AYCLIFFE ROTARIAN IN FIRST GROUP TAKING AID TO ALBANIA
WELCOMED AS HEROES

JOHN BILLANY
Linden Group Director

A Newton Aycliffe Rotarian was among the first Westerners to enter Saranda (Albania) since the outbreak of civil unrest in March.

John Billany, of Redworth, a District Chairman of Rotary N.E. returned this week from a fact-finding visit to Albania. Accompanied by Rev John Walmsley, the much loved founder of the charity 'Children in Distress' and another Rotarian, Stephen Croft, of Stockton, they went to check the state of the new Childrens Hospital, being built in the southern port of Saranda from funds raised in this country.

They found a town terrorised by armed gangs, lacking all civilian services - no school, no telephone or postal service, no police, no customs, no court, no local government. All official buildings have been destroyed and 60% of the population has fled to Greece or to Italy.

The 45 bed Childrens Hospital, St Luke's, remains surprisingly intact having only suffered one successful armed raid. Supplies are non-existent and at night-time an unofficial curfew is enforced by the roaming armed gangs.

The trio met the first and probably the last, aid convoy from Britain which arrived at the weekend bringing food and medical supplies. The British convoy crossed by ferry from Bari in Italy to the northern port of Durres and then traversed the dangerous mountain road south to Saranda. Escorted by an armoured Romanian Army patrol, the triumphant convoy was led into Saranda by the Romanian Ambassador.

damaged bridges, weakened by terrorist explosives, to get haulier Eddie Stobart's 38 tonner loaded with food and two smaller trucks loaded with medical kits and supplies through. The Rotarians had an hour to help unload these vehicles before the return journey to avoid nightfall in transit.

It had been hoped to bring in a small team of British nurses this week to prepare for the opening of the hospital at the beginning of July but the reconnaissance team, after talking with the local people, decided it was still too dangerous but all efforts are still to be concentrated on getting the hospital ready. The situation is unstable and could rapidly deteriorate in the run-up to the National Elections on 29th June. This will be a watershed - either leading to a more confident stable period or it could easily lead to full civil war and the destruction of what is already Europe's poorest country. The situation changes daily.

The hospital in intact and provides a refuge in amongst anarchy. The local, adjacent, state hospital is virtually closed, carrying out only emergency treatment almost entirely without resources. Several people have been shot dead in the unrest and hundreds more have been injured.

Meeting with the Deputy Mayor, local politicians and local senior medical staff revealed a determination to complete the first wards to receive sick Albanian children in July. Meanwhile, despite the gunmen and materials shortages, the construction work continues. The Rotary team carried out detailed survey work to enable the first phase to be planned and completed within weeks.

The Rotarians were moved by the sheer determination of the Albanians under severe stress. The local hospital chief's wife, Lili Skander called the British visitors 'Heroes'. "You came when nobody else did. You give us hope. We will pray for you".

St Luke's Hospital is the only British initiative in Albania. Supported by Charities all over the UK and in Germany together with Rotary Clubs in District 1030. With help from the Rotary Foundation, Rotary in District 1030 has contributed over £100,000 towards equipment and, in particular, to provide a secure fresh water supply to the hospital.Local pipe maufacturer Uponor, donated the pipes. Four years in the planning and building, the project is almost complete. Without the hospital, Saranda has little hope, it is the confidence that is needed to try to bring this society back from the brink.

Rotarians Stephen and John, discovered a place where the little ferry from Corfu is met by Kalashnikov-town brigands and the night air is shattered by the sound of machine gun fire and exploding grenades. This frightening collapse of a society is happening only a few miles across a narrow strait from Britain's most popular holiday island.

Local Petrol Price up!

Dear Editor,

I see once again that fuel prices are starting to creep up again in Aycliffe, where it has come to a stage it is cheaper for myself to go out of Aycliffe to fill up with 4 star petrol.

It seems to me that Aycliffe petrol stations all seem to fix there prices and will not compete with each other.

So, until they do, I will take my business elsewhere.

Yours faithfully

AYCLIFFE UNDER 11's FOOTBALL TEAM

On Thursday 29th and Friday 30th May Bob Hamilton and Grant Wilson took the Aycliffe Under 11's football team to Blackpool for the 1997 Lytham Soccer tournament.

And what an experience it was with the Aycliffe entourage swelled by family and friends joining in to cheer the lads on.

Day One saw Aycliffe win all three of their group games, firstly beating Epson Dodgers. Dodgers should have won this game but missed a string of chances with Joe Mctague in fine form in goal. Aycliffe had few chances but took the game when Michael Carr lifted a left foot chip over the helpless keeper.

Game Two was totally dominated by Aycliffe with David Palmer proving a real handful for Michelin FC, he had a bullet header crash off the cross bar and a Carr lob fell to a similar fate. The only goal came as Palmer steamed past three defenders and squared to Carr who coolly chipped the keeper.

Nunthorpe, recent Teesside League opponents, were next and things looked gloomy at half time as Aycliffe went in 1-0 down. But Aycliffe's own 'Spice Girls' cheered us all up with a unique song and dance that had the boys scarpering back to the pitch for the restart.

It must have worked as Aycliffe rattled in five goals in 15 minutes to win the game. Once again Michael Carr chipped in a goal and then crossed for Craig Cherie to give Aycliffe the lead. Goal 3 came as David Teder pounced on a mistake by the keeper, scraping for the ball then finishing well, the tigerish Ryan Wilson slipped the ball to Carr to make it 4 and Teder rounded things off with number 5. This was Aycliffe's best performance with a superb defence and stylish midfield.

After these performances hopes were high for a great 2nd day and it was early to bed for the team and some of the older members of the party who were still feeling the effects of the previous nights exploits.

Against Flixton Athletic, Aycliffe dug in for a 2-2 draw. Carr equalised with a flicked header direct from a Clarke corner and Clarke scored himself with the last kick of the game driving the ball low beneath the keeper.

The final league game was a formality with Aycliffe having already won the league and guaranteed a place in the quarter finals. The tired looking Aycliffe side took a bruising in a 4-0 defeat but sailed on to meet Vickers in the knockout phase.

This proved to be Aycliffe's last game as a very strong Vickers side won 2-0 with a great performance.

The hearts and heads were low and the tears flowed as everyone ambled back to the car. - *The boys were quite upset too!*

All in all a fabulous experience for everyone concerned with everyone making new friends and the lads receiving a big thank you from Mrs Fawlty, the hotel manageress, for being the best behaved team she has seen in nine years of the competition running, although she didn't have much to say of the parents!

On the awards front, Ryan Stonehouse and Michael Carr were given joint 'Player of the tournament' - although everyone deserves a mention - *Congratulations Boys!!*

DOGS LET OFF THEIR LEADS

Dear Sir,
I would like to 'thank' the stupid person who deliberately unclipped my three dogs from their leads, when I had tied them up outside the Methodist Church, near the Turbina, for just a few minutes, on Tuesday afternoon, June 3rd.
They were left to roam free, fortunately they were only loose for a few minutes and came to no harm but it could have been quite a different story.
If it was a child that unclipped them, it was very mischievous, to say the least, but if it was an adolescent, or worse still an adult, then it was ***totally irresponsible!***
My dogs were tied up for a very good reason. The large dog is very friendly but extremely boisterous. He adores children but unfortunately he does tend to jump up at them, in his exuberance. This has caused me problems in the past, so now I make sure that he is never allowed to run free.
I wonder how the mindless person who unclipped my dogs from their leads, would feel if my large dog had knocked over a small child while he was running lose! Particularly if the child had been injured.
The dogs themselves could also have been hurt, or worse, if they had run onto the busy road! I do wish people would 'think' before they did such mindless things.
I'm not sure what the person responsible hoped to achieve, but if it was for my dogs to come to some harm, or to become lost, then they will be disappointed to learn that they are all fine, no thanks to the person who let them loose!
Yours faithfully
a Newton Aycliffe resident.

Father & Son in Grand Golf Final

Woodham Golf & Country Club held the qualifying round of the Family Foursomes competition on Saturday 31st May.
The competition was open to teams consisting of two members of the same family who were of amateur status and members of the Club. The competition was sponsored by Minories.
Father and Son, Brian and Sean Kay won the competition with a score of 67.5.
Sean is 11 years old and a pupil at St Mary's Junior School in Newton Aycliffe. He became a member of Woodham Golf Club last year and has recently obtained an official handicap allowing him to enter competitions. He has always been keen on golf and has walked around courses with his dad since he was 2½. Brian has been a member of the Club for 12 years and has won many competitions but is delighted to have won with Sean as his partner.
Everyone who knows Sean is overwhelmed by his success although Sean, himself, is very modest.
The pair will now represent the Club in the next round of the competition and are hoping to gain a place in the Grand Final which is to be held at The Wynyard Golf Club on Friday 26th September 1997.
Sean would like to thank friends for their support and encouragement. Special thanks to John Railton, Derek Williamson and Assistant Golf Professional, Giles.

OUR 6 DAY TRIP TO OTTERBURN

by Joanne Newbould

Class 6 pupils of Heighington Primary School went on an exciting and educational visit to Otterburn Hall in Northumberland.
We set off at 9.30am on Monday 19th May and returned on Friday 24th May.
We stayed in the hotel surrounded by trees, grass, 2 lakes and a river. Mr Coates, Mrs Dean and Mrs Caldwell came with us.
The challenge was to learn and try things that we had never done before and there were plenty of activities to keep us busy!
Some of our favourite challenges were the Zip Line, where we were harnessed to a Zip Line to jump off a suspended platform. Another favourite was the Catwalk, an activity that gets your heart going!
After climbing up a tree we walked along a raised log, then either hung upside down or just jumped off. All this was done tied to a rope which was held by one of our instructors, Glen, Mick, Sean or Chris.
Each night we would come in shattered and ready for our beds.
At the end of the week we were sad to leave but bursting with stories and 'photos to show our families and friends.

Dangerous Drivers

ear Sir,

s a resident of Elmfield ace having the road rectly outside my home surfaced last week, I can mpathise with some ivers who find 10mph a ore and stone chipped int work annoying and pensive to rectify.
ut obviously speed strictions and stone chips n't seem to bother some ople.
or instance the person of certain parentage who locked down my cat, who uld not have kept to the 0mph speed limit last nday night.
it is of any interest to the iot who injured her she HAD a broken leg, had being the past tense, as a leg broken in 9 places cannot be fixed, her leg has been amputated and a huge vets bill incurred.
So I hope you are proud of yourself - what is it nowadays: 10 points for an animal / 100 points for a child / 1000 for a little old lady!!!

Just so that you know, this mid twenties female has a bite worse than her bark, so watch yourself because you could find driving with 1 leg a bit of a bore!!
Yours
A. Dutch (Elmfield Place)

PS - *It may seem trivial to some people, not everyone likes cats but it could quite easily have been a neighbours child injured or even killed.*

CUP HERO VISITS SUGAR HILL SCHOOL

Middlesbrough defender and F.A. Cup runner-up, Steve Vickers, made a surprise visit to Newton Aycliffe last Monday to reward Sugar Hill's School Football team. All pupils were well behaved and sat in awe, only applauding when necessary, as Steve presented each team member with an individual medal, with a trophy for top goalscorer going to Brendan Hindle and a trophy for player of the year to Adrian Clarke.
After the presentation there was a riotous but organised rush to claim Steve's autograph, which he handled very well. He signed everything from shirts to shoes and even bare flesh but he took everything in his stride.
Everyone enjoyed the morning and thanks must go to all concerned at the school from staff and children. Special thanks must go to Ronald Horner who donated all the medals and trophies in recognition of how well the school team has done in recent years. Ex-pupils take note - in these hardened times of school finances, rewards, of any nature, can only enhance future generations.

41,000 NEW JOBS CREATED

Durham County Council publishes its Annual Report on Financial Incentives this month which shows that, since they were introduced in 1980, 3,000 businesses have been helped which, between them, have forecast the creation of over 41,000 new jobs.
A range of financial incentives are available to help local people start new businesses, local companies expand and to attract new firms to locate into the County.
During 1996/97 294 grants, totalling more than £1.2m, were awarded to 265 businesses in the County. Of these, 63 new businesses were started, 100 existing businesses expanded and 26 companies moved into the County.

Ken Frankish, managing director CDDC and director economic development and planning with Durham County Council, said: "With these figures, I believe that the County Council has demonstrated its vital role in stimulating economic activity in the County which is complementary to its overall strategic role."

FERRY RULES TO BE CHANGED

Local Euro MP Stephen Hughes assured County Durham holiday makers that crossing the Channel by ferry - and catching other ferries in Europe - would be safer but more like boarding a plane if the EU agrees tough new safety rules on the registration of ship and ferry passengers on ships.

Stephen Hughes, Labour Euro MP for Durham and Blaydon voted for the new rules in the European Parliament this week and expressed the hope they would come into force soon. He explained "The idea is that passenger ship operators would have to register the name, gender and age of all passengers and count the number of passengers on-board any passenger ship travelling more than twenty miles.

"It would stop ships taking too many passengers. It would also help rescue operations in the event of an accident. It is terrible to think that when the Estonia went down in the Baltic Sea with the loss of 900 lives, the rescue services did not know how many people were on board. This would never happen on a plane and should not happen on a ferry."
Stephen Hughes also voted for these rules to be applied on the Channel Tunnel.

FUNDRAISING EVENTS AT THE SCOUT CENTRE

The weekend of the 15th of June will see the launch of major fund raising at Newton Aycliffe Scouts Centre.
Our aim is to raise £3,000 - money which is much needed for essential repairs to the building, including: a new central heating system, roof and floor repairs and an extension to the kitchen and facilities.
The first event to take place is a CarWash on Sunday 15th June from 10am to 4pm in the Centre car park followed by a Car Boot/Table Top sale on Saturday 29th June.
To reserve a space or table at a cost of £5 inside and £3 outside contact Aycliffe 318901 or 307397.
Please give us your support.

BIG FRANK HELPS LOCAL FUNDRAISER

As Father's Day is almost upon us, it is a time to emphasise how important a father's role is during pregnancy and childbirth.

Sometimes Fathers and their important role are forgotten. The emphasis is quite naturally centred around the mother and her baby, especially if there are complications during pregnancy or surrounding the birth, in particular if a baby is born with special needs.

Most of us come into contact at some time with parents or babies who have suffered the traumas attached to complicated pregnancies and new-born babies needing specialist care and attention.

This situation has been highlighted recently by a new local company MED Marketing, who have joined forces with a national based charity 'Baby Lifeline', MED Marketing are currently involved with fund-raising events in aid of the charity and they have won the support of many people including Frank Bruno, who kindly donated his time to join us at one of the countries special care baby units at Haroldwood Hospital in Essex.

Marina Douglas of MED Marketing, decided to join forces with 'Baby Lifeline', because of her own personal experiences. Her son, Mark now twelve, was born in Hammersmith Hospital's Special Care Baby Unit. Mark was born prematurely with a condition known as Gastroschisis, where parts of the bowel and intestine are outside of the baby's stomach wall. Mark had immediate corrective surgery and despite a couple of years of complications, is now a happy healthy young boy.

"I realised how important technology was to my child's life - without it, he simply would not be here today. I decided to start my own marketing company and get involved with 'Baby Lifeline' to help raise funds for our counties maternity and special-care baby units. I organise fund-raising events, try and get the support of pubs, clubs and celebrities to increase the awareness of the charity", said Marina.

In May this year, MED Marketing launched a new charity competition card in aid of 'Baby Lifeline'. These cards are sold throughout the country at various events and by anybody wanting to get involved in raising funds for the charity. It is always very difficult to get people involved in voluntary work, so MED Marketing introduced an extra incentive for all those involved in selling the card - they too make a commission.

MED Marketing have been fortunate to also have the backing of the Mayfair Hotel Group in Cyprus, who have very kindly donated holiday prizes for those entering the competition, making sure everybody involved in card sales is rewarded for their efforts.

When Marina contacted Frank Bruno to ask for his support, he was only too pleased to help such a worthy cause. MED Marketing will continue to heighten the awareness of the charity 'Baby Lifeline', especially in the Northern region where they are not so well known. IF you want to get involved in rasing funds for the charity, or want more information about the charity, you can contact MED Marketing direct on 01325 308606.

Fund raising is not the only activity MED Marketing are involved with, as well as marketing and promotional activities for other businesses MED Marketing are in the process of planning the launch of a new Afterschool Business Club for school children of the ages 11-16. The Business Club will gently educate children in all aspects of business from learning the difference between profit and loss, to understanding the importance of presentation and communications skills.

In closing Marina Douglas had one final comment to make about MED Marketing and its future role in the area. "Children are our future, MED Marketing will continue to be involved in fund-raising activities and in educating our children so that we can show them a better and brighter future - and to all the forgotten fathers out there - MED Marketing wish you 'A Very Happy Father's Day'.

Keilder Challenge

A team of teenagers from Newton Aycliffe who won one of the recent local heats of the thirteenth annual BT Kielder Challenge - the outdoor problem-solving competition - is now to take part in one of the six semi-finals, which will be held on Tuesday, June 17 at Talkin Tarn Country Park, Cumbria.
The team represents Woodham Comprehensive School and comprises eight 13 to 16 year olds, four with disabilities and four without. Together with teams from Sunderland, Whitley Bay, Carlisle and Belfast, the Newton Aycliffe team will be judged on initiative, ability to work as a team and the active involvement of all members in each task.
Twenty seven teams are competing in the nationwide semi-finals, during which they will take part in activities based on a communications theme.
Winning teams will go on to compete in the final which takes place as a residential event in Northumberland's Kielder Forest in September.

NEW AUCTIONEER

Jamie Graham has joined Thomas Watson and Son the Darlington Auctioneers and Valuers.
Jamie grew up in Durham City in the family antiques business which was run by his father on Elvet Bridge. He left the world of antiques when he was 24 to take a degree in nuclear physics at Sunderland University.
Having gained his qualifications he wished to return to the antiques business, working for some time in another north east auction house.
Jamie, who has a specialist knowledge of musical instruments, will take particular responsibility at Thomas Watson for further developing the busy insurance and probate valuation department of the business.
He regards his appointment to Darlington's well established and reputable auction house as a major developmental career move.
