IDEAS SOUGHT FOR FUTURE
DEVELOPMENT PROPOSALS

Sedgefield Borough Council is seeking views from its community on its Draft Statement of Community Involvement (DSCI). This document explains how the Council intends to engage with those who have an interest in planning issues affecting their community. It is very important for Sedgefield Borough Council to work in partnership with the community to deliver sustainable development in the right place at the right time. Communities should be able to contribute their ideas to plan making and be involved in development proposals. The DSCI sets out the proposed methods through which the community will be able to contribute to the process. The DSCI is available for public comment during the six-week period 11 April - 23 May 2005 when representations, either objecting to or in support of the Statement, can be made. Any representation should specify the matters to which they relate and grounds on which they are made. Should you wish to make any representation, would you please complete a representation form and return it to the Forward Planning Team, Planning and Technical Services, Sedgefield Borough Council, Council Offices, Spennymoor, DL16 6JQ by 5pm on Monday 23 May 2005. Copies of the DSCI and representation forms are available for inspection from the Sedgefield Borough Council Offices or via the website: www.sedgefield.gov.uk Should you require any further information, contact Chris Myers, Neil Culkin or Tom Bennett on (01388) 816166.

Editorial Comment

Will it be Easy for Tony Blair?

The General Election has been called and we, in the Prime Minister's constituency, will have to decide whether we want to re-elect him as our M.P.

Strictly speaking he is a failure as an M.P.! Apart from a few official visits he does very little for Newton Aycliffe. Tony very rarely meets the ordinary voter except in the run-up to an election when it will be considered an acceptable risk to his safety.

Any other time his visits are stifled by police security and checks, denying Tony much opportunity to "press the flesh". We cannot say he represents us in Parliament, because he is too busy with day to day National issues and International duties.

When did he last speak on our behalf in the House and when did he last hold a Surgery in the town? How many letters has he replied to? How many complaints has he dealt with personally?

His neglect of duties as our Member in Parliament begs the question whether we need M.P.'s. We have certainly managed well enough without him on a local level and we gain little from the fact that the Prime Minister is our M.P.

Some say he is the best Prime Minister this country has seen and many of the current Government's achievements will be credited to his zeal and vision.

As a person he appears amiable, honest and sincere yet many commentators call this false and deride his style.

So how will we vote in Newton Aycliffe? Tony carried a 16,000 majority at the last Election and it was easy for him, despite the same complaints on his poor record as our M.P.

During this Election Tony will breeze into town like a pop star and his undeniable charisma, coupled with traditional and unstinting Labour support, will secure his seat in the next Parliament.

Questions on Cost of Transfer Unanswered

Dear Sir

I am a council tenant and a ratepayer and a few months ago I asked through the Newton News who was paying for the stock transfer 'yes' campaign. No answer was given.

I had heard that the ratepayers were footing the bill, which would be a gross misuse of ratepayer's money, as many own their own homes and the stock transfer has nothing to do with them.

It's the Government who are desperate to sell the stock.

The local Labour Councillors have been keeping their heads down on this issue, so now that Councillor Clare has come out of hibernation last week could he tell the readers of the Newton News who is footing the bill?

Name and address supplied.

Ed: Councillor Clare is the Town Council Labour Party spokesman and cannot comment officially. A Borough Councillor may wish to answer on the cost of transfer and whether they are keeping their heads down?

Letters to the Editor

"Young People are not Welcome"

Dear Sir

I would like to know why it is in this country, that when a minority group of Anti-social young people cause problems, that all young people are penalised for the sake of a few?

I recently read a notice at "Somerfield" which stated "Young people are not welcome in this store after 5pm" Apparently on the basis that there is a group who hang around the doors and behave in an intimidating and abusive way to customers and I would guess staff as well.

Problems of this nature can also be experienced in other areas of the town centre, also at times The Thames Centre, not to

mention other areas of the town, such as housing estates and parks.

Serious matters of this nature, calls for drastic, long lasting positive action, by the Police and where other authorities should also be involved to formulate plans and procedures in dealing with this blight on our society. I would also suggest that the law, which can at times be an ass, needs to be over-hauled and reviewed and brought struggling into the real world of the 21st Century.

If these matters were dealt with severely then other matters such as serious crime would be cut right down.

Too long we have listened to, the ramblings of people such as civil liberties and

the like.

Young anti-social people under the present system, know they can use this to their advantage. The Police having a friendly word or moving them on, is not the answer.

Positive action through the courts and making parents responsible where applicable should be tough.

Then and then only can we all experience a better environment. Young blameless people can then have the right to enter a shop etc.

I dare say despite all this, the authorities will continue to bury their heads in the sand, or be averse to sticking their necks out due to times political correctness.

Roger McNeal.

Party Politics Deny Choice

Dear Newton News,
A recent issue carried a letter from a long serving councillor who says he had been deselected for not following the party line and preferring to follow the wishes of the people who elected him to the role of councillor.

New Labour, which is nothing more than another right wing organisation appears to be a party where the wishes of some higher authority is to be followed over those of the electorate.

These unseen people seem to think that the electorate are only there to give them the power to do what they want, completely ignoring the needs of people.

They are telling constituency party members who they can choose as their next prospective Member of Parliament by presenting them with a list of names from which they can choose.

This shows they are trying to turn backbench MP's into a set of puppets and dolls who do as they say and do not take the views and opinions of the people who voted them in to represent them in Parliament.

I feel the only way local people can have a say in what goes on in their area is to vote for any independent that stands in their ward and not vote in a person who follows the wishes of unknown, unseen people.

I think that information about the stagnated town centre development would have been forthcoming by now if the town was represented by independent councillors and not by big party interests.

Regards,
Peter Dolan

Should People on Benefit Rent Luxury Homes?

Dear Editor
Along with millions of other citizens I assume that the Benefits System is based on need?

I am therefore astonished to find that recently a nearby house, which is privately owned and rented out, has been allocated to a young, unmarried, unemployed, out of town couple with young children! The rent for this is being met by the Benefits Agency (us the tax payer) while this in itself is not unusual, I have to add that the house is a luxury 3-bedroomed detached with garage and large garden!

Does this couple really need this level of housing which must carry a high rent?

Why not give suitable local authority housing or is it the case where people now can pick and choose where they go and we, the taxpayer, pick up the tab? Where is the incentive to work hard and prosper when you are allocated a property worth over £170,000 rent free?

Moreover who are the fools here, the Benefits Agency or us who have to work for a living? Yours sincerely,
"Astounded"
Name and address supplied.

DEALING WITH YOBS

Dear Sir
Whilst it is very commendable and convenient to have a restaurant/pub and shops at Cobbler's Hall the pedestrian walkway (adjacent to the garage) to get there is disgusting.

Each side of the pathway is muddy with green slime lying on the pools of water. The amount of litter scattered is all over, including countless take-away cartons (either empty or with uneaten food/gravy), plastic and glass bottles, cans, paper wrappings just thrown or dropped down is untidy, unhygienic, dirty and disgusting to see.

There are 4 litterbins immediately outside the shops of which one is half full, the other 3 empty. Can those sales premises be made to be responsible for other customers litter? Can litterbins be provided and placed at strategic points along the pathway? Can people be encouraged by notices, to deposit the litter in these bins or take it home? Can offenders who do community service help to clear the litter?

It is not only on that particular pathway, it is dropped over the Cobbler's Hall Surgery grounds, the surrounding roads and paths.

Despite the service provided by the Council in collecting up some of the litter, there seems to be a little appreciation of that facility by the majority of "Take away eaters!"

To anyone driving or walking down Woodham Way (near where "Piggies" used to be) the amount of litter in the hedgerows is a disgusting

sight and extremely detrimental to the environment.

Who is responsible? Are Litterbugs multiplying?

Yours sincerely,
Mrs J K Blaik

Borough Support for CAB Unequalled

Dear Sir

Re: Mr Biggin's letter concerning the Citizens Advice Bureau in Newton Aycliffe First of all, let me state categorically how important we value the contribution of the volunteer sector not only in Newton Aycliffe, but throughout Sedgefield Borough.

Furthermore, I must stress the financial assistance given to the Citizens Advice Bureau (CAB) in Sedgefield Borough is unequalled by any other local authority in County Durham.

CAB receives £1.91 per head of population and that's a total of £166,980. Indeed, if Sedgefield Borough Council were to pay the average amount per head paid by the other councils in the County Durham, its total contribution would fall to £68,016.

Easington District Council is second in the table behind us and pays out £96,000 annually, which is almost 50 per cent less than that given by Sedgefield Borough Council and we allocate almost six times more than that of Chester-le-Street District Council.

Indeed the combined total of allowances provided by the four authorities of City of Durham, Chester-le-Street, Teesdale and Derwentside District Councils is only £1,750 more than the allowance allocated by Sedgefield Borough Council. Surely our support of Sedgefield and District Citizens Advice Bureau cannot be questioned.

Yes, we have had to cut our financial obligation to CAB this year by £7,500, but we have had to make other cuts elsewhere including major Council services. As a Council we must save in excess of £200,000 per year over the next three years and furthermore we are striving to keep down Council Tax increases.

We do intend to discuss allowances with CAB for next year. However to give the impression that as a Council we are simply cutting allowances, as I have endeavoured to explain, is far from the truth.

Sedgefield Borough Council

Let's Cut Out the Pointless Bickering

Dear Sir

In last week's Newton News (w/e 1st April), Sheila Mlatilik said that she hoped people wouldn't be distracted from choosing the best candidate to represent Newton Aycliffe on the County Council, by what she referred to as "pointless bickering about irrelevant issues in the press".

I couldn't agree more, and would fully support Councillor Mlatilik if she took her colleague John Clare to task for the comments he made about me and Terry Hogan on the front page of the same issue.

Local people have known for some time that the writing has been on the wall for us as the Labour candidates for the forthcoming County Council elections. Over time, we have been progressively excluded from the local branch to the extent that senior officials in the constituency party said that we would not be chosen as candidates well before the selection meeting took place. It is hardly surprising therefore that both Terry Hogan and I decided not to attend the branch meeting which rubber-stamped our deselection.

The key issue for local people is who is the best candidate to represent their interests on the County Council. Rather than wasting our time engaging in pointless arguments with the branch, we have concentrated our efforts on meeting constituents and working in their interests at all levels of the County Council and other organisations. People who are not Labour Party members may not realise that the local branch is run as a cabal with important positions being shared out amongst certain families and friends, so it was no surprise to learn that Sarah Iveson has been chosen as the Labour Party candidate and I look forward to putting my track record of work for my constituents up for scrutiny against hers at the County Council elections.

As far as the letter from Mr. Maurice Reeve in the same issue is concerned and for those who do not know, Mr. Reeve is my ex-brother-in-law so there is clearly some personal animosity there and, accordingly, I do not intend to reply in detail, but if any of my constituents want to discuss the matters raised they can contact me by telephone on 01325 308057, e-mail me at william.blenkinsopp@durham.gov.uk or by writing to me at 1 St Andrews Way, Aycliffe Village, Newton Aycliffe

JUNIOR SUPER SPORTS SKILLS COACHING COURSES

During the Easter school holidays young people of Newton Aycliffe and the surrounding area enjoyed taking part in the Super Sports Skills coaching courses, run by Great Aycliffe Town Council, at the Oak Leaf Sports Complex.

Some were able to improve their present skills, whilst others tried something new from courses offered in Squash, Badminton, Indoor Bowls, Golf and Archery, all courses being very well attended.

Certificates and small prizes were presented for each course by the Mayor, Mrs Maud Gray, and her consort Mr George Gray, and a prize draw offered over all Courses culminated in the presentation of a mountain bike to the winner, a very pleased Miss Jasmin Jenkinson, with Complex Leisure Manager, Mr Derek Snowball, in attendance.

Look out for information on courses during Whit week, to be advertised in the Newton News very soon.

Local Firm for Local People

Simon and Michael formed the Appraise partnership a year ago and haven't looked back since.

With a combined experience of 36 years the two of them have, over the last year, recruited a team of hard working and enthusiastic local work force including Paul (43) who is a joiner, roofer and renderer; Mark (19) trainee builder and roofer; and Cecil (19) who is the latest very keen recruit. All five are building up a good reputation in the area

and Simon has even moved into Newton Aycliffe because he feels he can build a good locally based business for the residents of the town. Simon says "I like the friendly nature and easy going attitude of the local people and look forward to living and working here for many years to come." The company has built up good relations with local

builder Mick Martin and recommends window and conservatory installer KAT Windows, with whom Appraise work with regularly. Appraise mainly concentrate on roofing work and their prices are very competitive and supplied direct from a nationally acclaimed company, made to customers bespoke requirements and all with a 10 year full guarantee. Simon did encounter a couple of problems last year, because of poor staffing, but is in the process of turning things around and thanks those customers for bearing with him whilst the remedial work is done.

BROWNE vs BLAIR

Sedgefield Liberal Democrats have chosen Robert BROWNE to be their candidate in the forthcoming General Election.

Robert BROWNE, who joined Party Leader Charles Kennedy on the Anti-War March prior to the illegal invasion of Iraq, and is a former Chairman of the LibDems Parliamentary Candidates Association, declared after his selection: "Sedgefield is unique in that local electors are the only people in the Country who have the chance to show that they share the British public's lack of trust in Tony Blair by throwing him out of Parliament. Not only did this man go to war on behalf of George W Bush against the wishes of the majority of the people of the UK on the basis of false or poor intelligence, but he has broken a manifesto promise to introduce top up fees and has done nothing to reverse the pensions crisis nor the scandal of council tax rises which hits those on fixed and low incomes.

I shall be campaigning on the positive measures the Liberal Democrats have proposed, in contrast to the indistinguishable policies of the red and blue conservative parties, and look forward to vigorous debates ahead".

Horndale Flying High

Horndale are 2nd in the Spennymoor League and it has been one of their best seasons in the 1st Division, thanks to the lads who play on Sunday morning beating the top sides in the league. They beat Old Shildon, Masons Arms and Hunwick, and are still in winning ways and they can be so proud of themselves.

Next season they are running from Cobblers Hall Pub, but those who still want to play football from Horndale Club can leave their name and phone number at the club or call in on Sunday afternoon to sign up for next season.

We have a few games to see how good you are and the club will help the best it can to get a team started. We all look forward to getting some new faces in the team.

By Their Works You Will Know Them

Dear Editor
Regarding John Clare's criticism of Councillors Bill Blenkinsopp and Terry Hogan, he is obviously just speaking for himself and his branch Labour people.

It is sad to read his comments that these two Councillors are unworthy of trust when they both have achieved good work for the people in Aycliffe. To degrade the characters of these two Councillors is as low as one gets. John Clare should understand the saying: "By their works you will know them." Name and address supplied.

Local Club Seeks Young Cricketers

Newton Aycliffe Cricket Club are looking to recruit young cricketers to strengthen their junior section for the forthcoming 2005 season. The club will continue playing in the Durham County League under 18's division and we are constantly looking for new players to strengthen this team. It is our intention to hold an under 18's players registration night on Wednesday 13th April at 7:00 p.m. Newton Aycliffe Sports Club and all junior players, both new and current, are requested to attend. Annual membership subscriptions of £7.50 will be taken at this meeting and players will be handed fixture sheets and given further information regarding match day arrangements and outdoor practices. For more information, the under 18's team manager Chris Palmer can be contacted on mobile 07973 552 303. Newton Aycliffe are also hoping to start an under 11's cricket team and have already been accepted into the North Yorkshire league for the 2005 season. We are trying to attract children of primary school age (8 to 11) who are interested in learning and playing the game. Malcolm Dawes, who is a highly respected and fully qualified local cricket coach, has agreed to take on the job of training the youngsters, but we really need more players to build up the squad. All interested parties should not hesitate to contact Secretary Lee Weldon on (01325) 312424 after 7:00p.m. Newton Aycliffe Cricket Club have recently appointed Stephen Davison as the Club Child Welfare Officer and are dedicated to the welfare and protection of young people in cricket. The club have endorsed and adopted the ECB 'Safe Hands' policy and are therefore making every step possible to ensure that children's safety is paramount at our club.

Shildon Loco Museum Receives 100,000th Visitor

Ray and Wendy Caldwell from Fairfield in Stockton and their two children Rebecca (6) and Aidan (5) were spending the day at Locomotion: the National Railway Museum in Shildon when they became the landmark 100,000th visitors.

In just six months since opening, the Museum visitor figures are way above the annual projected target of 60,000. Locomotion has also made it through the final of the Gulbenkian Award and the £100,000 prize and title of UK Museum of the Year.

"This was our first visit to the museum," said 38-year-old Ray. "We wanted a family visit to Locomotion having heard good things about it. Previously we had been to the National Railway Museum in York and enjoyed it and wanted to see what the museum in Shildon was like."

"I've got to admit it was impressive and we were quite taken aback to find out we were the 100,000th visitors, yet at the same time very pleased to discover that we were."

George Muirhead, Locomotion's Museum Manager presented 36-year-old Wendy with a bouquet of flowers along with a goody bag to the family to remind them of their special day at the museum.
