TOWN CENTRE TOILETS

Dear Syd,
Just to keep you informed about toilet provision in Ferryhill. Your correspondent needs to understand that Newton Aycliffe Town Centre is not owned by the Council and as they do not own any land in the Town Centre, it is the responsibility of the owners to provide toilets. Ferryhill Town Council on the other hand does own the land on which their toilets stand. The capital costs of the Ferryhill toilets came from local Councillors who are all given a sum of money to spend on projects in their ward. The toilets were identified as a need by local people so the

LETTER

Councillors chipped in their allocation of cash. Sedgefield Borough Council design team did the work in consultation with Ferryhill Town Council who agreed the revenue cost to maintain them. The design costs also came out of the Councillors' fund. The running cost will be funded by two kiosks on each end run by Ferryhill Town Council. I hope this clarifies the issue once and for all and if you want toilets in the Town Centre then you need to be talking with the owners, Freshwater. Vince Crosby

Town's Eco Centre Opened at Moore Lane Park

To launch the opening of the new Eco Centre at Moore Lane, Great Aycliffe Town Council organised a public Open Day at the centre on Saturday 4th April with the assistance of Greenfield Art College.

Activities during the fun packed afternoon for families included helping local professional artists to make a giant spider out of recycled material; once the spider was created the friendly creature decided he would make Moore Lane his new home and will greet any children who come to visit in the future!

Other activities included wildlife model and mask making and a nature trail around the surrounding area. A local junk band brought along all their recycled instruments and worked with local children to entertain the crowds with their own brand of tub thumpingly good music.

Towards the end of the event the town's Mayor Councillor George Gray officially opened the centre which will be open to the public for organised countryside events and school groups. Environment Officer, Steve Cooper said "The event went very well, there was a cold wind and we were not sure how many people would

come along but by the end of the event well over 200 people had come to take part. I think that was a great turnout for a new venture". He continued "We had a suggestions box available, every comment was very positive about the event and the centre, several people suggested different types of events they'd like to see run from the centre in the future, we hope to act upon some of these in the coming

weeks. Events will always be advertised in the local newspapers and on the public notice boards around the town". We went on to thank everyone who had contributed to the day and the development of the centre. Anyone wishing to join the mailing list for upcoming countryside events can contact Steve on 01325 300700 alternatively e-mail him on steven.cooper@great-aycliffe.gov.uk.

LEONARDS ELECTRICAL OFFER UNBEATABLE DEALS AND SERVICE

Leonard's Electricals in the town centre have served the town's residents for many years with continued success. The company, which includes five electrical stores in the area has been trading for 40 years, giving a first class service to all their customers.

The Newton Aycliffe store has built up a good reputation for very competitive prices, highly trained, friendly staff with excellent product knowledge and a rapid delivery service, within 24 hours, which is free to the local area.

The new range of Panasonic Televisions, DVD recorders, Blu-ray and cameras and camcorders are in store in glorious High Definition. Only Panasonic has High Definition built in to their televisions to give you a viewing experience that is exceptional. Moira, the store manager, along with Simone and Michael the sales advisers, will take you through any concerns or confusion you may have about purchasing a new television and make the whole process really easy and informative.

Moira says, "There can be some confusion over which television is better than the other, or what the different features are etc., and it can seem a bit of a minefield, but that is why we are here to help guide our customers by asking their needs and tailoring the purchase accordingly whether it is a High Definition TV or a washing machine."

Leonard's prides itself on quality service and quality top brand names, and can beat off any stiff competition on price and delivery service by offering fantastic package deals if that is required, and the lowest price available on

all products in stock. We can offer a morning or an afternoon delivery of goods to suit you on the day you require and also deliver on Saturdays.

Fantastic deals currently on promotion in store feature a 42" LCD TV with a Blu-ray DVD player and a FREE 19" LCD TV all for £899.99 with FREE installation and delivery in the local area.

Demonstrations are given daily, with the staff taking potential customers through the functions of most products before they buy, a service which in most other large companies is sadly missing in today's "serve yourself" shopping experience.

We at Leonard's maintain old fashioned values and want to make your visit as pleasant as possible and more importantly, have you leave the store confident in the product that you have purchased. Customers from all over the area from Richmond in Yorkshire, to Durham and beyond have high regard for the value of Leonard's in Newton Aycliffe and buy in the knowledge that they have received the best possible advice and the best prices. Leonard's are open all weekdays except Sunday and Wednesday afternoons, and you will be assured of a warm welcome when you visit the store.

MORE FANS BRING PROBLEM FOR TOWN TEAM

The success of the Town's Football Club and its new floodlit ground has brought problems of car parking to neighbours, the Moore Lane Park and the new Eco Centre.

On match days the improved numbers through the gate has brought Moore Lane to a standstill with obvious inconvenience to residents and danger to children visiting other attractions nearby.

Neighbours are happy for the club, who have recently received grand new floodlit football facilities and who are about to be promoted to the Northern League, but are fearful the new found success will make their lives a misery when the team plays at home. It is inconceivable that with all the money pumped into the improved facilities the planners failed to recognise the need for extra car parking. There are limited spaces at the premises and visitors to the Sports Club are already using the nearby park for car parking.

The Football Club realise they will have a bigger problem if they get promotion as it will bring an even larger number of spectators to Newton Aycliffe. Residents are already preparing for a battle and have contacted the Town Residents Association and the Council for help.

No one wants to deter the splendid support the team are getting, and we appeal to those travelling by car to ensure they are not upsetting neighbours of the club by parking irresponsibly. Please look for empty uncongested

areas nearby to park your car and walk to the ground.

Club chairman Gary Farley said: "The crowds we've attracted in the first four games at Moore Lane Park have exceeded our expectations and caused some obvious parking problems in the surrounding residential areas.

From our point of view it's a problem we certainly didn't expect, but in a way it's nice to have this kind of problem because the kind of crowds we're getting is clearly proving the town not only deserves a football club, but wants one. Having said that, we probably experienced inflated numbers over the Easter holiday period, which we don't expect to be repeated in the coming weeks, but we recognise the problems that come with large numbers, and the safety of people is paramount. If large crowds continue we acknowledge we need to address the problems. This is all new to everyone and we're learning with every game, and we would be only too happy to discuss these issues with local residents."

BOGUS BANK CALLS

Dear Sir,
Recently a resident received a 'cold' telephone call from a company reputed to be Barclays Credit Management. The caller, who gave his name, said that Barclays had overcharged her £270 which was to be refunded into her bank account. During the telephone conversation the amount was increased to £320 which was said to include £49.99 for handling charges. The caller quoted the numbers of her Visa card, its date of expiry and the three security digits on the reverse side of the card and asked for her password.

The receiver of the call was particularly upset to have a complete stranger ring her and be in possession of her credit card details. A second telephone call was received later which was unsolicited. This incident has been reported to Barclays Bank and the Police.

Barclays have no record of the caller. The Police have interviewed the receiver and expressed their concern. They are investigating and have planned to return for a second interview.

Whilst it might have been prudent to wait until after the Police investigation before issuing this warning, we feel that if these calls do relate to criminal activity it is best to for warn as many people as possible - just in case.

We would remind everyone that the pleasant caller on the end of the line may not be who he/she says they are and whilst there are agencies who do charge £49.99 for these kinds of services please remember that Barclays and other financial institutions do not conduct business over the telephone in this manner.

Overall it is best not to disclose any information to anyone over the telephone or a computer link.

New Post for Greenfield Dance Teacher

Mrs Dixon, Subject leader for Dance at Greenfield School Community and Arts College, last week became the country's first School Dance Coordinator as part of the Youth Dance England initiative to enhance the profile and quality of dance in our schools. In partnership with Durham County Council's Education Development Service and in particular the Physical Education & Sport Development team, Mrs Dixon will begin her new post as School Dance Coordinator on April 1st.

During her time at Greenfield School Mrs Dixon has helped produced eight major, original musicals and guided students through a range of examination forms including GNVQ, GCSE and Btec. Her teaching reputation has travelled wide with QCA asking for a performance from Greenfield pupils to demonstrate 'high quality' Dance in schools. Recently Greenfield has also performed at Northern Stage when invited by The Arts Council to demonstrate the quality and creativity of work.

Also, Mrs Dixon plays a prominent role within community Dance, leading much of the primary school extra curricular and curricular programme. She has also been involved with adult learning and Sports-ability programmes, working with people with a range of expectations and needs and enhancing the opportunity for life long learning.

Geoff Sheldon, Durham's Subject Inspector for Physical Education and Sport added, "Dance is already an integral part of our schools' curriculum and out of school hours' learning programmes. We are delighted to host the country's first School Dance

Coordinator and especially someone of Alison's quality. She has been identified for some time as the person we would want to lead dance across the County and this new initiative has provided us with the perfect opportunity to really drive dance forward, in both schools and the community."

Mrs Dixon is very excited at the prospect of her new post, commenting 'this is a fantastic opportunity to raise the profile of dance in this region, developing the existing framework of support for dance in schools. I look forward to working with Youth Dance England and feel that this is a unique opportunity for young people to become involved in Dance in the area. I feel privileged to be part of a new, national programme and can't wait to get started!

Mr Priestley said that dance is significant as it connects three things that are very important to us: Our curriculum, our community and supporting the issues of the local Children's Board.

This initiative once again sees Greenfield at the cutting edge of national development and represents exciting opportunities for the school.

HAVE A SAY ON HOW NEW UNITARY COUNCIL’S MILLIONS SHOULD BE SPENT

People are being invited to take an active part in the new era of local government beginning in County Durham next month – and have a say on how the new unitary council should spend its billion pound budget. Durham County Council is inviting groups, individuals and organisations to attend the launch events of its Area Action Partnerships – the network of 14 local assemblies created as a key element of the new unitary council’s pledge to give local people more voice and choice in local affairs. The AAPs, which are based at the heart of the main natural communities in County Durham, will go about their business at two levels :- Area Boards of 21 people will be expected to meet every two months to take action on local issues. They will comprise one third elected councillors, one third members of the public and one third representatives of partner organisations - such as health, the police, fire service, community and voluntary groups. Then, twice a year, Area Forums will meet where ‘all comers’ will be able to debate important issues, including what the local priorities should be and to review the Partnership’s progress over the previous 12 months. Each AAP will have a budget of up to £150,000 for local projects. County Council members will also be able to contribute towards

services and projects from their individual Neighbourhood Budgets. Over the next two months, the new unitary County Council will be holding the first round of Area Forum meetings (see attached schedule) at which attendees will have an opportunity to discuss a range of issues, including a suitable name for each Partnership with which local people will identify, and what its priorities should be over the coming year. They will also hear how they can become members of the Area Boards themselves. Durham County Council Leader, Simon Henig, said Area Action Partnerships would be key tools in helping the new unitary council listen to and work closely with local people. “ These inaugural Forum meetings will mark the start of these unique partnerships and represent a tremendous opportunity for local people to have a real and meaningful say on how our services should be delivered,” he added. More than 2,000 people are being specifically invited to the Forum meetings which are also being widely publicised through the media, in the County Council’s newspaper which is delivered to every home in the County, by posters at various locations and on the Council’s website. All residents are welcome to attend. All events run from 6pm – 8pm, following registration and light refreshments at 5.30pm, and to allow for the fact that each venue has a limited capacity, people wanting to attend should book their place by calling 0191 301 8720 or 0191 301 8244.The inaugural Area Forum meetings in Newton Aycliffe is on 21st April.

GREAT SUPPORT FOR TOWN FOOTBALL TEAM

Football fans turned out in force to support the town’s own club chasing promotion to the Northern League. More than 1,000 people visited the new Moore Lane floodlit ground in the first four games over nine days. The £320,000 redeveloped Sports Club was officially opened earlier this month. The bumper crowds helped inspire Aycliffe to claim three league wins, including a vital top-of-the-table clash and a cup semi-final, which stretched their lead at the top of the Wearside League to five points. 237 turned out for the opening game against Jarrow, a 4-2 win in the semi-final of the Shipowners Cup thanks to goals by Sean Tarling, Liam Cooper, Elliot Gardner and an OG, to set up an exciting final with Teesside Athletic. Over 220 then witnessed the club’s first floodlit game at Moore Lane on Wednesday April 8 – a 2-0 win over Easington Colliery with goals by Chase McMullen and Danny Mellanby. More than 200 were there for Aycliffe’s 3-1 league win over Wolviston last Saturday. Mellanby, John Close, and Andrew Hall scored the goals. The biggest crowd of 372 turned out on Easter Bank Holiday Monday, with Aycliffe hammering title rivals New Marske 5-0 thanks to goals by Mellanby (2), McMullen, Stuart Owen and Roy Allen. Club Chairman Gary Farley said: “We’ve appealed to the people of Newton Aycliffe to support the town’s football

club and we couldn’t have asked for better. “To get over 200 for every game up to now really is fantastic, but to get nearly 400 on Easter Monday was well beyond our expectations. We’d like to thank everyone for their support whcih is hugely appreciated, and I’d ask everyone to come again. We’re doing extremely well on the pitch and every home game is really starting to feel like an occasion, with the town pulling together. We have some ambitious long-term plans which includes new stands to accommodate a bid to join the Northern League and, while

all of that would be subject to planning approval and finishing top of the Wearside league, this kind of support will enable the club to make that big step” said Terry. “We’re now actively seeking perimeter board advertising and other sponsors, as well as organising fundraising events, and everything is starting to come together very quickly. We’re doing things properly to give the town a good football club and it’s getting there, thanks to the support of the townspeople, and the backing of local businesses is also going to be vital if we want to make the next step.”

Five of Aycliffe’s remaining eight league games are at home, with admission £2 (concessions for children). Newton Aycliffe’s remaining fixtures are: Sat April 18: Guisborough Town (Home), 2.30pm Mon April 20: Wolviston (Away), 6.30pm Sat April 25: East Durham Utd (Away), 2.30pm Mon April 27: Teesside Athletic (Home), 7.30pm Weds April 29: Hartlepool FC (Home), 7.30pm Sat May 2: Jarrow (Home), 2.30pm Sat May 9: Teesside Athletic (Away), 2.30pm Sat May 16: Annfield Plain (Home), 2.30pm

Let Down by the SBC Deputy Leader

Dear Sir, The letter from Vince Crosby last week started by saying now that SBC have gone, reporting embargoes have been lifted. He then goes on to set the record straight. During the closing period of Vince Crosby’s deputy leadership of SBC, a million pound plus investment for Newton Aycliffe was swept under the table. I refer to the planned Cobblers Hall investment. Can Vince Crosby give an explanation and set the record straight on this matter? Can he also explain the poor investment by SBC in the infrastructure of Newton Aycliffe (other than heads and walls) compared to other towns in the Borough? The new Public Toilets at Ferryhill are a glaring example. He knew how important this is to the town. Why when he was deputy leader did he not help and also push for a football academy for Newton Aycliffe like the one at Ferryhill? There are now a great many readers of Newton News who found his letter as clear as mud, but they will certainly understand his lack of support for his own town. Talking of which I wrote to the Newton News asking people to press their councillors for a Judicial Review into the transfer of open spaces. My thanks to all those who did that and also to all those who helped in various ways to aid the Great Aycliffe Town Council achieve a great result. Counc. Bill Blenkinsopp

TOWN TESCO SPONSOR N.A.S.C. JUNIOR FC

The management team and staff of NASC Junior FC. have thanked Tesco for their sponsorship in the recent bucket collection which raised £639.03. Allowing the collection means the club can support the increasing number of children that attend and in particular to provide football strips, footballs, training accessories etc. It also reflects the generosity of the people who live in and around Newton Aycliffe. We think that Tesco is a great outlet providing a much needed service to the people of our town. The club hope to continue to attract new members & adult helpers into the club and to continue to instil a sense of belonging in the community as well as encouraging discipline & enjoyment in the young members for their training and football. Anyone who would like to know more about NASC Junior FC can visit the website www.nascjuniorfc.co.uk or contact David Prior (07798 684 988) or Stuart Howe (07970 625 459)

New Blood Needed on the Council

Dear Editor, Well done! to Sedgefield Borough Homes. As a tenant living in Agnew area I have some issues I would like to raise mainly with the Town Councillors and ask why they did not ask the tenants what they thought, after all we voted for the transfer of our houses. One thing we do want is the £100m investment in our homes over the next five years as promised. I believe the promise made by the late Chief Executive Officer of Sedgefield Borough Council and the Leader of SBC in the DVD sent to all tenants within the Borough. Since then we have received a commitment by Bill Waters the Chair of Sedgefield Borough Homes. Counc John Clare, Deputy Leader, used scaremongering techniques trying to get people to turn against this transfer by stating that Sedgefield Borough Homes will build on green and open spaces. I have residents in my area that sit on the new housing board and they have kept us fully informed. Never once has Counc Clare held a surgery in the Agnew, yet he portrays himself as the champion of the people. I would suggest that he gets himself into the community to find out what the people want, not what Town Councillors think they want.

The Town Council is run by old people and we need some new blood and from those who are forward looking, making the right decisions for us. It would also appear as if the Town Council is trying to control another authority and I would bet they don't get away with it with the Durham Unitary Council.

Counc Clare may be a good teacher but he should stop treating the electorate as school kids. He needs to get involved in the community, run surgeries and not try to be a jumped up politician, at a local level. It is about serving the people and not controlling them. Mike Haley Agnew Resident and Tenant

Councillors Allowances

Dear Sir, At a time of change for councils for better cheaper and more accountable services, is it not disgraceful to read that Council members on the Police Authority have voted themselves increased allowances from £4,182 to £8,600 a year? This is in addition to their DCC allowances which will also be increased for 'more responsibility'. All this means higher cost for less representation. At the same time we read Durham Police plan to axe 68 officers and then there are reports of scandalous expenses of M.P.'s. Councillors and M.P.'s are voting themselves larger expenses - More for less? We also read in the very heartland of Labour a Council's focus group stating "all councillors and politicians are a bunch of crooks and wasters and the less of them there are the better" What an indictment! All this amounts to more for less, so what must electors do to ensure our needs and priorities are given the capital interest and not the M.P.'s and Unitary Councillors? It's time to rethink as I believe the tail is wagging the dog. Don Fraser

Teenage Dancer Prepares for Teaching Exams

HIGH ACHIEVEMENT FOR YOUNGSTER

Rebecca Barber

14 year old Rebecca Barber has been attending Lee Green Dance Centre since she was three. She has managed to complete her final exam in Freestyle Dance where she has gained the highest honours. Rebecca has taken all the required IDTA graded medals, which has never before been achieved at such a young age. Rebecca would like to take up dance as part of her career and I am now tutoring her in preparation for the International Dance Teacher's Association exam, which will qualify her as dance teacher at the age of sixteen. She is very talented in all aspects of dance including freestyle, ballet, tap, street, acrobatics, salsa, rock n roll, lyrical, ballroom and latin. Rebecca has performed in many Shows and taken part in numerous nationwide competitions. I am sure Rebecca will excel in her chosen career and, in readiness, has assembled her portfolio of certificates of her dancing ability with great pride. Well done Rebecca! AYCLIFFE SUFFER DEFEAT

Newton Aycliffe Rugby Club travelled to Seaham for a friendly match on a fine sunny day. Both sides were able to field a number of substitutes. Aycliffe started the game well and when Joe Watson fielded a kick and made ground upfield, Andy Newman was on hand to beat the defence and score under the posts. Luke Tinkler added the conversion and then a penalty goal. Seaham came back with a converted try, but good work from the Aycliffe forwards saw Craig Wynn score a try in the corner to give Aycliffe a 15 – 7 lead at the interval. After a number of changes in the pack, Aycliffe took time to settle in the scrums and Seaham capitalised with three converted

tries in quick succession. With Aycliffe back in their stride, but 13 points behind, a try from Tinkler was very welcome. Seaham, however, scored again before the move of the match saw the ball travel through numerous Aycliffe hands fore Chris Wilson to touchdown in the corner. Aycliffe then yet again lost concentration to allow Seaham to score again. A try from Tinkler gave Aycliffe some small hope but the game ended with the score 38 – 30 to the hosts. Newton Aycliffe Rugby Club would like to thank their sponsors Aston Hotels and ServiceForce. More information is available on the website at www.ayclifferrugby.co.uk

RESIDENTS ASSOCIATION SUPPORTS CHANGE OF NAME FOR WARD BOUNDARY

Great Aycliffe Residents Association is supporting a proposal by Committee member Arun Chandran for changes to Ward Boundaries in the town. This is in response to the Boundary Commission’s current consultation process to make changes. The name of the Ward “Shildon East” has no geographical link with Shildon but contains the village of Middridge along with the North West of Newton Aycliffe and it should be re named. It is suggested Shildon East becomes **Aycliffe North West**, more in keeping with the location and affinity of residents to Newton Aycliffe. Middridge residents cannot object since they are not mentioned in “Shildon East” and are closer to Aycliffe than Shildon.

It is also suggested the electorate in Eskdale Place, Langdale Place and Silverdale Place be transferred from Shildon East to Aycliffe West Ward. These streets were always in the West Ward and are geographically placed in the ward whereas they are not geographically placed in Shildon East. Look at a map and see the natural boundary of Burnhill Way and the natural open space boundary of Horndale. Numerically it also helps to transfer the electorate from Shildon East to Aycliffe West making the electorate numbers more even per ward, reducing the disparity.

It leaves Aycliffe East with a disparity of 1,000 compared to the other wards which can still be altered with some tinkering in the centre of town.

The Parish boundary should be amended to incorporate Cobblers Hall Plantation. There are no dwellings so no one is adversely affected but the Plantation is owned by the Great Aycliffe Town Council, and is coterminous with the Parish Boundary and thus should be incorporated within Great Aycliffe Parish Boundary to remedy the anomaly.

Aycliffe East Electoral Division	Electorate: 4930
Aycliffe North Electoral Division	Electorate: 6025
Aycliffe West Electoral Division	Electorate: 5509 +500
Shildon East Electoral Division	Electorate: 6682 - 500

PROTESTER BANNED FROM GOLF CLUB

Tony Haworth, who organised petitions agains plans to build houses on Woodham Golf Course has been informed his membership of the club will not be renewed, on instruction of the owners, Washington Developments.

Tony was Treasurer of the Over 55’s Section and obtained signatures of the majority of golfers against the planning application. If everyone who signed the petition was refused membership there would only be a dozen members left! This is pure victimisation.

Speed Hump Damage

Dear Sir,

My interest in damage caused by speed humps started in March 2008 after putting my car into the garage for repair, where I recieved an engineer’s report with photographs showing the damage was a result of driving over speed humps.

I wrote to Durham County Council who informed me that they were putting the matter in the hands of their insurance company Gallagher Basset. They wrote to me on the 11th June 2008 stating that the humps were installed in the Simpasture area during 2001/2 and as there had been no complaints or reports, the damage to my car could not have been caused by the humps. I am unable to understand the logic of that statement.

I noticed the significant difference in height between the humps in Stag Lane where I live and those in Simpasture where I shop at Walkers Butchers.

I was aware that a survey on the humps had been carried out by the Highway Management Sevices of the County Council in March 2008 showing the humps in Stag Lane were between 67 and 94mm. Those in Simpasture were between 85 and 111mm which is 11mm higher than the Highways Regulations 1996 allow.

On the 10th September Gallagher Bassett wrote to inform me that the the humps were the correct height when they were installed in 2001.

On the 29th January 2009 Gallagher Basset stated that their client had confirmed that repairs had been instructed and will be completed in due course, they also state that DCC have satisfied their duty of care. This I find odd as the height to the hump outside Walkers is unaltered even though all parties have been aware of the problem since March 2008.

I have not been able to establish what height the original specification from DCC called for in 2001 I intend to speak to the County Councillors with responsibilities for the Simpasture and Woodham Area to see if they can help resolve the problem.

PAY US YOUR MONEY AND FIX IT YOURSELF

Dear Sir,

I am already concerned with the attitude of Sedgefield Borough Homes the organisation to which the SBC housing was transferred. Residents are now aware of their well above inflation rent increases, but today I was made aware of a resident living in a bungalow in Clarence Chair who had a problem.

One of her washing line poles which are cemented into the ground in her back garden became very unstable and on the verge of collapse. Being 75 yrs old, she contacted the new housing body asking them to repair it. At which point she was informed it was not their responsibility and she should do it herself.

I am concerned of the possibility of such unwanted treatment becoming the norm. Is this what it boils down to in the future? Pay us your money and fix things yourself?

If this is the case, I should imagine there are one or two people who should look at

their conscience and say to themselves “did I act in the best interests of the people who voted for me when I voted for this transfer to go ahead?”. If anyone else has a problem with this housing body, please do not hesitate to contact Town Councillor Bill Blenkinsopp with the details by telephone on 30805.

AYCLIFFE A.C. IN SEASIDE ROAD RACE

Five members of Newton Aycliffe Athletics Club had a nice morning at the seaside on Good Friday as they ran in the Mermaid 10k road race at Marske. The light wind made the running hard along the two stretches of promenade and the last km along the straight coastal road to the finish, but the sunny weather and a flat course helped everyone enjoy the race. The line up and their finishing time: Dave McKenzie (49:01) Julia Atkinson-Tait (41:35) Janet McRae (47:37) Janet Raper (45:46) Trish Kay (49:04)

No Grip on Reality

Dear Sir,
I think that Vince Crosby's attempt to justify transferring council housing to Registered Housing Associations (RHA) shows his grip on reality has, like Sedgefield Borough Council, disappeared! Since Housing Associations came into being the numbers waiting for council houses, known now as social housing, has risen across the country. This is because the number of council houses that Housing Associations have pulled down have not been replaced with the new modern houses promised. What houses they do build are mainly for the private sector because New Labour allowed Housing Associations to build in small numbers, over 15, of which 25% must be for social housing use, so the numbers are kept to 15 or below. Lack of housing led people to pay ridiculous prices which in turn allowed New Labour to claim they have revolutionised the housing market in this country. The end result is that we now have a bankrupt country. Peter Dolan

SAFETY AWARD FOR 3M

Safety conscious employees at 3M Aycliffe have helped the site to win another top award from the Royal Society for the Prevention of Accidents (RoSPA). The Heighington Lane site, which manufactures personal respirators for worker safety, is to receive the RoSPA President's Award at a special ceremony in Birmingham next month. It is the second year running that the site has won the President's Award, which is only presented to UK companies who have a minimum 10-year record of maintaining the RoSPA gold standard for occupational health and safety management systems. The site's EHS manager, Adrian Hughes said winning the award had been a team effort by everyone employed at the site.

"It's a tribute to the lasting commitment to safety shown over many years by the company and all the people who work here," he said. "We're delighted to have won it again."

Questionnaire Too Long

Dear Syd
I ploughed through the questionnaire circulated by the Town Council and made some extra comments which I am sure will be "binned", but one should be allowed some extra comments on such a lengthy document, however well presented. It took me a long time to complete the form and I nearly gave up as it was so long. It should be a much shorter form and if it was made easier to complete I am sure there would be a better response. Y.M.

A DAY AT THE FARM

During the school holidays, the children from Woodham Burn Out of School Club visited Hall Hill Farm. When leaving Newton Aycliffe the weather did not look promising, but as we arrived at the farm we were pleasantly surprised with brighter weather. The farm staff greeted our group and showed us to the barn, where we had a brief

reminder of the rules when we are looking around the farm including washing our hands, what animals not to feed etc. The children decided that the first place that they would like to visit was the large outdoor park, followed by a tractor ride. The day continued to be extremely busy and included feeding animals, holding chicks, rabbits, gerbils, bottle feeding a lamb, watching the farm puppet show, seeing a cow been milked, having lunch in the barn and lots more. After a fun filled day the children returned with a Hall Hill Farm goody bag and lots of exciting experiences to tell their friends and families. If you would like further details regarding the before, after or school holiday club, please contact Kendra on 01325 300080.

COMMUNITY ACTIVIST CHOSEN AS FIRST CHAIRMAN OF NEW UNITARY AUTHORITY

A father-of-two once described by the press as "the human embodiment of community spirit" has been chosen as the first Chairman of County Durham's new unitary council. Coun Brian Myers, 66, who was awarded the MBE in 2003 for services to the community, was elected Chairman of the new-style Durham County Council at the authority's inaugural annual meeting today. A former Cabinet member of the 'old' County Council and a member of the authority since 2001, Coun Myers was born at Sunnybrow near Crook and has lived in the Wear Valley area for most of his life. Active in local politics for many years, he serves as a County Councillor for the Willington electoral division, is a former member of Wear Valley District Council and is currently Chairman of Greater Willington Town Council.

His keen interest in community affairs began in 1986, when a stroke prompted his early retirement from his job as a caravan sales centre manager. Since then, he has served as chairman of Willington Community Partnership, is currently company secretary of Willington Community Action and is a member of his local Methodist church. In 2007, his service to the community found another outlet when he was appointed a magistrate on the North Durham Bench. "To be appointed the first

Chairman of the new unitary County Council is the pinnacle of my career in local politics," said Coun Myers. "Now that the dust has settled on the local government reorganisation process, our focus as unitary councillors must be to work tirelessly to make County Durham a place that is economically viable, prides itself in its care of older residents, has a reputation for its education facilities and levels of achievement, is environmentally friendly and consults with the people it serves in a meaningful way." Coun Myers has been married to his wife Alice for 47 years, has two children and two adult grand children. The new Vice Chairman of the County Council is Mac Williams, 64, a former colliery worker at Dawdon. Coun Williams who lives in Sunderland Bridge near Croxdale, where he has been a parish councillor for ten years, and a county councillor for Durham South

since 2006. He retired from the coal industry in 1971 and later spent 24 years working for Durham City Council, retiring in 1999 as principal safety officer. Coun Williams' strong interest in law and order is reflected in his 30 years services as a Magistrate and 14 years' service on Durham Police Authority.

Ban Alcohol T.V. Adverts

Dear Sir,
I have noticed with concern that large Supermarkets promote the consumption of alcohol all through the day with adverts. Perhaps our MP Phil Wilson could raise this subject in Parliament and ask if it is at all possible to have a watershed of 9 pm for such adverts or better still a blanket ban as is the case with smoking.
We hear about alcohol related incidents and the damage caused to families, property, and crime related issues, but no one is prepared to take a stand or take responsibility.
Our Police Force is under-manned - and they do their best in the Simpasture/Neville Area. I know PC Alan Thompson and his colleagues have confiscated a fair amount of alcohol, but we need more Officers on the beat.
Will our MP do anything? I do not think so! He could not even speak about people with disabilities in the House of Commons when requested by a fellow Councillor.
Weak on crime, weak on punishment is this Government's legacy. Help the rich, help themselves, forget the electorate until an election comes round. At least Dick Turpin confronted people before robbing them.
Alan Warburton
Independent Councillor

Polo Team Hard to Beat

Sedgefield Water Polo Club entertained Durham City in the Northumberland and Durham Senior League at Newton Aycliffe Leisure Centre in Male and Female Senior fixtures.
In the Ladies game Sedgefield fielded a very young side with most of there team under 15 but they were superbly led by Sedgefield's GB players Carol Mohan and Sarah Scott who have taken a step back from the top level of the Sport to concentrate on their degrees.
In a very competitive encounter Sedgefield triumphed 11-8. Abbie Turnbull 12 had a tremendous game and continues to show excellent potential for the future and scored a goal. Faye Callan 16 led Sedgefields defence well and contributed a goal.
Ashley Boardman continues to show pleasing improvement and scored 2 goals. The other Sedgefield goals came from Mohan with 4 and Scott with 3. The other members of the team were goalkeeper Georgina Naylor 13, Alice Woods 13, Helen Colledge 12, Megan Lamb 13, Melissa Lowe 11 and Rhiannon Foulds 12.
In the Male fixture Sedgefield's young team were led by Sedgefield's veteran coach Lee Cooke in a game Sedgefield dominated all the way through to win comfortably 8-1. Sedgefield's 4 players from Bishop Auckland Simon and Patrick Callan, Joseph Reed and Mark Gabrielle contributed a lot to the victory.
Greg Barker 16, Lee Gowland 16 and Mathew Calvert 15 all continued to show their potential for the future. Sedgefield welcomed back to the team after a absence of a few months Goalkeeper Frazer Foulds, who along with young keeper Mathias Reichel 15 gave the Durham team very few opportunities to score. Sedgefield completed their line up with Adam Woods 13. The goals were scored by Cooke

2, Gowland 1, Reed 3 and Gabrielle 2.

WORK PLACEMENTS FOR YOUNG PEOPLE

Charity workers who help young people find jobs are on the look-out for employers who are willing to create work experience placements. The charity is Developing Initiatives Supporting Communities (DISC) which runs New Deal projects in Newton Aycliffe and Spennymoor.

The young people are part of the New Deal initiative which was set up by the government as a support programme for unemployed 18 to 24 year olds looking for work, and also for lone parents.

The placements last around 13 weeks, don't cost the employer anything, and are in a wide variety of fields, including retail, administration, animal care,

nursing homes, catering and joinery.

Previous and current employers offering placements include McColls, Citizens Advice, K9 Pursuits, Southern Cross Healthcare, Betty's Fish Shop, Greenfield School, YMCA, the British Heart Foundation and many more.

DISC New Deal co-ordinator Lynne Clift-Harvey said: "DISC New Deal works closely with both the employers and the young people they take on. All we ask is that the young person is encouraged to learn new skills and feel part of a team. We have a high success rate and it's great to see young people's confidence and self belief boosted when they get a chance to prove themselves at work. A big thank you to all the employers who have helped us so far."

Aycliffe Miss Out on Final

Chester le Street 35 Newton Aycliffe 15

Newton Aycliffe Rugby Club travelled to Chester le Street for the semi-final of the Durham County Plate with a large number of players unavailable. Despite the much changed pack, Aycliffe began the game strongly.

The forwards gained good possession from the rucks, and the backs used their pace and confident handling to carve a number of opportunities. The opening score came from a slick back movement which saw Chris Wilson touch down in the corner.

Deryk Cairns came close to scoring before another try was added when Luke Tinkler made a good angled run and was fed by Alex Lineton; Tinkler converted his try.

Chester fought back and scored a pushover try from a 5-metre scrum, which they converted. Aycliffe then re-established their two score advantage with a penalty goal from Tinkler. The score at the break was 15 - 7 to the visitors.

The second half began with Chester on the attack and they soon scored another converted try to reduce the lead to one point. Aycliffe's forwards began to show their lack of fitness and the home team continued to attack, adding three further converted tries before the end

of the match to run out 35 - 15 winners. Whilst the final scoreline was greater than the match the match showed that Aycliffe will have to improve before next season if a successful year is to be achieved.

Aycliffe visit Chester le Street again on 28th March to play the 2nd XV in a Durham Junior League match, kick-off 3pm. Newton Aycliffe Rugby Club would like to thank their sponsors Aston Hotels and ServiceForce. More information is available on the website at www.ayclifferugby.co.uk.

Pet Rabbits Dumped

Dear Newton News,

This message is to a very sad individual who dumped three very cute pet rabbits on the back road between Heighington and School Aycliffe. My Husband and children were on a bike ride around 7.30pm on Monday 6th and came across the two very scared rabbits just dumped on the roadside. They looked destined to be eaten by a wild animal or ran over by a vehicle.

Having dogs we walk in that area we knew what would happen if they were left there, needless to say we did not leave them and after an hour or so trying to catch them caught one and had to give up on the other at that time. Many cars passed so I dread to think what they thought we were doing. One safe rabbit, the next day trying to locate the other rabbit it was still in the same area. We caught the second rabbit which was in a poor state of neglect.

How can anyone be so heartless? A box you can get free, and we have two Pet shops in Newton Aycliffe. I'm sure had you left them there someone would have understood. I have since spoken to a pet shop and this so called dumping seems to be common. I hope if this individual has children whom may have got bored with rabbits know what you did with them! They now live in a large hutch and will be cared for lovingly

UNITARY COUNCIL CABINET OFFERS BLEND OF ‘CHANGE AND CONTINUITY’

A top team of council decision makers representing a blend of change and continuity will lead County Durham into a new era of local government from today.

Announcing his line-up of executive members, Coun Simon Henig, who was confirmed as Leader of the new unitary Durham County Council which came into force today, said his choice of Cabinet colleagues reflected the changing role of the new council and the additional services – formerly provided by the district councils – it was taking on.

But he added that it also reaffirmed his wish to maintain a degree of stability in the Cabinet structure and develop valuable experience and expertise among its members.

Key among the changes announced at today’s inaugural annual meeting of the new County Council was the appointment of former Easington District Council Leader Alan Napier as Deputy Leader of the new unitary council, with special Cabinet responsibility for resources including assets and finance.

He replaces former Deputy Leader Clive Robson who becomes the new Cabinet member with responsibility for housing – a significant new area of additional service provision for the unitary county council.

Other Cabinet posts and responsibilities covered by their portfolios announced today are :

Coun Morris Nicholls : Adult Services including adult social care, welfare rights and carers.

Coun Claire Vasey : Children and Young People’s Services

Top Referee Vists Area

Football fans can hear about the experiences of one of the country's top referees later this month, when Mike Riley will act as guest speaker at the Bishop Auckland Referees' Association.

Premier League and FIFA referee Mike, from Leeds, has agreed to be guest speaker at the society's meeting on Thursday 23 April, at Bishop Auckland Cricket Club from 7pm.

One of the highlights of his distinguished career in the top flight was his appointment to the 2002 FA Cup Final between Arsenal and Chelsea. Mike also refereed in the 2004 European Championships.

Terry Farley, Secretary of the Bishop Auckland Referees' Society said: "Mike is one of the top referees in the country and we are delighted that he has agreed to visit us in Bishop Auckland.

"Mike has refereed at the highest level in European and domestic football and I'm sure he will have many stories about his career that he can share with us. "This is the second high profile guest speaker the society has attracted this season, with Howard Webb visiting in November and we are hoping for another good turnout for Mike. Everyone is welcome, whether you're a referee, player or someone who just loves football."

For further information about the Bishop Auckland Referees' Society, contact Terry Farley on 313647 or email terry.farley71@tiscali.co.uk.

TESCO SHOULD FINE BAD CUSTOMER PARKING

Dear Sir,

I write with regard to parent & child parking spaces at Tesco. These spaces are there for people who need them, people like ourselves with a small child. Like a disabled bay, a parent and child space has extra room to get a child out of the car without hitting the adjacent car.

It makes me angry that ignorant people with no children or no need to use these spaces continually take them up so others are left without. Why?

ADC STAFF REUNION

Since the dissolution of the Aycliffe & Peterlee Development Corporation in March 1988 some ex employees have met up for an annual reunion about this time of the year.

Over the years it has been attended by the regulars and others who have made a 'guest' appearance from time. This year is our 20th anniversary and we would like to see some more 'new' old faces to mark this memorable occasion.

If there are any ex employees of the Development Corporation who would like to attend our 20th Anniversary Dinner on Thursday 30th April, then please contact Terry Farley on 313647 or by e-mail: terry.farley71@tiscali.co.uk who will be only too happy to send you all the details.

Alternatively, you can ring Anne Molyneux on 316162 (e-mail address: molyanne@hotmail.co.uk)

There is ample parking so why do they feel the need to take these spaces?

It makes me even more angry that they do this in front of our face on a regular basis and if we ever ask them politely if they mind moving, all we get is a earfull of foul mouthed abuse.

We have mentioned this several times to Tesco and they say there is nothing they can do. As a result of the latest incident I will no longer be shopping there.

Asda patrol their car park and enforce this rule, anyone who parks in a parent and child space without a childseat / booster seat is fined £60 and rightly so.

These people park there because they can, maybe if they thought Tesco would fine them £60 they would think twice.

An irate parent

Budgie Found and Returned

Dear Syd

I am writing to thank you for placing my article in last week's Newton News about my lost budgie. I was overjoyed to receive a phone call on Good Friday from the Vets at Cobblers Hall saying they had seen the news item and that someone had handed in a small white Budgie on the Monday after she went missing.

It was a minor miracle in itself that she survived her ordeal and if not for your kindness in placing my ad, the kind people living on The Spinney (where she was found about to be attached by some crows), and the Vets at Cobblers Hall who looked after her, I would not have got her back.

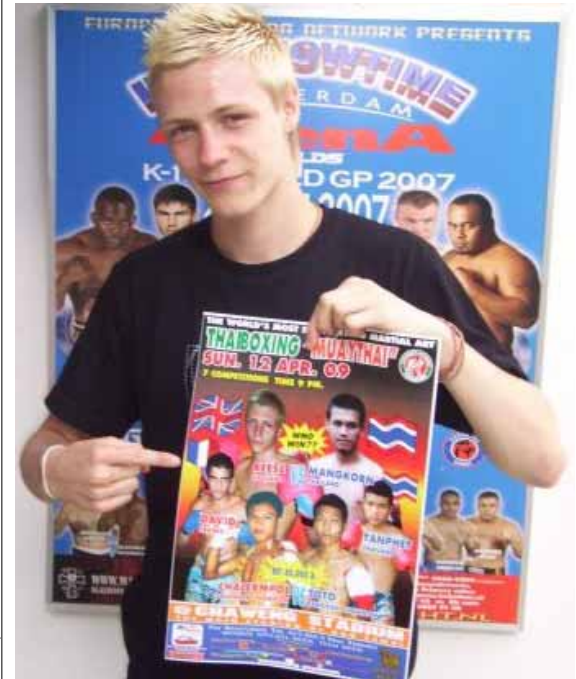

It just goes to show that there are still genuine, kind, good people around and community spirit is still very much alive and well.

Snowy is back home after 2 weeks' certainly no worse for her adventure.

Many thanks

Susanne M Holland

Town Teenager Succeeds In Thailand

On March 28th 17 year old Thai Boxer Reece Mcallister travelled to Thailand for 6 weeks. He journeyed to Bangkok, then to the island of Koh Samui where he started training at the Super Pro Gym.

Reece started his rigorous training schedule consisting of an early morning run of 4 miles then pad training for an hour before sparring. He then rested till the afternoon session which is another 2 hours hard work.

The owner of the camp quickly recognised Reece's commitment to training and put him forward for a fight. The

fight was scheduled for April 12th at Chaweng Stadium against the local fighter Mangkorn. Reece started the fight at a fast pace with hard exchanges of punches and kicks. After the 1st round Reece's Thai trainer told him to slow the pace down and look to land elbow shots which are a high scoring technique. Reece did as he was told landed a clean elbow on his opponent knocking him out. Reece has now established his status on the island and is looking to fight again soon. This is Reece's 3rd time fighting in Thailand but his first time there alone.

Newton Aycliffe RUFC have organised a 50th Anniversary awards dinner and disco evening at The Croft Hotel on the 2nd May 2009.

We are inviting anyone who has played for the club in the past, as well as current players (and not forgetting the WAGs of course!), to apply for tickets for this occasion. However, it will be an opportunity for past players to meet up and be entertained by guest speakers Mr Dale Kelly and Mr Dave Pass. In addition, there will be video messages from well-known faces from the rugby world and a few other surprises. The evening will also be recorded and displayed live on screens at the event. Professional caricaturist Paul Slattery will be in attendance to produce souvenirs of the

evening with his quick draw cartoons.
