## NEWTON NEWS VEHICLE NOTICE EXTENDED SUCCESSFUL POLICE CAMPAIGN

Operation WHITACRE has been deemed a success during the few short weeks since its inception. Designed as a response to a rise in thefts of alloy wheels from Ford Focus vehicles in Newton Aycliffe an initiative was devised to raise awareness of the problem within the community promote crime prevention 'focusing' on vehicle security.

Since it was set up there have been no further crimes of this type in the town although other areas have experienced crimes of a similar nature.

The Operation, sponsored by Newton Press who designed and printed cards to be placed within vehicles have acted as a deterrent to would-be-thieves alerting them to the fact that nothing of value was kept in the car. The cards were initially rolled out across the Aycliffe area distributed by Officers from the Neighbourhood Policing Team. The cards will continue to be distributed at previous pick-up points.

Neighbouring Police areas have looked to the response Newton Aycliffe NPT have received and the cards are now being circulated across the whole of the South Durham area. They are now available from all front counters at each of the five main Police Stations in the area.

Sgt Mark Edwards said: "The objective of Operation WHITACRE was to raise awareness that Aycliffe was experiencing this type of crime and to encourage vehicle owners to take extra precautions when leaving their cars parked up, whether overnight or otherwise.

The message on the cards was designed to be simple but specific - remove all valuables and items that could be used against you in order to assist offenders. I have seen a big demand for them which I believe demonstrates the success of

WHITACRE. "I would like to thank those people who have provided the Neighbourhood Policing Team (NPT) with valuable information as a result of our awareness campaign via our sponsors Newton News. Lines of enquiry

have been identified leading to other investigative routes which we are progressing. I ask that members of the community continue to contact us with information either directly to the NPT or via CrimeStoppers on 0800 555 111."

## ST. JOHN'S SCHOOL VISIT XCEL CENTRE

The whole of Year 7 from St John's Catholic School and Sixth Form Centre enjoyed a fantastic retreat day held at the Xcel Centre in Newton Aycliffe on Tuesday 19th October. Prepared and delivered by staff from school, the theme of the day was 'Step up to Life' and formed part of the school's preparation for a mission to be held in school in early February 2011. The students explored their own gifts and talents in a variety of workshops and identified ways in which they as individuals and as members of Year 7 can 'Step up to Life' In one workshop they created flags and candle holders to be used by their tutor groups as a reminder of the day and in another made calendars and Christmas cards to be sent to the school in Peru visited annually by Sixth Form Students. It was the school's first visit to Xcel and students and

staff were impressed with the excellent facilities and great hospitality extended. The school looks forward to further visits from other Year groups later in the year

### The Cubby Refurbishment

Dear Sir,  
 May I thank Aycliffe Cleaners who came to the rescue of "The Cubby" recently, at short notice after being let down by another company in the area who promised to return and complete his work after being paid. His work was very unsatisfactory and he will not be used again. Since being involved with the refurbishment I now have a list on our notice board of excellent firms who provide a professional job and are very reliable.  
 Bill Blenkinsopp, Chairman

## Home Closures - Who Voted for What?

Dear Sir,  
 Your correspondent Mr Peter Dryden's views are wrong. He gives the impression that the Labour Group on the County Council sat in a conclave and made the decision on the closure of the council homes without involving anyone else. He does not seem to realise that every councillor had the opportunity to have their say. Everyone including Tories, Independents and Lib Dems, supported the proposal. All of them.  
 No one on the Scrutiny Committee, and that includes all councillors not on the cabinet, voted against the proposal or asked for the decision to be "called in". Who is he now advocating people should vote for in the next election.  
 If they choose another Independent, how will anyone find out how they would have voted. In effect every single councillor of every party supported the proposal.  
 Does Mr Dryden not wonder why 126 councillors from every part of the county and every party supported the proposal to close the homes however reluctantly. After spending years trying to find an alternative solution it is obvious that they all realised that there was no alternative.

## AYCLIFFE FIRM WINS QUAKERS GOLF COMPETITION

Aycliffe-based firm Tyne Tees Crushing won Darlington FC's corporate golf competition this week. Quakers striker Chris Senior helped inspire the four-balls team to victory at Wynyard on Wednesday. Eight first team players took to the beautiful course near Stockton on their day off, alongside former Quakers players Kevin Stonehouse, Neil Maddison and Craig Hignett. Chairman Raj Singh also took part, as well as boss Mark Cooper, his assistant Richard Dryden and a number of former Boro players. Danny Hone, Gareth Waite, Ian Miller, Joe Clarke, Tommy Wright, Josh Gray, Chris Moore and Chris Senior were the

current players taking part, along with kit man Andrew Thompson. But it was Senior's team, sponsored by Tyne Tees Crushing, who romped to victory thanks to impressive rounds by Andrew Verity, Peter Smith and Eric Carr. Neil Maddison's team (sponsored by Simpson, Coulson and Leas) came second and Kevin Stonehouse's team (sponsored by another Aycliffe firm, John Upex) finished third. There was 18 teams taking part in the competition, which began with a shotgun tee-off at Wynyard, as a corporate fundraising event by the club. "It was a tremendous success," said Quakers managing director Graham

Fordy. "It's been a worthwhile and profitable event for the club, but more importantly it has enabled some of our corporate supporters to get involved with the club and feel part of it. "Everyone has thoroughly enjoyed themselves and it's safe to say this will become a regular event." A full report with all the scores and pictures are on Darlington's official website, www.darlington-fc.net

## DUPLICATION OF NEWS

Dear Sir,  
Why do we read the same items of news in two local newspapers? It is a waste of space and irritating to the reader. Newton News has been around for a long time and is doing a good job without your efforts being duplicated. I didn't think there was enough profit in the newspaper business to warrant a new one starting up? Competition is a good thing in some cases, but I cannot see the reason in this instance. Mrs. D. B.  
*Ed: There is nothing we can do about competition and we regret any annoyance to readers, but we can only continue what we have been doing so successfully for nearly 50 years. We will contact our regular contributors to request they do not send the same copy to both newspapers.*

## Lib Dems West Ward By-Election Candidate

Local campaigner Janine Mawson has been chosen by the Liberal Democrats to fight the Aycliffe West Ward by-election on October 28th. Janine was born in West Ward and, if elected, is determined to work hard to represent the interests of local residents. Janine is 38, and has been a member of the party for 20 years and has campaigned on many local issues, one being to try and stop the closure of Shafto House.

She has recently been elected to be a parent-governor at her daughter's school. She passionately believes that all children deserve the best education. Janine works hard to help her school achieve the highest standards possible. Janine says, "I am a great believer in giving something back to the community. For a number of years I have raised money for charitable organisations, including Cancer Research and the Great North Air Ambulance. This year I did the Great North Run and raised over £700 for the Alzheimer's

Society as my uncle, who also has Downes Syndrome, was diagnosed with the disease two years ago." There have been many responses to the Focus sent out to West Ward residents and Janine has been looking into many of them. She says "The residents of the West Ward are very proud of where they live but they want it to be better, I have been listening to what they have had to say and I am currently pursuing solutions to their concerns. If I am elected I will continue to be a voice of residents in the West Ward"

## CRAFT & GIFT FAIR

Local people are invited to a free Craft and Gift Fair in aid of Diabetes UK, being held at the Pioneering Care Centre, Newton Aycliffe on Wednesday 3rd November from 12-4pm.

Diabetes UK regional volunteer, Catherine Taylor, is helping to raise much needed funds for the charity by organising the Fair. Catherine, a student at Durham University, has a family history of diabetes and knows how important the support offered by the charity can be for people with diabetes and their families.

Catherine said: "We are expecting the event to be a great success. We have attracted a wide range of stall holders to the fair and it will be a perfect opportunity for local people to purchase some unique and locally produced items. It will also be an ideal chance to do some Christmas shopping!" Ann Rowe, Regional Fundraising Manager, who is supporting Catherine in her volunteering role added: "Coming along to the event is a great way for local residents to support the 115,000 people diagnosed with diabetes living in the North East."

One person is diagnosed with diabetes every three minutes in the UK and three people die from its complications every hour. Funds raised are used to support research into finding a cure and help improve the lives of 2.6 million people currently living with the condition in the UK.

The Pioneering Care Centre is run by local charity PCP and helps people of all ages and abilities improve their health, wellbeing and quality of life. The Centre is based on Carer's Way, beside Cobblers Hall Village Shops and offers a variety of classes and courses, as well

as therapies and treatments. Also housed within the Centre is a hydrotherapy pool, which is open to the public and a coffee shop. For further information on the Craft and Gift Fair, contact Diabetes UK Northern and Yorkshire office by emailing northyorks@diabetes.org.uk or telephoning 01325 488606. ## Vane Road Students on Litter Pick

When my class went into assembly on Wednesday 6th October 2010, I thought "What are those two ladies and that furry mascot doing here?" They told us about litter, how it harms wildlife and how it is a hazard. Next

they asked us to do a poster about litter. After that, they told us that the fine was £80.

The ladies came to our classroom and told us what to do. Next they gave the equipment out which was pink gloves, litter pickers, high visibility jackets and bin bags. After that we went in pairs, boys and girls because the girls weren't wearing suitable shoes. I was with Christopher, he had the litter picker and I had the bin bag. We got a lot of litter, then we swapped so he had the bin bag and I had the litter picker.

I think they should make the fine higher, a bit like £150 Jackson Cooper Year 4

Of particular concern to the planning consultants has been detailed analysis of the local natural environment and the resultant scheme not only offers considerable investment in landscaping but also new sustainable drainage measures that should prevent the frequent closures of the course which have occurred in the past. Should the scheme be granted outline and later detailed planning permissions, construction work could commence in Autumn 2011.

A public consultation is being held on Friday 22 and Saturday 23 October to view Washington Developments' £17.5m proposals for the redevelopment and improvement of Woodham Golf and Country Club. Subject to the community consultation and planning approval, the company is proposing a £17.5m mixed-use development which would include improvements to the golf course, the construction of 50 executive family homes, a 75 bed, four star hotel with conference and spa facilities and extensive landscaping amongst which would be the re-establishment of Woodham Bridleway and new community footpaths. The proposals, which have been developed in conjunction with Ryder Architects and Nathaniel Lichfield and Partners planning consultants, could create up to 300 initial construction jobs, secure the golf club's future and its 30 existing jobs with a further 90 permanent jobs at the hotel. Additionally, it is estimated that the new residents would spend some £736,000 per year in the

local economy. Jamie Murphy, Group Director at Washington Developments, commented. "Woodham is an excellent golf course in a superb location but would benefit from investment both to the clubhouse and the grounds. Our proposal seeks to create a top class leisure facility which will be a part of the local community. There is no reason why an improved course here shouldn't attract high profile tournaments in the future without losing its community base. The new housing and hotel complex will not only secure the course's future viability but also generate additional income for the local economy." "The consultation on Friday and Saturday is to present our proposals and receive the community's feedback on them so I hope as many people as possible come to see them as

it's their opportunity to shape the future of their community. We're very keen to work with the local community and our development team will be on hand to explain the proposals and listen to comments and feedback." Washington Developments' original 2007 plan, which proposed 148 new homes, a 120 bed hotel and the reconfiguration of the Golf Course, has not yet been determined after Council concerns over the scale of the development and its effect on the local community. As Jamie Murphy explained, "We have taken on board everything the Council officers told us and have spent the intervening period working closely with our planners and architects to come up with a scheme that, hopefully, answers those initial concerns to produce a superb development."

## In Memoriam

### Ralph McNellie

*Died 24th October 2009*

I remember the day I met you, and the day God made you mine. I remember the day I lost you, and will till the end of time. But among my tears and heartache there's one thing makes me glad, that you chose me to share with you those precious years we had. Love you always, Your loving Wife Hazel. TWMA xxxx God Bless

### Ralph McNellie

### RAYMOND COOK

Our Dad, Our Grandad. A year has passed and there is not a day goes by that we all don't miss you. Since you were taken from us there have been so many occasions where we wanted you there, where we know you would have been there. Then we stop and think, you are there, watching over us, guiding us and always in our hearts and thoughts. We miss: your love and caring; your dry sense of humour; your words of wisdom; everything about you we miss. You were the ultimate family man, a man that we are all so proud of. Our Dad, Our Grandad. Love, Garry, Diane, Angie, Liam, Carl and Ashleigh

# Aycliffe F.C. Thank Fans for Support

Chairman Gary Farley has thanked the club's fans for showing their support with a fantastic crowd last week. Over 250 people turned out for Aycliffe's 3-2 win at home to Northallerton Town last Saturday which saw them go a point clear at the top of the Northern League second division. "I've said before that large attendances help to inspire the players," said Aycliffe's chairman/assistant manager. "Our attendances dipped slightly in our previous two games but our results and performances in September weren't up to the standards we set at the start of the season. It looks like we're well and truly through that bad patch with a six-game unbeaten run which puts us top of the league and by playing decent football. We'd like to thank our supporters for their continued support and look forward to seeing them all back for home games throughout the season." Aycliffe are due to go to neighbours Darlington RA this Friday night, then they

entertain Team Northumbria at Moore Lane Park next Saturday. Aycliffe went top with a hard-fought win against Northallerton last week thanks to goals by Fred Woodhouse, Warren Byrne and Josh Knox. Darren Ablewhite, deputising for the absent Scott Pocklington, kept Neil Tarrant at bay in the 27th minute before Aycliffe took the lead in the 35th minute, with Woodhouse slotting in Paul Broom's right-sided cross. Northallerton's Stuart Hardy saw his shot come back off the post and crossbar as the visitors pressured, but Byrne doubled Aycliffe's lead with his 12th goal of the season in first-half injury-time with a clinical, 20-yard finish. Northallerton pulled a goal back shortly before the hour-

mark though substitute Darren Mowbray, brother of Boro legend and former West Brom and Celtic boss Tony. But young midfielder Knox made it three in the 65th minute with a left-footed drive from 12 yards. Northallerton weren't finished, though, and a 70th-minute goal by Hardy almost ensured a dramatic finale. But Aycliffe dominated the remainder of the game and should have made the three points easier with a string of chances, Byrne and Elliot Gardner both hitting the woodwork. Team: Ablewhite, Tarling, Campbell (Davies), Tinkler, Beckett, Peck, Broom (Mellanby), Knox, Gardner, Byrne, Woodhouse (Owen). Unused: McMullen, Mickie.

## Campbell Wins Junior Title for Pheonix Club

The newest champion to be added to the Phoenix list is 9 year old Campbell Gowland who travelled to Wigan on October 10th to fight for the Northern Area Junior Title. Like most junior fights it was fought at a fast pace but with speed you may lose technique, but not for the young Phoenix fighter. Campbell fought a hard 5 rounds to take a unanimous points victory. Pictured with Campbell are

Reece McAllister and Anth Shelton who both fought on October 17th. Anth got to the final of a 4 man tournament by winning the first fight by KO in the 3rd round but was beaten in the final on points. Reece was representing England again in an International fight against an opponent from Holland. The fight started at a frantic pace by the Dutch fighter, but Reece controlled the fight giving his opponent 2 standing counts in the 1st round. In the 2nd round Reece brought the fight to an end by stopping his opponent. Reece and Anth both flew out to Thailand on the 19th where they will train and fight until the 30th December. Lorraine Moore, Anne and Brian Smith are supporting the Phoenix fighters by financially assisting them on their trip, through the Lee Smith Trust

# Greenfield Recognised at National Conference

Mr Priestley, Headteacher at Greenfield School, Community & Arts College travelled to London on Friday October 15th to celebrate the schools achievements over the last year as a National School of Creativity. In addition to Greenfield's record results at GCSE this year it has been an exceptional year in terms of creative educational projects including leading the Sedgfield Local Children's Board commission of "Check it Out" an interactive installation which toured the locality over the summer. The conference celebrated the achievements over the last year and shared best practice for the coming year. Greenfields consistent success at supporting pupils to achieve 3 or more A\* - A\* grades is a particular strength on which to build.
