The grant will help to provide cameras in Chilton, Newton Aycliffe Town Centre, Sedgefield Village and Spennymoor Town Centre as well as mobile camera equipment

Spennymoor was the first town in the Borough to have CCTV cameras and now two more cameras are to be installed. Schemes have also been recently completed in Shildon and Ferryhill. The total cost of the new scheme is £355,000 and apart from £65,000 from the Home Office and £143,000 from the Borough Council there are substantial contributions from great Aycliffe (£49,000) and Sedgefield (£44,000) Town Councils in addition to Chilton

Parish Council (£9,000). Eleven new fixed cameras will be provided together with existing cameras will be monitored, at the Council's Community Force Headquarters in Chilton. Pictures from any of these cameras can be viewed at Newton Aycliffe Police Station. Councillor Brian Stephens, Leader of the Borough Council said "I am delighted that out of a national fund of only £1m, for which there were 281 bids, ours is one of only 32 which were successful. This demonstrates the quality of our submission and we are grateful for the support we have received from the police, Town and Parish Councils and the various other agencies. Closed circuit television is a fundamental part of the Council's Community Safety Strategy alongside Community Force, Neighbourhood Watch and the exciting new Community Rangers initiative which is to be launched in the near future". The Council expects all the new cameras to be operational by the beginning of March next year.

Poor Drainage

Dear Sir
How can Aycliffe Town Council justify the yearly charges to play on the Oak Leaf Golf Course when the course has been closed so much this year?
This we are told is due to the wet weather but on many occasions we have seen other courses being played when the Oak Leaf is closed - in fact it has been closed all of this week!
Instead of spending money building showers when adequate facilities are at the Sports Complex, the money should have been spent on drainage and/or extending the golf shop.
I think a 50% refund on membership should be given to all who have paid their membership for this year! I for one, will not be joining next year.
Disappointed Golfer.

Pretty Wedding at St. Clares

Michelle Neal of Dykes Walk, Newton Aycliffe, who works at Shafto House Nursing Home, married Richard Chappell at St. Clares Church on 6th June, 1998. The Reception was held at The Royal British Legion Club and this pretty photograph by Andrew Banks was taken at St. Oswald's Park.

Neighbourhood Watch Events Unite Residents

In conjunction with the national neighbourhood watch week Sue Atkinson, the Eade Close residents neighbourhood watch co-ordinator organised a poster competition to highlight the need for residents to keep their speed down to 20mph. The poster competition was kindly sponsored by McDonalds Newton Park services. Joy Fletcher from Community Force, Schools and Children presented the prizes to the winners in the three categories. During the fun day at Eade Close the children and

adults brought along their bicycles to be security coded by the residents association. More than 60 bicycles were brought along to be coded and despite the bad weather there was a good turnout by the residents. Lynne Craddy the Neighbourhood Watch co-ordinator was in attendance with her community safety stall offering advice and information about Neighbourhood Watch, household security and community safety. The day was a great success.

Gladiator "Rhino" Meets Newtonians

Saturday 13th June saw the opening of a new Whacky Warehouse at Stockton. Aycliffe charity fundraisers, Barbara Moor and Karen Saint helped with the celebrations, donning a disguise to welcome the children, in particular Whizz Kid Jodie Griffiths aged 5 who was part of the official opening attended by Gladiator Star "Rhino". Jodie suffers from Cerebral Palsy and was thrilled to meet the T.V. personality. She has just received a £2,500 Walker from the Whizz Kids charity and it has already proved to be a great aid to her mobility. Her mum Joanne said to see the difference the walker made was remarkable and we now know she can lead a more independent life. If you can help Barbara and Karen in the fundraising by sponsoring their Indian Bike Ride, please ring 300819 or 312936.

VICTORIAN FAYRE AT AYCLIFFE VILLAGE SCHOOL

To celebrate 100 years of education, Aycliffe Village Primary School held a Victorian Fayre on Friday 12th June. Children, staff and parents came dressed in Victorian costume and were blessed with a bright, sunny afternoon. There were many different stalls including a tombola, raffle, face painting, locate the treasure, name the doll as well as more contemporary activities such as "Play your Cards Right" and "Guess the time of the first goal in the England vs Tunisia match. Parents and children were able to sit and partake of the refreshments in the school hall away from the hurly burly. Children in Year 5 and 6 designed a free programme which included advertising space bought by local businesses. The school is indebted to members of the PTA who worked so hard to make the event a success.

Busy Time at St. Mary's

St. Mary's Summer Fete is to be held on Sunday 5th July at 2 pm. They have had a very busy time this year with Church renovations providing a much needed Meeting Room and Kitchen.

Then on 5th June Bishop Ambrose came to Consecrate the work and on Sunday 14th children made their First Communion.

On Friday 19th June The Bishop returns to Celebrate the Sacrament of Confirmation with young adults from St. Marys and St. Josephs. On Sunday 21st June Counc. John Moran will be welcomed into Church for a Civic Mass as Mayor Sedgfield Borough.

The following Sunday St. Marys will hold a Garden Party to celebrate the 50th Anniversary of Newton Aycliffe.

Finally on July 5th there will be the Annual Summer Fete with all the usual stalls, games, raffles, tombolas, Bouncy Castle and other attractions. The theme this year is 50 years of fashion, so why not dress up and try to win the prize for best male and female, or best boy and girl. It will be a lot of fun and a great family day out.

Aycliffe Village Summer Fayre

St. Andrews Summer Fayre at Aycliffe Village will take a different format this year. There will be entertainment by Stephenson Way School at 2pm and a Gardeners Question Time with Michael O'Brien at 2.30. Elizabeth Lewis will give a Flower Demonstration at 3pm and a miniature garden competition for children under 12. The Grand Raffle will be drawn at about 3.30 pm. Of course there will be the usual stalls and afternoon teas, so do come along to Aycliffe Village Hall and help support the historic Church of St. Andrews. Admission is FREE!

"SHOP WATCH" SCHEME BEATS SHOPLIFTERS

Newton Aycliffe Police Office Communications Room log up with some of the 'shop watch' members. Left to right - D.C. Neil Langthorne, John Saint (Manager Woolworths), Michael Wilkinson (Proprietor Occasions) and Dorothy Willets (Assistant Manager Superdrug).

Police have reported a 50% increase in the number of arrests for shoplifting in Newton Aycliffe Town Centre in the first 5 months of this year, compared with same period last year.

This has been accredited to a 'shop watch' partnership between the traders and the police.

D.C. Neil Langthorne Police Crime Prevention Officer said this should send out a message to thieves who intend to steal in Newton Aycliffe Town Centre, that they will be caught and prosecuted.

The scheme launched in January this year involves two-way radios linked to Newton Aycliffe Police Office and works in tandem with the Police distribution of photographs of convicted shoplifters.

The arrests have included shoplifting teams from Sunderland, Hartlepool and Coundon as well as offenders from Darlington, Ferryhill and Newton Aycliffe. The larger proportion of those arrested were males under 20 years. The partnership has progressed and as well as assisting to prevent and detect crime, the radios have also been available for public assistance as well as helping unite lost children with their parents.

Following on from 'Shop Watch', Newton Aycliffe Town Centre Business Group has been formed and the group held their inaugural meeting on 20th April, 1998.

They have identified their aim 'to make Newton Aycliffe Town Centre a Safer place to Visit and Shop' and defined their constitutional area to include Beveridge Way, Greenwell Road, Dalton Way and the Themes Centre.

An invitation is extended to all businesses on the above precinct to attend the next meeting at 10.30am on Monday 22nd June, 1998, at Sedgefield Business Centre, St. Cuthberts Way, Aycliffe Industrial Park. (Opposite Newton Press Offices).

Crime Prevention Officer

ARE YOU CLAIMING ALL YOUR BENEFITS?

For people on Income Support or Job Seekers Allowance there is help from the Benefit Department known as the Social Fund.

The Regulated Social Fund deals with such legally entitled benefits as: Maternity Payments, Funeral Expenses and Cold Weather Payments.

The Discretionary Social Fund deals with three distinct areas of help: Community Care Grant; Budgeting Loans and Crisis Loans.

Community Care Grants - These are non-repayable grants made to people leaving institutions to live in the community or to prevent people being institutionalised. To help families cope in exceptional circumstances; to help buy articles of clothing or household items, ie: cookers, fridges etc. If there is a definite risk to health and well being, physically or emotionally, these grants are made at the discretion of the Benefits Agency.

Budgeting Loans - The loans are only available to people in receipt of Income Support or Job Seekers Allowance for at least 26 weeks. These loans are repayable through benefit deduction set at an amount that the claimant is able to pay repayable to a maximum period of 78 weeks.

Crisis Loans - These are loans that can be paid to meet short term needs due to an emergency, ie: fire, flood, burglary, it is not necessary to be in receipt of Income Support or Job Seekers Allowance, but the claimant must have no savings and there must be a serious risk to health and well being. The maximum loan is £1000.

Hydro Donate Snooker Table

A fine example of civic spirit was demonstrated recently, David Summerbell the newly appointed Managing Director of Hydro Polymers Ltd handed over a new snooker table to the Newton Aycliffe Youth Centre, based in the Town Centre.

This is a fine example of bringing help to the community brought about by public and private partnerships.

The snooker table, complete with snooker balls and cues, was officially handed over to the President of the Youth Centre Management Committee, County Councillor John Dormer at a meeting on Monday evening 15th June at 7pm.

Councillor Dormer thanked Hydro for the table and went on to say that when he was a child "I had played for hours on a table like this one"

Hydro Polymers have also agreed to sponsor a Snooker league competition. The competition, will be held over the Winter months, Dave Summerbell M.D. said "I am delighted that Hydro Polymers were able to assist the Youth Centre" and I will be looking forward to returning to the Youth Centre to present the trophies to the competition winners".

Councillor Martyn D. Locklin, who brokered the partnership, between Hydro and the Youth Centre, said - "This is another example of the way in which Hydro Polymers demonstrates its commitment to our community and I truly thank them for their involvement". He went on to say "The Town needs more companies on the Business Park to consider ways to encourage the young people of Newton Aycliffe to take up useful pastimes".
