Lesley Cavender, DISC Director, thanked everyone for coming and welcomed Counc. Barbara Clare, Mayor of Great Aycliffe who officially opened the scheme. "We are really proud to welcome you all here today and share with you the opening of our More Time furniture scheme and café. It's a much needed service in the area and we're looking forward to being able to help people across Count Durham through the scheme" said Lesley.

Clare Singlewood, DISC Housing Manager, then spoke about the history of the scheme and how it came about. DISC has a long history providing housing support to vulnerable

# USED FURNITURE SHOWROOM & CAFE NEAR THE BLUE BRIDGE

continued from Front Page

Left to right: Liane Robinson, Lesley Cavender, Mayor Barbara Clare and Chairman Chris Mathews Maxwell

groups, helping people to obtain and maintain accommodation. "We've always had ambitions to set up a furniture scheme and with the announcement of the welfare reform changes which was clearly going to result in more people than ever before being in financial hardship, we began seriously exploring the opportunity. At the same time DISC decided to provide a cafe alongside the furniture scheme" said Clare.

Liane Robinson, Manager,

spoke about More Time, a social enterprise owned by DISC, offering employment and volunteer opportunities through this scheme and others such as a cleaning contractor and housing renovation in Hull and the North East.

"We have two volunteers on the furniture scheme, helping with deliveries and collections, cleaning up furniture and dealing with customers. We also then have our full time café co-ordinator Gavin who

is supported also by three great volunteers, Mark, Anna and J. Mark is fantastic with the customers, a real charmer. Anna bakes all the yummy cakes for and J prefers to be behind the scenes in the kitchen putting his catering experience to use. Volunteers get the opportunity to develop their skills in catering and customer service and they really help enhance the scheme, thank you to all of our volunteers" added Liane.

The Mayor cut the ribbon across the plaque, declaring the scheme officially open and said "Thank you very much for asking me to come along today. I'm really pleased to see the great work you're doing in the area. Thank you for bringing your vision and experience to help support the people of County Durham."

More Time is a social enterprise trading subsidiary of DISC specializing in domestic, commercial and building site cleaning. As part of our ongoing development and expansion we are working with DISC Housing Services to deliver and renovate empty homes as well as setting up and opening the furniture scheme and café at Newton Aycliffe.

We are always looking for new volunteers to help support the scheme. If you are interested in learning new skills, meeting new people and giving something back to your local community, we may have the opportunity for you. Volunteers are usually given work wear, a daily lunch allowance and reimbursement of travel expenses to the value of £15 per week.

For further information and an informal discussion please contact Liane Robinson 01325 731 160

Do you need good quality affordable household items? We have a range of good quality refurbished household

items which are available at an affordable price, furniture, white goods, beds, children's furniture & prams, etc.

## Members Asked to Use "The Big Club" or Lose it

Dear Sir,  
Newton Aycliffe Workingmen's Club, affectionately known as "The Big Club" was formed over 50 years ago by men who wanted a safe haven with facilities to improve the social life for themselves and their family. Over time the building has been extended becoming a Mecca for entertainment, and enjoying the patronage of thousands.

Unfortunately time has also brought no favours as legislation by various governments, introducing austere measures, have caused the membership to reduce. This is graphically witnessed by the demise of the Southerne Club and Horndale Club.

To save "The Big Club" following this route the answer must be for all members to use their club as often as possible.

The club has rooms to

facilitate all kinds of functions from small gatherings to large wedding all free of charge. Refreshments are cheaper than lots of places and are of a high quality.

New members are always welcome and the annual subscription is only £5. Younger members, 18

and over, are particularly welcome as they will ensure the future of the club and it remains part of the backbone of Newton Aycliffe in its diverse structure.

Never has the adage "Use it or Lose it" seemed so omnipresent.

G. C. Gill, former Secretary of the club.

The Very Best of Rock - Normally NO Cover Charge  
**Saturday 21st September - "Sabbatica"**

An evening of classic BLACK SABBATH music from the Ossie era

Davy's Rock Page review: "The singer had great presence even managing a stand up comedy routine in the middle of a broken string break. The other three members of the band were excellent, it's unfair to give the lead guitarist all the lime light, but lets face it, the lead guitar is like the centre forward, he gets all the attention, and boy did this guy milk it and deliver some fret work that left us totally speechless, it's not often we are totally blown away but this guy did it, some of his solos made the hairs on the back of ya neck stand up. The bass was fantastic and the drummer gave an equally great performance, this may sound like we are going over the top but its not hype, we are paying £12 to see a U2 tribute band at the Customs House, and to be honest after Hearing SABBATICA we would gladly pay the same amount to see them - www.sabbatica.co.uk

**Saturday 28th September - "Elenbak"**

Covers by Bad Company, Free, Sabbath, Poison, Brian Adams, Eurythmics and many more. Review: "What a bunch of fighters these guys are! Back again after previously strong showings in past BOTBs, Elenbak return with yet more melody driven and insanely catchy soft rock. More new material in their excellently delivered set, but still it's the wonderful 'Samantha' that gets under your skin and refuses to be ignored - a summertime hit single if ever I heard one. Partnered to familiar favourite 'In This World' these are two great songs that really show the quality running through this band. Closing with a triumphant 'Someday' you have to believe that there is a cracking AOR album in this band just begging to be unleashed."

## Access to Town Centre Still Annoyingly Denied

Barrier between Aldi and Coffee Pronto

Fence at the back of Aldi cutting off a footpath between the shop and Magistrates Court Fence

Following complaints that the barrier still exists between Aldi and Coffe Pronto Newton News again contacted Bryan Haldane the Town Centre Manager. He said they were still resolving a Health & Safety issue, but it would be coming down soon to allow direct access from the multi storey car park into the Town Centre.

Observers in this area can't help noticing another unnecessary barrier to pedestrians from Greenwell Road where there is a well laid and safe footpath at the back of Aldi which has been blocked. It seems very easy to create this rather special pathway, which is of no use to anybody, while important access and footpaths are delayed.

**Music:** Bridie Jackson and the Arbour on Sunday 22nd September 7.30pm. Bridie Jackson is returning to her home town Bishop Auckland for this concert. Sitting "somewhere between the lushness of Norah Jones and the quirkiness of Joanna Newsom", Bridie Jackson & the Arbour's music is simultaneously beautiful, ethereal, dark and powerful. They released their debut album in January 2012, with a sell out show at the Sage Gateshead and have since gained national recognition with a radio play on BBC 2,3, and 6 Music and a live session on Radio 4s Loose Ends. Most recently revealed as winners of the 2013 Glastonbury Emerging Talent Competition, they are "the kind of beguiling, affable folk band whose sound feels so natural and inviting you wonder why your first listen wasn't so much sooner".

Also Newcastle based singer-songwriter Ditte Elly. With an acoustic guitar and an unassuming stage presence, Ditte Elly offers a voice with an enchanting quality, capable of bringing an audience to silence. Tickets: £10.00 / £8.00 concessions

Over the summer break support staff worked feverishly to replace all of the school's existing stock of computers with 410 brand new, state of the art machines. Each machine comes with high definition widescreen monitors and the latest industry standard software for creating webpages, graphics, animations and mobile applications.

This, combined with 6 specialist ICT suites, 2 specialist Computing teachers, further computer suites in specialist areas (such as Music, Technology, Literacy and Health and Social Care), iPads, WiFi access and at least one computer in every classroom is

guaranteed to provide Woodham Academy students with the best chance for accessing current jobs and those in emerging markets such as expert systems, security, software development and multimedia.

Computing teacher Mrs Lind said "I am delighted with opportunities the new technologies will bring to our Computing students. The new computer set up, along with our outstanding ICT results in the summer puts us in a unique position for the start of the academic year"

Mrs Lind is also taking advantage of the new computers to deliver the nationally recognised Computing Club for Girls (CC4G) course for years 7 and 8 on Tuesday lunchtimes in her computer suite, room 111.

# PCP Joins World's Biggest Coffee Morning

The Macmillan world's biggest coffee morning is now an annual event and the Pioneering Care Partnership (PCP) will be celebrating by hosting a 'coffee with crafts' event at the Pioneering Care Centre.

The Coffee Morning is taking place on Friday 27 September between 10.00am - 1pm. In addition to the refreshments sold in the Mall Coffee Shop within the Centre, there will be stalls selling jewellery, knitted products, memory jars, crafts and other items.

There will also be an opportunity to see what the Macmillan Cancer Information and Support Service can offer to the people in this area.

Jane Hartley PCP Chief Executive said: "The event aims to raise the profile of the Macmillan Cancer Information and Support Services based here in the Pioneering Care Centre whilst also raising money for Macmillan Cancer Support.

We are so pleased to have the Macmillan information and support centre as tenants of the Pioneering Care Centre as it offers a wide range of information on all aspects of cancer from prevention to care and is available for anyone who

has been affected by cancer, patients, relatives and friends. Every penny raised at the coffee mornings will help fund more services for people affected by cancer."

# Aycliffe Biker (55) Finishes 900 mile Ride

Dear Sir  
I completed the Charity Bike Ride from Lands End to John O'Groats in 9 days. I cannot quite believe that at 55 years young I managed the ride and it was a fantastic experience. I had pledged to raise £1800, and I am up to £1421, so still a little short, but hoping to hold a Pie and Peas Supper and appeal for more sponsorship.  
The photo above is at John O'Groats at 2.30pm where all the other riders cheered me in. I was only 20mins behind the riders in front of me and there were plenty of tears.  
The other riders presented me with the 'yellow shirt' for the 'Rider of the Tour' which really humbled me, and I was touched to see how much they appreciated the effort I had put into the ride. I couldn't afford time to stop to take photos as 100 miles is a long way to cycle each day. I have some amazing scenery captured in my memories. This was an amazing challenge and I still cannot believe I did it.  
I thought I would have time to think while cycling, I did think. . . . how on earth do I get up that next hill? Will there be any food left at the next pit stop, how far behind everyone else am I, can I really eat my evening meal straight off the bike with no shower? (yes!)

I was first rider away every

morning and at least 30 mins before everyone else. Up at 5am, eat breakfast and on my bike by 7.15am and I arrived into evening camp up to 2 hours behind the riders in front of me. I thought about each section

at a time to the next rest stop, and there were often tears of relief as I arrived. Without the amazing support behind me I couldn't have done it, thank you to everyone.  
Many thanks, Lesley Thompson

# County Council Report

by County Councillor John Clare

Every month the Cabinet deals with hundreds of pages of reports. Wednesday 11th September's meeting was no different.

## MONEY MATTERS

Reports on the Medium Term Financial Plan and on the Budget Outturn recorded that the Council is on target to meet its projected cuts for this year. However, just before the summer holidays, figures released by the government revealed that the 10% cut for next year announced in the government's Spending Review will actually be – for County Durham – 16.4%. The cuts for the north and the more deprived areas are much heavier than those for the wealthier, south-east councils, and representations are being made about this disparity. There has been some suggestion in the press that the County Council should use its earmarked reserves to prop up spending, but the report showed how they are just that – 'earmarked' – for other purposes (such as redundancy, housing benefit subsidy, etc.) and were not available for revenue spending.

## GOVERNMENT POLICIES

The Cabinet also receives regular updates about changes to government policies. The pace and degree of change at the moment is unprecedented – and the new policies are not just chaotic, they are not working. If you want an idea of the kind of challenges facing the County Council, you can read the Welfare Reform Update online at [bit.ly/DCCwelfare](http://bit.ly/DCCwelfare), and the Update on the Implications of Government Policy at [bit.ly/DCCgovt](http://bit.ly/DCCgovt)

## ISSUES NOT AFFECTING AYCLIFFE

Three issues addressed by the Cabinet did not affect Aycliffe directly, but you may be interested:

- A consultation has been launched (at [bit.ly/DCCpatrols](http://bit.ly/DCCpatrols)) on removing lunchtime crossing patrols from 60 schools where they are no longer being used because the children now stay at school for their lunch. No Aycliffe schools are affected by this decision.
- Cabinet also decided (after consultation) to amalgamate Ouston Junior and Infant Schools (in the north of the County) into a single school; this is better educationally and is a way of securing schools which might otherwise, given the cuts, be under threat.
- 'Digital Durham' is a government-funded scheme to roll out broadband to the rural west of the county.

## OTHER MATTERS

New LED street lights are being put into place in a number of locations around the county, including in Aycliffe, and I have had some complaints and (admittedly fewer) positive comments. The Street Lighting consultation does not end until 26 September and I would urge anybody with comments to make them via [bit.ly/DCCLights](http://bit.ly/DCCLights)

Finally, the County's programme of guided walks for October-March is now available via [bit.ly/DCCwalks](http://bit.ly/DCCwalks) – and don't forget that the opening hours of Heighington Lane waste recycling centre will be changing from 1 October ... to 9am to 3:30pm, seven days a week.

# Eat, Work and Play

A structured lunch time initiative at Stephenson Way is proving to be a great success with pupils. Whilst still able to enjoy free play on the yard or field, since the summer term children have also been offered the chance to attend one of several staffed "clubs" which offer various fun activities.  
Art Club offers the children the chance to enjoy a creative session where they can be productive with a selection of art materials. The club operates as an incentive scheme, whereby children earn Art Passes through good, helpful behaviour and exceptional classroom work. With a little helping hand from Miss Strong, so far the children have crafted tissue paper flowers, bookmarks and bracelets amongst many other things.  
ICT club offers the children a chance to work on the computers. Like the Art club, the children must earn their ICT passes which means that the club's impact stretches further than just the lunchtime period. Many children enjoy simply

playing games whilst some like to create photomontages or experiment with software they have used in class.  
The football club makes use of the enclosed football area on the yard and allows children from all year groups to play together in mixed teams in a winner-stays-on format. The presence of a staff member to act as referee means the games are contested fairly whilst the format maximises each child's playing time.  
Since beginning in the summer term, the club has developed a friendly yet competitive atmosphere. The enclosed playing area also means that the rest of the children playing outside enjoy more space and can play without fear of getting hit by a stray ball.  
The guidance and support provided by the staff help the children make the most out of their free time and the access to ICT and art equipment means that children now have the option to access education throughout the whole school day.

# CHANGE TO COUNCIL GARDEN WASTE COLLECTION SERVICE

Dear Sir,

For a number of years the Council under a number of differing titles have supplied us with a special wheelie bin for the sole use of disposing of our garden waste through a fortnightly collection service. They, in their infinite wisdom, have now decided this will no longer happen due to the need to save money, but I have a number of questions:

1. Why do they think everyone can afford the suggested fee of £20 to continue to use this service in these austere times?
2. What do they suggest happens to the wheelie bins of the people who choose not to use the £20 service?
3. How do they expect people with large gardens to dispose of their rubbish if they can't afford the £20?
4. What about the money recouped from compost they have sold, made from all the garden rubbish collected in the past?
5. Do they think it will be a viable operation to run if only a few people continue to use the service on payment of £20, or will they then lose it for lack of support?

What I think will happen is that the majority of users will revert back to what they did before garden bins were introduced and that is to bag it and put it into the ordinary bin. This will then increase the amount the Council have to pay in taxes for landfill rubbish.

Please use your common sense, Councillors, and leave the system in place, or be prepared to pay the extra landfill taxes without complaint with no savings made by this decision. Name & address supplied

# Greenfield Host Play for Primary School Students

Last week Greenfield Arts were pleased to host a performance of "Cuddy and His Mates" for students of local primary schools. Greenfield Arts raised the funding for the show which explored the childhood lives of Northern Saints: Bede, Cuthbert and Godric.

The play was commissioned by Queens Hall Arts, produced by Jack Drum Arts and Mad Alice Theatre Company, and written by Julie Ward, inspired by the return of the Lindisfarne Gospels to the North East. More than 150 students in Years 4, 5 and 6 from Chilton Primary

School, Heighington Primary School and Byerly Park Primary School joined us on Friday 13th September for this fantastic performance which was enjoyed by all!

Greenfield Arts will be hosting another great live performance in October as part of Family Learning Month, "My Granny's a Pirate" is suitable for children ages 6 and under and their parents, part of a programme of live performances we have planned for the coming months. For more information visit our website [www.greenfield-arts.co.uk](http://www.greenfield-arts.co.uk).

# Petition to Keep Fireworks Display

**To the Town Clerk . . .**

Dear Mr Bailey,  
Please accept a petition by the people of the Acorn Residents Association area who believe that removing the Guy Fawkes Night celebrations will impact detrimentally on the safety of various residents in Great Aycliffe and may result in damage to property in the town. It is our belief that instead of having a central supervised event many members of the public will have individual parties which will add pressure on our police and fire service and may be more dangerous than the current arrangement at the Oak Leaf Complex. Nowhere in any election literature from any candidate, any individual or Party at the recent elections was an election pledge to reduce facilities in our town.

Please give an assurance that any safety issues will be addressed and our fireworks display will be resumed in 2014.

Ken Robson  
Chairman Acorn Residents Association.

**To the Townspeople . . .**

Please ask as many of your friends and family to support this campaign as possible and feel free to either send to your local councillor, Great Aycliffe Town Council offices, direct to Mr Andrew Bailey Town Clerk, adding comments on your views if you wish.

Alternatively as a resident of the Newton Aycliffe area you can always telephone our Council to state your views on 300700. Remember your Council is elected to represent your opinions.

# Prize for Design of Logo on Cyber Bullying

Ron Hogg, Durham's Police and Crime Commissioner, has kick-started his campaign to tackle cyber bullying, with the launch of a logo design competition aimed at secondary school students.

Ron said: "The purpose of this competition is not just to design a logo, but to get young people talking together, and with their teachers, about the dangers of cyber bullying and the effect this can have on victims."

"With more and more reports in the media nationally of young people being targeted over the internet by bullies, it is important that we work together to keep our young people safe. "This is a great opportunity for

pupils to get creative, whilst at the same time, discussing something as serious as cyber bullying in their school environment".

The winner will receive a Kindle Fire HD and two runners-up will receive a £20 Waterstones giftvoucher. The school which the winning pupil attends will also receive a £250 cheque. The winning logo will be used as the official branding for the Commissioner's Cyber Bullying campaign.

The competition is open only through secondary schools and entries must be received by Tuesday 22nd October 2013. Schools will be notified directly of how their pupils can enter.

# HELPING HANDS FASHION SHOW GIVEAWAY

Fashion Show Waiters

Due to huge popularity the Helping Hands team hosted their 2nd Fashion Show in just 6 weeks. Alwyn White project leader said 'I was astounded by the dedication of the team, especially our fashion show director, Caroline Sturgeon. Our guests were welcomed and given drinks on arrival and the models gracefully took the floor to display beautiful clothing, shoes and accessories'. All models were from Life Church in Newton Aycliffe that meets every Thursday at Greenfield School main hall at

7pm. They aged from teens to a pensioner - none want to be supermodels just role models. Many thought they would never be able to do anything like this and it boosted their confidence.

After the show Kerry Wootton told the story of how her life has been changed round for the good. Deborah Taylor-Smith sang 'Hero' by Mariah Carey. All the items were given away to those who need them most! Entry was by invitation and each person received five vouchers to redeem on the evening for items of their choice as well as a free gift. It was a lot of hard work but wonderful to see the clothes looking so great on the models. They looked relaxed and happy as they walked down the catwalk. We received such great feedback and thoroughly enjoyed putting on the fashion show and look forward to the next one scheduled for Sunday 24th November at Bethany Centre with the theme of 'Winter Wonderland' We are looking for musicians to play the violin or harp as our guests arrive and other musicians to play throughout the show. Please contact Caroline Sturgeon 07779 708844 to offer your support or to see if you qualify for a free invitation for what promises to be another amazing event!

## Exciting Newton News

Dear Sir,  
May I add my congratulations to all at Newton Press in celebration of fifty years and publishing this excellent paper. I am sure I am not alone in saying that when it drops through my letter box every week, it still excites me in anticipation at what I am going to read about life in our town. A big thanks to Syd, Paul, Stuart and Christopher and indeed all of the workforce who continue to make this the longest running free publication newspaper in the UK. It gives everyone their own freedom in expressing their views and opinions, which in this modern day and age is high impossible. Well done and many, many good wishes to all, as you continue to highlight activities, businesses and all the very worthy articles which are a pleasure to read, and the photographs a pleasure to see. Thank you Newton Press, long may your business flourish and continue to bring enjoyment to all who read it's pages. God Bless you all  
Pam Lovelass

# MORE RECRUITS FOR AYCLIFFE AIR CADETS

As a result of our attendance at the Great Aycliffe Show, 1407 (Newton Aycliffe) Squadron Air Cadets are pleased to welcome our new recruits. They are already getting stuck in to all our activities and will soon be enjoying their first flight in a glider. Two such new starters, Cdt Keith and Leighton, joined the rest of our staff, cadets and their families at the Battle of Britain memorial parade on Sunday at Durham Cathedral. Aycliffe was, as ever, smartly represented by our cadets, with Cdt Olley carrying the squadron banner and Sgt Lowe playing in the band. On Sunday 1st September our squadron competed in the inter-squadron swimming competition at Stanley. There were some excellent swims from all our competitors. F

Sgt Graham won bronze in the 100m butterfly and Cdt Olley was 3rd in the individual medley. Our senior men team came second in both their relay events which, when

combined with their strong individual results, led to them coming 2nd in their category. Overall our squadron finished 5th, an excellent result for our relatively small team.

## 11 year old Adara's Haircut for Charity

On Thursday 22nd August Adara Natrass of Clanny Road took part in a sponsored haircut and raised close to £500 for charity CLIC Sargent as well as donating her hair to Little Princesses where it will be made into a wig for a little girl who has lost her own hair to cancer. Adara is 11 years old with beautiful long blonde hair, but she took the decision to have it cut as she was moving to senior school and the fact it was becoming impractical during her favourite hobbies

of gymnastics and streetdance. But she recognised that while it was no longer any use to her, she could maybe do some good while getting it cut off. The big cut was held at Carrie Hairdressing on North Road and despite being such a huge change, Adara is very pleased with Carrie's handywork and the end result. Adara is still accepting donations to Virgin Money Giving page at [www.virginmoneygiving.com/adaranatrass.bigchop](http://www.virginmoneygiving.com/adaranatrass.bigchop) until 22nd November.

## NEW GREAT AYCLIFFE COMMUNITY AID SCHEME MAKES GOOD PROGRESS

The meeting called this Monday by Great Aycliffe Residents' Association to create a partnership of all organisations helping people in need was very well attended. In a very useful debate chaired by Syd Howarth various points of view were put forward with the aim of bringing everyone together to provide a co-ordinated approach to alleviate the growing problem of poverty in the community. Syd made the point that in no way was there a move to duplicate existing services being provided and each partner would retain its own identity.

The aim of the scheme is to bring the partners together to share expertise and aid, to ensure no one slipped through the net. Data and cross referencing should help verification and avoid duplication.

A central storage unit would be made available to the partnership from where goods could be distributed. Negotiations are ongoing to provide the space with a factory owner and Disc at the Blue Bridge Centre. It is envisaged that food and household goods could be donated in bins for the purpose, placed in town shops and other public premises.

Volunteers would help in the collection and distribution of goods to people who apply for help or who are referred to one of the partners. Included in the scheme would be providers of furniture, bedding, white goods or any items people in crisis may require. Concern was raised over abuse of the scheme and it was thought these instances

were minimal. One of the aims was to produce a local directory to list every port of call for aid and assistance including all the agencies and voluntary groups such as the Credit Union, CAB, CAP, MIND, Women's

Refuge, Health agencies etc,etc. Having cleared up any misunderstanding the general consensus was to arrange a further meeting to form a steering group to decide the way forward.

## Prizewinning Aycliffe Cake Decorator

Olivia Dunn (17) from Aycliffe was one of a number of budding cake decorators who entered a competition to design and decorate a cake to celebrate 175 years anniversary of Darlington Town Mission.

Olivia beat all other entrants to win 1st prize and was asked to attend an official dinner for the Mayor of Darlington and members of the Darlington town mission where she was presented with a certificate and asked to cut her cake.

Olivia is currently studying NVQ level 2 Patisserie at Darlington Technical College. She has been awarded a 2 year apprenticeship with Robineau Patisserie in Cockerton, Darlington and she hopes one day to own her own cake shop. Anyone looking for a cake to be decorated, contact ian@aytp.co.uk and I will put Olivia in touch with you, or facebook www.aytp.co.uk to see more of what Aycliffe's Young and Talented are up to.

They would like all patients in the following categories to attend these sessions if possible – **no appointment necessary.** 65 years and over, pregnant women, carers of patients and those over 6 months old who have chronic conditions. A new category has appeared this year which is children born between 2nd September 2009 and 1st Sep 2011. The practice has a new nasal spray vaccine for children.

All eligible patients are welcome, including Heighington patients. There will be further clinics running after these dates where appointments can be made. Anyone who has received a letter stating they need the shingles vaccine are also welcome to attend these walk in clinics. Pregnant ladies are

"I would recommend this to everyone" said Albert Helen Hobson, Practice Manager said: "The practice is nearing completion of extensive refurbishment works and hopes that the work will be completed by the end of October and would like to extend thanks to patients and residents for enduring the upheaval caused. The reception area once completed will offer improved access to all users and more privacy to patients. The practice has taken on two new GPs and one nurse practitioner to enable more appointments to be made".

## Charity Fundraiser at Darlington Market

Dear Sir,  
Please may I through the media of your newspaper promote the fundraising stall that I am having on September 21st at Darlington Outdoor Market. The profits from the fundraising will be used to help the Macmillan Cancer Nurses and supply food for Stonam Young Peoples (Age 18-25 Years) Homeless Hostel Christmas dinner.

Most families these days have been affected by either or sometimes even both of these sad occurrences. I am really pleased to be able to say that Shelley of Something Special Cakes will be selling the most fabulous cakes and cupcakes, muffins, cakepops and corned beef slices as well as my usual books, clothes and bric a brac. We are being supported by our MP Phil Wilson and his partner Margaret who have kindly donated some fabulous yummy chocolate treats for me to sell, and also Nick Wallis Darlington Councillor with portfolio for sports and leisure. Thanks also to Donella at Grannies Choice, Newton Aycliffe, Shirley and Dave for their hand knitted baby and toddler clothes and Glens

Cake Stall famous throughout the North East LOL. Thanks to Paul Churchman Darlington Market Manager. Please come along and support these two worthy causes and any gifts or donations however small would be sincerely welcomed. Kathy Brockless (01325 321105)

# Huntsman FC Hit Tompkins for Six!

The Huntsman continued their 100% start to the season with a hard fought 2-1 victory over Tompkins of Darlington. Huntsman are now 5 points clear at the top of the Darlington Sunday Invitation League 2 having played a game more than close rivals Newton Aycliffe Sports Club. The Huntsman travelled to unbeaten Tompkins expecting a tough game and tough game was exactly what they got. Manager Neil Dodds made a couple of changes from the side which beat Green Dragon 4-1 the week previous with Shaun Mackintosh, Carl Bates, Callum Musgrave and Anthony Brockley all coming into the side. Calum Farley and Ryan Durr dropped to the bench while Steven Williams, and David Neale were unavailable. Tompkins started the game brightly and took a 1-0 lead on 5 minutes after a mistake from Callum Musgrave in the centre of defence, it took the

Huntsman about 15 minutes before they came to terms with the swirling wind and horrendous pitch. Ollie Gell played a delightful cross field ball into the path of Michael Sproates who controlled in an instant and slammed the ball in to the net to bring the league leaders level. The half ebbed and flowed without any decent football being played although the Huntsman edged the possession without making any headway. Half time saw the teams go in level. The second half started as the first half ended. The referee stopping and starting the game for niggly fouls but the Huntsman goal was never threatened.

On 60 minutes Huntsman were awarded a penalty when Jamie Herd raced clear but was brought down by the Tompkins defender who was red carded. Herd dusted himself down and slotted home the penalty for his 11 goal of the season. The game petered out with Huntsman defence holding firm while chances came and went at the other end. Captain Lee Redpath was awarded man of the match.

Team: N. Dodds; C. Bates, M. Percival, C. Musgrave, S. Mackintosh; M. Sproates, L. Redpath, A. Brockley, O. Gell; J. Herd, S. Sproates. Subs C. Farley, R. Durr, A. Richardson, B. Richardson, K. Dodds. Huntsman play their home games at Simpasture Park games kicking off 10.30 am on a Sunday morning. Their next game is away to Tompkins in the League Cup on September 28th.

The next home game is October 6th against Haughton Grey Horse in the Heart Foundation Cup.

Last time Greenfield were nominated for Sedgfield's 'Contribution to Secondary Sport and Physical Activity' award, they won the Sedgfield Award, and finished runners up to Durham Johnston at the County Awards. It would be great, if this year they could go one step further. Greenfield have a number of other nominee's attending the Sedgfield Awards this week. Congratulations to Rubi Alderson for her Young leaders nomination, Courtne Mills for her young performer nomination, and Greenfield's Netball Club for their well-deserved nomination of Club of the year. # Aycliffe Nine Goal Thriller

The goals and drama continued to arrive by the bucketload in Newton Aycliffe FC's fixtures in the past week. After a dramatic 4-3 victory against Guisborough and a disappointing 4-2 defeat to Newcastle Benfield last week in the Northern League Division One, Allan Oliver's men went to Tow Law on Tuesday night in the Durham Challenge Cup and edged a nine-goal thriller. It meant the last three games the Newtonians have been involved in have returned 22 goals. But the latest game, which saw Aycliffe reach the first round of the competition, was overshadowed by a bad injury on Dan Molyneux. The Newtonian's keeper was knocked unconscious as Martin Young's own-goal gave the Lawyers the early advantage, which led to a 36-minute delay as an ambulance took Molyneux to a hospital for a check-up. Teenager Ryan Farley took possession of the gloves and was soon celebrating an equaliser as Young atoned for his earlier mishap by slotting in calmly following Dan Mellanby's through-ball. But the home side went ahead when Dan Wilson's 20-yard drive flew into Farley's net.

Young then added another to his tally on the half-hour mark, volleying in Stuart Owen's corner at the back post. The goals kept flowing as Danny Lambert nodded into an empty net after Tow Law keeper Stephen Robinson failed to hold on to Christian Selby's cross. Jamie Owens made it 4-2 three minutes before the interval with a superb individual effort, slaloming his way through the hosts' defence before delicately lifting the ball past Robinson. And he added another superb strike three minutes after half-time when he turned the defender on the edge of the area before arrowing in a left-footed drive. Aycliffe appeared to be coasting towards the first round of the competition but the hosts pulled two goals back to set up a nervy finale. In the 69th minute Michael Hall spun James Oliver in the area before rifling a shot into the top corner before Steven Turnbull's deflected effort two minutes later made it 5-4. But Aycliffe held on to the win, with Farley making a terrific stop from Turnbull's close-range header in stoppage time. Allan Oliver's men will now host Whickham or Esh Winning

in the first round in November. Meanwhile, their opening game in the Brooks Milesdon League Cup will take place on Wednesday October 2nd against Team Northumbria. The tie will kick off at 7:30pm at Moore Lane Park, while the originally scheduled league clash with local rivals Shildon will be rearranged for a later date. This Saturday sees the Royal Blues make the long trip to Carlisle to face Celtic Nation, before Sunderland RCA visit Aycliffe on Wednesday, with kick off 7:30pm.

# RUGBY CLUB BEGIN SEASON IN STYLE

Newton Aycliffe Rugby Club began their Durham and Northumberland Division 3 campaign at home to one of the favourites for promotion; South Tyneside College. Aycliffe were able to field their strongest back line, although a number of first choice forwards were missing. Despite struggling in the scrums, Aycliffe's forwards ensured that they gained the lion's share of the ruck and maul ball. Chris Richards, captain for the day, marshalled the backs well and their outstanding pace began to cause the visitors no end of problems. With the game barely 10 minutes old, James Thacker burst through in midfield, when the defence finally managed to close him down; he passed the ball to Adam Gascoigne to score the opening try. Luke Tinkler added the conversion. A Tinkler penalty soon extended the lead to 10 points. It looked like Aycliffe would increase their lead soon after, when Gascoigne was again put free, but he was unable to beat the covering tackler. Another try was added when David Judge kicked the ball deep into College territory, the defence were unable to tidy up and Thacker outpaced them to score. At half time the score was 15 - 0. Throughout the match, Aycliffe's outstanding back row of Drew Gibson, Andrew Littlefair and man-of-the-match, Colin Wooster, ensured that South Tyneside were

unable to make use of the scrum ball they won and Richards was giving his opposite number a torrid time. Aycliffe had two more attempts at penalty goals from Tinkler but both were just wide. Eventually, all the pressure told and Thacker again broke free and fed Gascoigne, just short of the line the defence appeared to be about to force him into touch, but a lovely inside ball saw Tinkler in support to add a further 5 points. The bonus point try was added when a quick thinking Tinkler kicked a penalty high behind the defence, Thacker was first to arrive and caught the ball on the full to score. The final score came when Richards kicked through and again Thacker was there first, the supporting Gascoigne touching down in the corner to complete a 30 - 0 victory. All on the sidelines agreed that this was one of the finest Aycliffe performances in years and, but for some poor handling in the backs, the score could have been much greater. More hard games are to come, but the players have put down a marker for the season ahead and the battle for places in the team looks to be extremely tight. Aycliffe continue their league season with a game away to Washington at 3pm on 21st September. Newton Aycliffe are sponsored by Boola Clothing Aycliffe and Hayward Home Appliance Services trading as Serviceforce.. Visit the website at www.pitchero.com/clubs/newtonaycliffe.

# Sports Club FC Clock up 4th Win

NASC FC hosted their 2nd home game of the season against a Blackwell Meadows side sitting at the foot of the table. After last week's poor showing, the Sports Club were eager to get back to winning ways but found the visitors very difficult to breakdown. Reverting to a 4-1-3-2 formation, which saw key members returning to the side including first appearance of the season for Chris Palmer in goal, meant the midfield was packed and resulted in the early battles being won by the home team.

Both Craig Barrigan and Gareth Boyes fought tirelessly in the middle, allowing Paul Cook and Tom Watson to install the creativity in the side that was so lacking last week. Leading scorer Chris Jones was finding it difficult to convert chances and as a result the first half hour of the game saw little goalscoring action. In the 34th minute the Blackwell rearguard was eventually broken. Good work from the midfield saw Jones break free and after taking on the Blackwell defence a deep cross to the far post saw Damien Jose leap to head the ball home. The half ended with another flurry of chances, but none close enough to challenge the keeper before the break. An injury to Tom Watson (Hamstring) saw the introduction of Jon Hughes at half time and the home sides formation reverting to a more usual 4-4-2 with Paul Cook taking over the wide right role, hughes on the left. NASC FC were quick out of the blocks and scored within 60 seconds of the restart, Paul Cook slotted through a pass on the edge of the box, where Damien Jose beat the offside trap, took it under control and placed the ball in the far corner of the goal - leaving the keeper with no chance for his second goal of the game.

With the wind picking up and the rain starting to fall the game soon evened itself out. Captain David Hall and Mark Craggs held the defensive line well with full backs Matty Alder and Jonathan Clegg pushing forward to help the midfield where possible. 70 minutes saw the substitution of Chris Jones for the long awaited debut of David Teder, back after a pre-season blighted with injury, showing some good touches and composure, needed at this stage of the game. The Sports Club held on to the finish to clock up their 4th win out of five, and remaining unbeaten in the league this season. This Sunday the club competes in its 1st County Cup game with Consett Fountain visiting The

Lane for the 2nd Preliminary Round. Feel free to pop down and support the lads, Kick off is 10.30 am.

Thanks to the response and generosity of Newton News readers our Helping Hands client is now in the possession of a lovely tuned piano. Alwyn White said "We were inundated with kind offers to help which was very touching. James from Woodham not only donated the piano but also kindly offered to deliver it. Our client was overwhelmed when it was delivered and couldn't wait to play it from his heart. It was a joy to see. Thank you all again. Helping Hands

## Aycliffe Running Club News

Members of Aycliffe Running Club have been very busy over the last few weeks competing in a number of events. The last in the series of 5K Tees Trail races was at Ropner Park on 22/08/13.

The race was very well attended by Aycliffe Running Club and series winners included Sue Milburn, Kelly Smith, Naomi Kellett, Anne Kellett, Penny Johnson, John Burnside, Kevin Greenall, Trevor Needham, Peter Milburn.

At the Spofforth 10K trail race on 26/08/13 a homest nest was disturbed by runners. However, Aycliffe Running Club members Peter Milburn and Sue Milburn managed to avoid being stung and ran well in the 25 degree heat. Peter was 22nd in 44:30 and Sue was 129th and 2nd FO55 in 56:26. It was a good turnout for Aycliffe Running Club on 01/09/13 for the first Wynyard 10K trail race. The course was set in the scenic Wynyard Woodland Park and up the historic railway path with a flight of steps at the end making the race approximately 6.67 miles. Richard Campbell

was first to finish for Aycliffe in 44:23 followed by Peter Milburn 44:51, Tom Porter 46:44, John Burnside 49:55, Peter Smith 50:07, Graeme Miles 53:21 and Susan Milburn 56:35.

On 01/09/13 Aycliffe Running Club member Lee Wren ran the Hexham to Tynemouth Ultra described as a brutal 37 mile off road course. Despite having a dislocated collar bone, he was 1 of only 5 to finish the course which he completed in 6:54 hours. On the same day Robert Young and John Young completed the Tholthorpe 10K

in 44:47 and 49 minutes.

On 04/09/13 5 Aycliffe runners took part in the last of the 5K Coast Road Series at Redcar. Conditions were perfect and good times were recorded by Peter Smith 20:16, Trevor Needham 22:02, Kelly Smith 22:16, Penny Johnson 23:41, her fastest 5K time in 2 years, and Rob Nicholson 24:50.

On 07/09/13 Richard Harvey competed in the Veterans Athletics Association North East 5K Track Championships at Monkton Stadium. Although he thought he had run badly he was 1st O70 in 25:16.

It was a bright sunny day on Sunday 08/09/13 for the annual Middlesbrough 10K road race. Hundreds of spectators lined the route supporting and encouraging the runners. Also, bands played around the route for the enjoyment of spectators and runners. 7 members of Aycliffe Running club travelled to Middlesbrough for this event. First home for Aycliffe was Floyd Jones in 37:09 and 56th position. First lady to finish for Aycliffe was Trish Kay in 49:59. ## Newtonian's Great North Run Barefoot!

Steve Wood, of Cobblers Hall took part in the Great North Run on Sunday, raising money for Cancer Research UK, running the whole 13.1 miles on rough, very wet roads barefoot! His official time was an amazing 1hr:55min and this

included stopping half way to do a pre-arranged interview for BBC TV (although they didn't show it!)

Steve's mother in law was diagnosed with Lymphoma Cancer earlier this year and Steve made a deal with her, if she put herself through chemotherapy, and stayed strong, he would do the Great North Run Barefoot

He is still looking for sponsors to reach his target of £500, any donations would be really appreciated, so that we can help find a cure for Cancer

## CRICKET SCOREBOARD

Newton Aycliffe Cricket Club's 1st team team sponsored by Lift Right Fork Lift Training took another step towards securing the NYSD 3rd division title at their first attempt when they easily defeated Darlington RA away by 8 wickets.

The homeside elected to bat first and were blown away by an excellent spell of fast bowling from Sean Morgan, who finished with the creditable figures of 5 for 35 from his lengthy 15 over spell. Left arm spinner uke Telford chipped in 3 for 20 as the home side were bowled out for just 82 after 33.4 overs.

Aycliffe coasted to victory after 15.5 overs thanks to a hard hitting unbeaten 48 from opener Sam Telford and 21 runs from his cousin Luke Telford. The scene is now set for the final game of the season when we host Bishop Auckland and a

win for Aycliffe would give our first team the 3rd division title in their first season in the NYSD league.

The second team match away at Maltby 3rd team was abandoned as a draw after 11 overs due to heavy rain, but not before fast bowler Danny Weldon secured Aycliffe a bonus point with two wickets for 16 runs from his lively six over spell.

The club's annual presentation night for the under 11's, under 13's and u15's saw a good turn out as a number of awards were handed out to the young cricketers.

Amongst the trophies awarded were the under 11's "Player of the Year" to Lucas Pilling and 12 year old Adam Lamb, uniquely picked up the player of the year trophy for both the under 13's and under 15's teams.
