Aycliffe Fighter Wins Second World Title

Reece Mcallister

Phoenix Thai Fighter Reece Mcallister from Newton Aycliffe has won a second world title in front of 2000 spectators. Serbian fighter Dragan Pesic travelled to the Northeast to fight for the 'Kings of Glory' world title against Reece Mcallister. Dragan came to the fight looking confident for a win with a fight record of 34 fights with just two losses and holding two world titles himself. He was quoted in an interview that the belt belonged to him and would

be going back to Serbia. Reece and the Phoenix camp knew what needed to be done, and after 5 week's training Reece was in prime shape and took a round and a half to dismantle his opponent making him a two times World Champion. Reece would like to thank all of his sponsors for their backing, also a big thanks to everyone who came and supported the show. Anyone wishing to train among the Phoenix Team can contact Head Coach Gary Mcallister on 07812 737718.

Positive Response to Aycliffe Festival 2015

The meeting this week called by the Town Council to discuss a Town Festival next year instead of the Great Aycliffe Show went exceptionally well. Over 40 people attended and they were full of enthusiasm and ideas for the Festival. There are already 23 events that people provisionally said they were thinking about organising. The events are varied, ranging from a cycle race, talent contests, football tournaments, craft fayres to community fairs. Another meeting was held

on Thursday and the Town Council are confident that Aycliffe will be able to stage a really great Festival in 2015. Readers are reminded that the closing date for show handcraft and horticulture entries for the Great Aycliffe Show this month is Tuesday 19th August. Please get your entries into show@great-aycliffe.gov.uk or to the Council Offices in School Aycliffe Lane. Entry forms can also be downloaded from the Council's website www.great-aycliffe.gov.uk.

Popular Village Fete

Brafferton Village Fete was a great success despite the rain which was unfortunate during this otherwise lovely summer. The snail race was the only outdoor event to be held. The Hog Roast was enjoyed by over 70 people and there were numerous stalls including savouries, cakes, garden plants, body shop, tombola and raffles. The display of World War 1 memorabilia interested a lot of people as did the competitions particularly the single flower bloom. There was an overall profit on the day so thanks to everyone for their support.

The Very Best of Rock - Normally NO Cover Charge

Saturday 16th August - "Whole Hog"

Gig Pit Review: "The Comrades welcomed The Whole Hog back with their eclectic mix of rock that although you're familiar with, you don't often hear played by local bands. The fact there were members of at least 5 local bands in to see The Hog gives an idea of how highly the band are respected among the local musicians. Kicking off with Fleetwood Mac's "Oh Well" and running through classics by Family, Jethro Tull, Free, The Climax Blues Band as well as a couple of newer numbers by Joe Bonamassa & The Foo Fighters the band gave a superb show that was well received by the punters. Rob on vocals and Sax, is an excellent front man whose vocal talents and onstage athletics are a visual focus that other bands could learn from. Twin guitarists, whose on stage empathy speaks of long experience of working together are underpinned by a solid rhythm section fronted by John on bass, who bounces well off Rob on vocals, in giving the appearance of a party on stage. Musicians having a good time whilst playing always carry the crowd with them - we look forward to seeing The Whole Hog again."

"12 YEARS A SLAVE"

23rd August is the day when the slave trade and its abolition is remembered. The act for the abolition of the slave trade was only passed by the British Parliament on 25th March 1807 and that only abolished the slave trade, not slavery itself.

The Abolition of Slavery act wasn't passed until 1833 and applied to the whole British Empire, and even then there were a few exceptions. Yet slavery still exists, even in this country. A lot of the food we eat and the clothes we wear are produced by slave labour, including child slavery. Children and women are trafficked for the sex trade and domestic service.

On Saturday 23rd August St Clare's Church will show the film "12 YEARS A SLAVE" the 2013 film which tells the true story of Solomon Northup, a free African-American man who was kidnapped in Washington DC in 1841 and sold into slavery in Louisiana.

Coffee & tea at 1pm (Inc in the £2) film at 1-15pm. There will also be a display about slavery in the church entrance from Monday 18th August

FAMILY "FAB FRIDAY" AT AYCLIFFE AUTISM CENTRE

On Friday 29th August from 11.00am the North East Centre for Autism, Cedar Drive, Newton Aycliffe is celebrating six years of working with families across the North East. The North East Autism Society (NEAS) Family Support team mark the event with a celebration Family Fun Day called 'Fab Friday'.

The event is open to the general public and all funds raised on the day will go towards supporting the charities Family Support Services that helps families with a range of services including a toddler group, family workshops, befriending, dance and healthy eating groups.

Families can enjoy a range of activities at the fun day including archery, basketball, face painting, go karts, bouncy castle, arts and craft, drama, dance workshops and much more. The charity recognise that it is often difficult for families to access the right type of advice and guidance so staff from the society will be on hand throughout the day offering help and support for parents who have a child with autism.

This unique opportunity will also combine the chance to have a tour of the facilities at the Centre. Working across the region, the charity's Family Support team help more than 150 families by providing a wide range of positive activities for children and young people with autism during school holidays and includes residential short breaks.

Susan Tron, Trust Fundraiser for the charity explains: "Children with autism have a distinctively different way of processing information

website at www.ne-as.org.uk

and of seeing the world. They have a need for structure and routine otherwise anxieties can lead some fairly disruptive behaviour. As a result of their complex needs and challenging behaviour they can often become isolated from society and their peers. Children with autism therefore have restricted access to leisure facilities and new opportunities as choices are limited and parents struggle to manage and lack confidence. Our Fun Day will be a safe supported environment in which parents can relax and children can enjoy doing what they like best. We have a huge sports hall and park with plenty of room to run wild! It is also a great opportunity to find out about all the other services we have on offer."

For more information about the work of North East Autism Society and their Family Support Services please contact them on 0191 410 9974 or check out their

BAD CAR PARKING

Dear Sir,
I am the owner of the silver car in your published 'pathetic parking' photo. I have lived on this street nearly six year and park there day and night.

It was late one Friday when we went to bed and there was no red car parked there, but when we woke at around 8.30am on the Saturday morning we noticed the red car parked opposite ours and quickly realised that no other car would be able to get past, so we moved our car immediately further back down the road until we left at 9am. When we came back later in the day that red car was still there and I have no idea who owns it!

Helen Best
Editor: It is now clear which driver is to blame and we cannot understand how anyone can be so inconsiderate unless the car was abandoned or broke down?

PCP JOINS WORLD'S BIGGEST COFFEE MORNING

The Macmillan World's Biggest Coffee Morning is now an annual event at the Pioneering Care Centre and this year PCP is hosting a 'coffee with crafts' event. The Coffee Morning is taking place on Friday 26 September between 10am - 1pm. In addition to the refreshments sold in the Mall Coffee Shop within the Centre there will be stalls selling locally homemade crafts and baked goods.

PCP had a great response last year and raised £348.63 for people living with cancer. This year PCP would like to exceed this amount. Cancer is the toughest fight most of us will ever face. And as treatments improve, more and more people are living with cancer in their daily lives.

The money PCP raise at the coffee morning will help towards making sure

no one has to face cancer alone, from the moment they're diagnosed, through treatment and beyond. So please try to pop along and support this great cause. Buy a piece of cake and a coffee, browse the interesting stalls selling unique produce and find out what's available to improve your health and wellbeing, reducing your risk of ill health.

If anyone would be interested in having a stall at the event, there are a few places left, please get in touch to express an interest. For further details contact the Pioneering Care Centre, Carers Way, Newton Aycliffe, County Durham DL5 4SF tel: 01325 321234 email enquiries@pcp.uk.net Visit www.pcp.uk.net or support us on Facebook.com/PCPandCentre and Twitter @PioneeringCare.

Beware of "Chuggers"

Chugging is the worst and most damaging form of charity fundraising there has ever been – says a new report. Charity Aid asked every council in the country about chugging and the responses revealed that many councils regard chugging as "aggressive harassment" of the public. They want to ban it but the government doesn't. Chugging (short for charity mugging) is the practice by paid professionals of

stopping people in the street to ask for charity donations. "Chuggers now siphon off more than the first £100 of a donor's money – without telling them this. These parasites now take over £100m a year from donations intended for charity," said Chairman Peter Quinn. "They've brought words like intimidation and hard sell into what used to be a noble calling. Volunteer groups are unanimous in opposing it and some have disbanded in protest."

NSPCC Wants Better Treatment of Young People in Court

The NSPCC believes that no child abuse victim should ever have to face their attacker at court, which is why the children's charity is today urging people in Durham to sign an e-petition calling for the Government to set up more remote video link sites. A remote video link site is a designated place away from the court building which young witnesses can give evidence from. However just three police forces in England and Wales - South Wales, Kent and Derbyshire – currently have this facility.

The children's charity hopes that the e-petition will attract 21,000 signatures nationally – one for every child who gives evidence in court each year – by 5 September. The e-petition is just one element of the NSPCC's recently launched Order in Court campaign, which is aiming to help reduce the distress that children experience when participating in court proceedings. The lack of remote video link sites in England and Wales means that virtually all - 99 per cent - of children who give evidence every year still have to do so from court buildings which are not appropriate places for children - especially ones who have experienced abuse. The NSPCC is writing to all the Police and Crime

Commissioners across England and Wales to highlight the urgent need to address the treatment of young victims and witnesses in the criminal justice system and prioritise facilities for these children. Esther Rantzen, founder of the NSPCC's ChildLine Service said: "It's shocking that the majority of child witnesses still have to go to a court building to give evidence, running the risk of seeing their abuser and adding to the trauma they have already experienced. I'm urging everyone in Durham to take a stand and sign the NSPCC's Order in Court petition to ensure the Government sets up a remote link site in Durham. It is imperative that all child witnesses are given the opportunity to give their evidence remotely so they can get the justice they deserve."

Fiona Richards, NSPCC regional head of service for the North East, Yorkshire and the Humber, added: "Twenty-five years after the landmark Pigot Report, a major Home Office inquiry which recommended that

child witnesses should not be required to appear in open court, there are still thousands of child sexual abuse victims being left fearful, unhappy and with thoughts of self-harm after having to give evidence. Attending court can be an intimidating enough experience for an adult, so for a child giving evidence in an abuse case, it must be harrowing and could easily discourage others who have suffered to come forward." She continued: "A child who has been sexually abused shouldn't have to worry about seeing the offender in court. Ensuring that there is a remote site in all regions should help reduce the stress that children can face when they give evidence."

The need for more remote sites is just one of three changes the Order in Court campaign is calling for, to ensure young people in the justice system are treated first and foremost as children. The others are:

- Compulsory training for lawyers and barristers to prevent 'brutal' court cross-examinations.
- Greater access to Registered Intermediaries – trained communications experts – to help them understand what is happening with the police and court whenever necessary

Guide to New Start for Young People

Help is on hand for young people in County Durham looking for training or apprenticeships. The One Point 'Start Today' campaign is being launched in time for students receiving their exam results and is a guide to what opportunities are available. All the latest information on vacancies will be in schools as well as online at www.help4teens.co.uk/start. One Point personal advisors can also offer information, advice and guidance to young people who are unsure about their future career paths. A similar initiative launched in January this year was successful in signing-up more than 300 young people to training and apprenticeship schemes. Chris Peverall, One Point service manager, Durham County Council, said: "There are a vast range of local opportunities on offer. We urge young people, aged 16 to 19 and not in education, training or employment to check out our information online or contact one of our expert advisors." For more information or to contact a One Point personal advisor, ring 03000 261 111.

COUNCIL REFUSE GIFT OF BUSH

Dear Sir,
While redeveloping my garden I needed to remove a large beautiful Robinia Bush which cost me £50 some years ago. Not wanting to throw it away I offered it to the Town Council thinking how nice it would look in West Park and to help all the voluntary work there. My offer was refused and I was informed it was the wrong time of the year to replant yet Garden Centres are selling them now for planting. I then asked if the Civic

Pride Team would take it away for me and this request was refused. I was under the impression the Town Council provided this service to keep the town clean and tidy. It appears the rates go up, but services offered are reduced. Should I have just dumped the bush on the roadside as others do? In the end I had to cut up and destroy a perfectly good bush with lots of good growth in it. George Smith Stephenson Way

Reply from Town Clerk

While the Council appreciates the offer of the Robinia Bush, and indeed donations of conifers in pots etc have been accepted from residents in the past, unfortunately the replanting of a shrub or tree dug up in summer would have a very low success rate. Garden Centres will be selling trees/shrubs grown in tubs specifically for replanting, however even these have a better chance of survival if planted during Autumn to early Spring. As such, the Council staff involved declined the offer. The Council, through its Town Pride Team or other works staff have never offered a garden waste collection service. Garden waste may be disposed of via Durham County Council garden waste bin or taken to the waste transfer station in Newton Aycliffe. Andrew Bailey, Town Clerk

3-2-1... Go for Run

People in County Durham are being encouraged to improve their fitness by taking on a new park-based running challenge. Durham County Council is setting up a 3-2-1 Run at Hardwick Park, near

Sedgefield, which is aimed at persuading more people to take up running. From August 18th the park will have three signposted running routes of three miles, two miles and one mile in length. The introduction of the 3-2-1 Run at Hardwick Park follows the successful launch of the project at Riverside Park, in Chester-le-Street, in September last year. The routes are designed to enable anyone to have a go at running, from beginners to more experienced runners. The different routes offer an opportunity for people to build up to running longer distances or people can choose to work on improving their time over a single distance. Julie Lavery, physical activity development officer at Durham County Council, said: "The launch of the 3-2-1 routes are great news for people in County Durham, including those who are already experienced runners and those who fancy giving it a try. "The county already has a strong number of running groups and athletics clubs and the addition of these running routes give yet another opportunity for people to put on their trainers and get out there." The runs are unsupervised and people can take part any time during the park's opening hours, between 7am and 9pm daily. Along with the signposts around the routes, people can also see a map of the three runs at the Hardwick Park visitor centre, which is open between 11am and 4pm. People can get further information by contacting Durham County Council on 03000 266 555.

Aycliffe Care Home Open Their Own Private Bar

Front left – right: Resident Peter Barron with Darren Chambers and Councillor Wendy Hillary. Back left –right: Manager Jane Mack with resident Denis Costello, Activities Co-ordinator Julie Bialek and the Mayor's Consort, Councillor Jed Hillary

Aycliffe Care Home at Burhope welcomed the Mayor of Aycliffe, Councillor Wendy Hillary, to raise a glass to a new bar that has been created in the home. Councillor Hillary officially opened the home's new fully-stocked bar named the 'Jolly Carers' by residents, which used to be an un-used lounge in the home that was transformed by members of staff with help from residents. Thanks to the generosity of Darren Chambers, a steward

at Newton Aycliffe Working Men's Club, who kindly donated glasses, beer mats and a domino board and The Bay Horse in Heighington and the Woodham Golf & Country Club, which donated a free standing bar, tables and other bar memorabilia. The bar looks like the real thing and is the perfect space for residents to socialise with one another and their visitors. Aycliffe Care Home is a purpose built 54-bed home that provides 24 hour general residential, dementia and nursing care. Jane Mack, Manager said: "The bar looks great and is a real hit with residents and their families and friends. "A lot of our residents really enjoyed socialising in local pubs, so it's great that they can now do this in the comfort of their home. Thanks to the hard work of members of staff and all the kind donations that we've received, which we are extremely grateful for, the bar is really impressive and I'm sure we'll get a lot of pleasure out of the new addition to our home -

members of the public are always welcome to say hello and pop in for a drink!"

Gratifying Lake Work

Dear Sir,
Having spent some time watching the effects of the heavy rain on the lakes over the last couple of days and the natural movement of the weed towards the bottom lake and out through the culvert into the burn, I remain convinced that the lakes need to be emptied and cleaned properly and thoroughly.

I look forward to the day when we can see the bottom of the lakes and anything in it, including sticklebacks etc. The work to clean up the lakes is arduous, heavy and dirty, but the sense of satisfaction is immense when we manage to clear large areas. Thanks are due to all the volunteers who are giving their time to this work.

The delight expressed by members of the public that at last we are seeing results after such a long period, is also gratifying.

Kenneth Robson, Chairman, Friends of West Park

INDEPENDENT MEMBERS SOUGHT FOR POLICE AND CRIME PANEL

Members of the public from Durham and Darlington are being invited to play a key role in reducing crime and improving community safety in the area.

Following the election of Ron Hogg as County Durham and Darlington's first Police and Crime Commissioner (PCC) in 2012, the Police and Crime Panel was established to provide an independent voice on plans and decisions by the commissioner.

The panel is currently looking for two members of the public from Darlington and County Durham to join the panel from 1 November 2014 until 31 April 2017.

The panel is made up of seven representatives from Durham County Council, three representatives from Darlington Borough Council and two members of the public.

The PCC is responsible for setting the priorities and resources for Durham Constabulary, as well as supporting broader community safety activities across the region. As part of the role, the commissioner is required to consult with the panel on his plans and budget for policing, as well as the level of council tax and the appointment of a chief constable.

The role of panel members is important and can be demanding – with the typical commitment expected to average one day a month, including preparation time. Panel members will receive appropriate training and can claim reasonable travel expenses.

Meetings are usually held during normal working hours at locations in County Durham and Darlington.

Application forms are available by contacting Durham County Council Legal & Democratic Services on 03000 269 702, via durhampolice-andcrimepanel@durham.gov.uk or in writing to Ian Croft, Senior Committee Services Officer, Legal and Democratic Services, County Hall, Durham DH1 5UL. The closing date for applications is 5 September 2014.

Surprise Makeover on TV for Newtonian

On Friday 8th August 2014 Kim Hall thought she was visiting the ITV studios for a tour however, her daughter Rachael had nominated her for a Surprise Make-over on "This Morning" programme.

Kim has been through a lot these past few years and as well as winning her fight against cancer along with the ill health of her husband Eddie Hall, Kim kept the family together throughout.

"She was very deserving of the make-over and looked absolutely beautiful" said Rachael.

ILL HEALTH FORCES TOWN CENTRE CHAPLAIN TO RESIGN

Dear Sir,
It is with great regret, and with a heavy heart that I inform all of you who work within the town centre shops, offices, banks, that I am having to resign my post of Town Centre Chaplain.

As you know for some time now I have had great difficulty walking, and as this role demands a lot of this, I feel I am unable to commit myself to your service.

These last five years have gone by quickly and seen a great many changes within our town centre. Now we are due to start the final phase of demolition and building, and hopefully will see a closure to this regeneration.

I wish to thank you all for allowing me to be a part of your working lives. It has been a great pleasure walking alongside you and hearing your stories. I would like to thank you so much for that. You are all wonderful people who give the folks of Newton Aycliffe a great service. I would also like to thank both Mr. Bryan Haldane our Town Centre Manager, and Phil Wilson MP who have their offices in our town, for their support and help, during the time I have served.

Thanks also to members of 'Churches Together in Great

Aycliffe', who have supported and upheld me in prayer during my chaplaincy.

Please know that because I am no longer around to visit, that you are not out of my thoughts. I will always remember you all, and will continue to pray for you.

If anyone reading this thinks that they would like to consider this type of work within our town centre, please contact me. I can put you in touch with the Tees Valley Ministry Team. My number is 01325 316841.

My you feel God's blessing around you, as you continue serving the people of this town. Pam Lovelass x

Hitachi & Talents Sponsor Aycliffe's UTC

Hitachi Rail have welcomed the announcement by the Department for Education, approving the establishment of a University Technical College (UTC) in Newton Aycliffe. This will be the first UTC established in the North East and will be tasked with providing a technical and vocational STEM (Science, Technology, Engineering and Mathematics) focused education to students interested in working in the engineering and advanced manufacturing

sector. Sponsored by Hitachi Rail Europe, the University of Sunderland and automotive manufacturer Gestamp Tallent, the UTC is planned to open in 2016 and provisional estimates forecast that it will have an intake of 120 pupils per year. When in full operation the UTC will be able to accommodate between 550 and 600 pupils. UTCs are modelled on technical schools, providing a mix of academic and technical education. South Durham UTC

proposals confirm that it will devote 60% of its curriculum to academic study and 40% to technical study for 14-16-year-olds, while for 16-19-year-olds, the split will be 40% academic study and 60% technical study. Through the UTC, Hitachi Rail Europe is committed to providing students with a host of learning experiences in the workplace. As an ambassador of the wider Newton Aycliffe Business Park, the train manufacturer will be involved in industry delivery of work experience placements, industrial site visits, equipment contribution, lecturing support, company mentoring, and guaranteed interview experience, amongst other things.

Following the announcement earlier this year that Hitachi Rail is moving its global headquarters to London, South Durham UTC is indicative of the company's intentions to invest not just in the current rail manufacturing sector, but in its future prospects. By providing technical skills training to students in the region, it is helping the Government and local communities develop engineering skills and capabilities across the sector and provide students themselves with an excellent opportunity to take a career path they enjoy and are interested in.

Keith Jordan, Managing Director for Hitachi Rail Europe, said: "Today's announcement is a significant development for Hitachi Rail Europe and for wider manufacturing in the North East. It reflects the Government's objectives to support skills development in the region and across the engineering sector, tackling the problems that exist around skills shortages and unfilled vacancies."

Darren Cumner, Manufacturing Plant Manager for Hitachi Rail Europe, said: "Hitachi Rail Europe will help establish the UTC, along with the other co-sponsors Gestamp Tallent and the University of Sunderland, to ensure the students receive the very best education needed to help them into employment or further education.

Our vision is that these young people will become the future engineers, technicians and managers at our Hitachi Rail Europe plant in Newton Aycliffe. Given our ambitions for growth, we hope that some will continue to pursue a career within our future UK rail operation, or go on to work in Hitachi's rail business around the globe."

FIRST GAME DEFEAT FOR AYCLIFFE

Newton Aycliffe FC's Northern League campaign got off to the worst possible start, with a 4-0 defeat at the hands of last season's FA Vase finalists West Auckland.

Aycliffe weren't helped by the unavailability of a number of senior players. However they will look back with justification and think that with more composed finishing, and arguably a couple of important refereeing decisions going in their favour, the score line could have been much closer. Undoubtedly the visitors were stronger from the start. New boss Adrian Webster went with a 4-2-3-1 formation, utilising the experience of Raitt and Dukes to protect a patched up defence.

The visitors had the ball in the net early on. However the goal was rightly chalked off by the referee, as powerful forward Ward nearly kicked Johnson into the goal as well as the ball! On another day it was an offence that would certainly have received at least a yellow card.

Shortly after though, the impressive Dennis Knight struck the Aycliffe bar with a vicious shot that had Johnson beaten. Aycliffe's first real chance followed soon after though. Mickle and Morris combined well inside the West half to lay the ball into the path of Wing. However the midfielders shot was well saved.

In a game swinging from end to end, West's new signing from Sunderland Laidler had a great opportunity, which he fired over in the 13th minute. Back down the other end and Lewis Wing this time turned provider. A beautiful through ball played in Morris, but he was unable to control his shot which sailed way over the bar when clear through.

In the 15th minute the game saw its first goal. Knight saw his fierce shot brilliantly saved

by Johnson in the Aycliffe goal. Unfortunately for him the rebound fell straight to Laidler who had the simplest of tasks to turn the ball home. Another let off for West in the 20th minute. A near certain own goal was somehow saved by the goalkeeper. From the resulting corner Mickle saw his powerful header rebound back off the crossbar.

As the half went on there were chances at both ends. Unfortunately for Aycliffe, they were wasteful while West were not. The inexperience in the home sides defence showed when Hinchley failed to clear a through pass, which fell to Ward. The oncoming Johnson brought the powerful forward down, with Knight slotting home the penalty.

Unfortunately for Aycliffe they had strong appeals for a penalty turned down as the half neared its end. What appeared to be a clear handball by a defender was instead only awarded a corner, much to Aycliffe's frustrations!

On the stroke of half time, Ward finally saw yellow, following numerous fouls. A different official would have been producing a second yellow at this point! Into the second half and Mickle continued to cause problems for the visitors defence. Seemingly surrounded by defenders he somehow got free, but shot just over.

In an indication of the strength of squad the visitors are able to call on, they replaced Knight with Moffat, and later Ward with Byrne. Both the substitutes are proven forwards at this level.

However Aycliffe were to carve out yet another chance. Mickle again the provider. His cross was met by Wing but the keeper again saved well. On 65, Connor Lowes replaced Dion Raitt. However the substitution was the signal for

West to stretch their lead and effectively kill the game off. A left wing cross found Ward at the back post and his close range header found the net.

Wing had delivered well from set pieces all afternoon. A free kick from wide on the Aycliffe left flashed across the goal, narrowly avoiding the on rushing strikers and just falling the wrong side of the far post. However that was the last we were to see of Aycliffe. West continued to press. Laidler struck a great free kick that Johnson somehow saved. However from the corner Galpin should have got number 4, as he had a free header from

the penalty spot that went over. As the game moved into the last 10 minutes, Byrne found the net against his former side with a neat left footed finish following good work down the left from Moffat.

A disappointing start for Aycliffe, who will be hoping to bounce back quickly as they travel to Crook on Wednesday evening, before hosting Garforth Town in the FA Cup next Saturday.

Aycliffe: Johnson, Storey, Oliver, Hinchley, M Young, Raitt, Morris, Dukes, Mickle, Wing, Broom. Substitutes: Lowes, Williamson, Slatcher, Allison, Langthorne.

Healthwatch County Durham – a service provided by the Carers Federation – is looking to recruit a Community Participation & Engagement Worker to cover Maternity Leave.

Healthwatch is a champion for people using health and social care services. As well as providing information, we make the case for positive change. We work with and influence services and commissioners to get the best possible outcomes for the residents of County Durham.

The role of Community Participation & Engagement Worker is about working with groups, networks and individuals in the County Durham area in order to identify issues that are important to them. You will identify and engage a wide range of groups, particularly those whose perspectives might not be well represented when key decisions are made about health or social care.

The successful candidate will have excellent interpersonal skills. They will be able to think strategically about the best ways to involve different sections of the community to enable Healthwatch to meet their overall aim of improving local services. Excellent team working and strong organisational skills are essential in our small office, along with a creative and proactive approach to getting projects off the ground.

The contract to establish Healthwatch County Durham was awarded to Carers Federation in 2013. Carers Federation Ltd is a national charity that empowers carers, the people for whom they care and the wider community. In due course, Healthwatch County Durham will become independent of Carers Federation and will be a Charitable Incorporated Organisation in its own right. More information to be provided at interview.

This post is subject to medical, references and DBS checks. For more information, please contact Joanne Scott, Healthwatch Development Officer, on 01325 375961 or j.scott@healthwatchcountydurham.co.uk.

"Quercus Live" Prepare for Great Aycliffe Show

This week final preparations for "Quercus Live" took place at Greenfield Arts. Dancers, musicians and performers filled the area outside of Greenfield Arts with the sound of music and performance on Tuesday afternoon for a run through of this tremendous event, coming to the Great Aycliffe Show later this month. "Quercus Live" will be the grand finale event for this year's Great Aycliffe Show 2014 - highlighting the hard work of the local community over the past few months who have been developing and creating the performance elements. This sensational finale event will mark the end of the current format of the Great Aycliffe Show, and will look forward to next year's festival, celebrating more of this creative community involvement. The King of the Boggles has given Newton Aycliffe a gift, so come along to "Quercus Live" to find out what happens next! Local young people, dancers, musicians and families have been creating work that will be showcased during this celebration of live music, dance, circus and visual arts. Greenfield Arts are proud to be developing and managing the project with the support of the Town Council and Great Aycliffe and Midridge Area Action Partnership. Join us for the FREE performance of

"Quercus Live" on Sunday 24th August, at 3pm in The Arena at the Great Aycliffe Show (School Aycliffe Lane) to celebrate all of the wonderful work of the community who have been involved!

HUNTSMAN BEAT THREE TUNS

Huntsman got their league campaign up and running with a comfortable victory against a competitive Three Tuns side. New signing James Robinson turned in a 'Man of the Match' performance and was on the scoresheet within five minutes with a tidy finish from 18 yards. Michael Sproates broke the offside trap before slipping past the keeper to make it 2-0. Ben Sedgewick soon made it 3 with a header from a long throw. Half time 3-0
Second half was more

controlled and balanced and Huntsman had centre halves Adam McDonald and Callum Musgrave to thank for a powerful performance while goalkeeper Luke Harrison made a couple of superb saves to keep a deserved clean sheet. They rounded the scoring in

the 80th minute when Anth Harrison another debutant crossed for Dave Neale to header home from 12 yards. Next up is Newton Aycliffe Sports Club in the first derby of the season at Moore Lane in what should be a tightly contested affair.

Newton Aycliffe Cricket Club's 1st team team, sponsored by Franks The Flooring Store had a very tense 24 run victory away at fellow promotion candidates Yarm 1st's in the 2nd division of the NYSD league. After being asked to bat first, Aycliffe found themselves in deep trouble at 46 for 6, but a brilliant half century from man of the match Michael Howe (photo attached) got his team back on track.

The talented all rounder smashed four huge sixes and five boundaries in a career best score of 66 and he was given excellent support from both Sean Morgan (27 runs) and Colin Myers (30 not out) as Aycliffe eventually closed their innings on a respectable 189 for 9 from their allotted 50 overs.

In reply the home side found the pace of the three Aycliffe fast bowlers too much to handle as Michael Howe (4 for 53), Sean Morgan (4 for 43) and Matty Atkinson (2 for 43) combined to help to bowl out the homeside for 165 with only 7 balls of the innings remaining. The win puts Aycliffe back up to 4th place in the table with 252 from 19 games and still with a chance of promotion with seven games still to play.

The 2nd team were well beaten by 139 runs at home by promotion favourites Seaton Carew 2nd's in the 3rd division of the NYSD. The visitors chose to bat first and were bowled out for 211 after 42.5 overs thanks to some excellent bowling from Aycliffe's Neil Bancroft (4-66), Adam Gittins (3-17) and Danny Weldon (3-51).

Seaton Carew's powerful bowling attack proved too much for the home sides batting line up and they were dismissed for 72 after 18.4 overs despite some resistance from Aycliffe all rounder Neil Bancroft, who finished unbeaten with a defiant 43.

AYCLIFFE SPARTANS WIN LEAGUE TITLE

Newton Aycliffe Spartans Baseball team are finally Kings of the British Baseball Federation's AA Northern Division and they clinched the title without facing a pitch. Oldham North Stars, the only team to have won a game against the Spartans this season, were unable to raise a team to travel to County Durham and therefore the Spartans were awarded the two games. It means the Spartans, formed in 2011, proudly boasting a dominant record of 15 wins and 1 loss in 2014, can't be caught with only a couple of weeks of the regular season remaining. Spartans are now

top seeds for the end of season playoffs, which commence with a home game on Sunday 31st August concluding at the National Baseball Centre in Farnham Park near Slough a week later. "It's a great feeling," first year Head Coach and General Manager, Mike Holton said " We've worked hard for the past three years to build a sustainable club that can compete and we have been improving in each of our previous two seasons. But this year we worked hard all off season and to have a record like we do is fantastic" Spartans have two final regular season games, this weekend at

Manchester A's who should also join the Spartans in the playoffs but will be keen to avoid being seeded against the Spartans. But according to Mike Holton the job isn't finished yet "We still have the playoffs and still need to win a one off game on 31st August. We will take each game as it comes and If we can do that we can give ourselves a great shot to go to the National Baseball Championship weekend next month to represent Newton Aycliffe and Baseball in the North East" More information on the Spartans can be found at www.newtonaycliffespartans.co.uk

The fairies and boggles of Aycliffe want to show everyone what they have found here but they need your help. Come along to the marquee at the Show to make something to help them explain to the audience in the arena what they have found that is so wonderful. Join us for a magical experience of live music, dance and drama.
