consequent trend toward "grow it yourself" — if you're lucky enough to have a garden or allotment — many people may be thinking of investing in a food freezer. A freezer can save you money if it is used in the right way. Food can be bought in bulk and at the time of the year when it is cheapest, and, of course, home grown foods can be frozen.

As part of its consumer advice service, your local Citizens' Advice Bureau at 9 Isherwood Close Tel: 3635 which is open between 2 and 4 p.m. Monday to Friday, can advise you on what to look out for when buying a freezer, bulk buying food or considering a food plan arrangement (when a freezer is bought from a firm and an agreement made to order frozen food regularly from them).

Phoenix Fund Says Thanks!

Dear Newtonians,

As you are well aware our Junior School was destroyed by fire earlier this year, immediately a small group of parents got together to raise money to replace articles bought out of school funds, by the efforts of the Elmfield Home School Association over previous years.

We knew a community spirit existed in our area, but the overwhelming and generous response from Newton Aycliffe as a whole was astounding. To list every individual donation would take all the space available in this issue. Who can put a value on a child donating his pocket money, or a Senior Citizen part of his pension, or again the time and effort of the local clubs, various organisations trades people and industries. The list is endless.

We read almost daily of schools being destroyed by fire, but as far as we are aware the people of Newton Aycliffe and surrounding District are unique, in as much as they got together to turn a tragedy into a successful appeal, which will not only benefit present pupils but all children who attend Elmfield Junior School in the future.

One often hears of New Towns being Soul-less and in Social Awareness, but over the last few months the people of Newton Aycliffe have shown, that here at least we do care.

On Tuesday July 15th a cheque for £1,750 was presented to the headmaster Mr. R. T. Bloomfield. This figure alone verifies how well the fund has done, but even this amount in no way signifies the help and generosity of you the townfolk of Newton Aycliffe.

So once again we say a very sincere, if inadequate

THANK YOU

Elmfield Phoenix Fund Comm.
