TOWN THEATRE GROUP GIVE SPARKLING PERFORMANCE

Aycliffe Musical Theatre's production of Gilbert & Sullivan's comic opera "HMS Pinafore" was a spectacular success.

Held at Greenfield Arts College Hall with an orchestra, the cast gave a sparkling performance with some superb singing by the principals. It was colourful and very entertaining indicating time and hard work put into rehearsals.

Notable contributions were made to the success of this show by Tenor David Beall, "Dick Deadeye" David Curtis and leading lady Susan Limbert.

Congratulations to Producer Bruce Cunningham on a wonderful show and for his own personal performance on stage as Sir Joseph Porter.

George Lee, Musical Director can be pleased with his cast and the musical skill of the orchestra and resident accompanist Graham Hewitt.

Among the guests on the final night was the Chairman of the County Council. Town Mayor, President of the Rotary Club and President of NODA.

The group's next production is an Olde Tyme Music Hall at St. Clare's Church on Saturday and Sunday 30th and 31st October.

Anyone interested in joining Aycliffe Musical Theatre either as singers or back stage workers should contact Trevor or Margaret Fenwick on 318968. Membership is open to all ages and you will be assured of a very warm welcome.

Rotary Fun Walk Postponed

Due to unforeseen circumstances, completely outside the control of the Rotary Club the Rotary Fun Walk in support of McMillan Nurses is postponed.

The event will now hopefully take place in early October when it will be combined with an event taking place all over the UK and bringing environmental benefits for Newton Avcliffe.

The Rotary Club wish to extend their apologies to those who were intending to support the event on the 11th July and ask that any sponsorship monies raised be either held until the event takes place later or alternatively to hand it to the McMillan Nurses office in the Pioneering Care Centre. A further announcement will be made when the new date is confirmed.

MATCHDAY EXPERIENCE WITH FORMER STAR

Youngsters will be able to enjoy a six-hour matchday experience when Sunderland come to Darlington in two weeks.

The Black Cats come to the Northern Echo Arena for a pre-season friendly on Saturday

And former Darlington player Neil Maddison, now the club's Centre of Excellence manager, has teamed up with Hummersknott School in the town to hold the big match experience for seven to 12-

year-olds.
Maddison will hold the
Saturday Soccer Skills Club,
costing just £15 each, along

with Hummersknott's football development officer Stephen Cheeseman

The whole day involves a 90-minute coaching session followed by the big match against Premier League neighbours Sunderland at the Arena.

"It promises to be a cracking day for all the children," said Maddison, who played more than 100 games for his hometown club between 2001 and 2007.

"It's not just about playing football, either. It's a good chance for the more developed players to enhance their skills with us, but it's also an excellent opportunity for youngsters looking to start out or just have a fun day out.

"And for parents it's peace of mind knowing their children are

"Newton News" and it's predecessor "The Newtonian" were 50 years old in August 2009, and we thank all our advertisers, contributors and readers for supporting "Your Local Newspaper" and for making it the success it is

today. "Newton News" is an important means of communication in this area and provides a free forum for readers to express their views without fear or favour.

receiving free news sheets in the early 1950's from the Avcliffe Development Corporation as a means of communicating with new tenants as they arrived from all over the country to start life

anew in the new town.
A Residents' committee later published "The Newtonian" monthly, selling advertising space to cover printing costs and organising free distribution to each new house as it became occupied.

Newton Press started business as the town's first printers in August 1963 and offered to take over the printing of "The Newtonian" later changing the publication to newspaper format: run on a commercial basis, yet continuing to deliver copies free of charge to each household

In 1969 "Newton News" evolved and was distributed to a now much enlarged population by-weekly. The publication became a weekly in 1984 with a circulation of over 12000 serving the new town and surrounding villages.

Newton News, by incorporating "The Newtonian" claims to be the first FREE newspaper, and is now distributed to over 15000 homes, financed entirely from advertising revenue.

Aycliffe Sports Club Membership Record

hit a record high number of memberships this summer. Since April, when the club's membership had to be taken out or renewed, more than 300 new members have joined.

The influx has taken the total number of members to more than 1,000 for the first time in the club's history.

While treasurer Dennis

Henderson admits the World Cup has played a big part, he also insists locals are starting to recognise the Sports Club is the place to be these days.

"We're delighted with the increase," he said. "In fact we still have another 50 applications going through at present which will push the number even higher, so interest in the club is at an all-time high.

"All four England games went ahead without incident, which is a credit to all members, and we hope our new members enjoyed our professional and friendly bar staff, who deserve a lot of credit for their hard work this summer, and our quality drinks and food at competitive prices.
"One of the highlights of

the World Cup period was the number of people who used our beer garden, which is arguably the biggest and best in Aycliffe. It boasts a

picturesque view, overlooking the Cricket pitch, and there's no traffic in sight!
"It was lovely to see dozens of

people enjoy it and we hope, for the new members, that the World Cup wasn't just a fleeting visit and that they continue to come and enjoy the club."

People are enjoying the improved facilities at the Sports Club, including £50,000 spent on six widescreen TVs in three rooms supplying superb coverage of sport.

Annual memberships for the club is £7 adults (£5 for renewals) and 50p juniors. Membership forms are available from the bar any time. www.aycliffe-sports-club.org.uk

John Clare's concise case against Proportional Representation(PR) was excellent except for one thing, it assumed that PR is what the Lib Dems were fighting for in their election campaign and in their coalition with the Tories. Any true Lib Dem must feel sold out by the fact that what is going to be put in a referendum in May next year has nothing to do with Proportional Representation. The Alternative Vote (as it is called) is exactly that, it gives the losers a second and third or even fourth vote. Not any form of proportionality at all. Its not rocket science, but it is overly complex and unfair.
In a nutshell it means that

when you cast your vote at the General election you would cast as many votes as there are candidates, but list them in order of preference.

If no one candidate reaches 50% of all votes cast on first choice, then the one with the lowest votes is dropped off from the list, and their 2nd choice votes are then counted out among the remaining candidates, if no one still has reached 50% of all votes cast, then the next lowest drops out and their 2nd choice is then distributed among those remaining, and so on each time until someone reaches 50% of all votes.

If someone who drops off was someone's second choice, then 3rd choices are looked at, or fourth if their 3rd choice also dropped out, or 5th or 6th depending how many candidates stood, it is all simple really! No wonder Mr Cameron is smiling when for this simple gimmick he has convinced the Lib Dems, to support him in government. Sorry but it has nothing to do with PR the Lib Dems were

short changed on that. Incidentally, without Proportional Representation, we have a hung Parliament, which

forced coalition government, the voters are indeed wiser than their parliamentary overlords, and on the Town Council, again without PR the Parties are actually proportioned to the votes they got at the elections, so first past the post not only works at National but also local level, when the voters vote wisely, which they usually do. Except when lied to.

Incidentally, whilst I totally reject this Coalition Government's views on tackling the Deficit which will delay economic recovery and prevent growth, and almost certainly lead to a prolonged recession, hurting the lowest paid, and most vulnerable, whilst leaving bankers bonuses untouched, I do agree with some of the smaller detail, getting rid of the Big Brother state that Labour was creating by abolishing the unBritish ID Cards, stricter controls on CCTV, preventing Councils from abusing Anti Terror legislation to spy on people, abolishing bin taxes and preventing fortnightly bin collections, abolishing the Standards Board, basing CRB checks on common sense instead of treating every citizen as a criminal, reforming the DNA database and so forth.

If voters at the general election had the Alternative Vote then, I doubt that most Lib Dem voters would have put Conservative as their 2nd Choice! After all did not the Lib Dems warn of the Tory VAT Bombshell in their election ads?

Gordon Brown did not make it possible for the Lib Dems to form a coalition with Labour, and after 13 years,... at some time in the life cycle of every organisation, its ability to succeed in spite of itself runs

As you can see from the figures below, if each loser drops out and their second or third or fourth choice is recounted for the others, it would make no difference to the outcome, this is not PR it is PE... a "Pigs Ear" simply letting losers have more votes counted

SHOCKING BEHAVIOUR

Dear Sir.

May I make a comment on the Mayor's "At Home" held at the Council Offices. My husband and I were delighted to be invited and found it to be very pleasant. The afternoon was well supported and I saw the Mayor making an effort to speak to everyone throughout the duration of the event.

I would like to know why some people attended when it is known they have such a low opinion of the Mayor and why the same ones ignored the Mayor yet took bags of cream cakes home! The people in question have been involved with the Town Council for many years and their behaviour shocked us and it is no wonder Councillors have such a bad reputation.

Anyone who knows Mrs Bowman will be aware of her tireless work for the community and making her Mayor is deserved recognition of her hard work. Dorothy Supporter, Name & address supplied

GOOD ATTITUDE

Heighington Boys Club, has FA Chartered Status with sound coaching and organisational structures in place. The club has a welfare officer who ensures all coaching staff are CRB checked. The Club has been running for a number of years, and progressed through 2 seasons with the TJFA. It has been especially pleasing to see 3 players reach Darlington's Elite Academy and one former player receiving interest from Middlesbrough FC. The club tries to be a big family and to promote this we have planned promote this we have planned social events throughout the season. Players have been mascots for Darlington FC, guest's of Middlesbrough FC, enjoyed Christmas parties etc. We have a very friendly group of players and they make all feel welcome, every child has there contribution celebrated regularly and certificates and medals are a regular feature of rewarding players and its not always down to skill, but attitude and application, humour and good manners also have an

equal role to play. All players are encouraged to be the best they can and play the game as good sportsmen/women. Arguing back to refs or cheating are not accepted in our team and this is encouraged by coaches, helpers and parents, a fun and respectful atmosphere is the aim for our players. Winning is nice but not at any costs and the benefits of exercise, friendship and enjoyment has to be of

equal importance. The team has now reached a turning point as the under 11's need more players and some of our younger players are unable to play next season. This has led us to develop a further under 10's side who will play 7 a-side in the TJFA and continuation of our under 11,s who move up to 11 aside , both sides will play there games at Heighington School where they train on Saturday 9.30 till 11am.

The team ceases training on the 17th July for a summer break and resumes Saturday 21st August. So If you want your child to join a local team that develops football skills, enjoyment and time on social development then come to Heighington Boys Football Club. Players would need to be eligible to play in either the under 10's or the under 11's for next season, all abilities are

"Pinafore" As Good as D'Oyly Carte!

Dear Sir, Last Saturday a group of family and friends were privileged to attend the Aycliffe Musical Theatre presentation of "HMS Pinafore" at Greenfield Arts Centre - and what a performance they gave!

We enjoyed a couple of hours of pure quality live entertainment that was second to none. This talented and dedicated local group were every bit as entertaining as the professional D'Oyly Carte Company whom I have seen on several occasions

Their entire production was simply marvellous from every aspect: performers, musicians, costumes, scenery, backstage and front of house, even free refreshments during the interval and all for the tiny cost of £7

per ticket.
This was live theatre at its very best on our own doorstep and I will be joining my family and friends for the next production on 30/31st October an Old Tyme Music Hall. Take my advice, buy yourself a ticket and enjoy some live entertainment - you will not be disappointed.

My sincere thanks to all involved for a super memorable

evening.
Margaret Carnaffin.

RESIDENTS

Durham County Council has outlined its commitment to providing the best possible service to customers.

The authority's new Customer First Strategy states how the council intends to improve and build upon existing services in order to make them as modern, efficient and effective as possible.

The document, which was discussed by the council's Cabinet on Tuesday, 29 June, looks at a wide range of issues that affect residents experience when contacting the council.

CIIr Brian Stephens, Durham County Council's Cabinet member for Neighbourhoods and Local Partnerships, said: "We want to put the customer first – at the heart of everything

"However, customer expectations about how they can access services are changing and there is an increasing demand for faster, easier contact at a time and a place that is convenient to

"This document reflects our commitment to ensuring we continue to review, update and build on our existing services in order to meet these changing demands and keep the customer at the forefront of our work."

The strategy identifies the following five themes, which will form the basis of work to build on existing services

• Customer insight – understanding and identifying customers and consulting with them in a meaningful way will ensure services meet the needs of residents

 Organisational culture the concept of 'putting the customer first' must be at the heart of all work carried out by the council.

 Information and access – all members of the public should have equal access to services and as many enquiries as possible should be dealt with in a single contact.

• Delivery – every effort must be made to 'get it right first time' and customers should be kept informed as to how a matter is dealt with. Comments and suggestions should be encouraged, with the authority responding to feedback and monitoring complaints.

• Quality of service – customers should be informed of target response times for all services and success in meeting these targets must be monitored.

A delivery plans has been developed to accompany the strategy and, in the near future, a customer charter and set of service standards will also be launched, with the aim of ensuring consistency of service for customers.

UP A TREAT

On Tuesday 22nd June Kasia, a chef came into St. Joseph's RCVA Primary School to teach the children a bit about healthy eating and to let them try out their cooking skills.

Her recipes were based around using more fruit and vegetables and many of the children got to help make, salad and dressing, burgers, smoothies and a vegetable tagine.

Kasia had the children enthralled for most of the day and

incorporated story telling and getting the children to do some exercises into her busy cooking schedule. The children helped and joined in when asked and everyone wanted to be a volunteer when

Everyone learned that it is good to try something new everyday and that your taste buds change as you get older so you like different foods. We were amazed to learn that just one teaspoon of tomato puree can count as one of your portions of fruit and veg a day.

EXPO CHEF COOKS | Celebrating World Cup

On Friday 18th June, St. Joseph's school celebrated the start of the World Cup with their own tournament. Year 6 ran an event which tested all the children on their fitness and football skills. Everyone came dressed in football kits and sports gear and raised over £50 for school funds.

Children from each class were given a team to represent and everyone scored points for their teams. Year 6 got the children to run, jump, throw, catch and dribble with the ball. Everyone had a go at penalties and the older children did headers and

keep – ups.
At the end of the day Year 6 added up the points for each team using a spread sheet and we had an assembly to present

certificates and prizes.
The results were Holland 3rd place, England 2nd place and this year's winners were Brazil.

AYCLIFFE SWOOP FOR STRIKER

Newton Aycliffe have signed prolific Northern League striker Warren Byrne from Shildon for the 2010-11 season. The 27-year-old forward has signed for his hometown team after a number of years in the Northern League first division and the Unibond League with Bishop Auckland and Gateshead.

Byrne, a former Byerley Park and Greenfield student, brings a scoring reputation with him to Moore Lane Park after helping the club win promotion to the Northern League a year ago. While registered for Shildon in the first division, the former

Boro youth team player scored eight goals in Aycliffe's final five games of the 2008-09 season to help them clinch the Wearside League title.

"The simple aim next season is to improve on our ninth-placed finish last year and we'd be over the moon if we could achieve that "

Byrne said: "I've always wanted by the said: I he always wanted to see my hometown team do well and, being an Aycliffe lad, it's great to be signing for them. I'm looking forward to the new season. I want to do well and hopefully it'll be a good season

for us."
Byrne is hoping to be fit for Aycliffe's second pre-season friendly at home to Bishop Auckland this Saturday (July 10). Kick-off is 3pm at Moore Lane Park, and admission is £4 adults and £2 concessions. www.newtonaycliffefc.co.uk

COUNTY CRIME DOWN 11%

Crime in County Durham fell by 11 per cent during 2009/10 and was below the national and regional average.

The figures are included in a review of the Safe Durham Partnership's work to tackle crime and disorder during its first year.

The report, which was discussed by members of **Durham County Council's** Cabinet when they met on Tuesday, 29 June, also highlights the partnership's success in tackling specific issues.

The year saw an 18 per cent reduction in criminal damage, a 13 per cent drop in house burglaries and a 10 per cent fall in assaults with less serious injury.

In addition, during 2009/2010 the partnership also helped reduce serious acquisitive crime, including burglary, theft and theft from vehicles, by seven per Rachael Shimmin, Durham County Council's Corporate Director for Adults, Wellbeing and Health, said: "The Safe Durham Partnership brought together six former districtbased partnerships following the formation of the unitary authority in April 2009.

Joining This Club Changed My Life

New Friends New Places meet every Tuesday 2pm at the Navy Club, Burnhill Way for Line Dancing, Armchair Aerobics, Speakers on different subjects, Mystery tours with J.C Coaches every month, Day trips etc.

Most popular of all is the opportunity to meet new friends. Nine members have just returned from a very successful holiday in the Isle of Wight. The bus driver on their coach and the hotel manager at their hotel thanked them all for their wonderful sense of humour, livening up everyone's holidays and being a pleasure to meet.

Some of our ladies attended The Mayors 'At Home' and had a wonderful time. We are going on a Tyne Cruise and a trip to see the Tall Ships. Six of our members are going to Germany in September to visit a similar group and exchange views. Starting next week we are

visiting nursing homes in our area to entertain the residents with groups of 8/9 people. We are also going to have a Senior Meeting group once a month where people who do not want to join our group can come and have a cup of tea and discuss their problems regarding benefits etc. with professional people from Welfare Rights and Home Safety attending.

Today we had a raffle for the residents fund at Lindisfarne Nursing home and raised £29. Most of the people who have joined our club had never met each other and they all say how much the club has changed their lives. We welcome new members and further is available from Dorothy on 308094.

FOOD SAFETY ONLINE

Consumers can now access information online about the food safety performance of restaurants, cafes and takeaways across County Durham.

Durham County Council

launched its 'scores on the doors' scheme this week which promotes food safety awareness. From July 2, residents will be

able to check the details of local food businesses on a national website. Research, based on information from other local authorities already operating the scheme, shows publishing this information also encourages local businesses to improve

their hygiene standards.
Joanne Waller, head of environment, health and consumer protection for Durham County Council, said. "We will eventually score over 4.000 food businesses in the

area, and publish the results of the inspections on the national website

"Five stars demonstrate excellent levels of compliance with food safety legislation, and no stars indicate that considerable improvements are still required of the business.

"It is reassuring to see that over 80 per cent of the businesses included in the scheme are achieving ratings of at least two stars, which represents basic compliance with food legislation."

Cabinet member for strategic environment, Cllr Bob Young, said: "Many councils across the UK have recognised the value of this scheme, and I am really pleased that we have signed up.

online is a great idea because it's an easy way for consumers to make decisions about where they choose to eat locally."

Businesses scoring three, four or five stars, following their most recent assessment, will be awarded with a certificate, and encouraged to display it at their premises.
One five star winner is the

catering business at Durham's University Hospital North
Durham. Operations Manager
for Balfour Beatty Workplace,
Terry Brymer said: "The ratings
inspections help us progress with continuous improvements. We are delighted to receive our five star rating. It demonstrates we are providing a safe service for customers and patients and that's what we are here for."

Cricket **Scoreboard**

Newton Aycliffe's first team were disappointingly defeated again, this time at home to Wearmouth in the top division of the Noth East Durham of the Noth East Durham league. Batting first, Aycliffe scored what should have been a winning score of 217 for 9 in their 45 overs with captain Chris Palmer top scoring with an excellent 71, Michael Howe with 29 and Sean Morgan 27 not out

In reply Aycliffe's David Turgoose bowled well taking 4 for 34 from his 12 overs, but the visitors still reached their improbable target with 3 wickets and 12 balls in hand.

The club's second team had a tough 3 wicket win in their third divison match away at Belmont. The homeside were asked to bat first and found the young Aycliffe bowling attack in good form. 15 year olds Dan Weldon and Sam Telford bowled superby taking 3 for 23 and 2 for 13 respectively to help dismiss the home side for

I am tired of this nation worrying about whether we are offending some individual or their culture. Since the terrorist attacks on Bali, we have experienced a surge in patriotism by the majority of

Australians. 'This culture has been developed over two centuries of struggles, trials and victories by millions of men and women

who have sought freedom' 'We speak mainly ENGLISH, not Spanish, Lebanese, Arabic, Chinese, Japanese, Russian, or any other language. Therefore, you wish to become part of our society . Learn the

language!'
'Most Australians believe in God. This is not some Christian. right wing, political push, but a fact, because Christian men and women, on Christian principles, founded this nation, and this is clearly documented. It is certainly appropriate to display it on the walls of our

If God offends you, then I suggest you consider another part of the world as your new home, because God is part of our culture."

'We will accept your beliefs. and will not question why.

All we ask is that you accept
ours, and live in harmony and peaceful enjoyment with us.

'This is OUR COUNTRY, OUR LAND, and OUR LIFESTYLE, and we will allow you every opportunity to enjoy all this. But once you are enjuyan inis. But once you are done complaining, whining, and griping about Our Flag, Our Pledge, Our Christian beliefs, or Our Way of Life, I highly encourage you take advantage of one other great Australian freedom, 'THE RIGHT TO LEAVE'.'

'If you aren't happy here then LEAVE. We didn't force you to come here. You asked to be here. So accept the country YOU accepted.'

Muslims who want to live under Islamic Sharia law were told to get out of Australia. Rudd also angered some Australian Muslims by saying he supported spy agencies monitoring the nation's mosques to counter terrorism.

I would be interested what Newtonians think.

Labour Group Vote to Close Shafto House

Dear Sir

Although it may not come as a shock or surprise to all your very concerned readers who were fighting desperately to keep Shafto House open, Durham, Labour County Councillors held a group meeting to discuss the closure of Shafto House and other care homes. At this meeting, which, 43 County Councillors attended, a vote was taken on the proposed closures. The outcome was 33 voted for closures, including councillors from Newton Aycliffe Mike Dixon, Enid Paylor, Joan Grav and Dorothy Bowman. 10 voted not to close the homes. including John Moran from Newton Aycliffe. There was 1 abstention from Sarah Iveson. The Cabinet will make the final decision later this month.

There will be a meeting at County Hall which includes the rest of the Council members, Liberal Democrat, Independent, and Conservative members, however logic and past experience leads us to believe there will be a Labour whip on all of its members at

this meeting.
The feelings we have of this disgraceful Labour dominated Council are probably no greater than those of the residents of Shafto House and their families and our thoughts and support are with them

We are also concerned that the human rights of the residents have not been taken into consideration when setting down the path of closing Shafto House.

WIN WORLD CUP BALL AT LIBRARY

England may be out of the World Cup but football fans could still be celebrating victory this month.

Libraries in County Durham are offering visitors the chance to win one of 10 replica footballs worth £79.99

To be entered into the draw, lenders simply need to borrow one book from the HealthZone

section of their local library. HealthZones are located within libraries across the county, offering books and information on subjects ranging from diet and fitness to specialist medical conditions.

Visitors can also find out more about physical exercise, food and nutrition, diet and issues such as alcohol awareness and giving up smoking.

The competition closes on Sunday, 11 July. Winners will be notified as soon as possible.

18 Finals & 9 Medals for Town Swimmers

Three swimmers from Sedgefield 75 Swimming Club recently returned from the North
Eastern Regional Swimming
Championships in Sheffield.
The club were celebrating after
the swimmers made a total of 18 finals between them and came away with 9 medals.

The three swimmers had been training hard for the competition and all their hard work paid off. Matthew Bradley (12) came away with 2 gold medals in the 100m breaststroke and 200m backstroke, two silver medals in the 200m breaststroke and 100m backstroke and a bronze medal in the 200m Individual

Medley. Sam Dixon (12) won four medals at the championships, gold in the 100m butterfly and bronze in the 400m freestyle, 100m butterfly and 400m Individual Medley. Hannah Featherstone (11) made five finals and narrowly missed out on a medal in the 100m freestyle where she finished in

fourth place.

Matthew is now preparing for
the British National Age Group
Championships which will be
held at the end of July. Philip Hodgson is representing the club at the National Youth Championships and Caroline Saxby will be swimming at the Open Age Group championships which will be held at Sunderland in August.

Run & Raffle for Charity

Nathan Abbot General Manager of the DL5 Pub in the town centre is once again on the Great North Run to raise cash for charity which this year is Help for Heroes. He is also organising a raffle for a 32" LCD TV. The draw is on 1st August at 6pm. Tickets cost £1.00 each and all money raised will go to the charity. Last year Nathan raised £513 for Barnado's and he hopes to break that record this year. He thanks everyone for their support.
