# COMMUNITY DRAW

Continued from Front Page

The other 50% of money raised after expenses goes to the Great North Air Ambulance and Macmillan Cancer Care.

The draw itself is to be held in the British Legion on Thursday April 7th thanks to the Management and members who have made their Function Room available for the occasion. Other prizes in this draw comprise Rounds of Golf for 4 at Brancepeth and Darlington. Meal Vouchers at the County, Bengal Indian Restaurant, Redz, Eastern Spice and Foresters Arms. There is a Computer Chair, £400 Sofabed, Bathroom Goods, Cooking Equipment, Pamper Sessions at Redworth Hall and other prizes yet to come. Tickets are available

at the Charity Shops in the Town Centre and the Rotary Club will be selling tickets on three weekends at Tesco, courtesy of the management and staff.

There is still time for other town groups to get involved and all they have to do is sell tickets and keep half the money for their own funds. It is a win - win situation! The Rotary Club is responsible for obtaining the prizes, printing the tickets, registering the draw, arranging the draw itself and organising the distribution and collection of tickets. If you want to help yourself and the two main charities get in touch with the project leader Syd Howarth on 320901/300212. email: [syd@newtonpress.net](mailto:syd@newtonpress.net)

# PREGNANCY CLASSES AT THE PCP CENTRE

Lazy Daisy Pregnancy Classes are available for all mums to be from 14 weeks pregnant up to 42. I will be teaching them how to enjoy their pregnancy and prepare for their birth confidently. We teach pregnant ladies birth techniques combining gentle yoga inspired moves, self hypnosis, positive visualisation, birth education and breathing exercises. Lazy Daisy Birthing classes do this through movement, positive thinking and we also help mums understand how adrenaline affects the birthing body and help educate her in how the body works. We tackle birth by addressing balance, gravity and emotional state and our classes are suitable for home, hospital or birthing unit births. Our classes are even suitable for mums who are having C sections and those who have pelvis problems.

movements to use for an active birth. Weekly classes aim to help mums prepare for birth by providing them with knowledge and understanding of what is happening to their bodies and arming them with movement, breathing and

relaxation techniques which will help labour run smoothly and ease pain.

It's also a social network - a way of meeting other pregnant mums to be who are feeling anxious or don't know what to expect during their pregnancy and when they go into labour. Being pregnant can be quite daunting so it's nice to meet other people in the same situation as you.

Yvonne will be fully qualified in January and will start classes on Monday 24th January at Pioneering Care Centre, Newton Aycliffe at 7pm

Classes are being offered at a special introductory rate of £40 for 6 classes (normally £54) For more information email [yvonne.lazydaisy@sky.com](mailto:yvonne.lazydaisy@sky.com) or call 07740 199778 or visit [www.lazydaisydarlington.co.uk](http://www.lazydaisydarlington.co.uk)

# Oaks Church Move to Jubilee Centre

Having been in the Shildon Leisure Centre (now being renovated) for the past 3 years, The Oaks Church have just moved into Jubilee Fields Community Centre, Jubilee Road, in Shildon. They are having a "taster" introductory Service on Sunday 30th January 10am at the new venue. It will be a Taster of what they are about as a church and of what they do on Sunday's and also an introduction to what our vision is for involvement in the local community. This will be followed by a "coffee shop" social with homemade cakes. A team is coming from

Ripon to run a "Valentine's Youth Event" on Saturday 12th February at Jubilee Fields from 7-9pm for the 11-18 age group. The vision is to have regular youth parties (using different venues around Shildon) providing a safe environment with fun activities and "chill out" zones. Newtonians are invited to join them in promoting the vision of Oaks Church to the community. "Our focus is to be a positive influence in all spectrums of living. To give hope, care and to help in any way we can" said Andre. Andre & Diane Prinsloo (leaders of Oaks Church)

Jim Summerson an amateur photographer from Aycliffe Village took this photograph of the town centre building works on the 2nd of January this year.

Freda Jones, helped by her husband John (J & C Coaches) have been running a "New Year's Eve Dance" for over 20 years. The dance is supported each year by a group who enjoy Ballroom and Sequence Dancing and always have a very enjoyable time. Each year there is fundraising for a selected charity and as they used the Youth Centre this year the proceeds of £200 were donated to providing resources for young people who attend the Centre.

Freda is shown in the picture handing over the cheque to George Rowling Treasurer who received the money on behalf of the Management Committee. "We are always delighted to receive donations to help our young people and we appreciate the help from Freda and the New Year's Eve dancers. Freda said: "I wish to thank those who came along to the Dance which was very enjoyable. Thanks also to my Husband John, Daughter Debbie and her husband Gavin.

# ENTERPRISE SHOP OPENS IN TOWN CENTRE

It is now even easier for people in Newton Aycliffe and district to access help to start their own businesses thanks to new support available in the Town Centre. A start-up Centre is now open in Beveridge Arcade to encourage enterprise and self-employment.

The centre is open between 10am and 4pm Monday to Friday run by Be Enterprising as part of Solutions for Business, the Government's package of publicly funded business support designed to help companies start and grow.

The centre is manned by experienced enterprise coaches who are able to provide advice to people on their business ideas, brainstorm potential opportunities and offer practical support on getting things off the ground.

Be Enterprising coaches are already active across County Durham. With the new centre people can call in when they are in the town, shopping or while they're on their lunch hour. If you have an idea "Don't just think about it call in and talk to a coach today!"

The Be Enterprising programme is part financed by the European Union's ERDF Competitiveness Programme 2007-13, securing £4.1m ERDF investment through regional development agency One North East. The ERDF programme is bringing over £300m into the North East to support innovation, enterprise and business support across the region.

So far more than 3,000 people have started their own businesses, with 1,845 of

these moving from benefit dependency to economic activity; a success that has happened within three years of the programme's existence. If you live in County Durham and you have an idea for a business you may be eligible for support from Be Enterprising. For more information call 0800 030 4134 or visit [www.be-enterprising.biz](http://www.be-enterprising.biz)

## LETTER

### County Council Reply to Complaint

Dear Sir,  
In response to a letter in your edition last week I would like to clarify the situation regarding rubbish collections in Newton Aycliffe. Collection dates for refuse and recycling change due to the Christmas period and stickers with the new collection dates are placed on wheeled bins to advise residents when to put out their rubbish. In Langdale Place the revised collection date was Tuesday and our refuse lorries were out on that date as stated. Our refuse staff carry brushes and shovels to tidy up after themselves but rubbish, blown from loose bin bags had already started to accumulate in the street prior to collection. I can confirm our crew were forced to abandon their collection in this particular area following an incident involving a member of the public. As a result of this the man was warned about his behaviour by police. We have since returned to the area to clear up the rubbish. Jimmy Bennett

# Triple Success for Reach Out Care

It's official – Reach Out Care listens to children and young people across its three services and involves them in decision-making. The organisation, which is based in Newton Aycliffe, has gained Investing in Children accreditation for its foster care agency, its support services and its supported accommodation project for young people.

"We work alongside local authorities and families in the region and we were keen to have the award as an overall organisation," said director Dot Butler.

"The Durham County Council assessor spoke to children and young people from all parts of our organisation. One young boy in foster care even gave us 10.5 out of 10 for listening!" "We were able to give clear evidence of how we shape many aspects of our services around what young people want.

"We're unusual in the social care world in that we have ROCSOLID, a 24/7 supported accommodation project for vulnerable young people, including care leavers. The accreditation came just as we were relaunching our website, [www.reachoutcare.co.uk](http://www.reachoutcare.co.uk) so it was perfect timing." For further information contact Dot Butler on 07939 000 478 or 01325 310009

## Don't Take a Risk with Electrics

Home owners and Landlords are warned they are risking lives by not getting their electrics fully checked. It is estimated there are thousands of properties where potentially deadly faults exist.

Each year around 43,000 catch fire in the UK of which 8,170 are caused by electrical faults and unsafe electric appliances.

If the property is over 10 years old an Electrician who is Part P Qualified should be employed to make a PER 100k Inspection Report.

Remember not to allow anyone into your home without an ID stating they are a member of a professional association competent and qualified to carry out the work.

For further details contact your local Electrician S. Bambridge & Sons Electrical Services on 01325 300195

## move on homes

DEAR HOME OWNER

### WHY CHOOSE MOVE ON HOMES?

You shouldn't feel apprehensive about selling your most important asset, you will be in great hands from instruction to completion - Director Malcolm Reed is a Chartered Surveyor with many years experience in property sales; Office Manager Sharon Tweeddale has worked in Estate Agency in the town for many years, has handled many property sales in Newton Aycliffe and has the experience to deal with any problems that may arise. As the saying goes 'people buy from people', we know you need to feel comfortable with the agent you employ, our experienced team will spend the time to find out about your individual selling requirements and work for YOU.

- You will receive regular property updates by telephone or email, whichever suits you best;
- You will benefit from an eye-catching colourful 'For Sale' board;
- We will produce a colourful brochure with quality photographic;
- Your property will be regularly advertised with Newton Aycliffe's most popular local newspaper the NEWTON NEWS;
- Your property will be displayed on our own website, visit [www.moveonhomes.co.uk](http://www.moveonhomes.co.uk) as well as the UK's largest property portal [www.rightmove.co.uk](http://www.rightmove.co.uk);
- We hold an up to date database of clients looking to buy, sell and rent which we update daily;
- Our experienced mortgage adviser will do everything to make sure you sale proceeds.

Why not put us to the test, after all you have nothing to lose as we work on a strict **NO SALE NO FEE** basis - which means exactly what it says - unlike some Estate Agents there are no hidden administration fees or advertising bills to pay - **IF WE DON'T SELL YOUR PROPERTY YOU DON'T PAY ANYTHING.**

MALCOLM

&

We are delighted to announce that all of our properties will be listed on [www.rightmove.co.uk](http://www.rightmove.co.uk) and [www.moveonhomes.co.uk](http://www.moveonhomes.co.uk) to ensure the best marketing of your property. [rightmove.co.uk](http://rightmove.co.uk) is the UK's number one property website and connects more people with more property than anyone else:

- It has around 80% of all properties for sale and at any time displays a stock of over 1,000,000 properties to buy or rent, worth around £270 billion;
- The [rightmove.co.uk](http://rightmove.co.uk) site receives over 40 million visits a month and serves some 800 million pages of property information to web users.
- It has been ranked as high as 7th in terms of most viewed UK websites.

## THINKING OF SELLING

Research shows that the majority of buyers start their property search on the internet, choosing to visit properties in the comfort of their own home. That is why all of our properties are displayed 24 hours a day, 7 days a week on our own website [www.moveonhomes.co.uk](http://www.moveonhomes.co.uk) but are also fully displayed on the UK's largest property portal [www.rightmove.co.uk](http://www.rightmove.co.uk)

However, we also know that you want that personal touch and to deal with experienced property professionals in an office environment. With the uncertainty and peer access problems at the moment in Newton Aycliffe Town Centre, we have decided to have our sales office on the main road into the town, adjacent to Newton Press on St Crispin's Way; very convenient with our parking right outside the door.

## LOW PROFILE SELLING

*Not everyone wants a "For Sale" board outside their property*

Some clients like to "test the market" while they look around to find a property to buy and later on, when they have found a property, increase the marketing of their home. We offer a flexible range of selling services which can be tailored to your requirements.

From a small sign for us buyers contact us, we can match their requirements with properties we have to sell on a low profile basis - retaining our services this way means you won't lose a potential buyer while you see what is available to fit your own property requirements.

# NEWTONIANS IN "PETER PAN" PANTO

Whilst members of The Tearaways Youth Theatre Group are into final rehearsals for their annual Pantomime, this year it is "Peter Pan", the producers

of the show have issued an apology for making it an extremely happy, lively show, with lots of music, laughter, dancing and slapstick.

If you do come along to see one of the four performances, at the Civic Hall, Shildon, on Thursday 27th, Friday 28th January, at 7.30pm or Saturday 29th, Sunday 30th January, at 2pm, you will see a number of Aycliffe girls in the production. Like Charlotte McAdam, who plays the part of Tinkerbell. Meghan Oakes is Mrs. Darling, Sarah Evans, as Cookie, and Caitlin Small as Curly, help the comedy routines along tremendously. Hannah Day, Jade Townsley and Katie Baldwin are amongst the energetic dancers, who are involved in most of the 14 songs/dances in the production. As usual Andrew Timmiss, (Stage Manager) oversees that all goes well during the 2 hour show. If you still want to bring the family along, then you'll need tickets. To "Hook" a ticket priced £4.00 Adults £2.50 Children (5+) and Concessions - get your own little "Tinkerbell" to ring (01325) 313363 or (01388) 774838.

**PRAISE INDEED!**

**EFFECTIVE NEWTON NEWS ADVERTISING**

Dear Sir,  
I started my business, Sureway Driver Training around a year ago with a limited advertising budget and no idea the most effective place to present my driving school to the local area that I hoped to serve. I opted to advertise only in your paper, The Newton News.

After only four months, I found this so effective that I had to stop the advert (and leave my former employment) as I couldn't cope with the interest it was generating! Since that first four months, I have continued to keep a full diary almost all the time and I have to attribute much of this to the decision to use Newton News in those early days.

If anyone out there is having the same dilemma as I did a year ago, I say to them that they should not look further than the Newton News. It couldn't have worked any better for me and if I do have need in the future to generate more work, THE ONLY place you will find my advert is The Newton News.

Thank you Paul, and the rest of the Newton Press gang. Dave Mason, Sureway Driver Training.

**COMPLAINT OVER NEW BT BOXES**

Complaints are being received about B.T.'s installation of Fibre Optic Control Boxes currently being erected around the town. The boxes are approximately 4 feet high and 2½ feet wide and 18" deep which is quite an obstacle in places where they are on pavements. One resident in Oakfield has objected to the state of the path after the team have completed their work. The tarmac is uneven and the grass verge nearby spoilt. The contractors are obliged to leave the area in a good condition. We understand numerous

George Thompson unhappy with the state of the area after the contractors have completed the job.

# CHANCE TO HAVE TOWN'S FOOTBALL STAND NAMED AFTER YOU!

## AYCLIFFE F.C. LAUNCH £50 LOTTERY

Newton Aycliffe FC are launching a unique lottery which will give supporters the chance to see their name in lights. The Newtonians, currently top of the Northern League second division, must erect a new stand by March 31st if they're to be eligible for promotion by the end of the current season. They need to find at least £5,000 to cover the cost of the new construction, which will accommodate more than 100 standing spectators, in order for Aycliffe to pass strict FA ground grading requirements.

But they've come up with an innovative fundraising idea which will give fans the chance of having the new terrace named after them while also raising vital cash to help fund the development.

Aycliffe are offering individuals and companies the chance to enter the draw at just £50 each - with the winner-takes-all prize of having the stand in their name for 10 years.

Manager Allan Oliver, pictured in front of Aycliffe's 112-seater cantilever stand which was installed just last year, said: "This is a rare and unique opportunity for our fans to see their name etched into the club's history."

"Our progress as a football club over the last 18 months has been vast but it has meant we've had to make lots of developments to Moore Lane Park in the last year.

"This latest development is crucial. We won't be eligible for promotion without it, providing we finish in one of the promotion places come the end of the season.

"We want to continue our development over the coming years and getting this new stand installed will take us a long way.

"We're inviting everyone to take part in this, whether you're a supporter who'd love to see your name above that stand, or a local firm interested in supporting the club."

Aycliffe won promotion to the Northern League for the first time in their history in 2009, as champions of the Wearside League, and finished ninth in their first campaign last year.

They're currently five points clear at the top of the second division with 17 games to go, and their average crowds of just over 200 are comfortably the highest in their division and the fourth-highest in the whole of the league.

Oliver added: "We're on the crest of a wave in terms of our overall development and our support has been fantastic.

"When you have the interest from fans you have to make the most of it and hopefully the continued success of the club, on and off the field, will maintain the support-base."

Anyone who'd like to enter the stand lottery can do so in a number of ways:

- Send a cheque for £50, made payable to 'Newton Aycliffe FC', to: NAFC Stand Lottery, Aycliffe Sports Club, Moore Lane, Newton Aycliffe, Co Durham, DL5 5AG.
- Call Secretary Steve Cunliffe on 07872 985501 or email [stecunliffe@aol.com](mailto:stecunliffe@aol.com)
- See any member of the NAFC committee on matchdays at Moore Lane Park.

Meanwhile, Aycliffe stretched their impressive unbeaten league

run to 13 games with a 1-1 draw at home to North Shields last Saturday.

The Newtonians produced a battling second-half performance to salvage a point after conceding in the first half, with defender Dan Mitton scoring an own goal.

Dan Mellanby struck in the 66th minute to earn a point for Allan Oliver's side, and even though their 10-match winning streak ground to a halt, it was still a good point against a side second in the form guide.

Aycliffe have no game this weekend and are scheduled to go to Gillford Park on Tuesday, followed by a home game against Marske United next Saturday.

## WHAT A START!

Heighington AFC Boys Under 8's played their first ever friendly games on Sunday against Kader Juniors. It was a very cold morning but all the team were very excited as were a lot of the parents.

In the first game both teams worked hard in the middle of the pitch with Heighington Boys having the better of the chances. The Heighington team took the lead early in the second half thanks to Spencer Soakell, who slotted home after a mazy run through the opposition. Heighington were then gifted a second when Jacob Richardson fired the ball into the back of the net. The game finished 2-0 to Heighington Boys with Man of the Match being awarded to Cameron Brassell.

In the second game of the morning the team reacted amazingly to a team talk from managers David Brassell and Paul Soakell. Heighington AFC Boys Under 8's finished the game 11-0 Winners, 2 goals from Cameron Brassell, 3 goals from Jacob Richardson, 4 goals from Spencer Soakell, 1 goal from Keiran Shingler and 1 goal from McKenna Longstaff all capped off an amazing team performance. Man of

the Match was awarded to Spencer Soakell. A big 'Well Done' to the whole team who gave 100% on a very cold winter's morning.
