## ANOTHER SUCCESS FOR AYCLIFFE'S FESTIVAL

The Festival committee would like to thank all people who helped to make the 1979 Festival such a great success. With the great support received we are going to put even more entertainment on the field on Carnival Day in 1980, our 10th Festival.

We would like to thank all our sponsors who made this event possible. GEC Telecommunications, Eaton Axles, Atlas Express, Protectind Ltd., Ozalid Engineering, British Industrial Plastics, P. B. Kent Ltd., Jonas Woodhead, Perstorp Wareite, A.D.C., Newton Press, Aycliffe Stadium. Also the Newton Aycliffe Police, the Town Council, Sedgfield District Council, and the Newton Aycliffe Working Men's Club and the Royal British Legion Club for the Festival Dances. Mr Harry Rowell, Aycliffe Community Radio, and Sherwood (Trucks) Ltd. All the shop keepers for the wonderful gifts for the tombola stall, and anyone who helped

in any way.

With support like this we cannot go wrong.

The committee are looking for entertainers, professional or amateur, for the Carnival Day entertainment. Please contact Mr Chris Jacques, PRO Festival Committee 317922, or Mr Rick Hargreaves, secretary, on Aycliffe 316755.

### ANNUAL VISIT BY ESKIMO

The officers and men of H.M.S. Eskimo, our adopted Frigate, make their annual visit to Newton Aycliffe next month.

A very busy programme of events is being arranged, including the arrival of the captain by helicopter in our town centre.

Sport and entertainment for the crew is part of the hospitality offered by Newton Aycliffe, and in return the ship gives receptions and children's parties on board ship.

Highlight of the weekend, 13th-16th July, is the Freedom of the Town ceremony, which should create a great deal of interest. The whole ship's company will parade in our town centre for this ancient ceremony.

The Royal Marine Band will be present as the Freedom of Newton Aycliffe is conferred by our Mayor.

The parade and march past will bring a splash of tradition and colour to the town and is a spectacle not to be missed! Watch for details next issue.

### INFANT SCHOOL PUPILS

Would parents of young children please note that it is helpful if the Infants School have an accurate idea of the number of new starters they are likely to be receiving in the future. They ask that children should be registered at the appropriate schools as early as possible.

Children born between September 1st 1974 and April 30th 1975 are eligible to start school in September this year.

Those born between May 1st and August 31st 1975 are eligible to start in January 1980.

Please let your local school know if you have a child born within these dates.

**NO EXCUSES NOW . . .**

The Formula 2 racing car sponsored by Aycliffe has been plagued by mechanical problems this season — but now the excuses will have to stop, because driver Adrian Russell has been presented with a tailor-made set of tools for the car.

Our photograph shows

Adrian being presented with the tools by Vince Roddam, general manager of McLean, Buchanan & Wilson, an Aycliffe company.

"We decided to show Adrian how much we appreciate what he is doing for the town and the companies here by taking Aycliffe's name all over Britain and Europe," said Mr Roddam.

He presented Adrian with a Britool socket set and a Presto tap and die set worth over £100.

McLean, Buchanan & Wilson are suppliers of tools, fasteners and protective clothing to industry.

## "COLD BEER" THANKS TO A.C.R.

Dear Sir,

Wanting a cheap fridge I shoved postcard-adverts in the shops that display them in the town centre. I'd done this before when I wanted to buy or sell something, and sometimes I got results. But not this time! I waited by my phone every night for a week but it didn't ring once. Next I thought of putting an advert in a local paper but that would have taken days; I needed a fridge urgently . . . I hate warm beer!

I was thinking about this serious problem. As background music my Rediffusion selector was set to position 'G' (which is Radio Cleveland), or I thought it was, until a voice informed me I was really listening to Aycliffe Community Radio. Acting on impulse I phoned the station and a few minutes later my request for a fridge was broadcast and the next day a seller phoned. I visited their house, liked what I saw, and now it is installed and my warm beer problem is just a bad memory.

The point with me, and it must be so with hundreds like me, was I had no idea Aycliffe Community Radio was broadcasting. I'd read an article in the 'Newtonian' about the station, but that was a long time ago and I'd only skipped through the item — and then forgotten it. Since then I can't recall ever seeing any mention of times of broadcasts or their content and I assumed the project had been

dropped.

I know a lot of Newtonians don't have their sets connected to Rediffusion because they think their televisions have to be altered to receive their programmes.

You don't have to have your set butchered and Rediffusion have a unit that allows you to see and hear all their programmes without any more fuss than pulling out your co-axial aerial plug and pushing theirs in. If you want to go back to your own aerial just pull out their aerial lead and use yours again. Just that simple! No operating on your set's innards, which when you come to sell it you'd be lucky if you got a fiver.

The gadget they supply is a small white plastic box about the same size as the selector on your wall. One wire from your station selector leads into this box. Out of this gadget, which has a volume control on the top of it, run three leads. One goes to a separate loudspeaker, another to a 13 ampere mains plug, and the third ends in an ordinary co-axial aerial plug. Now with this installed, apart from Aycliffe Community Radio, you'll be able to watch Yorkshire Television and all the other radio and television programmes.

Never forget you have a compulsory rent payment for your Rediffusion installation, whether you use it or not.

Yours sincerely,  
Bill Blair

## MOTOR CYCLISTS A MENACE?

Dear Sir,

May I, through the media of your paper and at the risk of being unpopular with certain sections of young motorcyclists, complain of the way in which these machines are ridden. It seems to me that the greater majority wish to drive on the wrong side of the road, at the wrong time, at the wrong speed, and quite possibly in the wrong gear.

Cases of sheer bad, discourteous, unthinking riding seems to be the rule rather than the exception. Road junction procedure is the most neglected and the general rule of the road seems to be "if you can beat him do so." By that I mean if you can get out of the junction, do so first, in front of oncoming traffic, even if it means cutting the whole corner in the act.

Corner cutting and general incorrect positioning at road junctions is not only the fault of many motor cyclists but of car drivers too, and this, I am sure responsible drivers would agree, is difficult to tolerate so frequently. They used to say that the true character and intelligence of a person came out when behind a steering wheel or, in this case also, behind the handlebars. I believe, sadly, that this appears to be the case more so today than I have ever noticed before.

I have never used the media before, this being my first letter to a newspaper, and may I add, hopefully my last. Nor do I know whether certain

motor cyclists will recognise themselves when reading this. I hope they do and try to realise to what extent they put other road users of all classes in jeopardy.

I have not sat down and written this in a sudden temper or frenzied dilemma as a result of a particular incident, but because of a number of separate cases which happen and then seem to be forgotten both for the general well-being of society and for the motor cyclist himself.

I would like to add that I am not without experience and have had much sympathy with the keen, young motor cyclist who wishes to ride well but finds himself without the opportunity of proper training, notwithstanding this, common sense and courtesy must prevail.

Yours faithfully,  
J. A. Dowson,  
Aycliffe Driving School.

## MIND HOLD PUBLIC MEETING

On Thursday, 5th July, at 7.30 p.m. in St. Clare's Hall, Newton Aycliffe MIND are holding a Public Meeting. It is hoped that people will come along to find out just what we are trying to achieve in our town. Lady Avebury from MIND, London, will be our speaker, and Mr Dennis Stevenson, chairman of Aycliffe and Peterlee Development Corporation, will chair the meeting. There will be a film on MIND's work and slides of Newton Aycliffe. All questions will be answered. We hope that people will be interested in our work and will join the local association to give us much needed support. We only want to help people. So please come along and listen to what we have to say.

## Senior Citizen Outing

Newton Aycliffe Rotarians recently took 23 Senior Citizens for an afternoon outing, finishing with tea at Birtley as guests of the town's Rotary Club.

Newton Aycliffe Rotary Club later offered the same facilities to Birtley Senior Citizens when they were given a similar outing by Birtley Rotarians.

# LEGION HOLD ANNUAL CONFERENCE

Representatives of the town's ex-service community were much in evidence at the recent Annual Conference of the Royal British Legion, held in Brighton over the Spring Bank holiday weekend.

The Newton Aycliffe branch were represented by Taliesin-Jones (president), Arthur Markham (vice-president), Douglas Denham (standard-bearer) and by two observers (Jim Cant and George Wilkie). Mr Jones and Mr Markham took part in several debates during the conference and were well satisfied with the outcome of their efforts as well as with the announcement by the Minister of State for the Disabled (Reg. Prentice, M.P.) that war widows' pensions would shortly be completely removed from the liability to income tax, which aroused so much opposition from the Legion for many years.

Support was given by the delegates to one resolution, particularly appropriate to War Pensioners and War Widows in the Town, which called for action by H.M. Government to ensure that war pensions and war widows' pensions were completely disregarded by local authorities when considering applications for rent and rates rebates.

Mr Jones, in speaking on

this motion, recalled that, under the Newton Aycliffe Development Corporation, such a complete disregard had been made but that, when responsibility for housing was taken over by the Sedgfield District Council in April 1978, the disregard was limited to the first £4 of such pensions. Strength was given to previous efforts by the local branch when the Conference voted unanimously in support of the motion.

Similar success attended the motion, proposed by the Branch President, calling for British Rail to introduce a scheme of concessionary fares for all War Disability pensioners making rail journeys.

The crowning success of the delegation's efforts was to obtain unanimous support and approval from the Conference for a motion which called for support to be given to members of Parliament in providing for stricter penalties for acts of violence and terrorism.

The Branch locally was particularly concerned at the effect which such acts of violence and terrorism were likely to have on the availability of volunteer collectors for the Legion's Poppy Appeal when carrying out the annual street and house-to-house collections.

# FLYMO HITS 2m. MOWER TARGET

Production of the two-millionth Flymo air cushion lawnmower was achieved at the multi-million pound manufacturing complex at Aycliffe, near Darlington, early this month.

The announcement was made by Managing Director Peter Bullock.

The achievement is highlighted against a background where total annual sales of power mowers in the United Kingdom have now reached more than one million.

Annual sales in 1970 were 500,000 mowers.

It is estimated by Flymo marketing manager Charles Baker that total sales for 1979 will be up 25 per cent on last year.

Mr Bullock said the United Kingdom was the first market in the world to be dominated by the air cushion mower introduced by Flymo Limited. It was generally agreed that between 40 and 50 per cent of total business will be achieved by this type of mower.

Flymo production had been increased last year by 50 per cent and a further 50 per cent this season to match demand in the United Kingdom and more than 70 countries overseas.

Production at Aycliffe is put into perspective with ten years to reach the first million mowers, while the next 500,000 took only 2½ years. The latest 500,000 mowers were produced in less than two years.

William Dick, recently appointed to the main board of directors of Flymo Limited.

## ... LOCAL MAN JOINS BOARD

A Darlington man has been appointed to the main board of directors of Flymo Limited — one of the United Kingdom's major lawnmower manufacturers and based on the Aycliffe Industrial Estate.

Mr William Dick joined the company in 1975 as Management Accountant.

As Financial Director he will now be responsible for the total accounting function at the multi-million pound administrative, marketing and production complex at Aycliffe from which mowers are exported to more than 70 countries.

Well known in the Mowden area where he is a keen jogging fan, Mr Dick is an active member of the Darlington Gaelic Society and plays golf at Dinsdale Spa. He was president of the Darlington Junior Chamber of Commerce in 1968. He represents his profession on the Advisory Committee to the Management and Business Studies Department of the Darlington College of Technology.

Mr Dick came to Darlington in 1964 as a member of the project team to set up the manufacturing facility of Cummins Engine Company Limited, in Yarm Road.

Still bearing traces of his Scots accent from his birthplace in Hamilton, Mr Dick lists his interests as golf, gardening, reading and learning the ancient Gaelic language. He lives in Parkland Drive with his wife, Addie, son Ian and daughter Ailsa.

## DEREK FOSTER QUESTIONS SECRETARY OVER GRANTS

Derek Foster, the new MP for Bishop Auckland, has asked the Secretary of State whether he intends to reduce the Regional Capital Grants to small businesses in Newton Aycliffe. Mr. Foster raised the issue after being tackled by local businessmen worried because expansion might have to be shelved.

Unemployment in Newton Aycliffe is less than the national average because of the dynamic industrial development policies pursued by the Development Corporation over recent years.

"It would be madness now" says Mr. Foster, "if a government, allegedly anxious to encourage the growth of new and small businesses, were to axe jobs in Newton Aycliffe in a frenzy of public expenditure cuts."

# Art Exhibition held by Over 60's Club

The Over Sixty Club are holding an Art Exhibition for over sixties on Wednesday, 11th July, 1979.

Anyone who is 60 years of age or over (members of the club or non-members) are invited to take part, by bringing along any art item to show or sell.

Items can include knitting, needlework, painting, model-making, basket-work, woodwork, soft toys, paperwork, ceramics, shellwork — any hobby or pastime that interests you. We will also accept food items such as cakes, wine, jam, pickles, sweets, or any "gourmet delight." In fact anything that you wish to bring along, we will show, or sell for you.

All items for sale must be priced by the sender (with minimum and maximum charges) and with name and address. If not sold items will be returned to sender.

There is no entrance fee, but the Over Sixty Club will take 15 per cent of the proceeds on sale items for Club funds.

This Art Exhibition will be open to the public. We are hoping for a big response from all the Over Sixties persons in the town, and all are welcome.

The Over Sixty Club will be open all day, on 11th July — from 10 a.m. — to accept exhibits for showing. The exhibition will commence at 6 p.m. to 9 p.m.

Refreshments will be available.

### THANKS

The committee of the Over Sixty Club wish to thank all members and townspeople who helped in our 'waste paper' appeal. We have just 'despatched' our first 1½ tons! Our storage space is limited but we will be collecting newspapers, etc., again during the summer. So don't give them to the dustmen, we can turn them into cash. Please bring them along to the Club, Tuesdays from 10.30 a.m. to 12.30 p.m. Wednesdays 6.30 p.m. to 8 p.m. Large amounts will be collected. Telephone Mrs Benton, 313618, or Mr Hopper 314151.

# Iron Curtain visit

An invitation extended from  
the Festival Director in  
Zakopane, Poland, to Mr P.  
Conroy, MBE, director of the  
Billingham Festival, and re-  
presentative of the International  
Organisation of Folklore Festi-  
vals, led to the formation of  
an ensemble aptly named  
"Northern Folk", who are 40  
strong.

This group consists of the  
Stockton Morris Dancers and  
the Stockton Blue and Golds,  
the St. Leonard's Irish Dancers  
from Sunderland, and a sec-  
tion of the Newton Aycliffe  
Pipe Band. Their combined  
efforts should be able to give  
an interesting and varied pro-  
gramme of "Folk songs, music  
and dancing from the British  
Isles."

This is the first time an in-  
vitation has been extended  
from behind the Iron Curtain  
to a British group, and may  
well prove to be a turning  
point in future relations be-  
tween our two countries.

The contingent leaves by  
air from Heathrow Airport on  
Friday, 31st August. The  
Festival commences 2nd Sep-  
tember and ends on the 9th.

## ANGLING CLUB

A series of eight matches  
are to be fished on the Club  
lake on Wednesday evenings  
commencing 27th June. The  
remaining matches to be  
fished on the 4th, 11th, 18th  
and 25th July, and the 15th,  
22nd and 29th August.

The entrance fee will be  
75p per match, i.e. 25p peg  
fee and 50p sweep. Twenty-  
five per cent of sweep money  
to be retained by the club to-  
wards a cash prize for the  
winner of the series. A cup  
will also be awarded on an  
annual basis. To qualify mem-  
bers must fish at least six of  
the matches.

Points for each match will  
be awarded on a penalty basis  
i.e. one point against the win-  
ner, two points against the  
second, and so on. Any mem-  
ber not catching fish will be  
penalised two points more  
than the highest penalty of  
the evening. Pegs to be drawn  
at 5.30 p.m., fishing to start  
at 6 p.m. Entries to Jack  
McArdle, match secretary, 9  
Clarence Green. Tel. Aycliffe  
313684.

## Car Park

The Central Avenue car  
park, opposite Aycliffe Police  
Station, will be closed to the  
public during the Freedom  
Ceremony for the captain and  
ship's company of HMS  
Eskimo.

No public access to the car  
park will be allowed from the  
evening of Thursday, July 12,  
until midday on Saturday,  
July 14. Between these times  
it will be in use for helicopter  
landings and the Freedom  
Ceremony itself.

## EDEN ARMS CLEAR LEADERS

With the season approach-  
ing the halfway stage the  
Eden Arms have opened up a  
four point lead and only the  
Dandy Cart A appear to be in  
contention at the moment.

An interesting tussel is de-  
veloping in the pairs league  
between Telegraph B and  
Sports Complex B, while the  
Iron Horse B hold a clear lead  
in the captain's competition.
