# ADC & Sedgefield agree to transfer

The District Council and the A.D.C. feel the proposed transfer of rented property will be in the interests of the community.

But there is a problem of finance and if the Government do not help with the cost of transfer the ratepayer faces large increases.

It is stated in the official release that future house building policy will also be affected and Sedgefield will be involved in the design and mix of any new development. It is interesting to note that future plans allow for 3000 rented houses and 2000 private.

The statement mentions nothing on the sale of houses to sitting tenants. The low per-

centage of owner-occupiers in the new town will not be improved much in the long term even with a 2000 increase in private houses. We estimate the percentage to be 35% compared with the National average of 55%. To bring Newton Aycliffe up to this average would mean the sale of approximately 1200 houses to sitting tenants.

## JUBILEE CELEBRATION PLANS UNDERWAY

The town organisations are responding very well to the appeal by the Jubilee Committee for details of activities and events over the celebration period 4th-18th June.

The co-ordinating committee have received notice of a Gymkhana, Poetry contest, 5 a side tournament, Morris Dancing, Scottish Country Dancing, Fancy dress, childrens sports, various street parties, Town Centre Thanksgivng Service, Barbecue, Youth Centre Fun Week, in addition to the usual events organised for Festival Fortnight and now brought under the Jubilee umbrella.

The Community Bazaar will be held in the Town Centre during Jubilee Fortnight and besides stalls by organisations, will include other attractions.

Already the indication is that the town will hum with activity throughout the period. The co-ordinating committee will be collecting information over the next weeks, and ask those who have not submitted plans of their particular event to do so at the earliest opportunity.

## To Street Party Organisers . . .

The Jubilee Committee ask the Street Party organisers to look to their own resources with regard to tables and chairs.

It would seem impossible to supply every street with trestles borrowed from the various organisations who have them available.

The committee suggest each house in each street put out their own kitchen tables, pasting tables or whatever to get over the problem.

This way there is no worries over fetching and carrying trestles before and after the party.

## KITCHING FUND

The Mayor's appeal fund for the survivors of the fire has cleared over £2000.

Money is still to come in from various functions in aid of this appeal, and shows the towns sympathy and generosity in the face of this tragedy.

## A NIGHT TO REMEMBER . . .

All 21 senior citizens wish to thank the Newton Aycliffe Round Table for a most enjoyable evening spent in such pleasant company last week. "I had forgotten what it was like to go out for an evening and really enjoy myself, knowing that I would be safely escorted home," said one lady.

"The Pantomime, buffet and meeting the cast was a great experience, but the thing I will remember most of all is all those young men who gave up their time to make it all possible." Thank you Round Table. (see report, page two)

## TOWN HOSTS FOOTBALL COMPETITION

Each year teams from each new town are selected to play in a football tournament.

Last year the Aycliffe Under 16 Squad travelled to Corby and came away with the cup.

This year, on Easter Saturday, 9th April, Newton Aycliffe act as hosts to the visiting teams.

Trials have been held over the last few weeks to pick 14 boys for the squad, and it is hoped Aycliffe will retain the trophy.

Are you thinking of growing chrysanthemums this year? Do you know the best varieties to grow for early or late (greenhouse) flowering? You will get the answers to these and many other questions on chrysanthemums at the Guild meeting at 8 p.m. on Tuesday 15th February in the Upstairs Room at the Iron Horse Hotel. The speaker will be Mr C. Gallimore, who is a member of Richmond Chrysanthemum Society, a national exhibitor and a qualified judge.

Guild membership is 25p per year. New members are always welcome. Contact Mr Harry Bilton, Secretary, 3 Clarence Chare.

## ERRATUM

Will readers please note that the article in our last issue, headed "Horndale Community Association" should have read "Elmfield Community Association." We apologise for any misunderstanding this error may have caused.

## Take my advice . . .

The new offices of the Citizens Advice Bureau was officially opened by Chairman of Sedgfield District Council Councillor J. Lee, on Tuesday 25th January.

In attendance were representatives from the A.D.C., Press and the Town Council including Mayor E. Elmer. Members of the Bureau provided refreshments for the guests at the reception held afterwards.

C.A.B. Chairman, David Blenkiron, in his welcome to the guests remarked on the need for more funds to maintain the voluntary service.

The new suite of offices is situated on the same floor as the Town Council offices and is next door to the Social Services Department.

### FREE SERVICE

The Bureau relies on grants for its running costs and exists this financial year on

£900. However, if they are to continue to give this free service and indeed, cope with an increasing demand, the estimated requirement for the next financial year is £1500.

And this figure pays for a voluntary service — Goodness knows what it would cost the ratepayer if the staff had to be paid the going rate.

The C.A.B. members are a little worried whether this financial requirement will be met following announcements that local authority grants may not be increased! Yet other sections such as the Arts, equally reliant on grants, are to get more!

Volunteers are still required by the Bureau and the only qualification required is willingness to give your free time to advise clients on their particular problems. On the job training, courses and trips to court are all part of this worthwhile work.

If you have a problem and seek advice contact the C.A.B. Monday to Friday, each morning between 10 a.m. and 12 noon, and in the afternoons between 2 and 4 p.m., except for Wednesday when the office opens in the evening, 7 to 8 p.m.

## AYCLIFFE VILLAGE WOMEN'S INST.

## YOUTH CLUB FULL UP

This new club has now got off the ground and is called the "Kids Union." It has been such a great success that we have to close the membership.

A waiting list will be made for any Junior school aged child wishing to join. We must emphasise that this is a club for 7-11 year old children only.

Any present member who misses four consecutive weeks must forfeit their membership. This will enable the next child on the waiting list who would perhaps come each week, to become a member.

We are always in need of adult help for without this the club just could not function.

Any adult who is willing to give 1½ hours each week please come along to any of our meetings at the Youth Centre, any Tuesday, 5 p.m.

## Panto time

St. Clare's are presenting **ALADDIN** on Wednesday, Thursday and Friday, 16th to 18th February in the Church Hall at 7.00 p.m.

The principal characters are being played by the Rev. Michael Mills, Beverley Temple and John Clare, fully supported by members of most of the Church organisations, including David Harle, Bess Stockdale, Paula Walker, Jimmy Ridgeway, Pamela Ellesdon, Lyn Allen, Richard Proud, Lindsey Smith and Iain Summers.

Woodham schoolteachers Mrs S. Aberdeen is the producer, and following the tremendous success of last year's panto, hopes to provide as much fun and entertainment this time.

Tickets are on sale at the Information Centre and at The Lady's Shop, price 20p for adults, 15p for children. All proceeds will go to the Church of England Children's Society.

## CAN YOU SUPPLY FRESH KIPPERS BY POST?

Almost 10,000 people called at the A.D.C.'s Information Centre during 1976 — an increase of over 1,000 on the previous year's total.

Most of the questions that Information Officer Anne Riley deals with are straightforward enquiries about the new town and the Corporation. But Mrs Riley also gets the sublime — and the ridiculous — from time to time.

During the past year, there have been several requests for a local source of manure, an enquiry from someone who wanted to buy fresh kippers by post, and a visit from a lady who wanted to know the cost of a taxi to Bishop Auckland: "Because I doubt whether my fiancée would make it from the bus stop to the Registrar's Office."

The Information Centre also runs window displays publicising local organisations and sells tickets for concerts and shows.

## Cinema Society closes its' doors

Dear Sir,

Wednesday 19th January, was a sad day for Newton Aycliffe Cinema Society. We held our A.G.M. in the Recreation Centre club rooms, and only ONE member turned up.

So the committee of eight were left with no alternative than to fold up the film Club on the grounds of total lack of funds and support.

The Society have approached the manager of the

Recreation Centre to see if it was possible for them to take over the running of the films, as do Spennymoor Centre who do so with great success.

But can we expect the Council to step in and take over where we, and the Moving Picture Show, and Northern Arts Film Show, have proved that Newton Aycliffe doesn't want its' own Cinema.

Thank you Newton Press, and all others who have helped in the past.

E. Cairns

### THANK YOU ALL

### PLEASE, DON'T LEAVE YOUR PETS

Dear Sir,

My husband and I have recently moved to the Cleveland Place area, from the older part of Newton Aycliffe.

Since we have moved here, we are disgusted to find how many people move house and leave their pets behind to fend for themselves.

We are feeding four stray cats, plus our own cats. Dogs run wild and are scavenging in dustbins.

I hope these people realise that animals have feelings as do humans. With the harsh weather we are having these animals are starving and cold. I hope this letter will get home to these people and make them realise what wrong they are doing.

Signed: An animal lover

### FLY A FLAG FOR JUBILEE

Dear Sir,

It was most heartening news to learn that the Town unites for the fortnight of Jubilee Celebrations.

May I suggest that on June 2nd, the Anniversary of the Coronation, we all fly our Union Jacks from houses and premises in the Town.

Those of us who spent Coronation Day here in Newton Aycliffe will remember that despite the wind and the rain our wet, bedraggled flags did show the Town's praiseworthy loyalty, and we all felt better for it!
