## FUJITSU TO CLOSE IN DECEMBER

### Rumours that Fujitsu is closing its Aycliffe plant have been confirmed

'Newton News' held the front page to wait for the Press Announcement, made today at 12 noon, which ended the speculation over the Company's future at Newton Aycliffe. Everyone braced themselves for the bad news which will have a devastating effect on the 600 workforce, and our local economy.

Since the market price of microchips dropped to 5% of their selling price it was inevitable that people in the industry would suffer.

So it came as no surprise when Fujitsu made the following statement:

*Fujitsu has decided to cease production at its Newton Aycliffe plant. The closure will take place in December and redundancy notices are being issued. The plant will be maintained until 28th February 1999 while a suitable buyer is sought.*

*"The decision to close is a painful one and we do so soberly and with sincere concern for those who will be affected"* said Takamitsu Tsuchimata, Head of Fujitsu's Electronic Devices Group. *Fujitsu greatly value the contribution made by Aycliffe employees who are a highly skilled and productive resource, and we shall do all we can to help them find new job opportunities."* he added.

Borough Council Leader, Brian Stephens said "This is a serious blow to the economy of the whole region. Sadly this is not the first time the area has had to respond to major closures and that experience will help over the coming months. The Council still believes that inward investment will be attracted to this area because we have a first class reputation for our workforce and the quality of sites we can make available. We are starting immediately to examine options for the re-use of the building by others in the electronics industry."

It is sad day for the employees who have staked their future on Fujitsu's success and expansion. Our thoughts are with them and the insecurity they are experiencing at this time.

Parents are warned to be on the lookout for a chain letter sent to their children.

The letter states it has the backing of the Blue Peter programme and is attempting to break a record in the Guinness publication by being the longest running Chain Letter, started in 1986.

It states also that Royal Mail is keeping track of all letters to verify the record.

None of the claims are true and there seems no point to the letter at all.

## POPULAR RADIO PROGRAMME TO BE BROADCAST FROM AYCLIFFE

The popular BBC Radio 4 programme 'Any Questions' is to be broadcast live from Newton Aycliffe on Friday 16th October at 8pm.

Councillor Martyn Locklin first requested the programme 2 years ago and after receiving his second request the producers have agreed to visit the new town.

To our knowledge this is only the second BBC programme to be broadcast from Newton Aycliffe, 'Gardeners Question Time' being the first in the 60's.

Martyn Locklin's persistence has paid off and he will have put our town well and truly on the map, as this programme is heard on the World Service.

Greenfield School hall will be the venue and a lot of preparatory work is required in the next few weeks leading up to the broadcast.

The town's Rotary Club will help with stewarding and the Aycliffe and Darlington company, Alexander-le-Skerne, is offering generous sponsorship for the event.

Johnathon Dumbleby chairs the programme which usually has a Minister of State among the panellists.

A limited number of tickets will be available and if you wish to be part of the audience, applications should be sent to Greenfield Comprehensive School. More details next week....

# LOCAL WEDDING

The marriage of Angela Price to Wayne Kearton took place at St Clares Church Newton Aycliffe on Saturday 15th August. A reception was held afterwards at the Kings Head, Darlington. Angela, whose parents live at Scholars Path, is a former pupil of Greenfield School. She has just completed an HND in Tourism and Management. Wayne is a chef at Walworth Castle and the married couple will live in Darlington.

## HURWORTH 0 HUNTSMAN 4

In association with Agnew Taxis (Tel 310580).

HUNTSMAN continued their good start to the season with a comfortable away win. The game was never out of the visitors' reach - Huntsman always looked like they were going to win, though once again they didn't start too well. Director of Football Darren Baxter opted for a 4-3-3 formation as opposed to the 4-4-2 from the previous two games. Martin Walker was given his first start of the season and he repaid the faith to bag two well

taken goals. Strike partners Wayne Marram and Stephen Woodward netted the other two goals for Huntsman in an otherwise pretty drab game. TEAM: Wilson, Travis, C. Walker, McCabe, Lothian, Haigh, M. Fielding, Cherrie, M. WALKER, Woodward. Marram. Subs: Leonard, Briddick, Armstrong. STAR MEN: M. Walker 5, M. Fielding 4, McCabe 3, Lothian 2, Wilson 1. HOT SHOTS: M. Walker 2, Marram 1, Woodward 1.

DDSML Round-up: Huntsman remain third in the League behind neighbours Iron Horse, who won 4-0 at Hopper Transport and British Legion, who beat Smith and Allen 9-1. Other Aycliffe side Europa FC drew 4-4 at Club 2K Spraire FC, while Shildon team Three Tuns, formerly Fox and Hounds, continue their wining start just behind Huntsman after their 2-1 win at Barnard Castle. Security Surveyors beat Turk's Read 6-1 while Bridge FC, who used to be Halfmoon, won 3-2 at Shuttle and Loom, formerly DCSS.

## LADIES Aycliffe 3 Stockton 1

On a hot and humid day, Aycliffe had key players absent but still managed to bond well as a team. From the whistle, the ball flowed between the teams and possession was divided equally. After a bright opening from both sides, Stockton faded slightly and Aycliffe began to dominate. It was during this period of play that Aycliffe took the lead, when Lisa Marley ran on to a long pass from captain Kim O'Connor and calmly side footed the ball past the advancing Stockton goalkeeper. Aycliffes' second was scored by Tanya Burdess after a goalmouth scramble and a moment of uncertainty in the Stockton defence. Shortly before half time Stockton pulled one back after a corner was not properly cleared and the Stockton No. 10 fired an unstoppable shot past Aycliffe keeper Donna O'Connor. Into the second half and both teams were pushing hard, looking for a goal. It was Aycliffe who made the breakthrough. Leslie Forrest delivered a quality cross which fell perfectly to Shelley Oxenham to score on the half volley. This made the score 3-1 and so it remained until the final whistle. This was Aycliffes' first win and came at a perfect time, a week before the start of the season, which begins Sunday 6th September. Aycliffes' first game is against Darlington Ladies F.C away at Hundens Lane. Team: D. O'Connor, J. Hewitson, K. Martin, E. Marley, N. Hankins, M. Spender, T. Burdess, L. Forrest, S. Oxenham, K. O'Connor, L. Marley. Goals: L. Marley, T. Burdess, S. Oxenham. Bookings: K. Martin (yellow). Man-of-the-match: Jane Hewitson.

# MARK YOUR PROPERTY

Detectives at Newton Aycliffe are armed with pocket U.V lights in their fight to trace stolen property and the thieves who steal it. All property coming into Police possession undergoes a rigorous examination for identifying features.

It is for this reason that Sedgefield Divisional Police and the Borough Council are running a 'Property Marking Challenge', using UltraViolet pens to mark valuables in the home. The challenge was launched in May and all residents are urged to come on board. Property marking kits, include an UltraViolet marking pen, Home Office property register / advice leaflet, and two window stickers. The kits courtesy of Sedgefield Borough Community Safety Group, can be purchased from Newton Aycliffe Police Office for 50p. P.C. Langthorne, Crime Prevention Officer said, 'I would encourage everyone to be in a position to identify their valuables. Post coding, recording model and serial numbers and taking photographs all proves extremely useful to us if you are unfortunate enough to have property stolen'. For further information contact Neighbourhood Watch or Crime Prevention Department at Newton Aycliffe Police Office. Tel. 314401.

## CONSETT 14 v AYCLIFFE 33

Aycliffe travelled to Consett this week to play their first away game of the season. Although this was another 4 quarter squad game in preparation for the forthcoming season, this didn't minimize the importance of gaining a creditable result against a team who beat us 23-10 last season. Pre-match preparation wasn't at its best this week due to injuries to several key players. These included front row stalwart Bob Malvern, Mick Ndan who trained as a 2nd row this season and inspirational backs such as Neil and Paul Shaw who may be out for two weeks. Again, similar to last week, the opposition started strongly due to their superiority in the height and weight department and a hard fought try from the forwards saw Consett open the score-line. Aycliffe replied in the 2nd quarter with a well timed scissor move between fly half D. Pettit and centre P. McCormack. Consett scored again to put Aycliffe under further pressure but some exhibition Rugby from a combination of backs and forwards in the 3rd quarter put the game beyond Consett's grasp. Finally a try in the 4th quarter left the score at:- Consett 14 - Newton Aycliffe 33. The 1st of Aycliffe's fixture card games is next Saturday (5th Sept) at Houghton. The week after (12th) see Aycliffe at home against newcomers Yarm in the league. It's finally time to asses the preseason hard training and determine what areas need further work before major league games draw near. Enthusiasm and commitment are high at Moor Lane presently with several new faces and a new coach Mark Hill, who's providing some gruelling training on Tuesday and Thursday nights. Try Scorers: D Pettit (1), P. McCormack (1), W Parsonage (1), M Hill (1), T. Cooper (1). Conversions: D. Pettit (3), T Cooper (1). Many thanks to our main sponsors Great Lakes Chemicals. See below for list of games leading up to the Christmas break and the match ball sponsors.

# TOUGHER ROAD LAWS TO SAFEGUARD KIDS

Northerners are demanding tougher road laws to keep their children safe, including a new, statutory 20 mph speed limit outside all schools. The findings come in a Harris survey, commissioned by direct motor insurance intermediary Dial Direct, in time for the new school term. Whilst 79% of British people nationally want the limit lowering to 20 mph to keep children safe, 82% of those surveyed in the north were in favour of this move. Northern counties were also more in favour of installing speed and security cameras outside all schools. Whilst 62% and 71% supported this view nationally, 73% and 82% of Northerners supported these measures. The Dial Direct survey also showed:

- \* 40% favour on-the-spot fines of £100 for any parent parking on double yellow lines when dropping off, or picking up, children
- \* 34% feel that lollipop people can no longer keep children safe - compared to national average of 23% who feel this
- \* 24% would support the cordoning off of all roads around schools to all motorists

other than parents, during school rush hours

- \* 64% would like to see a ban on the overtaking of school buses during drop offs and pick ups (national average 60%)
- \* 66% support a total ban on cars in the immediate vicinity of schools, other than for those carrying disabled children (national average 49%)

Dial Direct's managing director, Michael Bennett, says: "This survey shows that people, particularly in the north, are demanding increased levels of child safety. We hope that drivers will take heed and cut their speed around schools."

# TEENAGERS GRAVE VANDALISED AT HEIGHINGTON

With regard to the desecration of Wayne Freer's grave in Heighington. His courage in the face of an illness that was eventually to take his life was to say the least, very humbling.

His wonderful smile lit up a room and his impish humour chased away any gloom. Never a complaint or a word of self-pity was heard, his concern was for his family, for their pain.

The illness may have taken his life but never his spirit for that stays in our hearts and our memories. In contrast the persons who defiled his resting place are cowards and should hang their heads in shame.

## £100.00 REWARD OFFERED

£100 reward is being offered for any information leading to the conviction of person or persons who vandalised the headstone and grave of 13 year old Leukaemia victim Wayne Freer. This despicable act occurred sometime between Sunday 23rd and Friday 28th August 1998. Any information received will be treated in the strictest of confidence please contact Darlington Police on 01325 467681 or Crimestoppers on 0800 555111. Thank you.

# B.P. SCOUTS FUN DAY AT AYCLIFFE

What was going on in Aycliffe Village last Sunday?

Last Sunday, 30th August, 1st Aycliffe Baden-Powell Scout Group held a fund raising event in and around Aycliffe Village, during one of the few sunny days seen this year.

Teams of adults and children from Newton Aycliffe, Aycliffe Village, and Heighington engaged in Netball, Rounders and VolleyBall, all in the spirit of fun. The event culminated in a grand finale 'It's a Knockout', where adults and children alike were seen zooming down the hillside on the water

slide.

The winning team members each received gold medals and £10 sports vouchers, all other participants received silver medals for taking part. The medals were presented during the BBQ evening, hosted by Andrew Brown, chef extraordinaire, at The County, Aycliffe Village, who also provided the food. A great big thanks to him and his staff for being so kind as to help. Our thanks go also to: 3M, Great Lakes, Perscorp and Fujitsu, all of whom donated funds for prizes, to Aycliffe Village School and Hall, who allowed us to use the facilities and run riot, unchecked, for the day... St. John's Ambulance, who always attend our events, applying aid to the obligatory bashes and scrapes, Great Aycliffe Town Council for allowing us access to the playing fields, Newton Aycliffe Recreation Centre for the loan of equipment and finally to the leaders and friends of 1st Aycliffe B. P. Scout Group who help whenever we Shanghai them (and usually don't get a mention!).

All in all, the event was a success, and we can confirm that the event will be run next year as was requested by so many of this years participants, so make sure you come ready to play hard and get wet...

## LEGION 9 SMITH 1

The Royal British Legion entertained new club to the league, Smith & Allen on Sunday 30th August. Legion were out to keep their 100% start to the season going. They were soon on their way when after 5 minutes Andy Clay cracked in the opener 1-0. The game then went a bit scrappy and it hasn't until the 33rd minute that Mark Delucia increased the Legions lead 2-0. Further goals both by Doug Grant made it 4-0 to the Legion at half time. The second half saw Smith and Allen come out and play some good football, anyone would have thought they were the side leading 4-0. Smith & Allen got their reward in the 62nd minute to make it 4-1.

This however must have woke the legion up and they started to play good football like they know they can.

With further goals from Andy Clay 74th, Mark Delucia 77th, Doug Grant 79th, Dion Riatt 82nd.

Last of all a brilliant solo run by Mark delucia beating 4 men and slotting it past the goalkeeper in the 85th minute to make the final score 9-1 to the legion. It was close for man of the match between debutante Scott Brassell and mark delucia and with no favouritism my Royal British Legion man of the match with his solo run goes to mark Delucia. Keith Brassel.

# CHARITY FOOTBALL MATCH

On Sunday 23rd August a Southern Club Ladies Team played a Southern Club Mens Team in a football charity match to raise funds for Butterwick Hospice for children.

There was a catch of course, the men had to dress up as women and play in flip-flops or wellies.

The ladies had been training for several weeks and were really up for the game, they were up against a strong men's side with Keith (Heidi the Blond Bomber) Postle - John (off the shoulder) Melvin - Rob (Tina Turner Purplehead) - Gary (Posh Spice) Clarkson - Anthony (Ginger Spice) Dixon - Ian (Mrs Doubtfire) Nesbit - Derek (Old Mother Riley) Hubert and Ian (Pamela Anderson with a tache) Robinson. The game started with an excellent crowd cheering both sides on. The men/she's took an early lead

when Tina Turner netted from close range, the ladies reply was instant when Heidi the Blond Bomber fumbled and Speedy tapped in.

The rest of the first half was even with neither side giving an inch however Old Mother Riley was sent off for dissent.

The ladies took total command in the 2nd half and with further goals from Tracy Douthwaite, Ruth Strevens, Speedy 3 and Julie they led 7-1.

The men did reply with 2 goals, which I thought were both a mile offside, to make the final score 7-3 to the ladies.

I thought that Errol (the ref - Grace Jones) was very very biased for the men and the winning margin could have been greater if he had given the ladies more decisions.

A very entertaining and hilarious game for the spectators, full credit to the

ladies but the men really did play the game in good spirit and fun.

A big thank you to the Southern Club with different sections raising

## CRIMESTOPPERS FAMILY FUN DAY AT THE HALL GARTH HOTEL

Craft makers and charitable organisations in the region are being invited to make a 'stand' against crime at a forthcoming family fun day. The Craft Fayre and Fun Day is being held on Sunday, October 4th at the Hall Garth Hotel. It has been organised by the Crimestoppers charity, with the aim of raising funds to help the crime-fighting body in its work across the Northumbria, Durham, Cleveland and North Yorkshire Police areas. Stands at the fayre are now available at a cost of £10 for charities and £20 for companies. A large table is

provided for wares to be displayed and the organisers see the day as an ideal opportunity for craft makers to sell their goods in the run-up to Christmas. As well as the craft fayre the fun day will feature face painting and clowns to keep the children amused, along with a tombola, raffles and refreshments. To book a stall at the fayre, which coincides with National Crimestoppers Week (1st to 8th October), charities and craft makers should contact Crimestoppers office in Middlesbrough on 01642 241826.

Crimestoppers is a registered charity, involving every police force in England and Wales. One detective from each of the four north-east forces is seconded to the Tyne Tees unit based at Chester-le-Street police station. Anyone with information about any crime can call Crimestoppers anonymously if they wish - on 0800 555111.

## CRICKET NEWS

Newton Aycliffe Cricket Club completed their home fixtures with a heavy 8 wicket defeat by Barningham in a game sponsored by Great Lakes Chemicals.

After being asked to bat first Aycliffe were dismissed for just 102 in 31.4 overs and were thankful for some late order hitting by both Alan Mitchie with 29 and Peter Coleby with 24, putting on 44 for the eighth wicket to give the innings some substance.

In reply Aycliffes bowlers Glen Williams who took 2 for 27, John Gledhill 0 for 40 and Peter Coleby 0 for 15 all bowled well, but the visitors still reached their target with more than 5 overs in hand with opener Colin Blackburn unbeaten on 48.

If Aycliffe win their last two games, away at both Eryholme and Cliffe they will definitely remain in the top division. Aycliffe seconds recorded a win without a ball being bowled after Sedgefield thirds failed to raise a team.

## JUDO

The Newton Aycliffe Judo Club will be reopening after the summer break on Wednesdays and Thursdays.

The Club has two venues, Newton Aycliffe Youth Centre every Wednesday 5.30pm - 7pm (Senior and Children (6yrs to 16yrs), and St Francis School, Broomlee Close, Newton Aycliffe, every Thursday 6.30pm - 8pm (Children) and 8pm - 9pm (Senior).

Both venues extend a warm welcome to old and new members alike for only £1 per session subscription (first session free).

So if you would like to learn a martial art the gentle way from scratch or would just like to improve your fitness or awareness why not call in.

## COFFEE MORNING

There is a regular Coffee Morning held in St. Clare's Church Hall every Saturday from 10am to 12 noon, and you can also buy home-made cakes from our cake stall to take away with you.

## "COLLECTING CONKERS IS NOT UNRULY"

Dear Sir,  
I uphold the policy of Sedgefield Borough Council in their struggle to maintain good neighbour relations and wanting to get rid of unruly 'Neighbours from Hell', but how far does this go when you have neighbours who report you to the Borough for the silliest things. "Do I keep an unruly dirty house? NO! Do I play loud music at all hours of the day and night? NO! Do my children harass the neighbours, do they put windows out or kick doors in, the answer is NO!" What they do is what all five, six or seven year olds do, they like to play in mud, they like to collect conkers. How many people can say that their children or even themselves haven't done this when they were children? This is what I have been reported to the Council for. Some person with nothing better to do, decided that the Council should be told. The Council then, in their wisdom, sent out an officer to my home and gave me a warning that if I didn't stop my children from playing in mud it could affect my tenancy. Why couldn't the person

responsible come to me and complain if they thought my children were doing wrong instead of letting the Council do it for them. For one reason only and that is they don't have the guts to face me and say their piece. Instead they hide behind their curtains and bother the Council and, may I add, that I am disgusted and very surprised at Sedgefield Borough Council for taking notice of such a petty, silly complaint.

# THANKS FROM RETIRING TEACHER

To the children, staff, parents, (past and present), Governors, and friends of Woodham Burn Infants School, a very big thank you to you all for the many lovely gifts, cards and good wishes which you sent to me as I left Woodham Burn. They were all lovely thoughts and showed what very caring and thoughtful people you all are. At the end of year Concert it was especially nice to see again some of our ex-parents and children who had come along to wish me well. I would also like to thank

Pat Henderson and her superb staff for a lovely send-off. They are special people to work with and I shall miss them very much. I have enjoyed my time in Newton Aycliffe very much indeed and it is somewhere which I shall always remember fondly. I would like to wish everyone all the very best for the future and once again, many thanks for making my time at Woodham Burn, a very special one. With very best wishes Mrs Jennifer Jackson.

## LEARN TO PAINT

Do you have an artistic streak? Painting and drawing classes are held on Tuesday, Wednesday and Thursday evenings at the GREENFIELD CENTRE, NEWTON AYCLIFFE.

The established Tuesday and Wednesday classes will continue to develop the themes already explored in previous terms, and new members are very welcome.

Due to popular demand the Thursday evening session is a brand new class for "absolute beginners"....the aim is to teach the basics of watercolour techniques to those who have always been attracted to painting but have never found the opportunity. Ring now to secure your place! The course tutor is professional artist Tricia McLaughlin, and she stresses that the emphasis is on bringing together local adults of all ages and abilities, from complete beginners to experienced artists, to exchange ideas and develop techniques. Guidance is at hand to cover topics ranging from the basics, such as buying materials and getting started, to putting the finishing touches to a long-standing project. The classes are friendly and informal and include talks, videos, handouts, demonstrations and group tuition as well as individual advice.

For more details call Tricia McLaughlin on 01325 319471

**CLAMP DOWN**  
Some parts of Aycliffe are a mess And all because a few Pig-headed people park their cars Where once some green grass grew. But now the Council's drawn the line. It says it's had enough. Illegal parking's got to stop. The penalties are tough. So when you park your car make sure It's legal and it's proper Or else you'll find the Council's sent Its very special copper. He'll put a clamp on your front wheel And then he'll hide the key. You'll have to pay him forty quid Before he'll set you free.
