TOWN'S BLUE BRIDGE SCHEME COMPLETE

Great Community Effort Led by Rotary Club

Rotary Club President, John Burrows, had the honour of officially declaring the completion of the Blue Bridge Environmental Improvement Scheme this week.

The ceremony was attended by the Chairman of the County Council, the Borough and Town Mayors, Councillors, and all partners involved in the project from the business and general community.

The scheme was the brainchild of the Town's Rotary Club who wished to mark the centenary of their world-wide organisation, now active in 168 countries.

The Blue Bridge site is a prominent Newton Aycliffe landmark and lies at the entrance to the residential area dividing the town from the Industrial Park.

The Rotary Club have erected a new welcoming sign containing their logo which was manufactured by apprentices at South West Durham Training and the structure housing the logo was designed and made by Aycliffe Fabrications, who coincidentally used 2005 welds in its construction.

The sign sits proudly on the green banks just before the Blue Bridge which was repainted at no cost by local Property Maintenance Company Mite of Middlesbrough.

The County Council repainted the railings and cleaned up the stonework.

The Town Council was very co-operative throughout, tidying the area, cutting overgrown trees and assisting the planning process.

Plasnor gave their land to be used for the site and donated blockpaving materials where picnic tables and a bench are to be placed.

Local blockpaver Trevor Cousins laid the plinths and builder Jeff Horsley laid concrete foundations.

On the Blue Bridge itself each Council have mounted their Coats of Arms on black marble. The overall appearance of the area has been greatly enhanced and thanks are due to all those

who contributed their time, effort and materials to this scheme. It has been a great community effort and the town's Rotary Club is to be congratulated on spearheading this initiative.

John Burrows (Rotary Club President), Jackie Piggott (Sedgefield Borough Mayor), Val Raw (Great Aycliffe Mayor), Ernie Foster (Chairman, Durham County Council)

JUNIOR WINS TITLE AT FIRST ATTEMPT

Cara Lawson of Newton Aycliffe, is 13 years old, attends Woodham Tech and trains with Sedgefield 75 Swimming Club. She competed in her first long distance swim of the season at Wykeham Lake nr Scarborough on Saturday. Cara was entered for the 2 mile Breaststroke, the first time that she had attempted the distance using this stroke. Conditions were poor with rain and a strong breeze. The lake was quite choppy in places making it difficult when swimming into the wind with temperatures at around 64 degrees. Cara completed the swim in 1 hour 23 minutes and 21 seconds winning the junior breaststroke title. Cara's next swim is 2 miles at Rivington Reservoir on the 25th June where Cara will return to competing in the freestyle competition.

GSUS LIVE

This week Greenfield School and Woodham Community Technology College played host to the GSUS Live show, in the form of a mobile classroom with a fully functioning multimedia computer suite. It is designed to present Jesus' teachings in a stimulating and relevant way, allowing students to investigate these issues that are ever present in today's society. The program is managed and presented by the Youth Interns and Staff from Christian Life Centre Newton Aycliffe along with Graeme Murray who is co-ordinating the event in the North East for the next 6 weeks. The pupils are surprised by the hi-tech computers and sound system, their curiosity increases as the presenter gives them a pair of 3D glasses: the session begins and a fast pace 3D video sequence ensues. They are then invited to explore the issues raised in the film with the use of interactive computer programs that allow them to investigate and respond to given situations. Even the teachers have been impressed by the high-quality teaching sessions, as Mr Harris from Greenfield school expressed: "It's been great to welcome back the GSUS Live Trailer to Greenfield, it's created a good buzz around the school. Pupils can explore issues of forgiveness, fear and rejection, find out what Jesus taught about them and think about how relevant these teachings are today. The hardest part of the week was trying to explain to the older pupils why they couldn't have their lessons in there too!"

Annual Celebration of the Arts

St. Francis have a significant number of Arts Developments that are worthy of press coverage by Newton News. Firstly, Year 6 children are participating in Steel Pan tuition with the support of staff from the Sage, Gateshead and Durham LEA Music Service. Children of all abilities are gaining immense enjoyment from this opportunity. Children are practising Steel Pans on Wednesday afternoons from 1pm-3pm and there will be a concert for staff, children, parents and governors on Wednesday 6th July 2005 at 2.30pm. Secondly, St. Francis has received confirmation of gaining the Silver Artsmark Award - a recognition of achievement in the elements of dance, drama, art and music. As part of our annual celebration of the Arts, our school 'Arts Week' this year will run from 4th - 8th July culminating in a Whole School Arts Presentation on Friday 8th July at 2.15 p.m. Work completed during Arts Week is to be framed and displayed as a gallery in school. Finally, children at St. Francis will also have the experience of performing at the Sage, Gateshead for the 'Heave Away Haul Away' concert as part of the Tall Ships Festival. It is a very exciting time for the Arts at St. Francis. We feel the Steel Pan opportunity that our children are currently involved in is a truly unique experience for children of this age. The children would take immense pride in displaying their skills and talents on TV. We would, therefore, really appreciate it if your news team could find the time to visit our school to take photographs and report on our achievements. Mrs. H. Ribchester Arts Development Co-ordinator

Well Done Sugarwood

Dear Sir,
I would like to congratulate Ms Henderson from Woodham Burn School, Mr Ridley from Sugar Hill School and the Sugar Wood Choir on a wonderful performance at Durham Cathedral on Saturday 11th June for the Celebration Rotary Centenary service, the children were absolutely magnificent. Their singing was wonderful, they conducted themselves beautifully and what a truly great experience for them to meet the Bishop, sing in Durham Cathedral in front of the Bishop and other important people of the community. Well done, you were all great.
Yours sincerely
Mrs M E Marshall

Bright Future For New Concept

Building insurance claims management company Concept Building Solutions are quickly expanding to cope with the growing demand for their services. The North East arm of the business has recently relocated to a new Regional Claims Centre at Brockwell Court, Low Willington Industrial Estate and has quickly established itself as market leader in the field of dealing with household building insurance claims. As Development Director Karl Utley explains...

"Our customers tend to be people who have little time for the onerous task of making a claim on their household insurance policy. We take on the claim from start to finish, dealing with their insurance company, their appointed loss adjuster and our own in house restoration division, who carry out the repair work. It's basically about providing customer service at a time when people most need it!" "We have also proved ourselves to be very useful to clients who own property across the North East of England but live elsewhere in the country themselves." The recent boom in the buy to let market has increased the requirement for the services provided by the company. Many landlords own a number of properties and when the need arises, making a claim can bring a lot of hassle. Concept Solutions effectively remove this hassle, relieving the landlord of the need to meet various people at the insured address. The company continues to grow from strength to strength and has just recruited another Claims Manager to the team. As Operations Director Robert Hall states "the real challenge is going to be that of keeping up with demand. We're conscious that we need to maintain a keen focus on customer service and will recruit further to ensure that we maintain our high standards." An appointment with a Concept Solutions Claims Manager can be booked on-line at: www.concept-solutions.co.uk or by telephoning the 24 hour call centre on 0800 783 2818.

In Memoriam
MARY GORDON 18th June 2004. Treasured memories of a loving wife, mother and grandma. You are always in our thoughts. We love and miss you everyday, and always will.
GILBERT WILSON died 19th June 1997. All dads have their special whistle, their own know, their way of walking, their imprint on our lives. We think we forget but then, out of the darkness come a trill of notes and our hearts life, and we are five years old again and waiting for dad's footsteps on the stairs. Miss you dad. Love as always, Daughter Pamela xxx
