FRIDAY JANUARY 16th 1976

New Meeting Hall opens

Dennis Stevenson, Chairman of the A.D.C. officially opened Greenfield Meeting Hall on Saturday 10th January.

Greenfield Meeting Hall has been built by the A.D.C. at a cost of £45,000. It was designed within the Technical Services Dept. of the Corporation. Project architect was J. Cameron, R.I.B.A.

This is the first purpose-built meeting hall in the town and makes a useful addition to existing facilities. It is located in a central position in the western area. The hall has been transferred on trust to the local Greenfield Community Assoc. to be used for the benefit of the neighbourhood as a whole.

The building combines functional design with flexibility and is planned to require minimum maintenance. Floors throughout have been insulated to assist heat retention. A sprung hardwood floor has been installed to the main hall and the floor in the committee room/lounge is carpeted. All other floors are of vitrified brick tile. The building is equipped with an automatic gas-fired central heating system.

In addition to the main hall (approx. 60ft x 30 ft) the Meeting hall contains a kitchen, store room and a committee room/lounge. Easy access for handicapped people has been provided and toilet accommodation includes a facility for wheelchair users. The Foyer/hall has been designed to provide an informal meeting place with bulletin boards etc.

The facilities at Greenfield Meeting Hall are greatly augmented by the provision of a sheltered outdoor area, connected to the main hall, which can be used by organisations such as pre-school playgroups and the elderly. A comprehensive programme of landscaping works by the A.D.C. is in progress.

Greenfield Community Association already has a full schedule of day and evening uses for the new building.

Mr Dennis Stevenson, Chairman of the A.D.C. (standing) with the Rev. J. Ingyon (seated to his right) and the Trustees of the Greenfield Meeting Hall (l to r) Mr F. Bainbridge, Counc. D. Vickers and Mr F. Shenton, during the official opening of the Hall on Saturday January 10th.

TOO GOOD TO MISS!

January/February is the preparation time for the gardening season ahead, a time for the study of seed catalogues (we never seem to grow anything as illustrated) and the time for an early start in the greenhouse. All gardeners are looking for quicker and better results than last year and it may be that these can be achieved by the use of Jiffy Pots. Mr G. Spurgeon of Ripon, area representative of Jiffy Pots (U.K.) Ltd., will be the speaker at the Guild meeting in the Upstairs Room of the Oak Tree Inn at 8 p.m. on Tuesday 20th January 1976. Mr Spurgeon's talk will be illustrated with slides. If you are interested, whether a member of the Guild or not, do come along.

For those who are particularly interested in chrysanthemums, make a note of the date, 17th February when we are to be visited by Mr Harry Lawson of Hartlepool, an acknowledged North East expert in this field.

New members to the Guild are always welcome. Contact Harry Bilton, Secretary, 3 Clarence Close

Elmfield Survey

During November 1400 Questionnaires were distributed to residents in the Elmfield and Woodham Burn areas of the town. Most of the questions were designed to discover the shortcomings of the town. Although the returns represented a disappointing 10% of the distribution, in the early stages of analysis the overall impression is that Newton Aycliffe is an acceptable place in which to live.

The final results will be available in the new year when a comprehensive analysis will appear in this paper, together with comments and points raised.

1976 Contacts Calendar

Every family in Newton Aycliffe (and there are over 7,500) is to receive a gift from the Development Corporation, a copy of the 1976 Aycliffe Community Contacts Calendar.

The Contacts Calendar lists details of more than 80 essential services and organisations in the new town. It is intended as a ready reference guide for Aycliffe residents and is designed to be pinned up in a prominent place in the home. The calendars will be distributed for the Corporation by members of the 1st N/A Scout Group.

"This is the second year that we have produced a Contacts Calendar as a service for the people of Aycliffe" said Ken McKay the Corporation's spokesman. "We have changed the format this year to make the calendar more useful. We have also added more detail about some of the services and printed all of the emergency contacts in red, for easier reference."

NEWTON AYCLIFFE MUSIC SOCIETY

The Music Society begins its programme for 1976 with a concert by the Country Wind Band on Mon. January 19th.

This programme will begin at 7.30 and will be in the Methodist Church Hall.

Following concerts include return visits of the popular choral group 'The Scholars' (Feb. 19th) and the pianist Anthony Peebles (March 20th).

British Legion thanks

Dear Sirs,
I would like to take this opportunity on behalf of the Royal British Legion, to thank everyone who assisted in the 1975 Poppy Appeal Fund, in and around the precincts of the town itself, also the factory management who allowed collecting boxes and trays to be left for this purpose.
It is not easy, or indeed practicable, to extract any individual amount and be able to say that this one or that one was able to excel by collecting x number of pounds, except to say that it has been greatly appreciated that the effort was indeed made and that this has enabled us to send a total of £1600 to our National Executive at H.Q., which shows a 12½% increase on the previous year.
I would close by saying that if all the recipients of assistance from the funds realised

from the annual Poppy Appeal who were able to carry a box, came forward every year, the town of Newton Aycliffe would have 'blanket' cover and be able to collect much more than we do.

"I HOPE THEY ARE TORMENTED"

Dear Sir,
To the person who, on Jan. 5th, found and kept my husband's wallet. The money it contained was not prize money, it was hard earned and saved. One of the 50p pieces had great sentimental value, it belonged to our late daughter, the loss of it made my husband ill.
If they have a conscience, I hope they are tormented. Perhaps someday they will be repaid in their own coin, then they may realize the anxiety and worry this loss has caused us.

IN ANSWER TO

YOUR PROBLEMS...

Continuing to keep you informed, as we promised, of the activities of your C.C.S. we would like to tell you this week about the **Citizens Advice Bureau** one of our affiliated organisations which exists for your benefit.

The C.A.B. has been in Newton Aycliffe for ten years, but nationally was founded around 1940, to assist the public in dealing with the many problems arising from war years.

It was found to be very helpful, almost vital in most places, so the service was extended to all New Towns and many old ones, where it continues to do a very good job, often in poor premises and amid sadly dilapidated surroundings.

Your own local bureau is more fortunate, in that it is situated in a quiet, residential area of the town, at 9 Isherwood Close. Here you can talk about anything under the sun which worries you or with you need guidance and assistance, in complete privacy and in absolute confidence.

All C.A.B. workers are trained to do their work with expertise; are chosen with great care; are people who care about the welfare of others; and above all, work happily without pay or reward.

Whatever your problem, in whatever field, be it financial, marital, personal, or maybe simply how to cope with life itself, your C.A.B. will help you. They have resources, and information, on the spot, which no other single body can command, and what it most important in these inflationary days is **free of charge** to anyone needing help. Sometimes it can be of help simply to talk to a sympathetic listener. In such circumstances, where all that is needed is time and patience, you will find it at the C.A.B., so if this means you go along, unburden yourself, secure in the knowledge that, whatever you say is private, confidential, and ends there, you will leave a much happier person.

Last month some one hundred people passed through the doors at number 9, all with problems, all very anxious about how to resolve them, but all were helped and we hope now happier.

So do remember folks, if in doubt, consult the experts. **The Citizens Advice Bureau** who exist to assist and delight in so doing, whatever your needs.

F. Hutchinson, C.C.S.

CHOIR CONCERT

Newton Aycliffe must take pride of place for its musical treats provided by the various organisations in the town.

An event to be looked forward to is a return visit of the Glasgow Phoenix Choir to the Methodist Church in Neville Parade on Saturday 31st Jan. for a concert to commence at 7.30 p.m.

This is on the occasion of the Choir Weekend when on Sunday 1st February, Rev. Roy Gunstone will return as the special preacher, where for some years he fulfilled a successful ministry and unsparringly gave himself to community work.

THANKYOU

Thankyou very much to staff
and all involved when Michael
Hayes aged 15 months was
taken ill at the Rec. Centre.
He is well again now. Mr and
Mrs Hayes

A sincere thankyou to all who
helped Shafto House on 13th
Dec. to raise £241. Also to the
Dicky Bow Club who presen-
ted us with a £100 from their
charity organisation.

1st N/ Boys' Brigade would
like to say Thankyou to all
those people who helped the
Company raise a record total
of £805 during their 1975 BB
Week. The money is being
used to replace their mini-bus
purchase band, camping and
gymnastic equipment.
