## Death of Baby Abbi

We regret to report the death of Abbi Selvey aged 2 years 5 months who died of heart failure in Carlisle Hospital on Tuesday 15th September. Readers will remember the appeal we ran a year ago to provide the family with transport in order that Abbi could get to hospital quickly for necessary treatment for her multiple health problems. The family were on their first holiday together in Cumbria when Abbi took ill on the first day. She put up a fight for 2½ hours but lost the battle. The family returned home immediately to arrange the

funeral. On behalf of our readers we extend sincere condolences to parents Rob and Clarissa. The Funeral is on Wednesday 23rd September at 1.15pm at St James the Great, Albert Hill, Darlington, followed by Interment at East Cemetery. Rob and Clarissa now live at 18 Wycliffe Close, Newton Aycliffe DL5 4BN

## HSBC CLOSE AYCLIFFE BRANCH

HSBC Bank, formerly Midland Bank, is to close its branch in Newton Aycliffe on 11th December.

A bank has been on the corner of Dalton Way since the town centre was built and it is sad to see such a big High Street name leave our town.

No reason is given and we can only assume they have come to the end of their lease and could not come to an arrangement with the Landlords.

Accounts are being transferred to the Bishop Auckland Branch and customers are also requested to try internet or telephone banking services. Details on 08457 404404.

There is also a Bank in Shildon for day to day users of the services offered.

## 3000 People Sign for Town Centre Toilets

Great Aycliffe Residents Association are delighted with the first count of names on the petition to provide town centre toilets.

Over 3000 people have voiced their opinion leaving no doubt on the need for proper facilities. They have come down decidedly against the idea we must "make do and mend" with Tesco in-store toilets and queueing for permission to use the 2nd floor toilets in the Leisure Centre.

"For a town of our size it is disgraceful" said Peter Beatty, local campaigner for Senior Citizens. "Something must be done and soon!" he added.

Chairman of the Residents Association Syd Howarth said he was pleased our M.P. is now involved and hopes his support, added to the thousands demanding action, that this matter will now be resolved.

"The petition calls for temporary toilets now and permanent toilets in the new town centre development as it is not entirely clear they will be provided. It is important that residents register their opinion on this matter." said Syd.

If you have not signed the petition please complete the form on Page 12 and hand it in to Newsforce

in the Town Centre, Walkers, Simapsturegate or at Newton News offices on St. Cuthberts Way.

# SUPPORT FOR SOLDIERS IN AFGHANISTAN APPRECIATED

David Pickering, 25, is a Lance Bombardier serving with 40th Regt. Royal Artillery in Afghanistan. He was born in Newton Aycliffe and attended Woodham Junior School, and Woodham Comprehensive which he left at the age of 16 to join the Army.

He went to Glencore to sit fitness and aptitude tests which he passed to be accepted into the Army. He completed a 32 week basic Infantry training course at Basingbourne and also completed additional educational courses gaining 5 City and Guilds qualifications. David then attended the School of Artillery in Larkhill for a further 3 months where he was taught his trade as a gunner, and as part of his training

successfully completed driver training, and achieved a full driving licence for car and HGV class 1.

In 2001 he joined his regiment based in Topcliffe, North Yorkshire. Whilst there he was deployed to Iraq twice on op telic 2 and op telic 9. He has also been to Canada and Belize on exercise, and completed a tour of Cyprus as part of the U.N. Peacekeeping Force. Last year the regiment moved over to Northern Ireland, now the new home base.

David began his current tour of operations in Afghanistan in March 2009 and is due home on 15th October. The Regiment is spread into different locations, supporting infantry units which form part of the battle group.

They also have small teams who go out with infantry patrols which call in fast air support,

guns, or mortars, as required. Should they need more fire power the patrols give support using 105mm light guns.

It has been very uncomfortable there due to the hot weather, but September has been cooler. Over the past 6 months as part of Operation Panther's Claw they have suffered the loss of a lot of soldiers, two of which were from my regiment. This came as a tremendous shock to both the regiment, and work friends.

During his short periods of 'Down Time', David has been running a few charity events for a family member who is 2 years old with cancer. "I am proud to say that these events have raised just over £300. I hope to carry on raising more money until I leave Afghanistan. The support I have received from all the lads over here has been magnificent" said David.

"Since I've been in Afghanistan, I've had loads of support from family and friends sending letters and parcels, which keeps our morale high. Through Newton News I want to thank them all for the support they have shown whilst we have been out in Afghanistan. All the soldiers greatly appreciate the support we get from back home, Thank you all." he added.

David Pickering

# ST. JOSEPH'S R.C. STUDENTS STUDY LOCAL HISTORY

## Quick Work

Dear Sir,

A big thank you for all the help given by Great Aycliffe Town Council Clerk Andrew Bailey who arranged to cut back the overgrowth on Moore Lane walkway.

It only took a few days of the matter being brought to his attention to have the problem solved.

Well done!

R. Land

As part of a cross curricular history project, Class 6 walked down to the Memorial Garden at St. Clare's Church to visit the Aycliffe Angels' statue.

The children have been fascinated by this topic and the class enjoyed the good weather and took time to view this piece of local history.

They touched the statue and thought about what these women did during the war time. Pupils also made rubbings of the plaques using paper and wax crayon. They will be working with an artist later to design a piece of glass about the Aycliffe Angels.

The children were invited into the church to see the stained glass window depicting Aycliffe through the mining years, the war years and modern day Aycliffe. They were mesmerised by the dazzling colours the sun cast on the floor of the church. Seeing this window has inspired their art work.

All of class 6 are looking forward to some joint events to be held at St. John's later this term.

The Public Entrance to the Council Chamber will be open thirty minutes prior to the commencement of meetings.

The Press and Public are cordially invited to attend.

## CULTURE BID WEBSITE FIRST TO GO LIVE

A brand new website is up and running for people locally and around the world to support Durham's bid to be the first UK City of Culture.

The bid team has pulled out all the stops to be the first among rival bidders to show off the county's credentials on line.

The site - www.durhamcityofculture.co.uk - was launched by Durham County Cricket Club's Test cricketers Stephen Harmison and Graham Onions who put their weight behind the bid.

Pace bowler, Stephen Harmison, said: "Cricket is part and parcel of our region's culture from grass roots up to Test Match level and to have the UK's first City of Culture here in the same year that we host an Ashes Test Match at the Riverside would be fantastic."

Fellow England pace bowler, Graham Onions, added: "2013 could be a truly amazing year. We're both proud to get behind Durham's bid and I'm sure cricket supporters and players throughout the region will be just as proud to show their support."

And Durham County Cricket Club Chief Executive, David Harker, said: "Durham County Cricket Club is delighted to support Durham's 2013 UK City of Culture bid which would coincide with the Riverside ground hosting its first Ashes Test Match. It is a great opportunity for the region to showcase its ability to host World Class events."

Visitors to www.durhamcityofculture.co.uk can tell the bid team what they think makes Durham extra special, as well as post comments, find out about the competition and Durham's entry, and help keep up to date with all the news and how the bid is going.

The website also shows full listings of the county's cultural attractions, events and activities and will also include details of cultural practitioners, individuals and organisations. People can keep up to date with the bid's progress and what the bid team has been doing through a team blog and you can also follow them on twitter.

New features will be added all the time and visitors will soon be able to see a DVD, submit reviews, download screensavers, sign up to an e-newsletter and upload their own cultural photographs.

They attended a special celebration night at St. James Park in Newcastle. This is a major achievement, well done! Greenfield has always had pupils with 100% attendance every year since the awards began. Last year, 3 out of the 16 pupils recognised were from Greenfield. This year they have 4 out of 10 pupils.

# Vote for Town Teen Queen 2010

13 year old Jessica Graham has been picked as a Teen Queen and needs the public vote for her to proceed. She attends Greenfield school and lives at Wolvestone Close. Jessica's hobbies include dancing and ice skating and is climbing up the grades to enter competitions. She also works for model agency "Tuesday Child" based in London. Jessica was picked out of 200 girls and received a professional photo shoot and a full makeover in the capital. "150 pictures were taken, it was a wonderful day, I loved it and felt like a star" said Jessica. To go on to the next stage she needs the public to vote for her. The three highest votes then compete to be Miss Teen Princess UK which is to be on BBC T.V. Vote by telephone 0901 6561530 and press 28 which is Jessica's number. For text vote: jessicagraham to 84205. The voting closes on 28th September. Jessica's parents Rob and Lisa are very proud and ask Newton News readers to support her.

## Sing for Life Restarts

The Sing for Life scheme, now managed by the County Council, has returned for a new term. Following the summer break the sessions began again on 15 September at Spennymoor, Newton Aycliffe and Ferryhill leisure centres and Emily Smith, the singing teacher is hopeful of some new starters. Sing for Life is part of the Fit for Life, GP Referral Scheme in South West Durham. Participants are either referred by their doctor or can choose to join the weekly scheme themselves. The sessions are informal, fun and friendly and are suitable for all skill levels, from complete beginners to those who have sung before in a formal or informal capacity. Song choice differs from week to week and includes show tunes, folk songs, pop, jazz and even opera. Regular group singing shows evidence of a range of physical and psychological health benefits, including an improvement to breathing and posture, increased self confidence and social skills, memory is activated, depression is lifted and overall energy levels are improved. Sing for Life is always open to new participants and is open to everyone, for more information about the sessions contact Katy Banner or Michael Farlow on 01388 824067.

## NEWTONIAN BEATS MALAYSIAN CHAMPION

Reece Mcallister from Newton Aycliffe has pulled off a great victory beating the Champion of Malaysia for the Chaweng Stadium title. The Malaysian was the current Champion and at the weigh - in Reece tipped the scales at 65kg and his opponent 5kg heavier, which is not uncommon for fights in Thailand. Reece's speed and strength saw him dominate the 1st round giving his opponent a standing 8 count. The 2nd started with both fighters throwing great shots, but Reece having a

stronger defence and growing in confidence unleashed a front kick that landed under the chin of the champion, and resulted in a great KO. The Thai crowd were ecstatic and applauded Reece on this great victory. As Reece left the ring he was approached by an Englishman who turned out to be from Aycliffe. He had seen Reece featured in Newton News and wanted to see him fight. The family hope he will get in touch to give a first hand account of this stunning win for Reece.

## Aycliffe Bounce Back

Newton Aycliffe 29 Blaydon Bricks 7

After the sobering defeat the previous week, Newton Aycliffe Rugby Club had the chance to get back to winning ways with a friendly against Blaydon 4th XV, the Bricks. The welcome return of Cy Lee and Keith Greenwood in the pack strengthened a side showing a number of changes. The visitor's large pack showed their intentions early on with some powerful scrummaging and mauling, and soon scored a converted try to take the lead. Aycliffe's backs, however, had the beating of their opposite numbers although a number of chances went begging. After a good attacking ruck, Gareth Parsonage narrowed the gap with a try. The moment of the match came when Ronnie Gilyeat broke free from defence and made 50 metres, Drew Gibson collected the ball in support before returning it to Gilyeat who scored the try. Aycliffe narrowly avoided conceding

again when Blaydon crossed the line but were unable to ground the ball. The score at the break was 10 - 7 to Aycliffe. Good support work from Andy Newman saw him finish off a break from Gibson with a try that was converted by Tommy Cooper. Blaydon were still powerful in the forwards and were again held up over the line, before Parsonage added two more tries to complete his hat-trick; with Cooper converting one. A fine break from Greenwood came to naught when Lee was unable to take the pass with the line begging. The game ended 29 - 7 to Aycliffe. This was a satisfactory performance by Aycliffe but for the number of chances lost through poor finishing. Aycliffe continue their league fixtures with a home game against Prudhoe and Stocksfield, kick off 3pm. More information is available at [www.ayclifferrugby.co.uk](http://www.ayclifferrugby.co.uk).

## NEWTONIAN IN GREAT NORTH RUN IN MEMORY OF SPECIAL DAD

A Newton Aycliffe dad, who lost his father to cancer, is rising to one of the UK's biggest sporting challenges to raise money for Cancer Research UK.

Liam Montgomery will be taking part in this year's Bupa Great North Run - the world's biggest half marathon - on Sunday, September 20th. The 37-year-old, who took up running after losing six stone in six months, is determined to conquer the famous 13.1 mile route from Newcastle to South Shields.

Liam will be running in memory of his dad, Sean Montgomery, who passed away in 1993, just two weeks after he was diagnosed.

Sean, who was married to Patricia, had been feeling increasingly unwell and went to see his GP for a check-up. The doctor referred Sean for further tests which confirmed he had advanced stomach cancer. The father-of-four became rapidly unwell and he died suddenly just two weeks later, aged 51.

Liam, who was only 20-years-old at the time, said: "Losing dad so suddenly devastated the whole family. He had been feeling unwell for awhile but we never for one moment expected it to be something so serious. We were given the news dad had cancer and then, just two weeks later, he had gone. It all happened so quickly and we just couldn't take it in."

This will be the first time Liam has taken part in the Bupa Great North Run and he is aiming to finish inside one

hour 50 minutes. Liam, who is married to Lyn, and has two daughters, Erin, 7, and Ciara, 4, added: "I had never really been into exercise and keeping fit, and had a very sedentary job, so I had gained quite a bit of weight over the years. I stopped weighing myself when I got over 16 stone and then one day I decided enough was enough and I needed to do something about it."

"I didn't really feel confident enough to join a gym so instead I started using an aerobic step at home that my wife Lyn bought me. I also made small changes to my diet and started to watch what I was eating."

"Eventually I began to see a change and the weight started to drop off. That's when I decided to do a bit of running, and now I'm completely hooked. Within six months I had lost six stone, and I have now been well and truly bitten by the running bug."

"Taking on this challenge, and supporting Cancer Research UK, is my way of paying tribute to my dad, and doing my bit to help at the same time." Liam is encouraging anyone who has secured a place to raise money for research into the causes, treatment and prevention of cancer by joining Cancer Research UK's running team.

Cancer Research UK's team of over 2,750 runners is aiming to raise over one million to help beat the disease. In the North East, Cancer Research UK supports the work of scientists,

doctors and nurses who are dedicated to curing cancer by understanding its causes and investigating how best to prevent and treat it. Senior Running Manager, said: "We're delighted that Liam is part of our team this year. It's thanks to support like this that Cancer Research UK's scientists, doctors and nurses are able to go on making progress in the fight against cancer. We'll be there on the day to cheer you on and would be delighted to welcome you back to our post race reception once you've crossed the finish line"

For more information about running for Cancer Research UK in the Bupa Great North Run call 0871 641 2403. To sponsor Liam, go to [www.runningssponsor.me.org/liammontgomery](http://www.runningssponsor.me.org/liammontgomery)

## Police Seek Car Vandals

POLICE are appealing for witnesses to an incident in which a car was damaged as it was parked overnight.

The damage happened as the vehicle, a red VW PASSAT registration T339 BGD was left secure in the car park adjacent to WASKERLEY WALK and CAYGILL'S convenience store in Newton Aycliffe.

It took place between 2030hrs on Monday the 7th of September and 0830hrs on Tuesday 8th of September.

At some point during these times the vehicle was damaged by unknown persons. The damage consisted of scratches around the sides, bonnet and boot of the car and both wing mirrors being knocked off.

Anyone with information is asked to contact PC Matt Stasiak at Newton Aycliffe police office.

## Disgusting Behaviour

Dear Sir,  
I'm a young woman who lives alone in the Williamfield area. On Sunday morning 13th September I went in the kitchen to prepare breakfast and looked out of my window to see two objects in my garden.

On inspection I found to my horror two heavily used sanitary towels which had obviously been thrown over my 6 foot high fence during the night or the previous evening. Who in their right mind would do such a disgusting thing? Fortunately I have no children, but what if I had and they had found them?

I hope the offenders are reading this letter and they will think carefully about the possible consequences of such an appalling act and dispose of such items in a responsible way in future.

## HONEST JOHN HELPS SCOUTS

Dear Sir,  
Over the last three weeks, Honest John has been raising money for the 1st Newton Aycliffe Scout Group.

He managed to raise the magnificent sum of £450 and asked me to thank all of the members of the public who donate goods and buy from his stall.

He told me that without their help he would not be able to carry on raising funds for charity.

We cannot thank him enough and he may be sure that the money will be put to good use in the future.

Please continue to support him so that other people will

benefit from his kindness.

# Defoe Court Sponsor Youthy Under 12's

Newton Aycliffe Youth Centre AFC U/12's Would like to thank Defoe Court Care Centre for their recent sponsorship which has enabled the Squad to buy new strips. These lads had a very successful start to their introduction to 11-a-side football winning division 6 of the Teesside Junior Football Alliance. With continued support from people like Defoe Court and the fantastic support of a Chartered Standard Football Club they hope to continue their progression in learning not only football

skills, but also how to be Community focused young boys. To play for the club or for more information please contact Bernie Borsberry on 07939 045242

# Amanda Takes Two Point Lead for Title

Aycliffe's "Fast Girl" Amanda Whittaker took the HSCC Formula Ford Championship points lead this weekend with 5th place at Brands Hatch. The day started well with Amanda qualifying 3rd, just 5 thousandths of a second from 2nd place Robert Wainwright. However, all was not well with Amanda's engine. "We had a misfire, starting after a few laps in qualifying and getting progressively worse" said Amanda. Her team Amaron racing set about trying to solve the problem, but despite hours of frantic work & the help of some of her competitors, the issue couldn't be resolved in time. However, with title rival Westie Mitchell still out of action due to injury, Amanda was aware to simply pick up as many points as possible for the title battle – in which she was 10 points (a 6th place) from the lead. At the start, Pole Position man Darren Burke dived into a lead he never looked in doubt of losing, as he immediately pulled clear of the pack at over half a second per lap. Amanda slotted into 4th with the engine dying slightly as she started. She was then pushed to 5th on the opening lap by Andrew Willis' Lola T200. She gamely hung on to the position, catching her competitors in the corners but losing time out of corners and down the straights as her engine was still cutting out. She was then pushed back to 6th by Will Schryver's Titan on lap 6. However, she could then maintain position and held the gap to Paul Sleeman constant. By mid distance, 6th became 5th as Willis pulled off with mechanical failure and she held this position until the end of the race, despite the misfire slowly worsening towards the end. "That was a very frustrating race – I think I could have finished at least 2nd with no

problems" said Amanda. "But I'm really just thankful that I didn't fall back further and we could get some good points which are very useful at this stage". The position gives her 12 points and the title lead by 2 points from Westie. With the potential of Westie's return at the final round at Silverstone in 5 weeks time, all may not be over.

# TOWN'S LIB DEM BRANCH FORMED

The inaugural meeting of the Great Aycliffe Area Branch of the Liberal Democrat Party was held at Newton Aycliffe Sports Club last Monday evening. The meeting was well attended and it was heartening to see interest from many parts of the Great Aycliffe area, including Aycliffe Village, Heighington and School Aycliffe. Observers were also in attendance from Ferryhill, Sedgfield and Trimdon Village. The branch elected Anne-Marie Curry as Chairman, with Paul Thomas of School Aycliffe, elected Secretary. Strategies were discussed for

moving local Liberal Democrat policies forward and seeking to reduce the divide that has opened between politicians - both local and national - and the people of our area. Problems besetting the regeneration of the town were discussed. These included issues involving Town Centre toilets, as well as previous promises to rebuild The Cubby. It was pointed out that politicians had little real influence over many issues concerning the core of the Town Centre; the credibility gap arose, when senior politicians tried to pretend they were influencing

outcomes, when in reality they had little influence, over the speed of redevelopment. At a meeting earlier in the evening, Lib Dem members decided to defer the selection of a PPC for the Sedgfield Constituency to a later date. The next meeting of your Lib Dems branch will be on Monday October 5th, at 7pm, in The Cubby. Come and join us! Together we can make a REAL difference. For information about joining please contact Anne-Marie on (482415) Paul (07908 504214). or Derek (301395). Derek G Atkinson

## £1000 RAISED AT MAYOR'S CHARITY GOLF TOURNAMENT

The Mayor Mary Dalton, hosted a Charity Golf Day at the Oakleaf Golf Complex on Friday, 11th September 2009.

The event was a huge success with an amount of approximately £960 being raised for her nominated charities which are the Army Benevolent Fund (North East) and Town organisations.

The Mayor would like to thank the sponsors and supporters of the day, namely: Gregg Little Testing Centre, Royal British Legion, Tunstall Healthcare UK, Durham County Council, Newton Aycliffe Rotary Club, Upex Electrical, Don Walker Butchers, E.W. Knapton (Insurance) Ltd., John Wade Haulage Ltd., Sabre Rail Services Ltd., Newton Aycliffe Town Centre, Newton Press, Aslan Golf Ltd, Oakleaf Golf Club, Newcastle Breweries Ltd., 3M (UK) PLC, Mr. Reg. Dalton, Ellies Pies and Wilkinsons.

The hospitality tent at the 6th Tee was well received and Mary would like to thank fellow Councillors and friends for helping with the organisation of the refreshments.

The Presentation Evening and Dinner was held at The Oakleaf Sports Complex Function Room and the winners of the competition were Val's Team. The Mayor presented the team with the annual 'Hydro Polymers' Trophy.

## Film Club for Youngsters

Young people in South West Durham will soon be passionate about all things film. This is the aim of a new, year-long project funded by Northern Film and Media, Durham County Council, Spennymoor Extended Services and South Durham Arts Forum.

An after school club for over 8's will begin from 22nd September for young people to learn all about film. Scruff Productions will be the filmmakers in residence for the next year and will lead young people through the production of short films, created from scratch by them. The young people will also watch a variety of films, broadening their knowledge and encouraging them to debate what they feel is good and bad.

The aim of the project is to instil a passion for film as an art form, whether it be making, watching or both. Emily Crallan

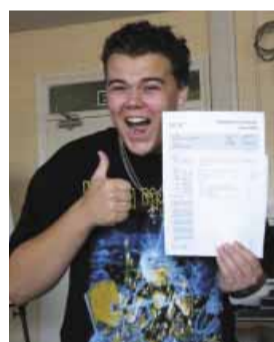

from the Arts Team, Durham County Council said, "Film is a really accessible art form that everyone will have come across before. This project will broaden that first engagement, encouraging young people to see film as a way of expressing themselves and understanding what they are watching on a deeper level."

Young people interested in participating in the Film Club, run from Tudhoe Grange School from 3.30pm (4.00pm start) until 6.00pm every Tuesday, can contact Wendy Minhinnett on 01388 815634. The project also needs adult volunteers to help facilitate the sessions alongside Scruff Productions, particularly to help with leading discussions. Anyone interested in volunteering should contact Katy Banner in the Arts Team, Durham County Council on 01388 824067.

## RECORD RESULTS AT GREENFIELD

Once again, Greenfield School has broken its own records with this year's GCSE results. At 65%, the number of pupils gaining 5+ A\*-C grades was an all-time school record, and (at 44%), the percentage of pupils gaining 5+ A\*-C (including English and Maths) was 10% up on last year.

All the pupils left with at least one GCSE qualification and only one pupil left with fewer than 5 GCSEs. The number of pupils gaining 3 or more A\*-A grades was also a school record 24%.

Some individual pupils performed remarkably well. Jim Ward, School Progress & Guidance leader, was keeping names firmly under his hat for the GCSE Prize-giving evening, but he did reveal that one pupil had gained 11 subjects at A\* or A, and that two pupils had an average grade of A or better.

'The GCSE Presentation evening on Thursday 12th November is going to be a time of great celebration this year', he enthused.

David Priestley, Headteacher, paid tribute to the good results of Greenfield's partner schools. 'With both Woodham and Sunnydale also gaining record results this year', said Mr Priestley, 'Aycliffe people can be satisfied that all three schools in the new ASSET Trust are achieving academic excellence.'

Chris Stonehouse, Deputy Headteacher, is delighted to be moving closer to our long-term target of 70%. She said. 'We want our Greenfield students to go into the world with an education and qualifications as good as any school anywhere in the country, and we are determined to achieve it.'

## BACK TO CHURCH DAY

Have you been to church in the past but haven't been for a long time? Have you sometimes felt you would like to try it again but haven't had the courage to do so?

Sunday 25th September is national 'Back to Church' Sunday and there will be a warm welcome for anyone who would like to give church a try again at Burnhill Way Methodist Church at 10am on that day.

Burnhill Way (near The Turbinia) is a small but very friendly congregation, worship is relaxed and people of all ages and abilities are always welcome. Why not give it a go?

## WHO PINCHED THE NOTICE BOARDS?

Dear Sir,  
Wanting to contact a firm in the Business Park but only having their name I thought it easy to go to the information board/direction signs at the north and south entrances.

You've guessed it! They have been removed and one has been replaced with two bench seats. So we have the breeze blocks and concrete balls, but no information on businesses who operate in the area.

Should we suspect the notorious 'Committee' or have they been stolen?

## PCP HOSTS WORLD'S BIGGEST COFFEE MORNING

*In aid of Macmillan Cancer Support*

On Friday 25th September, 2009 healthcare staff from the NHS public health team for County Durham and Darlington and employees from the Pioneering Care Partnership will be supporting the Macmillan Cancer Support by hosting events in aid of the world's biggest coffee morning.

The Macmillan world's biggest coffee morning is now an annual event and staff will be making every cup count, having fun, meeting friends old and new to join in this national event to raise money to support people living with cancer.

The events will be held from 9.30am until 11.30pm at the Pioneering Care Centre, Carer's Way, and will include: tea and coffee with scones, a selection of stalls with handmade arts and crafts, tombola and a range of displays regarding various health issues. There will also be an opportunity to see what the Macmillan Cancer Information and Support Service and

Macmillan Welfare Rights Service can offer to the people of the Sedgefield Borough.

Elizabeth Cook, Health Improvement Practitioner said: "This event aims to raise the profile of the Macmillan Cancer Information and Support Services in Newton Aycliffe whilst raising money for Macmillan Cancer Support. "The information and support centre is available for anyone who has been affected by cancer, patients, relatives, friends, offering a wide range of information on all aspects of cancer from prevention to care."

Every penny raised at a coffee morning will help fund more services for people affected by cancer. Your involvement - no matter how small - means there will be enough practical, medical, financial and emotional support to help to change the lives of everyone affected by cancer for the better. And for that, we think you should feel good!"

## Consultation on Durham's Boundaries

*How Many Councillors Do We Need?*

The independent Boundary Committee for England is asking people in Durham to comment on proposals for new local electoral arrangements in the county.

The review will decide how many councillors should sit on Durham's new unitary authority in future and will also establish new boundaries for the council's electoral divisions.

The Committee's draft recommendations, published today, include maps of the proposed new divisions that each councillor will represent. The recommendations should be available at council buildings and libraries, or online at [www.boundarycommittee.org.uk](http://www.boundarycommittee.org.uk)

Max Caller, Chairman of the Committee, said: "Having fair electoral boundaries is important, especially given that the new unitary authority in Durham is only months old. They ensure that every voter in Durham, wherever they live in the county, will have a vote of the same weight when electing their councillors."

"Earlier this year, we asked people and groups in Durham to tell us how many councillors the council should have and the areas that each councillor should represent. That information forms the basis of our draft recommendations. Now we want people to tell us what they feel the impact of the recommendations will be on their community, if they think

they can be improved, and what those changes should be."

The Committee wants to hear as much clear and well-argued evidence as possible in order to develop final recommendations for Durham. If you would like to make a submission to the Boundary Committee, please write by 7 December 2009 to:

The Boundary Committee for England (Durham review)  
Trevelyan House  
30 Great Peter Street  
London SW1P 2HW  
Or email: [reviews@boundarycommittee.org.uk](mailto:reviews@boundarycommittee.org.uk)

## Kenny Adds Steel to Aycliffe FC

A generous local businessman has thrown some steel behind Newton Aycliffe FC by becoming the club's latest sponsor.

Kenny Green, managing director of local firm DK Steel, has sponsored Aycliffe's striking new all-red away strip, made by England kit manufacturers Umbro.

Kenny has been keen to sponsor the club ever since its promotion to the Northern League and was quick to get behind the cause, paying a four-figure sum to get his company's logo on Aycliffe's kit.

"We're delighted Kenny has come on board," said the club's chairman Gary Farley, pictured with Mr Green and the new away kit. "Interest in the club has picked up a great deal since our promotion to the Northern League and we're getting a lot of interest from all kinds of businesses small and large."

"It's still proving to be an exciting time for the club." DK Steel, based at Merrington Lane Industrial Estate in Spennymoor, specialise in steel erection and inner-city developments, and are currently working on a number of high-profile constructions including parts of the Olympic Village in Stratford, London.

Mr Green said: "I've always been a big supporter of local sport and always try to do my bit. I'm delighted to become Aycliffe's away shirt sponsor and hope it's the start of a long-term relationship between me and the club."

It costs just £295 for one advertising board at Aycliffe, or £495 for two boards, while there are also a number of advertising and sponsorship packages available, ranging from £20 for programme advertising up to £1,000 for club

tracksuit sponsors.

Anyone interested in taking out any advertising or sponsorship should contact the club's sponsorship manager David Brassell on 07870 777779, or email [david.brassell@hotmail.co.uk](mailto:david.brassell@hotmail.co.uk)

Aycliffe continue their Northern League campaign with another home game against Gillford Park this Saturday (September 19, 3pm kick-off). That's quickly followed by a home tie against Peterlee Town in the Durham Challenge Cup on Wednesday September 23 and a league game against Guisborough Town next Saturday (September 26).

### Wednesday 23rd September 2009

### Durham Dining Hall - 5.30pm

## WOODHAM'S BRAND NEW COOKERY CLUB LAUNCH NIGHT

We have recently gained funding to start a new club called "Let's Get Cooking", joining a national network of cooking clubs. The aim of the club is to teach young people and their families new cooking skills.

The Club is open to parents, carers and children and will be run by our resident Chef, Phil Goldsborough. You do not need to be a great cook to attend.

**Cookery Demonstration - Tastings - Raffle - Refreshments**

**Everyone Welcome**

*Students, Parents, Grandparents, Carers and friends from the local community*

**Please come along, we will be delighted to see you.**

**Suppliers and Installers of:**

- Orangeries
- Garden Rooms
- Windows
- French Doors
- Roofline Products
- Conservatories
- Porches
- Doors
- Patio Doors

Visit our showroom and view the latest technology in door and windows locking systems. All of which stood firm against a 15 minute attempted break-in test carried out in our factory using a full tool kit, including a crowbar and battery drill.

Crime prevention officers from across Durham County were in attendance. They were extremely impressed by the demonstration and all agreed that this level of security should deter even the most determined intruder, allowing householders to sleep a little easier at night.

## Art Exhibition at Woodham

Elaine Vizor, of the Woodham Community Arts & Crafts Group, will be featuring her photographic work at the Woodham Art Group Exhibition on Saturday 19th September 10.00am to 4.00pm at Woodham Community Centre. She recently completed her "Head" portfolio, where she chronicled the "In Our Image" project through the fabrication process-from the making of the steel sculpture to its installation and beyond, working alongside Aycliffe Fabrication's workforce. An opportunity to purchase this and more recent work.

## LEARNING ABOUT DOGS

The children at Woodham Burn Out of School Club would like to thank Louise from Darlington Dogs Trust for visiting with her dog 'Bailey'. Louise and Bailey helped

show the children how they can become responsible dog owners keeping their dogs happy and healthy. Louise educated the children using various resources; including a DVD of the dogs trust centre where people can adopt a dog, designing their own dog collar and an interactive talk using props to interest the children. At the end of the year the out of school club is planning to re-visit the Dogs Trust Centre in Darlington with a hamper of donations which they are starting to collect. To find out more information about the club, arrange a visit or to book a place for your child during term time or school holidays, please don't hesitate contact Kendra on 01325 300080.

## A LEVEL BLUES? HOW ABOUT A FREE GAP YEAR?

Dear Sir

As the dust settles after A-level results and people are wondering what step to take next, I would recommend taking a gap year to try out new things. You will never again be as free as you are now, with no major financial commitments or family constraints.

At the end of Year 13, after spending some time travelling round the Far East, I signed up to volunteer with CSV (Community Service Volunteers). I spent the first 3 months in Cambridge supporting a child with learning difficulties. I then moved to London to help run CSV's 'Young at Heart' project which focuses on breaking down barriers between the generations.

I organise events to help different generations gain from each other's skills. I'm gaining experience in project management, marketing and media as well as living in London on the cheap as CSV pays my expenses and provides me with an allowance.

The world has more to offer than university places and I think every young person should have the opportunity to try something else that challenges their expectations about the world of work.

To find out more [www.csv.org.uk/gapyear](http://www.csv.org.uk/gapyear) or 0800 374 991

## Business Network Seminar at the Racecourse

Would your business/organisation still operate without people? I imagine not, but do you really understand the capability and value of the 'People Power' within your business?

This event on Tuesday 13th October 2009 will help you to look at your operation differently and make the right choices when it comes to staff development and training.

Can you identify where there are capability and compliance risks in your business? Find out how to manage and increase the capability and performance of your business through your people by making the right choices and investing wisely.

Host Organisation is e4 Learning Solutions Limited [www.e4learningsolutions.co.uk](http://www.e4learningsolutions.co.uk) The Presenter is Darren Race, Managing Director. It will be held at Sedgfield Racecourse and starts at 6pm. Refreshments and buffet provided. To Register: please contact Darren Race M: 07947 409838 or email [info@sdbn.org.uk](mailto:info@sdbn.org.uk)

## Party for Young Bookworms

A school holiday reading scheme will have a happy ending this weekend when the winner is announced. The winner of the Questseeker's Summer Reading Challenge will be chosen during a party in Durham, on Saturday, 19th September. One lucky bookworm, who has taken part in the challenge, will be picked to receive a £125 voucher to spend at Cycle Force 2000. Organised by Durham County Council's library service, the six-week scheme aimed to encourage children of primary school age to read more. Young participants were given stickers, pens and other items whenever they borrowed a specific number of books from libraries across the county.

# Prevent DLA and AA Benefits Being Abolished

Dear Sir,  
A government green paper has revealed proposals to stop paying 'disability benefits, for example, attendance allowance' and hand the cash over to social services instead. Under the plan, current claimants would have their disability benefits converted to a 'personal budget' administered by local authorities and used to pay for services - not to spend as they wish.

Once the green paper consultation period ends in 100 days time, if an almighty row has not been raised, it is likely that both major political parties will see the lack of outrage as a green light to end both Disability Living Allowance and Attendance Allowance. We're looking for a minimum of 1,000 claimants, carers and support workers to join our campaign to save these benefits from being abolished. We know that many people will take false comfort from the fact that, unlike AA, DLA is not specifically named as being for the axe. But if the government was planning only to abolish AA it is extremely unlikely that they would refer constantly throughout the green paper to 'disability benefits', a term which includes not just AA but also DLA. Others will dismiss this as just another idle discussion document and our concerns as scare mongering, but it's much more than that. 36 meetings have already been organised

around the country for people working in government and the caring professions to meet to be told about the setting up of a new National Care Service which would oversee the system. In addition, a stakeholders panel of more than 50 voluntary sector organisations, trades unions and academics has been established to offer advice to the government. Some organisations and individuals, such as RNIB and welfare rights worker Neil Bateman writing for Community Care magazine, have already voiced their alarm.

But not every disability organisation is opposed to the proposals and some even agree with them. In a press release, Disability Alliance has welcomed the publication of the green

paper and said that it 'looks forward to working alongside Government and all the other stakeholders in bringing these plans into fruition.' They have even said that they agree that there is a case for 'integrating disability benefits such as attendance allowance' into the new system. One thing everyone does seem to agree on is that huge cuts in public spending will have to take place in the next few years as a result of the credit crunch and global recession. Political parties are desperately looking for the softest targets to be the victims of these cuts. Dismissing the green paper's proposals as hot air and not worth worrying about could be the costliest mistake you ever make.'

# PHOTO COMPETITION FOR BOROUGH HOMES YOUNG TENANTS

*100 Free Cameras Available*

Sedgefield Borough Homes (SBH) has given young people who live in their properties an exciting challenge to use the art of photography to capture the images that – in their eyes – represent the heart of the communities in which they live. Inspired by the SBH ethos of 'working with the community at heart', the innovative Competition, which is sponsored in partnership with Bullock Ltd, carries an exciting range of prizes for four winners in each of three different age categories: up to seven years old; eight to 12 years old; and 13 to 16 years old. The 12 winners will also have the thrill of seeing their photographs reproduced in the SBH 2010 Calendar, which will be distributed to 8,500 homes this December. To make the competition as inclusive as possible, SBH is providing up to 100 disposable cameras free on a 'first come first served basis' to youngsters who would not otherwise have

access to a camera of their own for the competition. Colin Steel, Chief Executive of SBH says: "We are looking forward to getting the young people's perspective on the places, people, buildings, organisations and so on which they place at the heart of their communities. "We are also thrilled that our new partner contractors Bullock Ltd have come on board to show their support to the people of our community by sponsoring this competition." Full details on how to enter the competition can be obtained from the autumn issue of SBH Living, which is delivered free to all SBH households, or by telephoning Steven Dawson at SBH on 0845 5055500. For more information ring AngelaSmurthwaite,Marketing & Communi-cations Officer on 0845 505 5500 Ext 4625

## NEVILLE COMMUNITY CENTRE

The Friends of Senior Citizens volunteered to collect the petition for Town Centre Toilets from the shops. Over 2,500 people have signed the form and together with the ones organised by Newton News now total over 3000. It is clear from this response that Durham County Council must provide toilets in the new scheme. But that is in the future and they have to provide temporary toilets in the meantime as the new development could take over 4 years. I know there are facilities in the Leisure Centre, but you have to stand in line to be admitted through the turnstile to use upstairs toilets. If you are disabled you then have to wait for the lift and walk along the corridor - Oops, too late! Don't forget the Big Band Concert on Saturday 6th October at 3pm. To book to collect your tickets at the door please ring 313924. Line Dancing for beginners every Monday at 1.30pm Just turn up for a warm welcome. Sainsbury are holding a Charity Karaoke event for us at the Oak Tree on Thursday 15th October at 7pm. To book ring 313924. If you are interested in an Over 50's Tea Dance with tuition by Dianne Howe please ring the same number.

# Local Businesses Get Something to Shout About

A pilot scheme specially designed to develop and strengthen local business is set to be launched in County Durham. SASDA, the enterprise agency for the former Sedgefield Borough, with partners South Durham Business Network has developed the Business And Communities Together network (BACT) which aims to provide a forum for local firms. It wants to bring together local businesses from all walks of life, from greengrocers and gardeners to painters and plumbers, to meet and discuss local issues, provide a united voice to help solve problems and develop and implement new policies, and to share ideas. Karl Bone, Chief Executive of SASDA commented: "The concept of the Business and Communities Together is an exciting new project which will hand local business

communities a unique opportunity to come together for the good of each other's business. Getting access to the wider business network community with South Durham Business Network is also a brilliant added bonus and should help local businesses connect to a much wider group. The BACT is all about giving small, local businesses a voice in their community, a forum where they can come together and tackle local issues collectively." Businesses which join and engage with the BACT will also get access to the South Durham Business Club and in turn form part of the network of north east business clubs which exist in the area. Firms are being invited to join the first BACT network in Trimdon held next month and which will be repeated across the South Durham area over the coming months.

# IMPROVE THE PARK

Dear Sir,  
I live near West Park Lakes and agree it is quite beautiful. I feed the ducks and their babies every day. Money should be spent on providing an island in the middle of the lakes to protect the birds from children and dogs. The park could be a real attraction and I urge the Town Council to invest in this amenity.

# Free Soup at the Legion Leek Show

The British Legion 47th Annual Leek & Vegetable Show is on Saturday 26th September. Exhibits to this Open Show can be staged from 8.30am and be cleared by 1pm. for judging. Dahlias, Chrysanthemums, Vegetables etc. can be shown and there is no entry fee. Members of the Leek Club will also show their leeks in a separate competition. Schedules are available from the British Legion Bar. The public showing is from 6pm and children are welcome accompanied by adults. Free Soup will be served and the bar is open to visitors.

# What Nerve!

Dear Sir  
 I read with incredulity the article from Derek Atkinson initiating a Liberal Democrat Party in Newton Aycliffe. Is this the same person who wrote with outrage in the Newton News about me going back to Labour? Mr Atkinson to my knowledge has now been in three political parties, The Labour Party, The Independents and now the Liberal Democrats. I hope people remember this when considering his appeal to join him.  
 Councillor Enid Paylor

# Town Centre Cleanliness

Dear Sir,  
 I recntly visited Middlesbrough Town Centre and was absolutely amazed how clean and tidy the streets were. Returning to our Town Centre, with considerably less people about, I was disgusted by its state! What is the difference? Middlesbrough has CCTV cameras and loudspeakers so operatives can tell litter louts they are offending. When this system was introduced I remember the outcry over "Big Brother" tactics. If this is what it takes then welcome to Big Brother!  
 Bill Amos

# Licence Applications

**Licence Application**  
 (Licensing Act 2003)  
 Take notice that Shanmugam Sandanarajah has applied to Durham County Council under the Licensing Act 2003 for a new premises licence in respect of the premises known as Woodham Services, Burnhill Way, Newton Aycliffe, DL5 4UU. A brief description of the proposed licence is as follows: Supply of alcohol – Monday to Sunday 0800 to 0000, Late Night Refreshment 2300 to 0000 and the opening hours for the premises 0600 to 0000. Full details of the application are held and can be inspected at the Licensing Authority, Durham County Council, Council Offices, Spennymoor, DL16 6JQ during normal office hours. Interested parties or responsible authorities can make written representations to the Licensing Authority in writing by the 7th October 2009 at the address above. It is an offence knowingly or recklessly to make a false statement in connection with an application and the maximum fine on summary conviction is £5,000.

# MORE YOUNG COACHES FROM WOODHAM INVITED TO AMERICA

After a summer that they will never forget, seven young sports coaches from Woodham Technology College have arrived back in the UK after spending a month in America. The group of coaches who spent four weeks working on a traditional log cabin style American summer camp in New Hampshire have been telling their stories of how they have had the best summer of their lives!

The seven young coaches, all aged 16, were the first ever students to take part in the unique COACH USA programme that Woodham Community Technology College have designed in partnership with local sports coaching company Active Inclusion.

The programme is the only one of its kind in the UK which offers students as young as 16 the opportunity to go and coach in America. During their time at Camp Cody the students coached American children aged 7-16 in a range of sports such as basketball, football, mountain biking, water skiing, swimming and archery.

If having the summer of a lifetime wasn't enough, all seven of the coaches have also been thrilled by the news that

Camp Director, Phil Ross, has offered them the opportunity to return to Camp Cody next summer.

During Mr Ross's visit to the UK and Woodham last week, he commented on what a wonderful job the students had done and how they were fantastic role models to young people in America. He was delighted with the maturity and enthusiasm that they all displayed whilst on Camp and is hoping to see them all back next June for a longer period of time.

Mr Ross was also at Woodham to discuss extending the current COACH USA programme to include more young people this year. Jon Tait, Director of Student Support at Woodham said "Due to the massive success of this programme this year, and as a result of the seven students' wonderful performance on camp this summer, we are able to extend the COACH USA programme to offer 10 new places next summer, along with an additional 7 seven places for our returning young coaches".

Darren Anderson, Managing Director of Active Inclusion, said "This is an amazing opportunity for local young people and it has all come on

the back of how well our seven young coaches have done this summer. I am really proud of each and every one of them and I am now looking forward to seeing them mentor our new group of coaches that we will be sending to America next summer".

There is also the opportunity to widen the programme's appeal across the college with a new opportunity available this year to specialise in areas outside of traditional sports coaching including our Technology specialisms.

Woodham students will be able to apply for positions on

the programme at the start of October, when the college will hold its now annual recruitment evening for year 11 students who wish to travel and work at Camp Cody during the summer.

## Art Exhibition at Greenfield

EDAN arts (East Durham Artists Network) will be exhibiting in the Greenfield Gallery, Newton Aycliffe, from 26th September until 15th October 2009.

The exhibition preview opens from 6pm-8pm on Wednesday 26th September. The network includes many types of artists that practice in a variety of medium including textiles, wood, paint and pencil.

The exhibition is full of interesting art work and ideas and is well worth a visit. Call the Arts Centre for opening times on 01325 379 048.
