## BIG BAND CONCERT AT BIG CLUB

The Rotary Club Big Band Concert at the Big Club was a sell out and raised approximately £1100 for the campaign to eradicate Polio throughout the world.

Among the guests were Phil Wilson (MP) and his partner Margaret and Town Mayor Dorothy Bowman. Organisers Rotarians Mike Dixon and Jill Thompson said they were delighted with the response and the excellent facilities offered at the Workingmens Club.

The American Band who are on a tour of Europe before playing at the Montreux Jazz Festival, were superb. They were hosted by Rotarians and friends in their homes and treated to a tour by J & C Coaches of the area including Redworth Hall, Durham Cathedral, St. Mary's Lighthouse and a famous Fish & Chip restaurant in North Shields for a traditional British meal.

The Rotary Club wish to acknowledge the assistance of the officers, members and staff of the Big Club; John Melvin for providing his services and professional sound equipment, Neville Jones for the loan of a keyboard and Northallerton College for the loan of musical instruments.

Jill Thompson said: "It was great to host the band who gave the Concert free of charge in aid of the Rotary Polio Campaign, but it wasn't

all about raising cash. We had the pleasure of greeting people from another country and the opportunity to promote international good will."

## WALK TO SCHOOL WEEK

St. Joseph's School children took part in the Get Healthy In National Walk to School Week - 17th to 21st May To kick off our healthy lifestyle improvements, Class

5 took part in an orienteering session organised by Durham County Council. The children had to read and follow a map of the school grounds, finding clues as they went, to work out a hidden catchphrase. They had to identify photographs of footpath areas around the school that they might use on their way to school. Later that day 'Sam' a character from Durham County Council attended the school assembly to promote the benefits of walking to school. Many children and some of the staff tried to walk to school every day that week, some even skate boarded to school and even those who lived further out walked a bit of the way to school before getting the car.

## Website for Last Minute Training Course Places

Two entrepreneurs from Shildon have teamed up to launch a new website for training providers, designed to fill up those few spare places on courses across the North East.

Craig Fantarrow and John Patrick of HelpTrainingCourses.com, is to be launched next month with the aim of allowing companies and individuals to snap up remaining training course places at a discount instead of them going to waste.

"We were friends as kids and got back in contact years later when John started working for a local business" explained Craig, who also runs a successful training company called Help! First Aid Training. "When you're holding a training course, the overheads are already paid - so you may as well fill the places at a discount rather than get no return. Filling the spaces last minute at a discount is better than leaving seats empty."

John owns a software development and consultancy firm, Actuance Consulting, and builds bespoke software and web applications so was able to put his web acumen to good use. As well as creating the website, he had previously developed a custom search application and found that the same system could be applied to training courses.

"What makes us unique is that nobody else offers last minute training course bookings as well as course advertising. We've also come up with some innovative features to make searching for training easier for the end user and added a way of sponsoring searches that we have never seen in this industry."

HelpTrainingCourses.com will be officially launched on Wednesday, 14th July at Locomotion: The National Railway Museum in Shildon, where training providers in the North East will be able to find out more about the website.

At the event, training providers can buy search phrases from as little as £20, while it is free to register your company and set up a company profile to advertise on the website as money is made from search engine phrase sales.

Craig and John plan to employ a small team of three once the business is established, before aiming to expand the website to cover other regions of the UK.

## 1000 Taught to Drive Over 25 Years

Brian Poole of Simpature School of Motoring celebrates 25 years in business as a Driving Instructor.

He moved to Newton Aycliffe with his parents 58 years ago as a child and attended a temporary school in Bede Crescent while Sugar Hill School was being built.

He moved to secondary education at Marlowe Hall which became the Avenue School, later to be demolished and is now the Tesco site.

After leaving school Brian worked for Broughs Supermarket and took numerous jobs in industry before deciding to run his own driving school. He met his wife Carol on a blind date and they were married in 1972. They have a son Andrew, married to Becky, with three sons.

He took his own driving lessons with ex Police Sergeant Jimmy Crawford and then trained to become a driving instructor with another ex Police Sergeant Alan Wright. Both these instructors had driving schools in the town: "Roadcraft" and "Acorn".

Brian has built up a good reputation and success rate over 25 years and is known for being easy going, patient and pleasant with all his client whose ages range from 17 to over 60.

## RESPONSE WAS GOOD

Dear Sir,  
May I say thanks for your report in the last edition of Newton News about our £500 incentive for people to lose weight. The response has been very good and hopefully we will be seeing quite a number of Newtonians losing weight and getting on track to a healthier lifestyle.

It is very good to see that people are thinking about their health and well being but even better to know a local newspaper such as yours helps out with getting the message across to everyone in the area.

I am sure you realise what a valuable service you offer to your readership.

## LETTER to the EDITOR

### What’s the Point of Mayor’s “At Home”?

Dear Sir,  
I write with regard to the “Mayor at Home” afternoon which I attended at the Council Offices on the 29th of June. I believe this is an annual event held by the new Mayor to give them the opportunity to meet members of the community in an informal setting. Upon arrival drinks were served from a small marquee, before everyone proceeded into the council offices. I must admit I was surprised by the turnout and the Council Chamber was full. A good selection of sandwiches and cream cakes where served with tea or coffee. Whilst seated at the table I took the opportunity to look around the room and was surprised to see at least 90% of the guests were councillors or civic dignitaries from other areas, church leaders and officers from the emergency services. The actual number of normal members of the community could probably have been counted on one hand. I must admit that I enjoyed a very pleasant afternoon tea and was not disturbed at any time during the afternoon. No-one talked to me or gave information regarding the council nor was the mayor’s business for the coming year discussed except

for an announcement on her two chosen charities for the year. I do feel that this was a missed opportunity to actually talk to real people instead of the councillors she will see on a regular basis. I am trying not to be critical of Councillor Bowman as I understand this is a yearly tradition for all mayors, but you would think that in the current economic climate this gathering for fellow councillors could have been cancelled. If the intention was to meet the community then it failed. Instead the gathering just seemed like a jolly for Councillors and their friends. Interested Resident Name & address supplied  
**Ed: An open invitation is extended to anyone who wishes to attend the “At Home” and a notice was printed in Newton News.**

Pets at Home in Coulby Newham are holding a wild animal awareness afternoon on the 7th July at 3pm to make people aware that wild animals such as meerkats, racoons, skunks etc should not be bought as pets. Keeping a wild animal as a pet requires a great deal of

research and preparation, as well as medical care. These animals can be a real handfull and are potentially destructive or dangerous. They have a man coming in that runs a wild life sanctuary and is bringing his Meerkats with him. Their names are Smokey and Bandit. The home is also trying to raise money for the adoption charity, providing local funding for animal charities around our community to give animals a second chance in life. One example of the charities we help is Aristocrats in Newton Aycliffe.

## TEENAGE FOOTBALLERS IN MINI WORLD CUP FINAL

Teenage footballers from County Durham battled their way to the final of a mini World Cup competition in Germany. Newton Aycliffe FC Under 18 team was selected to represent the county at the tournament organised by Tübingen, Germany, one of the county's partner areas. Teams from Italy, Switzerland and France also took part with German teams representing other nations. Newton Aycliffe opened their group stage with a 1-0 win over Germany, then faced Ghana, Serbia, Portugal and Argentina, all represented by German clubs, on their way to the final against Cameroon – another German team – who knocked out tournament

favourites Italy. "The final ended 0-0 after extra time and even went to sudden death penalties before Newton Aycliffe lost 4-3," said Lucy Turzynski, Durham County Council's Assistant International Officer. "To play all the matches against teams from Germany was quite a coincidence and to lose only after sudden death penalties is an indication of just how well the team played. "They have been a credit to their football club and town and superb ambassadors for the county," she said. In all they played six games, kept five clean sheets and scored seven goals and had the tournament top scorer in Bobby Gibson.

## LOCAL TRAINING PROVIDER WIN NORTH EAST REGIONAL AWARDS

Left to right: Andy Mason, Angela Mason, Emma Cox, Isobel Currie, Kate McLean, Christine Bewley, Laura Relton

Communicators Training Associates Ltd., a local based training provider, are celebrating their success in winning three award categories at the recent 'LearnDirect Achievement Awards' held at Newcastle United Football Club. Isobel Currie, Director of Communicators, was pleased to step up and accept the award for the whole team. Kate McLean, Centre Manager, won the Learner Support Award for a second year running which recognises the outstanding customer care and tutor support she has provided to all of her learners who either visit the Centre in Newton Aycliffe or work on their learning from

home. Kate said she was delighted to win this category again and thanked all her learners who voted for her. Brian Lumley was also recognised in this category for the support and guidance given to his remote learners. Further success and recognition was given to HMP Durham whose staff have enjoyed and benefited from the training services provided to them by Communicators. The NVQ has given many staff the opportunity to demonstrate high levels of customer service to internal and external customers. Emma Cox reached the finalist stage for the progression award, which recognises individuals who, through training and development, have progressed in their career. This is certainly the case for Emma who took up a new role earlier this year as the Principal/Lead Teacher with Aycliffe Dance Academy. Communicators Training Associates are based on Aycliffe Business Park. They provide a wide range of training and development opportunities for employers and also individual learners who wish to study from home. Their services range from Basic to Advanced Computer studies including the ITQ/ European Computer Driving Licence (ECDL), NVQ's in Administration, Customer Service and Management and foundation skills for Literacy and Numeracy (GCSE equivalent).

More recently, they have provided a wide range of support to individuals who have been made redundant via their 'employability' course which is also proving to be successful in helping individuals apply for jobs and prepare themselves fully for interviews. You can visit their website for more details: [www.communicatorstltd.co.uk](http://www.communicatorstltd.co.uk) Isobel, Kate and members of the HMP Durham team will be representing the North East Region later this year in October at the LearnDirect National Awards, which will be held in London.

# WOODHAM BURN SCHOOL HOLDS TALENT SHOW

## VALUING VOLUNTEERS

take part in the final show and it was the job of the parent/staff association to be the 'judges' and decide on the final 18 acts. On the night over 200 relatives and friends came to support the children, there were singers, dancers, magicians, musicians and a beat-boxer! Each child in the final received a medal and the top three acts received some spectacular prizes including tickets to see

Cirque du Soleil (donated by Newcastle Arena), also tickets to see circus hilarious (donated by Theatre Royal at Newcastle) and a summer camp pass to Stagecoach in Darlington. The winner was Malek Serfaq for his street dancing, second place went to a group of five pupils named Undiscovered and third place was a beautiful singer-Megan Peacock. To end the show some of the staff wanted to prove that it isn't just the children that have talent, so they entertained the audience with their version of Summer Loving. Well done to everyone that took part in the show and everyone that auditioned!

Councillors will be given an update on how vital groups work to provide support to a host of valuable voluntary organisations across the county.

A report reviews the work carried out by organisations like CAVOS, 2D, Durham Rural Community Council and East Durham Trust in supporting voluntary groups in County Durham over the past year. It also outlines a schedule of work for the coming year.

It highlights how the local voluntary sector has worked to increase the number of volunteers, helped improve the running of community buildings and provided support to the Area Action Partnerships.

## HAND OF COD IS WINNER FOR LILY

An eight-year-old inspired by a famous World Cup moment has landed her family a tasty treat.

Lily Mansfield from Woodham Burn Primary School in Newton Aycliffe won a World Cup cookery competition at her school with her dish entitled Hand of Cod.

Lily, who drew her inspiration from Diego Maradona's controversial goal in a World Cup quarter final in 1986, impressed judges with her timely- titled fishy dish and, as a reward, was allowed to invite her mum and dad into school to sample it.

Headteacher, Riannon Rowe, said: "All of our pupils enjoy the school dinners in school. We pride ourselves on them and none of the pupils bring packed lunches. They are also very popular with staff.

"Everybody enjoys lunchtimes and competitions such as this bring the pupils together for fun that everyone can enjoy." The cookery contest, to design a World Cup themed dish, was held as part of the School's Let's Get Cooking Club, who picked Lily's dish as the overall winner. School cooks made Lily's meal for everyone to enjoy.

Lily is photographed with her Dad, Paul, Mum, Emily, and brothers Flynn, five, and Bailey three.

## MAKING BUSINESS IDEAS WORK

The "Be Enterprising" event is growing with local clients exhibiting their services at the "Be Your Own Boss" event at Newton Aycliffe Youth Centre on the 23rd July 2010.

One such client is Keith Brown of Unique Slate Art. Keith was formerly employed by Electrolux and following redundancy he decided he wanted to be his own boss.

Keith says "The idea of creating unique slate art came to us whilst attending the annual T.T. week on the Isle of Man in the summer of 2008 with its fantastic coastline, scenery, natural beauty and of course, natural slate that can be found on the island.

It was the variations in the color and shape of the natural slate that inspired us to start creating unique individual vases, coasters, mats and boards".

It took over one year of preparation to get the business off the ground, following help with Be Enterprising Coach Joan Dowson and a small amount of funding Keith is now selling his products online. Check out his website [www.uniqueslateart.co.uk](http://www.uniqueslateart.co.uk) and come along to the event and be inspired in our Ideas Generation area to see how you too can Be Your Own Boss!

For more information about the event please call Dawn Huntrod on 01325 310730. Anyone living in County Durham who would like support making their business idea reality may be eligible for support from Be Enterprising. For more information call 0800 030 4134 or visit [www.be-enterprising.biz](http://www.be-enterprising.biz)

# DROGBA AND KALOU IVORY COAST IN AUCTION

This colourful piece of World Cup memorabilia is up for grabs in an impressive auction to raise money for Newton Aycliffe FC.

Chelsea star Ross Turnbull has hauled together a stunning range of items to help raise some cash for his hometown club, including this Ivory Coast shirt signed by Didier Drogba and Solomon Kalou.

The former Boro shot-stopper, who joined double-winners Chelsea last year, has collected a number of shirts and a pair of boots from his international teammates.

It's hoped the event, dubbed the Ross Turnbull World Cup auction, will raise hundreds of pounds for Aycliffe as they prepare for their second Northern League campaign.

"We've already taken a few bids," said organiser Martin Walker. "But typically people will wait until late on before they make their move."

"We've already received a bid of £300 for an England shirt signed by Frank Lampard and £100 bids on two other items so it's steady away."

"But as the World Cup unfolds and as we approach

the auction in a couple of weeks we're expecting the bids to come thick and fast, so it promises to be an exciting auction and something which will hopefully raise us some much-needed funds."

As well as the Ivory Coast shirt and Lampard-signed England, a pair of match-worn John Terry signed

boots are also included in Turnbull's auction, along with an England shirt signed by Terry, Lampard, Joe Cole and Ashley Cole, a France shirt signed by Nicolas Anelka and Florent Malouda, a Michael Ballack-signed Germany shirt and a Michael Essien-signed Ghana shirt.

Pre-auction bids can be made

byemailtomartinwalker50@hotmail.com - or call organiser Martin Walker on 07826 525907 - and a running update is available at Aycliffe's website, www.newtonaycliffefc.co.uk

The auction will be held at Aycliffe's World Cup Pie & Peas Supper, with ex-Newcastle, Hartlepool and Chelsea player Joe Allon the guest speaker along with comedian Terry Joyce, on Friday July 9 - just two days before the World Cup Final.

Tickets for the dinner cost £20 each, which includes a Pie & Peas Supper, and tables of eight are available.

The dress code is casual. Call or text John Gaskarth

on 07590 925469 or email gaskarth@msn.com

A year has passed, life still feels strange, you are not here when we call your name. Fond memories we share, like a place we once drank, as for the men we've become, there's a Dad we can thank. There's a day when we'll meet, when we hope you'll say aloud, I love you dear Sons . . .  
  
You've made me so proud!

**PAUL CLARK** Died 8th July 2009. Loving and fondest memories of a very special Brother and Uncle. We thought of you with love today, but that is nothing new. We thought about you yesterday and days before that too. We think of you in silence, we often speak your name. All we have is memories and your picture in a frame. Your memory is our keepsake, with which we'll never part. God has you in His keeping, we have you in our hearts. With love, never forgotten. **CAROL SCOTT** 4.07.09. One year has now passed, Everyday my thoughts are with you. Whenever I needed sound advice, You were the one I turned to. You were at times, my best friend, My troubles with you, I'd share. Now and then I think of phoning you, It's so hard you not being there. For I miss you more than you will ever know, With everyday that goes by. You were taken far too soon, My only question is why? We may not have always seen eye to eye, One thing between us is true. You left a daughter, I lost a mother, I'm proud to say, I love you. While you walk in the valley of the kings, I feel you keeping watch over me, Unlike you, I'm not yet an angel. So sometimes, yes I'm sorry. You will forever live on In spirit and in mind. Thank you for being all you were. A greater Mother, we could never find. Love Always, Joanna, Stacey and Emma xx

## Splashing Out on Local Groups

Voluntary and community groups in the Newton Aycliffe area are making the most of access to local funding and there's never been a better time, because for a limited period, there's extra money available. Thanks to some additional funds, the maximum limit of money available to each project is rising to £4,000, from £2,000. The Great Aycliffe and Middridge Area Action Partnership (GAMP) is working in partnership with CAVOS (Community and Voluntary Organisations Support) to administer funding

from its small grants fund, launched in March. One of the three key areas of focus identified for the AAP was to support the community and voluntary sector. The scheme aims to give this support in the GAMP region. Applications that cover the issues raised at the initial AAP Forum meeting include; use of and support for community buildings and community groups, empowering communities, helping local communities to use local resources and providing better communication links. Priority will also be given to projects that support our other AAP priorities of providing activities for young people and improving the environment and street cleansing.

Laura Agar Wilson, Task and Finish Group Lead at GAMP (Support to Community and Voluntary Sector) said, "There has been a lot of interest in the small grant fund and the most recently we supported Aycliffe Sub Aqua Club with a grant of nearly £3, 500. "These funds make a huge difference to the local area and allow us to deliver on our promise to support local community and voluntary

groups.” Martin Green Chairman and one of the three Senior Diving Instructors at the Sub Aqua Club, said, “We are a non-profit making club which aims to make the experience of diving enjoyable, safe and affordable for local people with a love of water. “Here at the club we are very grateful for the funds from GAMP which will pay for new equipment and diving tuition workshops that I hope many people will enjoy.” To request a funding application pack please contact Laura Agar Wilson on 01388 811 115 or email [laura@cavos.org.uk](mailto:laura@cavos.org.uk)

## More Bad Ref Decisions

Sedgefield Water Polo Club completed a hatrick of wins over the other top junior club in the area Durham City with a 14-7 win at Durham in the under 16 age group, following wins at under 12's 15-3 and at under 14 31-0.

Durham put up a strong performance to restrict the well drilled Sedgefield team to only a 7 goal defeat. There were some very controversial referee decisions that always seemed to penalise Sedgefield.

However with GB under 16 squad members Adam Woods and Alice Woods Sedgefield were always in control. Adam Woods scored 7 goals and Alice got 3.

The others were scored by Sebastian Reichel and Sarah Sanderson with 2. The other members of the Sedgefield team were Frazer Roe, Ritchie and Simon Howe, Abbie Turnbull, Joe Barker, Megan Lamb, Nick Gowland and Paul Casson. The coaches were Rudolf Reichel and Greg Barker.
