Job hunters ready for the fight ahead

THIRTY-SIX new jobs were lined up for Aycliffe and Peterlee in January by the two development corporations now waging a joint campaign to boost industrial activity in their areas of the North-East.

Four new companies are moving into the new towns, and two existing firms are expanding. More than 37,000 square feet of floorspace will be taken up by these developments.

The January figures mean that the Aycliffe and Peterlee job-hunters were still just above their overall target after three months of combined operations.

Says John Inglis, Principal Industrial Development Officer for the Corporations: "Last November, when our joint promotion team was formed we set out to create 5,000 new jobs in four years.

"By the end of January we had created 330 jobs, which means we're still 18 ahead of target. November was a remarkably suc-

cessful month and December was pretty good, too. But January proved tough going.

"We had to fight hard for those 36 new jobs. And as competition to attract new industries intensifies throughout Britain, we are ready to fight even harder in the months ahead."

The Ilford-based company of County Insulations (Teesside) Limited who make and distribute materials, moved into an Aycliffe advance factory covering 17,902 square feet. It will mean up to 15 new jobs for the town.

Aycliffe Plastics (Fabricators) Limited who have been operating from older premises on the estate, took over a new factory unit of 2,400 square feet. The new unit will also house an associated

company, TA Plastics, which is being transferred from Spennymoor. These moves will create up to six new jobs. There may be more openings later this year.

NO NEWS IS GOOD NEWS FOR US!

We apologise to our readers for the unusually large amount of advertising in this issue, but there has been an unprecedented demand for space.

As a free news sheet we depend entirely on advertising revenue to finance the publication of "Newton News" and we could not turn away new customers.

Normally we would insert an extra page, but unfortunately there was insufficient time to re-organise our printing schedule.

Our next issue is due out on 26th March and will carry the usual amount of local news. We regret any inconvenience this occurrence may have caused.
