Double Award for Aycliffe Director

The old adage that 'lightning never strikes twice' was proven wrong on Friday 9th December when a South Durham businessman received two top awards.

It turned out to be double recognition for David Spensley when he attended the South Durham Business Awards at Spennymoor Town Hall.

Managing Director of Aycliffe Fabrications Ltd, in Aycliffe, he received the award for his Outstanding Contribution to Business

Development in South Durham from the Chairman of Durham County Council, Cllr Dennis Morgan.

And it turned out to be a double celebration as Cllr Morgan then presented David Spensley with the Chairman's Medal for the same good work.

Xmas Greetings

The Committee/Trustee's of the Agnew Centre send Christmas greetings to all of their Members, Centre Users, Funders, Supporters and Volunteers, who are too many to name individually. We look forward to seeing you all in 2012.

COURSES FOR JUNIORS AT OAK LEAF

Christmas can be such a stressful time, but once the Big Day is over what can the children do (once all the presents are opened) to burn off some of that energy?

The Oak Leaf have the solution: Why not enrol them on one of our courses? We will be running a Crafty Kids session, an Activity Day, plus Archery Coaching and Sporting Fun all for 8-15 year olds, and for the little ones (4-7 year old) we will have a Mini Activity Session. Please ring Reception on 300600 and ask for more details.

The Very Best of Rock - Normally NO Cover Charge

Saturday 17th December - "THIS MACHINE"

"Well, I don't know what to say, apart from... THIS MACHINE were absolutely amazing last night, one of the best... especially when the guitarists were on the tables and bar, haha! Every song was awesome, perfect sound and just all round excellence. Also it was the best atmosphere I've ever seen, everyone was having fun." - GIG PIT REVIEW

One of the most entertaining bands on the circuit, music by Motorhead, Van Halen, Metallica, Pearl Jam, Bob Dyl, Guns N Roses, Deep Purple, AC/DC, Billy Idol, Thin Lizzy.
www.alanweb.pwp.blueyonder.co.uk

Saturday 24th December - "F.M." the Xmas Party

Davy's Rock Page Review: "Was this our best mid week pub gig ever? Probably! What can you say about FM, this was rock and metal utopia, a classic journey through the rock and roll hall of fame. They did the lot, Kaiser Chiefs, Foo Fighters, Sabbath, AC/DC, Zep and so real cheese, OK, they did 'Whisky in the Jar', but hey! FM put a great amount of effort into this gig, sometimes midweek gigs just don't seem to have the same WOW or OOMPH

The atmosphere was great as was the music, a superb night. What is particularly pleasing is that FM don't always take the easy option, ie: instead of sticking to Sweet Child Of Mine, they did Welcome to The Jungle, different GTR cover that takes a little more effort vocally. How long have FM been around now? Mazy a year and on this performance many a year to come. Thanks lads you were awesome

Monday 26th December - The Elvis Experience

Our "show of the month" nights - One of the countries top ELVIS acts
"MIKE MEMPHIS & THE MEMPHIS BELLES SHOWGIRLS"

"2010 has been a fantastic year for 'MIKE MEMPHIS & THE ELVIS EXPERIENCE'. Regular bookings, referrals and re-bookings for 2011, along with a starring appearance at the Journal Tyne Theatre in Newcastle. The icing on the cake however, was that MIKE was asked to perform on the anniversary of ELVIS' birthday for the official Elvis Presley fan clubs 'birthday bash' - the first time an Elvis Tribute Artist has ever been allowed to perform for this official fan club. Testament not only to his ability as a performer, but also to Mike's own genuine admiration for the King of rock n roll. Mike has already been booked by the fan club for a variety of shows over the next 18 months. This year has seen the rise and increase in popularity of his 'road to vegas' cabaret show. This show features the gorgeous 'MEMPHIS BELLES VEGAS SHOWGIRLS' who join Mike taking you through the ELVIS years, performing fantastic dance routines and treating the audiences to some stunning costume changes. A very 'VEGAS' show!

A review from top north east music venue - 'If atmosphere is any judge of a performance, then MIKE MEMPHIS as ELVIS must rank along the top acts ever to play at THE THREE TUNS, because there have been few nights I have enjoyed as much as this - MIKE MEMPHIS IS ELVIS - AND ELVIS HAS MOST DEFINITELY ROCKED THE BUILDING' - www.elvis.co.uk

MP at Simpasture Carol Service

Phil Wilson MP attended the Carol Service at Simpasture Court Newton Aycliffe on Friday night 9th December, given by the Brownies in conjunction with the Simpasture Coffee Morning Club.

Phil said "It was a special evening and the Carols were sung beautifully. I hope this event will now become a fixture for many Christmasses to come. I congratulate all on the very high standards achieved".

Town Centre Chaplain's Christmas Message

This year has been particularly hard for many with the growing economic situation. It has been very hard for most retailers and even the Superstores who draw in the highest percentage of shoppers have expressed worries over their takings this year.

But what of our smaller shops in the town centre? Do we give them our support.

As Chaplain I visit shops, offices, banks etc trying to share their concerns by listening to their problems and just letting them know someone is there for them.

I would like to offer my thanks and appreciation to

all those I come into contact with. I am always humbled by their cheerfulness and hope that in the future, after the completion of the town centre redevelopment, they will take pride and receive support and encouragement.

Despite the current upheaval several new businesses have opened, joining the steadfast workforce already serving our community.

Along with the "Churches Together in Great Aycliffe" may I send Christmas Blessing of peace and hope and pray that

2012 will bring growth to our Town Centre and that those who work in it will reap the benefits.

Pam Lovelass
Town Centre Chaplain.

Newton News Got It Wrong!

Dear Sir,
Having praised the Newton News a fortnight ago, I am afraid that I must criticise its report last week of the Town Council meeting on the constituency boundaries.

In its front-page article, the Newton News stated that the Town Council had 'rejected' the MP's proposal. In fact – as the Council minutes state – the Town Council explicitly 'supported' the MP's proposal for an Aycliffe-Billingham constituency. The Town Council also insisted that Aycliffe should NOT be split between two constituencies but (as he said in last week's Newton News) this is something that our MP would wish too!

There is no rift between the Town Council and the MP on this issue.

Most Aycliffe people appreciate how excellent a constituency MP Phil Wilson is. He is unassuming and friendly. He shows his face regularly round the town, takes interest in its issues, and has his office in the town centre where you can talk to him person-to-person.

He has fought our corner vigorously over issues like the wind-farm and Hitachi.

As we face the economic and social difficulties of the coming months, we need more than ever to support and work with our MP.

John D Clare

Popular New BTEC Course

A brand new BTEC sports course in Newton Aycliffe is proving hugely popular with young people in the town, with more than a dozen youngsters already enrolled. The Martin Gray Football Academy will work alongside Greenfield Community College in partnership with Darlington College to deliver the full-time BTEC course at Greenfield and at the Excel Centre on Aycliffe Business Park, beginning September 2012.

The two-year Level 3 Diploma, equivalent to 3 'A' Level qualifications, will cover a variety of areas including physiology, sports coaching, nutrition and sports performance, and will provide scholars with a route to university as well as enhance their footballing ability.

Martin Gray and his team, including former Sunderland and Darlington midfielder Brian Atkinson, will work with Greenfield College's teaching staff to deliver the course, beginning September 2012.

Gray, who also works as Greenfield's director of football, said: "As expected, we have already received a great deal of interest into what is a unique and exciting new course for school-leavers in Newton Aycliffe. "This course will not only improve individuals as footballers, but it also provides a genuine, realistic career pathway and a stepping stone to university. "It's the first of its kind in the town and, as usual with Greenfield College, everyone is talking about it."

Gray is pictured with Atkinson, along with (left to right) course tutor Martin Butterworth, Darlington College Principal Tim Grant and Greenfield assistant head teacher Stuart Dixon.

Applicants must gain at least five GCSEs (grade C or above) to be eligible for the course. martingrayfootballacademy.co.uk

CAB - HERE TO HELP IN YOUR TIME OF NEED

Many of you will already be aware of the service that the CAB provides, or you may know someone who the CAB has helped. For those of you who have not heard of the CAB, we are a charity that provides free, confidential, impartial, non-judgemental advice to anybody who requires it. CAB are not restricted to only providing advice to people who are in receipt of certain benefits or need you to be referred by certain agencies to enable us to advise you.

Contrary to popular belief, CAB advisers do not have to remember everything!! A CAB adviser uses an up-to-date comprehensive database which provides information on many subjects in addition to using local knowledge. The CAB is also aware of local and national issues that are currently affecting people in the area. Should these issues affect several people; the CAB can monitor and embark upon a campaign to rectify these

issues on a local or national level. Many people who seek advice from CAB leave the bureau feeling reassured after discovering that they are not isolated by having to deal with their problem alone. Despite a reduction in opening hours in recent years, the CAB strives to provide the best possible service to everyone who seeks advice and aim to continue this service as long as funding permits.

Should you need to use the CAB, the drop-in opening times of the Newton Aycliffe Bureau are 10am -1pm each Tuesday. The drop in session consists of a short gateway interview and if necessary you will be referred to an adviser who is experienced in dealing with your issue. Alternatively you can phone the Adviceline on 0845 499 4123 where the gateway interview will be conducted on the telephone. The Adviceline is open Monday, Wednesday, Thursday and Friday 10-1pm.

NICE STUDENTS

Dear Sir,
 May I send a special thank you to Mrs Ryder's year 5 class at St Francis Primary school for all the beautiful hand written letters I have received after working with the school on a fantastic Young Enterprise programme.
 Megan Jackson wrote: 'The biggest thing I learnt working with Mr Spensley was if you really want to do something, if you put your mind to it you can achieve it'
 I wish them all a very Merry Christmas and look forward to working with them in 2012.

DISC Students Give Hospice a Christmas Boost

Students from DISC's Steps4Success project in Newton Aycliffe set up a stall at the market in the town centre hoping to raise money for the Butterwick Hospice. As part of their retail qualification, planning and running an enterprise project, the young people had designed and hand-made lots of Christmas gifts including giftbags, cards, bookmarks and wall hangings to sell on the stall. They also collected items for a fantastic tombola and hamper to raffle. It was freezing at the market that day but local people still took the time to stop and chat

and make a donation and they managed to raise nearly £100 for the hospice.

Thank you to all who generously made a donation. Steps4Success can help support you in taking the right steps for your future?

If you're a young person looking to move on with your skills or you are a parent who has a son or daughter aged between 16-18 and are looking for a place where they can achieve great support to achieve a qualification in 2-4 weeks and open up further education and employment opportunities then please get in touch.

A parent recently said, "Martin has moved on and done well in getting on a course in construction which he has always wanted to do but wouldn't have been able to do it without the qualifications he has achieved on the steps4success course." As well as improving your functional skills and employment potential Steps4Success course gives you the opportunity to

get involved with lots of practical and fun activities including fundraising for the local community, developing money making enterprise schemes, and experiencing vocational placements. DISC has recently moved from the old Phoenix House building in the centre of town to IES Centre, Newton Aycliffe Business Park, near the blue bridge, where we have fantastic up to date new facilities enabling us to create a productive and exciting learning environment.

This year DISC's Steps4Success education programme has achieved:
 • 87% of learners have achieved an award
 • 62% young people trained in their chosen area
 • All have improved grades in Maths, English and ICT

GREENFIELD ROWERS IN COUNTY FINAL

Well done to Greenfield's rowing team. The above students in years 7 8 9 & 11 qualified to represent Sedgefield SSP (School Sport Partnership) in the County Durham Finals on Thursday at Maiden Castle this week.

To have eleven students from one school in a County Final was a fantastic achievement for the school. Individually a number of Greenfield students finished in the Top 8 in the County.

In year 7 - Madalyn Patrick finished 8th and Katie McLaren 7th in County Durham

In year 8 - Lewis Crowe finished 7th in the County. In year 9 - Jonathon Hampshire finished 6th with Dylan McPherson finishing 5th, with Victoria Pinner achieving 1st place in County Durham, which is a fantastic achievement - very well done Victoria. In the relays, Greenfield School came 2nd in the Yr 9 event and 3rd in the Yr 8 event.

Victoria will now go through to represent County Durham in the Inter Counties in March. Good luck Victoria, and well done to everyone who took part.

GREENFIELD STUDENTS DANCE MAT MARATHON

Well done to all the pupils who took part in the Dance Mat Marathon on Thursday 8th December from 3.30 till 6.30 pm for Team Green.

The pupils were Courtne Mills, Kara Elston, Leonie Wong, Chloe Stoker, Cora Gibson, Tanisha Waters, Megan Cross, Rebecca Lowes, Francesca Moody, Abbi Dunn, Daniella Parry, Samantha Clark, Holly Peacock, Charlotte Travis, Sophie Hayes, Ami Henderson, Eden Goyns, Megan Hamilton, Megan Lothian, Poppy Fisher, Lucy Farrar, Aoife Harrison, Jodie Wilson, and Emily Bloomer.

The pupils worked in teams performing different routines on the Mats ranging from easy to extremely hard! They collected sponsor money for a number of weeks for the CLIC Sargent Charity and Freeman Hospital and last night the running total so far was a massive £434 even with some sponsor money still to collect!!! The pupils really showed how much the charity means to them and were a credit to the school for all their efforts into the event.

We even had specially designed T-shirts from 7N and I even had a personal one to wear! A big thank you to all Team Green tutors (Miss Wingfield, Mr Tait, Mr Allison) and Year 7 tutors for all their support

and helping out on the night. Mr. Allison's dancing was out of this world! Finally a huge well done and thank you for the

pupils who took part and please congratulate them for raising so much money for this event, they made TEAM GREEN PROUD!

REPORT ON COUNCIL MEETING WEDNESDAY 7th DECEMBER

At its Wednesday 7th December meeting, Great Aycliffe Town Council Policy and Resources Committee discussed double taxation – the unfair system whereby council taxpayers in places like Aycliffe pay a parish precept for services provided by the Town Council (e.g. cemeteries and play parks), but in places without a Parish Council – like Chester-le-Street, for example – such services are provided by the County Council. Since your County Council tax includes an element to pay for the provision of such services in local communities, you are paying for the play parks in Chester-le-Street; or, putting it another way, you are paying twice for the play parks in Newton Aycliffe (hence ‘double taxation’).

To be fair to the County Council, the issue is a minefield, not least because the County Council is expected, but not required, to address the problem. On the other hand, on your behalf, the Town and Parish Councils are pressing and anxious to get the issue resolved. Whilst discussions take place, the County Council has been giving the Town Council an interim annual grant of about £38,000 towards this double payment, which the Town Council uses to reduce your Council Tax.

Councillors at Wednesday’s meeting heard that the County Council has not yet indicated how much – if anything – it intends to give to the Town Council for the double taxation

grant next year. Since this directly affects how much the Town Council has to ask Council Taxpayers to pay, the Committee agreed to delay finalising next year’s precept until January, when – hopefully – the County Council will have announced this and other details (such as how many properties will be eligible for tax).

Councillors also received the results of the Council’s consultation with its Customer Panel – a group of 15 local residents and businessmen who meet to discuss the Council budget. The Panel stated that it did not expect any reduction in Town Council Tax next

year, and would even accept a small rise. It wished the Town Council to prioritise the environmental areas, parks, pre-schools and play areas, but saw the civic budget, sports complex and golf complex as less important. The Panel felt that, in the current economic climate, the Town Council should not allocate any new capital investment, although it hoped the Town Council would step in if the County Council closed down the Library or removed flower beds.

The Committee also received updates on land transfers/licences, and agreed to extend the term of its brewery sponsorship deal.

CAVOS LAUNCH HALLS WEBSITE

CAVOS launched a new community buildings website www.southdurhamhalls.org.uk covering the former Sedgfield borough area at their annual stakeholder event recently.

The website showcases twenty village halls, community centres and church halls and aims to help potential hirers decide on the most suitable venue for their activity or event and to help local residents find out what is happening in their community.

The website was received very positively when it was launched at the event with one attendee commenting: “Really good website – easy to use

and informative. I enjoyed the background information to the buildings.”

The website has been funded by CAVOS and the Big Lottery through their Awards for All programme.

As well as specific information on halls in the area, there is also information on the local Area Action Partnerships, Local Learning Partnerships, Volunteering and Renewable Energy.

For more information about the website please contact Helen at CAVOS on 01388 811115, email helen@cavos.org.uk or visit www.southdurhamhalls.org.uk

Her prize includes £200 spending money, an article published on clotheshowlive.com, the “Junior Journalist” Trophy and free tickets to Clothes Show Live 2012.

Proud Grandparents Pauline and David Skerret told us about Zoe who is just 17 years old, born and bred in Newton Aycliffe, and studying at QE College, Darlington.

She wants to go to university next year to study to be a journalist and was one of 5 finalists when the result was announced at the Clothes Show in Birmingham.

Why Fork Out For School Meals?

Families in County Durham could save up to £350 per year by registering their child for free school meals. Durham County Council is reminding parents and carers their children could be eligible under the scheme if they receive any of the following types of benefit:

- **Income Support**
- **Pension Credit (guarantee element)**
- **Income Based Job Seekers Allowance**
- **Income Related Employment and Support Allowance**
- **Child Tax Credit and have a gross annual income of no more than £16,190**
- **Eligible Support under Part VI of the Immigration and Asylum Act 1999**

Clr Lucy Hovvels, Durham County Council’s Cabinet member for safer and healthier communities, said: “Our school meals are prepared to national nutritional standards to ensure they provide children with a healthy, balanced diet.

“Staying for school meals also gives children the chance to sit together at meals times and develop their social skills.

“And, what’s more, it can save parents valuable time and money because they don’t have to prepare packed lunches.”

Families whose Tax Credit award includes any amount of Working Tax Credits will not be eligible for free school meals for their children.

Application forms for free school meals are available from all schools or can be downloaded at www.durham.gov.uk/freeschoolmeals

Completed forms should be returned to your child’s school with proof of your entitlement to benefits.

For more information, contact Durham County Council’s free school meals team on 019 383 4900.

Xmas Fair at PCP Centre

Santa must be worn out after the PCP's Christmas Fair held on 3rd December at the Pioneering Care Centre in Newton Aycliffe.

Over 30 stalls participated, more than 350 people attended and over 75 children received a free gift from Santa.

A spokesperson for the PCP said, "It is wonderful to have so many people attend after the disappointment last year when the event was cancelled due to the snow.

Feedback was excellent and there were lots of smiley faces with thanks to local stores, Wilkinsons, Boyes, Sainsbury's at Cobbler's Hall and Morrisons of North Road, Darlington for their generous donations of gifts, which Santa gave to local children attending the Fair. The other presents are already being loaded on his sleigh!

If anyone who had their photograph taken with Santa would like an email photo sending, please visit the Pioneering Care Centre."

The centre is a lovely place to visit at this time of year and the 'Giving Tree' was launched at the fair to raise funds for the Macmillan

Cancer Information and Support Service based at the Pioneering Care Centre.

People are welcomed into Centre between now and 12:30pm on the 23rd December, when the Centre will close for Christmas, to place a personal message to loved ones on the tree in return for a small donation. Message tags are available from reception and anyone that places a message can

take home their very own bauble.

The centre will re-open on the 3rd Jan 2012, ready to launch a whole new exciting batch of activities, classes and courses that will suit everyone. LEGO APPEAL FOR AYCLIFFE BOY IN HOSPITAL ISOLATION

Dear Readers

Do you, or any friends, family or work colleagues have any old lego bricks etc that can be put to good use?

My Grandson Conor Radford is currently in the RVI in Newcastle after undergoing a Bone Marrow Transplant. He is responding extremely well to the treatment, but, being in isolation 24 hours a day needs something to keep his spirits up and also to keep his mind occupied.

I am looking to gather as many LEGO bricks as possible so he can build something HUGE. Once he is home and better they will be re-donated to the Children's Cancer Unit at the RVI.

Conor was born with a condition known as AMC (arthrogryposis multiplex congenita) which has resulted in his arms/shoulders having lifelong mobility issues. Just after his 9th birthday he was then diagnosed as having Aplastic Anemia which has all the symptoms as leukaemia without it actually being called that or any other cancer.

Since then he has been on umpteen various medications and attended a multitude of hospital visits in an attempt to correct the condition, but, following advice from the consultants at the RVI, it was decided that a Bone marrow transplant was his only

hope. The radiotherapy and chemotherapy treatment began on November 6th and he is responding magnificently. It is his 11th birthday today and I've just been told that he has been out of isolation for an hour for the first time since being admitted. We are hoping that if he continues responding well then he might be home for Xmas day.

I am willing to collect any quantity locally and will also be happy to pay the postage costs if you know of someone from outside the South West Durham area that may have some. I can be contacted via email at knotterloud@yahoo.com or by phone on 01325 307723 and feel free to leave a voice message if I'm not at home. Many thanks in anticipation.

Community Unites for Annual Christmas Sing Along

The annual Christmas Community Concert organised by the town's Rotary Club and held at the Xcel Centre was a tremendous success.

Schools from the town including St. Mary's, Woodham Technology College, Greenfield Arts College, St. John's School, Sugar Hill and Aycliffe Village all contributed to a very entertaining Concert. The Xcel Church Choir opened and closed the event with great performances and Aycliffe Musical Theatre gave a charming rendition of the Little Drummer Boy.

Two young girls, Lydia Hayman and Charlotte

Altringham sang and played guitar beautifully, but 5 year old Taylor Bowen stole the show with a brilliant solo, probably marking his debut as a star of the future.

One of the most popular and colourful items was performed by dancers from Greenfield Arts College taught by Tricia Wingfield. The dancers worked on the piece for 2 months, once a week after school. The students created their own costumes and despite not using props, due to space restrictions on stage, the girls adapted well and gave a fantastic performance.

Dancers in the photo: Frances Wade, Aimee

Reed, Lucy Clark, Connie Spittlehouse, Taryn Edgson, Zoe Blakey, Jessica Underwood, Megan Cross, Rebecca Lowes & Megan Hindmarch.

Our Town Band played for the community songs and Carols and were just marvellous, adding so much to this joyous occasion.

The Mayor, MP and Councillors from Town and County were in attendance and Father Michael Campion gave the Blessing to help people return home with the true meaning of Christmas.

The Mayor and Rotary President Alan Crawshaw gave greetings, thanking everyone who supported the event with special thanks to our Town Band and the Xcel Centre.

A grand raffle was held and a retiring collection as part of Rotary's Christmas activities to provide hampers for the town's needy families. The Green Number 1 ticket for a Xmas Hamper was unclaimed and the holder should contact Newton Press on 300212.

Master of Ceremonies Syd Howarth thanked the Directors and staff of the Xcel Centre for the use of their magnificent premises, wishing the management and staff continued success as one of the north's finest venues.

It was a wonderful, heartwarming community occasion and thanks are due to the Rotary Club for continuing this traditional event over 22 years. The members wish to express appreciation to all the teachers, children and other performers who attended and entertained a very appreciative audience.

£300 FOR BURNHILL JAFFA CLUB

Dear Sir,

Could we please, through the Newton News, say a great big THANK YOU to Honest John for all his hard work and commitment, which has allowed him to recently present the children of Burnhill Way JAFFA club with £300 towards group activities!

Without him we would not be able to do a lot of things we now can. Also, we would like to thank everybody who came and helped out, bought from us, or supported us in anyway at our recent Table Top Sale and Market Stall.

These events helped raise a further £145 and all of this money will go towards our trip to Seahouses next year! Anyone interested in joining the JAFFA club can come along to Burnhill Way Methodist Church, any Monday in term time from 3.30-5pm to join in all the fun we have learning about Jesus.

Safer Driving Course for the Elderly

Elderly drivers can shift their skills up a gear with the offer of a £10 course. Safer Driving with Age (SAGE) sessions are held throughout the year and provide support specifically to County Durham residents aged 55 and over.

People who will benefit most from the Durham County Council run course are those who avoid driving at night or steer clear of unfamiliar places when traffic is likely to be at its busiest.

The course is also designed to give advice on navigating new traffic systems, the meaning of new road markings, and tips on how to deal with the speed and acceleration of modern cars.

The council's road safety team has organised the training to be delivered by advanced instructors, who will carry out an eyesight check before the driving assessment.

Appointments can be made at convenient times for people to take a 40-minute drive in their own car, on roads they use regularly.

During the journey the assessor will give advice on ways of making the ride safer.

Alan Kennedy, road safety section manager, said: "SAGE is designed to help people keep on driving for as long as they are safe to do so, and the sessions are running very successfully in County Durham with many older drivers gaining huge benefits.

"The full course costs only £10, which is a small price to pay to ensure everyone's future safety." For more information please contact the road safety team on 0191 383 4728.

NHS URGE PEOPLE TO PREPARE FOR WINTER

The local NHS trust responsible for planning and purchasing health services for the population of County Durham and Darlington is urging local people to get ready for winter.

Following last year's cold weather and extensive snow, people are being reminded to be prepared should we experience another spell of bad weather.

The NHS has produced a handy winter guide entitled 'Stay healthy this winter' available for people to pick up in GP surgeries, pharmacies and a range of other community venues across the area. The guide is also available to download from our website - www.cdd.nhs.uk

The guide has been designed for people to keep close at hand in their homes over winter and features:

- Top tips about keeping warm in the colder weather, including eating well and heating your home
- Looking after vulnerable people in your area - staying in touch with people who are ill, elderly or on their own and need a helping hand
- Don't forget your flu jab - if you're in an 'at risk' group you should contact your GP practice
- Danger signs of hypothermia - a serious concern for older people who might be prone to falls
- Information on NHS 111 - the free number to access across County Durham and Darlington 24-hours-a-day for health care, when it's less urgent than 999
- Useful contact numbers - local councils, social care, highways and more.

Similar messages will also appear in a series of

wraparound adverts in local newspapers during December. The wraps appear as the cover of the Advertiser Series of free newspapers delivered to homes across County Durham and Darlington and like the winter guide are designed for people to keep handy in their homes. They will also appear in the Seaham and Houghton Star, the Peterlee Star and the Teesdale Mercury as well as being available on our website - www.cdd.nhs.uk.

Berenice Groves, NHS 111 programme director said: "We hope that local people find both the winter guides and the newspaper wraparounds useful and will keep them handy in their homes. We've included information that covers a multitude of eventualities and signposted to where people can find relevant information quickly.

"Demand on health services is always much higher in the run up to Christmas and the NHS is well prepared to deal with unexpected pressures. Local people can play their part too by ensuring that they access services in the most appropriate way.

"We would urge anyone in County Durham and Darlington who needs urgent access to health care but it isn't an emergency, to dial 111.

"By dialling 111, people will be able to reach a full range of local health services, including out-of-hours doctors, community nurses, emergency dental care and late opening chemists.

"By calling 111, they can receive the most appropriate treatment and allow the emergency services to concentrate on those most in need."

£11M INVESTMENT IN NEW HOMES INCLUDES AYCLIFFE

As the construction of affordable homes drops by a dramatic 97% compared to last year's figures, one of County Durham's largest housing providers breaks ground on its first new-homes development in a bid to tackle the problem across south Durham.

Breaking the ground at Baliol Road, Livin Chief Executive Colin Steel with Southdale's North East Regional Director, Paul Oldridge, Wayne Harris, Executive Director Property and Development and Alan Cargill Vice Chair of the Board

livin is investing a total of £11.6million in its new home development programme and plans to build 100 new homes over the next four years. £1.85million of funding has been received from the Government's Affordable Homes Programme.

29 properties are due to be built in the first phase of the programme comprising of a mix of two and three bedroom bungalows in Newton Aycliffe, Middlestone Moor and Ferryhill.

National construction and development specialist Southdale has been appointed to build the homes on behalf of livin and the new developments at Baliol and Clarence Chare are the first of a number of schemes to be developed by the new partnership.

Chief executive for livin Colin Steel said: "The

need for social housing is growing rapidly and securing funding of this scale will offer a massive boost for the community as well beginning to tackle the housing shortage in the area.

The homes which will be built to strict environmental standards boast a range of energy saving features including high levels of insulation, double glazing and draughtproofing to help tenants save money on utility bills as well as being

more environmentally responsible.

Southdale's North East Regional Director, Paul Oldridge said: "Southdale are delighted to be working in partnership with livin on this flagship community regeneration scheme. Southdale look forward to engaging with residents on the positive changes which will occur within in their neighbourhoods and are committed to providing a number of apprenticeships and recruitment opportunities for local people across the area."

The properties which are already generating a lot of interest will be let to people in housing need and the first homes are expect to be occupied by the summer 2012.

Further information on property allocation will be issued by livin over the coming months. Keep up-to-date with news and updates about the development with livin on twitter @weare_livin or visit livin.co.uk

Could Town Council Assist E.U.?

Dear Sir,
I was interested in the letters submitted by SUE, Woodham and two other items concerning the Town Council. Namely the cancellation of meetings scheduled for Wednesday 30th. November and rescheduled for the following day due to "industrial action"!

Does this indicate that Councillors are members of unions which are taking part in the withdrawal of labour? If not the case, why postpone two meetings for one day?

I am certain everyone would join me in congratulating the Town Council being awarded a "clean bill of health from the Audit Commission". Perhaps the team concerned could be of assistance to the European Parliament who appear to have had no success in this area for the last fourteen (14) years.

I think perhaps the sooner the better as it appears that by the end of 2012 the EU want to impose much tighter budget controls over the 17-member eurozone. It is reported that countries will have to submit their budgets for EU approval before they go to national parliaments.

I am afraid their present track record does not inspire confidence after 14 years of not producing full and satisfactory material to warrant a "clean bill health" from an Audit Commission. Presumably the EU is not exempt from a ruling of this nature for an indeterminate number of years. How can they be deemed to competent to judge other countries planned budgets when they can not manage their own financial affairs? P.C.

Ed: the point on postponement of Town Council Meetings obviously means they cannot meet without staff who are on strike.

Aycliffe's Got Talent Final

The Management Committee of Newton Aycliffe Youth Centre hosted the final heat of Aycliffe's Got Talent. Parents, grandparents, uncles, aunts and friends supported a number of young people from the local area who were looking for a place in the final round of the competition.

There are now 10 acts from the heats to go through to the finals. The date and time for the final event has been set for 4.00pm on 21st January at the Newton Aycliffe Youth Centre. Prizes, on the night will be presented by representatives of our three sponsors.

For more information about the final, or to reserve your tickets please do not hesitate to contact Joan Clark on joanclark2011@live.co.uk or leave your name and address at the Youth Centre. The cost of tickets were £1.50 if purchased in advance or £2 at the door, subject to availability.

3M EMPLOYEES GROW HAIR IN AID OF CHARITY

Employees at the 3M site at Aycliffe who undertook a hair-raising bid for charity have collected £3,750 for prostate cancer research.

They took part in the annual month-long "Movember" campaign of growing moustaches to raise sponsorship and awareness of men's health.

Seventeen employees joined in with the active support of female colleagues who added to the total by selling homemade cakes and organising events around the Heighington Lane site.

"This is the fourth time we've been involved in the campaign and each year more and more men have been willing to lend their upper lips to the cause," said organiser Peter Lee. "It was very successful in getting men's health issues talked about at the site and we were delighted to have raised so much in sponsorship at the same time."

Councillor Bill Blenkinsopp wishes everyone in Aycliffe Village, the volunteers and patrons of The Cubby a Merry Christmas and a happy and prosperous new year.

Revenge for Aycliffe

Seghill 6 Newton Aycliffe 33

Our Rugby Club gained revenge for their narrow National Vase defeat a fortnight ago with this comfortable win at Seghill. After two defeats, Aycliffe needed to get their season back on track as they aim for promotion from Durham and Northumberland Division 3. With a stronger squad available than for their previous visit they were hungry for a bonus point victory. The early exchanges went the visitors' way, with the scrum dominant and the backs showing more pace than their opponents. James Thacker opened the scoring, carving through the defence for a try; David Gibson converted. Good support play from the forwards saw Drew Gibson add a second try soon after.

Aycliffe now fell into their old habits of trying to match their larger opponents physically and that, combined with conceding too many penalties, saw the home side gain the upper hand for much of the rest of the half. Two penalty kicks saw the teams turn round with Aycliffe holding a narrow 12 - 6 lead. Finding their feet again early in the second half, Aycliffe soon increased their lead when Gareth Parsonage made a break, when he was stopped, Drew Gibson was in support, he fed Phill Sangster who touched down near the posts. Warren Parsonage was marshalling the team from scrum-half and released the backs again; Thacker drawing the defenders before releasing Craig Holmes to score the bonus point try; David Gibson adding his third conversion. Michael Dunn put the defence under pressure by consistently chasing kicks and tackling the Seghill back three. The Aycliffe forwards now put in a series of thrusts down the side of rucks with Jeff Hodgson coming close to scoring. As the game entered its final minutes, Thacker again broke free and, timing his pass to perfection, fed Ben Fowler who scored out wide. Stephen Middlemas slotted the kick. Seghill now desperately attacked to try to score a consolation try, but Aycliffe defended superbly to keep their line intact. The final score was 33 - 6.

This win sees Newton Aycliffe in 2nd place over the Christmas break, albeit having played a game more than 3rd place Prudhoe and Stocksfield, the game between the two on 14th January being a crucial one for both clubs. Newton Aycliffe Rugby Club are sponsored by Workshop Supplies and Lift Right Forklift Training. Visit the new website at www.pitchero.com/clubs/newtonaycliffe.

Family Sessions at Nursery

Children at Stephenson Way Nursery have been enjoying storytelling and drama with the Debutots. Paul and Tara from the Debutots have visited nursery every week for 6 weeks to tell us a story. The stories have included Autumn, Halloween, fireworks and Winter stories.

The children have been encouraged to join in with the action, with repeated refrains and to anticipate what will happen next. We were all having so much fun we decided

to invite parents to come. The family sessions were well attended and the parents enjoyed joining in too! These sessions included a follow up in the nursery where the parents and children worked together to create winter pictures, collages, explore ice and snow and make bird feeders to feed the birds in Winter. The nursery staff would like to thank Paul and Tara from Debutots and also all the parents who attended the family sessions.

Golden Anniversary

Teenage sweethearts from Shildon, Thomas and Verna Garlick, celebrated their Golden Wedding Anniversary on Monday 12th December. Our Mayor, Mary Dalton visited them in their home at Ranulf Court to convey the best wishes of the Town Council on behalf of the residents of Great Aycliffe. The couple moved to Newton Aycliffe 38 years ago when Thomas known

as "Tot" started work as labourer in the town. Verna worked for Ozalid until the birth of their son Paul and daughter Jill who between them have produced three Grandsons. The celebrations began with a trip to Brugge and they returned to a surprise family Golden Wedding Party. Tot and Verna now look forward to an anniversary cruise on the Rhine in the New Year.

It does not need your birthday to make me think of you. Because I do it every day and will do my whole life through. But it's nice to bring you flowers on such a special day. But the part that hurts me most is when I leave you there and walk away. Happy birthday. Love, Hazel xxx

Woodham Students Design Medals for International Event

Durham County Council (Education Development Service & International Development Office), as part of its London 2012 "Join in" programme, is organising an international sports event. The event is on 13th and 17th of June 2012 and will involve teams from Durham, competing against young people from countries all over the world including France, Italy, Hungary, USA, Germany, Sri Lanka, Jordan, Russia, Bangladesh and Slovakia. Geoff Sheldon, Durham LA Inspector for PE, approached Woodham Community Technology College's year 10 Product Design group to design, develop and prototype 100 "gold", 100 "silver" and 100 "bronze" medals, one overall team trophy (awarded to the winning country) and 500 commemorative gifts, to be awarded to all delegates (adults and young people). This real life project began three weeks ago, with Geoff presenting the client brief to the students. Dave Spensley, from Aycliffe Fabrications, has been involved working with the students and helping them to do some "blue sky thinking", developing design

DEBUTOTS SPARK A CHILD'S IMAGINATION

Debutots Early Years Drama, a nationwide franchise network, is brought to this area by Mum of two Tara Hallimond and her Father Paul Bell. Aimed at children aged 6 months to seven years old, Debutots is a unique blend of interactive storytelling and dramatic play where imaginations soar, communication skills grow and creativity and confidence blossom.

"The telling of stories and an ability to interpret and create new stories is crucial to the development of children's

early literacy skills," says Tara.

"Classes can also help support young children's emerging communication skills," says Paul, "which is one reason why they have proved so popular elsewhere in the UK." Paul and Tara run Baby Story Play classes for parents and

children aged 6 months to 4 years in Newton Aycliffe and Early Years Drama classes for children aged 3 to 7 years in Nurseries and Schools in the area. For a free trial session contact Paul and Tara at Debutots on 01325 317380 or see their website at www.debutots.co.uk

creating a mascot called 'Metro' which celebrates the heritage of the North East. Peter Wallbanks, Head teacher said: To earn the right to use the new education logo and become a member of the new Get Set network the school had to register and showcase their student-led work around the values via the dedicated 'Get Set' blog completing a short application form. The school, staff team and pupils are now all committed to promoting all of the Olympic and Paralympic values.

AYCLIFFE BOXING DAY BELTER

Newton Aycliffe FC are gearing up for one of their biggest games of the season on Boxing Day, when local rivals Bishop Auckland come to Aycliffe in the first-ever league meeting between the two sides at Moore Lane Park. A huge crowd of 491 turned out for the reverse fixture at Bishop's new Heritage Park - the sixth-highest Northern League attendance of the season so far - back in August, when Allan Oliver's side should have won but ended up taking a point in a 1-1 draw. And the Newtonians will be hoping to get one over their neighbours in another historic meeting at Aycliffe Sports Club.

They ended their three-match losing streak with a hard-fought 0-0 draw at Bedlington Terriers last Saturday, and entertain Norton and Stockton Ancients at Moore Lane this Saturday (December 17) followed by their Boxing Day derby with Bishop, which kicks off at 1pm.

Aycliffe are currently sixth in the Northern League first division, with Bishop one point and two places below them in the table.

Chairman Gary Farley said: "We're certainly expecting it to be one of, if not our biggest home gate of the season."

"Boxing Day is always a big date in the football calendar but we've been hit by bad weather in recent seasons. Hopefully, weather permitting, we'll see a game this year and it'd be great to see a big crowd at Moore Lane for what is a big derby occasion for the club and the town."

Aycliffe's bid to do the double over Bedlington was thwarted by an inept refereeing performance at Welfare Park last Saturday.

Allan Oliver's side were denied two penalties in the first half and while one could have been excused, the other, a blatant trip on Josh Knox, went unpunished by the man in the middle, despite his assistant flagging for the spot-kick.

Aycliffe did get a penalty late in the game, converted by the returning Ben Wood, but that strike only served

as an equaliser after Tony Shandran's superb solo effort opened the scoring early in the second period.

The sides were separated by one place and one point in the table but it didn't show as the Newtonians took the game to their opponents in the first half, playing some excellent stuff on a glue-pot of a pitch. Aycliffe still have a limited number of tickets left for their Christmas Comedy Night on

Thursday 29th December, when top female stand-up comedienne Sue Sweeney will join popular comic Terry Joyce at Aycliffe Sports Club

for a double-bill of laughs. Tickets are just £15 each, and are available from John Gaskarth on 07590 925469, or email gaskarth@msn.com
