Aycliffe Development Corporation has appointed Mr J. A. Cooper, B.Sc. (Est. Man), as Director of Estates.

Mr Cooper, who is 35, joined the Corporation in 1973 when he took up the post of Assistant Director of Estates (Industry). He took over as Acting Director during the absence through illness of Mr J. A. Denton, earlier this year. Mr Denton retired from the Directorship on 30th June.

The Estates department is the newest department in the Corporation's establishment. It was set up in 1973 when the A.D.C. acquired Aycliffe Industrial Estate. It is responsible for the industrial and commercial promotion of the town and for the acquisition, management and disposal of all Corporation owned buildings and land. The department is also responsible for the maintenance and management of almost 6,000 houses in the New Town. It includes a thriving horticultural section which maintains many landscaped and planted areas in the town.

Aycliffe Industrial Estate has almost 4 million square feet of factory space, of which 2.2 million square feet is privately owned. An additional 360 thousand square feet is under construction at present.

● Jim Ewing is to have overall charge of Aycliffe and Peterlee Social Development.

● Chris Ellis moves to Peterlee as Principal Community Development Officer.

300 new jobs for Aycliffe

Through the gloom of depression comes the encouraging news that Electrolux is to open a new factory at Aycliffe.

The 15,000 square foot factory is almost finished, and on completion will be offering 300 jobs to both men and women on a 50/50 basis.

Electrolux are probably making this move due to the success of Flymo who are members of the group.

In fact part of the work of the new factory will be the manufacture of parts for the Flymo machines.

The new factory is situated on a 16 acre site at Preston Road, leaving sufficient space for the factory to double its size if and when necessary.

WORKING WITH YOUNG PEOPLE

The Social Development Dept. of the A.D.C., in conjunction with C.C. Youth and Community Service, are arranging a brief introductory training course for men and women who are interested in spare time work with young people.

The course will be held in Burnhill Community House, 1 Hawes Place, off Stephenson Way, starting Wednesday 8th Oct. at 7.30 p.m. To be sure of a place get your application form from the Information Centre, Churchill House, and return it as soon as possible.

Our Pie and Peas venture augurs well for the future. The last one was good; the local talent excellent.

Grateful thanks to the Cadets for their grand job during Wings Week, especially to Lt. Herbert. Many thanks also to members who used their cars to take cadets to their collection points.

**"Thankyou
all for your
hard work"**

Dear Sir,
May I through the medium of the Newton News express my deep appreciation for all the effort which many local societies' organisers put in to make the recent Community Bazaar such a success.

A total of 60 groups and organisations put up stall displays for the townspeople and all of them represented a good deal of hard work.

Whilst it is always a source of considerable satisfaction to undertake projects wherever people are ready to work towards improving the quality of life in their own community, it is extremely pleasing to work with townspeople who are ready to give so much to an event which has all of the risks and uncertainties of a previously untried idea.

The Social Development Department also enjoyed valuable support from the Great Aycliffe Town Council which should not go unacknowledged. I hope that this support, together with the efforts of Aycliffe's Voluntary Organisations and Groups which joined in the Bazaar will produce a continuing series of events for the benefit of the Town, and a rewarding increase in interest and membership for those organisations who supported the venture.

J. Ewing

PRAISE FOR PAINTERS

Dear Sir,
I am sure other Corporation tenants would like to join me and thank Bell and Ridley for the excellent job they have made of painting the houses.

No time was wasted, the men were pleasant, conscientious, and very efficient, and I didn't have to spend time scraping paint off the window panes.

A grateful tenant

Old Scouts Association

The Scouters of your local Scout Troops intend forming a branch of the above association. Its aims and objectives are the assistance and support of the Scout Groups through the social activities of the members. We have a splendid example in the County at Wheatley Hill which goes to show what can be achieved by a body of people with the same objectives.

The intention is for a social organisation, who through their social activities raise funds for the furtherance of what must be the greatest youth movement in the world.

Meetings would be in the upper room of some local hostelry, and following a get together, a suitable night and could be determined. Eligibility is not confined only to ex-frequency of such meetings scouts, anyone who is interested please contact Mr Jones telephone 2705 or call at 3 Central Avenue for any further details.

MUSIC SOCIETY

After an excellent start to the new season, viz. the outstanding 'Musicerama' presented by chairman Jack Hart, the Music Society now looks forward to the first Professional Concert. For the 3rd year running the distinguished baritone John Heddle Nash is to appear at a society concert. On Oct. 11th in the Avenue School he presents 'Something to Sing about' which will be a popular programme of light music Gilbert and Sullivan etc., and as on previous occasions John Heddle Nash will be supported by the Newton Aycliffe Operatic Society Chorus.

Tickets for the concert which begins at 7.30 are on sale at 70p from Mrs Swift, 12 Aylmer Grove. Now is also the opportune time to renew or begin membership. All concerts are open to the general public, but membership does give the opportunity of concessions and free admission to members evenings. Details of membership can also be given on application to Mrs Swift, but the charge for the season is only £1.20, and children for 50p can attend every concert without further charge.

ROYAL BRITISH LEGION LEEK SHOW

The Royal British Legion (Leek Club) held its Annual Show in Saturday 13th Sept. and although it clashed with the County show, the standard of produce was remarkably good.

The members leek section was won by Mr Davey of 11 Hunter Close with leeks

measuring 120 cubic inches. These were the largest leeks to win any show on the town.

Mr Davey also had most points in the show, being one point in front of Mr Ray Wheeler of 8 Clarence Corner, another keen grower in the area.
