HYDRO POLYMERS IN MERGER TALKS WITH DUTCH COMPANY

Merger talks were announced this week between Hydro Polymers' parent company, Norsk Hydro ASA, and dutch based EVC International.

Norsk Hydro has signed a non binding letter of intent to merge the major part of its Petrochemicals Division with EVC, thereby creating a leading integrated

global player in the vinyl industry. The merger will benefit from the complementary strengths of the two businesses, giving the new entity a leading market position in

Europe as well as leadership in technology, research and development.

"The merger is still subject to the approval of the boards of each company and various regulatory bodies" said David Summerbell, Planning & Systems Director at Hydro Polymers Limited. "If it goes ahead Norsk Hydro will be the biggest minority shareholder in the new company with 45%. The merger is being done on the basis of "equals", so the new Management Board will have two from each company" he added.

"A joint study will now be undertaken to examine the best options for the organisation of the new company. Aycliffe has an excellent site and work force, a good reputation in the market and a leading position in the Petrochemicals Division. These factors will be decisive in the shaping of the new company in the U.K. In this interim period, however, it is important that we remain focused and drive the business forward" said David Summerbell. The new company,

which is expected to be in operation by the end of the year, will become one of the largest PVC producers in the world. Its new name is expected to be announced before the completion of the merger.

SPONSORED WALK TO HELP THE AGED

AYCLIFFE CRICKET

With a combination of wet weather and bad results it's now six weeks since Newton Aycliffe's first teams last league win and Saturdays defeat at Barton, in a game sponsored by Great Lakes Chemicals, has dragged them down into the relegation dogfight. Batting first on a superb pitch Aycliffe piled up the runs with what should have been an impregnable total of 214 for 7 in 40 overs. Stuart Mitchie top scored with an excellent 57 with other major contributions coming from Dave Bennett 37, Glen Williams 31 and Kevin Mitchie 26. In reply the Barton openers Dave Macafee and Neil Kearney set a perfect platform, taking the visitors bowling apart in the

process, with a superb partnership of 107 in just 13 overs scoring 80 and 57 respectively. A series of dropped catches and generally poor fielding saw Aycliffe snatch defeat from the jaws of victory by 3 wickets which set an unwanted club record for Newton Aycliffe, as 214 was their highest total batting first and then losing the game.

HOSPICE MOVES TO NEW PREMISES

Hospice care in Darlington is about to take a giant move forward after St. Teresa's Hospice completed the purchase of their new base at "The Woodlands", Darlington.

The new building means the Hospice will be able to provide six beds for guests to stay overnight and have the capacity to take an extra 11% more day care guests. The extensive Hospice at Home service will also be run from the Woodlands covering a wide area across Darlington North Yorkshire and South Durham. Funds for the move were generated from the sale of their previous base, donations and part of the money raised by the first stage of the Jig-saw appeal. Moving to the Woodlands will complete a large part of that jigsaw increasing the high quality of care they offer in the area. The Jig-saw Appeal continues to raise money for all aspects of Hospice care in Darlington, South Durham, Teesdale and North Yorkshire. The building was purchased from Ballast Wiltshire and was previously a private residence owned by Sir Wally Lee, a well-known Darlington figure.

It is situated in unspoilt surroundings that have remained untouched by developers in the centre of town. Hospice care is a philosophy which can be taken into hospitals, nursing homes, hospice buildings or the patient's own home. The Hospice offers free care to people from any background aged 16 and above, with terminal illnesses as well as a counselling service to people who have lost relatives. Jane Bradshaw, Hospice Director said, This is an exciting time for the St. Teresa's Hospice. Our new base will give us the opportunity to surpass the high standards of care we already provide to our guests and people across the region. "The new building will give us room for our service to grow and develop. Phase one of the adaptation of the building will begin shortly so the admin and day care facilities will be ready for October while our new in-patient centre will be open in the spring." Jane added, "The Hospice is open to people of all ages from all backgrounds and gives them the chance to spend time in a caring environment at what can sometimes be a very distressing time of life."

NEW SPONSORS FOR HUNTSMAN

Aycliffe firm Agnew Taxis has been revealed as Huntsman FC's new club sponsor, writes Martin Walker.

The deal comes just weeks after the club parted company with J & C Coaches and Blenheim Furniture.

Both deals ran out at the end of last season and Huntsman have spent the last few weeks holding secret talks with Agnew, eventually striking a deal Wednesday.

The Club and Agnew could not disclose details of the deal, but company

owner Bob Pearson said: "I have agreed a deal with the Huntsman and I'm pleased with it."

"I'm sure it will be a good partnership and I'm looking forward to watching the team win things next year!" Meanwhile, Huntsman enjoyed a 20 player plus training session last week the first of many as part of Darren Baxter's strict training regime in preparation for the 98-99 championship bandwagon. The Director of Football takes them to the beach this Sunday - they set off for Seaton Carew from the Youth Centre playing field at 9.45am - anyone is invited to come along.

Baxter is yet to confirm who will be his right-hand man for the new season. But other Club officials have been confirmed this week. The Committee consists of: Darren Baxter (Director of Football), Chris Walker (Club Secretary), Martin Haigh (Club Treasurer) and Martin Walker and Tony Travis (Chief Fund-raisers). An extra two members are likely to be added later in the year.

Letter to the Editor

Congratulations on the 50th Anniversary Service

Dear Sir,

My family and I were fortunate enough to be invited to the Civic Service celebrating the 50th Anniversary of the founding of Newton Aycliffe, which was held at the Leisure Centre on Sunday 28th June. We found the service to be a most enjoyable and uplifting event.

I would like to take this opportunity to congratulate those individuals and organisations involved for making it such a memorable occasion.

Our family looks forward, as part of the community, to making a positive contribution to the next 50 years of Newton Aycliffe's history.

Yours sincerely,

Mr. D Rushby - Chairman of Governors
Woodham Burn Infants School.

WOODHAM PUPILS HELP 3 YEAR OLD ECZEMA VICTIM

Woodham School pupils have pledged their support for 3 year old Elyse Hood, a victim of Atopic Eczema.

Her whole body is constantly covered in a burning rash and she spends her life wrapped in a bandage.

She is unable to eat normal food and must not come into contact with any ordinary household substances.

There is no cure - and the treatment and special

equipment Elyse needs is very expensive.

Woodham Comprehensive School Year 9 pupils want to help Elyse and they have organised a 24 Hour sponsored Football Match to raise cash to help her.

£5,000 is needed to send Elyse to a specialist skin clinic in Yorkshire as all other treatments have failed.

Her parents spend 2 hours a day covering Elyse's cracked skin with creams to soothe her pain.

She is allergic to fruit, eggs, milk and chocolate. Her skin erupts if she comes into contact with dust, animal hair or washing powders.

The little tot is really suffering and her parents are pinning their hopes on the clinic as soon as the money is raised.

The Football Match is on 10th July 12pm to 11th July 12pm, on the School Field.

Readers are invited to sponsor a player or ring the school if you wish to support the players and their worthy cause. - Tel: 300388.

A Very Good Nursery says OFSTED

Clarence Day Nursery in Newton Aycliffe is a 'very good nursery' - and that's official!

That is the verdict following an OFSTED inspection of the nursery which is run by Durham County Council Social Services.

The inspectors' report praises the quality of teaching at the nursery and its partnership with parents and carers.

The personal and social development of children is described as a 'notable strength' of the nursery and the inspection team was also impressed by the children's behaviour and caring attitude.

Staff work well under the leadership of Officer in Charge Barbara Whitlock and have created a very warm, friendly and relaxed environment for the children in their care.

Areas identified by the OFSTED inspectors as requiring action - and which are already being addressed by the school - include the need to provide more books and resources about other cultures and more information on areas of learning in the brochure for parents.

"We are delighted with the OFSTED report," said Mrs. Whitlock.

"We are a highly motivated, dedicated team and are constantly seeking to improve our skills and practices in order to provide a stimulating and caring environment for the children in our care."

WHY PAY MORE...

BRING BACK TORIES - ALL IS FORGIVEN!

Dear Sir,

I read about Tony Blair and his bad manners towards Newton Aycliffe.

I have lost some respect for him too and believe he is taking from the poor to give to the rich.

Sick people are having benefits stopped and forced into work, even though there aren't enough jobs for the fit and able.

Now his government is paying employers £70 a week to give youngsters work for a few months - who will then be back on the dole. But all this I suppose helps massage the unemployment figures.

Then the one parent families have to get jobs too, but has Tony Blair considered the children who will have to spend a lot of time in a creche?

They will be with strangers and some as young as 6 months old! By the time mum gets home from work she will have little time with her own child.

The bit of extra money it saves on benefit looks silly compared with the absolute waste by his neighbour in Downing Street who spent

£680,000 on furnishing his flat. No 11 has also been renovated at tremendous expense to the taxpayer. I voted Labour all my life, but won't anymore! Bring back the Tories - all is forgiven!

Yours sincerely,
S.T.

"I have to leave my dog to die as I can't afford to bring him home."

Dear Sir,
My 15 year old West Highland Terrier accidentally got out last week. I never let her out alone as she has a bad heart and can hardly walk.
But when she did get out I rang the Police who told me she had been found and handed over to the Council Dog Catcher.
I rang them and heard that it would cost me £44 to get the dog back from Durham and the price would increase each day it is kept at the kennels.
She would normally have a dog collar with an address, but it was off as I have just moved house.
I cannot afford to get the dog and it is breaking my heart to know she will die in their care, pining to be home.
Surely it would be cheaper for them to take dogs back as soon as they know they have been claimed, and then, ask for a voluntary contribution to the cost. People would then pay according to their means.
Yours sincerely,
Dog Lover

Target Achieved

Getting to your ideal weight is a fantastic prize in itself, but for lucky Pauline McGregor a weight loss of two and a half stones was not the only prize. Pauline, a member at Slimfit, in Newton Aycliffe's morning session at the Over Sixties Club - which is open to all ages for men and women - won an amazing make-over with Beautiful Images in Darlington, she thoroughly enjoyed her day and would advise anyone who loses

weight to treat themselves to a make-over. Slimfit offers all members who reach their target weight an incredible incentive which includes £100 off a make-over - lots more special offers. As you can see from photographs Pauline is a million dollars and Slimfit Consultants would like to congratulate Pauline on her fantastic new look and figure. BEST EVER RESULTS FOR SEDGEFIELD 75

Sedgefield swimmers excelled themselves this weekend to produce the club's best ever results in the first of two prestigious North Eastern Counties events held at Sheffield's Ponds Forge International Pool.

From a total of 18-swims the swimmers managed to achieve 11 finals, which is no mean feat as this event covers all clubs from the Scottish Borders, Northumberland, Durham, Cleveland and the whole of Yorkshire.

Club chairman Jeff Watson said, "I am delighted and must congratulate swimmers and coaching staff on this magnificent result. The club is going from strength to strength at the moment and all the hard work and dedication is now paying off."

Top honours went to Club Captain Matthew Bowden and 13 year old Zoe Mitchell. Matthew, who is having a superb year, beat two previous National Champions to gain gold in the 15yrs 100m Breaststroke by only half a second. His time was also well inside the qualifying time for this years National Championships and was faster than all the 16yrs finalists. Matthew also took the silver medal in the 15yrs 200m Individual Medley, again achieving National qualification.

Zoe also gained her National qualifying time and beat previous NEC champions to take gold in the 13yrs 200m Breaststroke, again by a very narrow margin. Zoe was also

Coach John Moore was thrilled and said, "these results are superb at this stage. I am hoping to do just as well in the second NEC competition next weekend at Leeds and then we have only four more weeks of hard training before the most important competition of all, the Nationals."

We must also say well done to Alison Storey, Ian Storey, Mark Richardson, and Samantha Mitchell who also swam well despite not making final placings.

5th in the 13yrs 100m Breaststroke.

Surprise of the weekend was the silver medal which went to Angie Winstanly Smith in the 13yrs 100m Breaststroke, an event which she didn't even qualify for last year. Angie narrowly missed her National time by 3/100ths of a second and caused parents and coach to chew their fingernails to the bone. She also gained 6th place in the 13yrs 100m Freestyle with teammate Carol Mohan coming in a very close 7th.

Mark Surtees set the ball rolling with his bronze medal in the 16yrs 100m Freestyle and then followed this with a 5th in the 200m Individual Medley in the same session. In the second session he added a bronze in the 50m Freestyle again narrowly missing National times in both Freestyle events. 7th place went to Jill Hunter in the 13yrs 400m Individual Medley.

CHURCH BELLS TO BE HEARD IN WOODHAM

Residents of Woodham should not worry or consult a doctor if they hear ringing in their ears this week.

A new bell has been installed at St. Elizabeth's Church and will be calling people to worship. Part of the £4,500 needed to install the bell was donated by Maxco, a Christian Trust, the rest has been raised or donated by members of the church, often in memory of loved ones or in thanksgiving for special occasions. Rev'd Colin Jay, Vicar of St. Elizabeth's said, "When St. Elizabeth's was built twelve years ago, they

included a bell tower but no bell.

For a couple of years we have dreamed of installing one as a reminder to the community that the church is there and praying for them.

We are delighted that our dream has become a reality so quickly and thank everyone who gave generously towards it. We promise that we will not be ringing it too early in the morning!"

The bell, which was cast by the Whitechapel Bell Foundry in London, will be dedicated by the Archdeacon of Durham at a special service on 13th September.

GREGGS MAKE SPECIAL CAKE FOR 50th ANNIVERSARY

A huge cake displayed in the window of Greggs bakery shop in Beveridge Way, Newton Aycliffe in celebration of the town's 50th anniversary has been split in half and donated to a local school and the old people's home where Newton Aycliffe's oldest resident, 101 year old Jessie Farrow, lives.

Staff at Greggs were keen to help celebrate Newton Aycliffe's anniversary and persuaded their confectionery department to ice a huge cake as the centrepiece of their window display.

Not wishing to see the delicious genoese sponge go to waste, manager Dorothy Clish contacted Walworth Special School in Bluebell Way and Defoe Court in Defoe Crescent (the home where Mrs Farrow is a resident) to see whether they would like to

share it.

"A friend of my mother's is a resident at Defoe Court" said Mrs. Clish "and I knew they would appreciate a treat. I thought it would be nice to give the other half to Walworth School, as they don't seem to get much attention."

Accepting their respective halves of the cake were Ed Bewick, headteacher at Walworth School with pupils Amanda Ball and Gareth Bell and Mrs Jessie Farrow, Newton Aycliffe's oldest resident. Mrs. Farrow was born in South Shields and lived in London before moving to Newton Aycliffe 25 years ago. She moved in to Defoe Court last September. "I always shopped at Greggs because I love their Cornish pasties" she said, adding that she would be 102 next February.
