## TONY BLAIR M.P. HOLDS SURGERY FOR GREENFIELD SCHOOL PUPILS

To celebrate Universal Child Rights Day on November 20 the Student Council of Greenfield School recently had a chance to talk about issues that really matter to them with their Member of Parliament.

Tony Blair held a Children's Constituency Surgery at Greenfield School where children between the ages of 11 and 16 had the opportunity to ask questions on any subject they felt was important - from funding for sports, to identity cards, to

the economic situation in the North East - Leader of the Student Council, Claire Peters, 15, made an excellent job of chairing the meeting and keeping the P.M. in order.

The nationwide event is being organised by UNICEF, the United Nations Children's Fund, in order to give young citizens the chance to exercise their right to be heard.

UNICEF believes that MPs, as our elected representatives, have a responsibility to listen to children's views - Children may be too young to vote but they are not too young to matter.

In fact, the right to be heard is part of the UN Convention on the Rights of the Child - which has been signed by every country in the world except two. The Convention states that every child has the right to be heard on issues which affect them by those who make decisions on their behalf.

## Successful Launch of 1st Annual North East Karate Championships

Newton Aycliffe and Kobukan Karate Clubs' 1st Northern Charity Karate Championships, were held on Sunday 15 November at Newton Aycliffe Leisure Centre with profits going to 'Help the Aged' in Newton Aycliffe.

Compliments must go to Alistair Walker and his team for organising this event which attracted entries from all over the country.

The main sports hall of the Leisure Centre was a hive of activity all day and many expressed their appreciation of the facilities provided.

This was a very high profile event for Newton Aycliffe and the proceeds will go to senior citizens in Newton Aycliffe - The grand total is not yet finalised. 'Help the Aged' Chairman Peter Beatty said "This was a very well executed event - with sincere thanks from 'Help the Aged' and all those who will benefit. Wishing both clubs all the very best for the future.

# INDUSTRIAL ESTATE LANDLORD INVESTS £3MILLION IN AYCLIFFE

Helical Bar plc is backing a £3 million investment programme at Aycliffe Industrial Park's, Heart of the Park development site, which has been aptly named due to its prime location at the centre of the estate.

The project will be completed in three phases, the first of which will create 4 industrial buildings that will range in size from 10,000 sq. ft. to 30,000 sq. ft. Keith Summerbell, director of Aycliffe and Peterlee Development Company Ltd., a part of Helical bar commented "This is one of the few examples of a speculative development in County Durham outside of the Enterprise Zones, and I am confident that the buildings will attract substantial interest.

The decision was made to rejuvenate the derelict site on the estate, which was established more than 50 years ago, after a study commissioned by Sedgefield Borough Council in 1994, that identified action was required to secure the estate's continuing success. Helical Bar joined forces with English Partnerships and Sedgefield Borough Council and have now commenced work on the first phase of the development. Keith commented "I am delighted by the progress that has been made at the 40acre Heart of the park site. This is an excellent example of how the public and private sectors can work together to the good of industry and the environment by utilising brown field sites."

English Partnerships regional director, Jonathan Blackie added "The availability of quality ready-to-move into accommodation has a vital role to play in the economic development of the region. I am particularly pleased therefore that our joint venture with Helical bar plc and Sedgefield Borough Council will provide the right environment for business growth".

Aycliffe Industrial park is currently the home to 250 local, national and international companies which employ over 10,000 people. The estate was one of the earliest and largest to be developed in the north east and is a popular location for industry.

Helical bar has interests in Aycliffe and Peterlee worth in excess of £40 million. The company is landlord to 170 buildings on Aycliffe Industrial Park, which range in size from 1,000 to 100,000 sq. ft.

Keith Summerbell commented "We expect to be making at least one big announcement with regard to the new buildings before the end of the year".

Helical bar plc was originally established as a manufacturer of reinforcement bars for concrete, and entered the property investment market in the 80s. The company has been linked with a number of successful ventures, which include the current development of Middlesbrough's Captain Cook Square.

In 1987, helical bar purchased the assets of Aycliffe and Peterlee Development Corporation, and has since invested in many refurbishments and extensions to existing buildings on the Aycliffe and Peterlee industrial estates. However, this is the company's first industrial speculative development in the North East.

# Fellowship Offered to Teacher

By Andrew Noble

After years of teaching one teacher at Woodham Comprehensive has decided to go away during the Christmas break and not return until Easter. The time off however will not be spent on holiday but back at University.

Woodham's Head of Religious Studies, Mrs. C. Reynolds, has been given the opportunity to take up a fellowship at Durham University producing a CD-ROM to support teachers in the teaching of GCSE. Religious Education. The CD on "The Philosophy of Religion" will eventually go on general sale.

To be asked to take up this position is made an even greater opportunity by the fact that she will be the only person producing the CD, and she needed to fight off around 250 other applicants to be offered the fellowship.

The fellowship is offered by The Farmington Institute, and organisation working to support the teaching of RE in Schools, and will see Mrs. Reynolds - who has seen many of her past students proceed to University - returns to university herself. The ambitious teacher is looking forward to the term away "It's a really fantastic opportunity and I'm really looking forward to it" said Mrs. Reynolds who teaches both GCSE, and A-Level RE and well as Sociology. She does however realise it will be hard work, made even harder by the fact that she will be relying only on her previous experiences of programme writing to produce the CD.

# School Re-opens Midbank

Monday 16th November saw the grand re-opening of a special branch of the Midland Bank at Greenfield School in Newton Aycliffe. Known as Midbank, this branch caters for young people and aims to introduce them to good habits of saving from an early age.

For the sum of only £1, students are able to open their own bank account and, in return, receive a personal organiser. Greenfield's bank staff (from Years 10 and 11) also intend to run their own promotional activities - including the chance to win one of ten footballs for the first students opening accounts.

The opportunity of working in the bank also provides valuable experience for the pupils involved, either as cashiers or account openers. Midland Bank employee, Julie Wallace, has run special training programmes with the students and will oversee the running of the branch. Local training company ITEC are to perform the re-opening of the branch, which ran on a trial basis last year. June Wilson, Placement Officer, with ITEC and Catherine Jowett, Marketing Officer, agreed that it was encouraging to see young people developing the kinds of skills which would enable them to cope with the world of work.

# Band Achieves High Position

On Saturday Aycliffe and Brancepeth Band took part in the annual Colliery Institute of Social Welfare Organisation contest at the Wintergardens in Blackpool. The town band's amalgamation with Brancepeth Band (a former Colliery Band) 5 years ago enabled them to enter the prestigious National Competition. The band were placed in 6th position with 179 points in the 4th Section. This was an extremely high position for a developing band, which has in its ranks 8 pupils who attend Woodham Comprehensive School, this out of a total contest playing number of 27.

Band members enjoyed a hectic weekend which involved a concert on the return journey home to Aycliffe at a small parish church at Rampside in South Cumbria. The band are due

to enter the Camerons contest at Hartlepool on Sunday 29th November and will perform the same test piece 'Partita' by Gregson chosen as the test piece at Blackpool and a stern test for any 3rd or 4th section band. Mike Priestley

## G & S Concert

The annual production by the Heighington Choir is being performed this year on Friday & Saturday 27th and 28th of November in the Village Hall at 7.30pm. It takes the form of a Victorian Musical Evening and the first half is Gilbert and Sullivan favourite choruses and solos.

The second half takes a futuristic look at musicals with excerpts from West Side Story and Les Miserables. These productions are always well supported, so please do so again. Tickets can be obtained from Marilyn Anderson Tel: 314903 or from choir members, priced £4 or £3.50 concessions.

## POETRY COMPETITION

Newton Aycliffe Library recently ran a poetry competition as part of the National Year of Reading. It attracted over 30 entries and was judged by local poet, Mrs Flora Schurmann, who enjoyed her role immensely. The winners were pupils from St Joseph's RC Primary School who won book tokens as prizes.

### Winner:

Laura Atkinson and Natalie Brady - 'HALLOWEEN'

Halloween is a scary night  
It always seems to give you a fright  
Witches, vampires, ghouls and ghosts  
Suck your blood and separate your bones  
Werewolves howl, they know its time  
On Halloween you'll never be fine.  
On Halloween night you're snug in your bed  
Thinking soon you'll lose your head  
Blood and bones will soon lie there  
On Halloween night you'd better BEWARE!

### Runner Up:

Carly Natrass & Lois Richmond 'AT THE HALLOWEEN PARTY'

The Halloween party was held in a hall  
At the stroke of midnight  
They all came to call  
There were witches and vampires  
To name but a few  
The ghouls came along  
Believe me it's true  
I hid when I saw them  
I jumped out of my skin  
They all just passed by and gave me a grin.

## HEIGHINGTON SCHOOL WIN CROSS COUNTRY EVENT

On Sat. 7th November, 24 children from Heighington went to Crook, for the Wear Valley Junior Schools Cross Country Event. 9 schools entered these relay races totalling about 216 children. We did very well in all these races, taking home all the year group trophies and the overall trophies. We had eight teams of three competing against nine other schools. First was Heighington, second was Cockton Hill, third was Wolsingham. The ages were seven to eleven.

While we were running the only thing you could hear was the parents of all the children screaming! Mr. John Coates, our physical education co-ordinator, said: "I was impressed by the determination of the runners and by the support of our parents."

Our teams were:  
Year 3 - Katie McTague, Jessica Hannah, Helen McTague, Matthew Flory, Alex Petterson, Stewart Kirkley.

Year 4 - Alexandra Newbould, Sophie Keogh, Naomi Kellett, Adam Walton, Nicholas Thong, Jack Outhwaite.  
Year 5 - Rebecca Baldwin, Kate Dixon, Jessica Scholey, Adam Redhead, David Turnell, Elliot Gardner.  
Year 6 - Louise Newbould, Kaitlin Donovan, Francesca Redhead (Team Captain), Adam Thompson, Gavin Newton, Matthew Hewitson (Team Captain).  
By Kaitlin Donovan & Francesca Redhead - Year 6

## Heighington Football

This year's football has been one of the best half seasons Heighington have ever seen. With 32 goals in 6 matches we must be top of the league, the only problem was we were knocked out of the cup by Hunwick 5-4. This year Heighington's top scorer is Elliot Gardner, our centre forward with 14 goals.

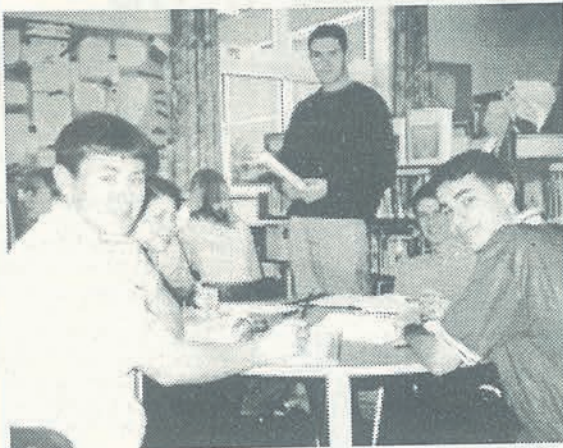

Second with 6 goals is Adam Redhead our centre midfielder. Then third is Matthew Brown with 4 goals (our left forward). Our best win was against Henknoke where the final score was 8-0 to us. Christopher Marshall, our goal keeper and vice-captain has only let in 8 goals so far and has recently got onto the Sedgfield District team. Adam Thompson, our centre back and captain has scored 1 goal from the 18 yard box. And is also on the Bishop Auckland District team. **PENALTY PRIZE**  
At the Quakers Stadium we took part in a penalty prize competition which we won 4-3 against Elmfield, now we are through to the 2nd round. The people who took part in it were: Christopher Marshall in goal, Adam Thompson, Thomas Connelly, Matthew Hewitson, Iain Gillies and Adam Parker.

## FORMER STUDENT RETURNS TO ADDRESS 6th FORM

Former Woodham student, now Cambridge University Blue, Andrew Coulthard, made a recent visit to the school and addressed current Sixth Form students on the subject of Higher Education.

Andrew is currently a third year student at Cambridge studying Engineering on an Army scholarship. Eventually Andrew will be undertaking Officer Training at Sandhurst Army College. Commenting upon how the school had changed since his days as a pupil Andrew noted the 'wonderful classrooms and excellent learning environment'.

His advice to current Sixth Form students was to appreciate not only the importance of good qualifications but also to gain a broad experience of extra curricular activities such as sport, drama community work and taking any opportunity to take responsibility. In the picture Andrew (standing) is seen in the school's Resource Centre with current Sixth Form students.

## CRACKDOWN ON SHOPLIFTERS DURING RUN UP TO XMAS

Newton Aycliffe Police will be fully monitoring two-way radios used by shops in Newton Aycliffe Town Centre as part of a crack down on shoplifters during the run up to Christmas and the New Year.

The Police have also supplied a list of photographs of active shoplifters and this together with the towns existing CCTV system will be used as part of the identification process for those involved in criminal actions in the town. Traders planned the strategy with the police at a recent meeting of the Town Centre Business group. Newton Aycliffe Police will also increase surveillance by officers mingling with shoppers in the town centre. Throughout the operation the shopwatch members will be briefed by the police on the current activities of shoplifting teams in the area. Police Crime Prevention Officer Neil Langthorne said that the Business Group which included Bells stores

were working together in a pro-active approach to reduce retail theft at a traditionally busy time for the trade. The Business Group also wished to express their thanks to Sedgfield Borough Council Business Centre for the support this year and the use of their excellent conference facility.

## Aycliffe Nature Park

The Aycliffe Nature Park Association and the Newton Aycliffe Young Ornithologists Club are happy to announce that donations toward the resource centre for the Aycliffe Nature Park have started to come in.

We would like to thank Great Lakes Community Support Group and Boddy, Thomas & Pacitto and Mrs. Howarth of Westmorland Way for the donation of pond plants.

The children of the Y.O.C. are doing a sponsored tree/shrub planting at the Simpasture plantation on Sunday 22nd November to raise funds towards this project. The amount raised is to be matched by Barclay's Bank who are sponsoring Mrs. Anne French, one of their employees.

May I remind people that individual donations are also welcome as well as those from local businesses. If your business has not yet contributed or if anyone would like to become involved with this project, as either part of the Aycliffe Nature Park Association or the Y.O.C. please contact either Dave, Tom, Alan, or Les on 318984, 315182, 312491, or 301653.

## Learning is Not Just for Children

Dr. David Hall popped into the public meeting held on Tuesday afternoon to inform the town about progress made to date with the development of Aycliffe as a Learning Town.

He reminisced on how the idea had first come about and reiterated the view that learning is not just for children at school, but for the whole family.

Mrs. Anne Timothy, formerly with Sedgefield One Voice, was introduced as the new Learning Town co-ordinator. Anne is busy with plans for the opening of the First Stop Learning Shop to be situated next to the Bishop Auckland College Computer Learning Centre in the Thames Centre. She is also getting to know all those organisations involved with any kind of learning or training in the town and would welcome people getting in touch with her on 01388 443000. Workshops were held to consider how we could sell

the idea of a Learning Town to young people, to the long term unemployed and in terms of adult education. It was good to see a number of young people present who were full of interesting ideas as to what the Learning Town might be able to do for them. Once the shop is open we hope that everyone will drop in and have a look at what is on offer - there's sure to be something for you! In the meantime, the next meeting of the Steering Groups is to be held at Ruth Hardwick Associates (above the Sedgefield Business Centre) on Tuesday, 1st December at 9.30am. If any group would like to be put on the mailing list for the Partnership, please write to, or ring, Karen Robson at Greenfield School (300378).

Finally, thanks to Sedgefield Borough Council for providing us with a venue for the meeting and the Leisure Centre staff for their excellent hospitality.

## CHARITY EVENING FOR WHIZZ KIDS AT NAVY CLUB

Charity fund-raisers Barbara Moor of Newton Aycliffe and her friend Karen Saint of Stockton are holding another Charity Event in aid of their 'Taj Mahal Cycle Challenge'.

They have pledged to raise £2,500 each for the charity Whizz Kidz, and in an

attempt to raise funds have organised this Charity Evening.

The Evening is to be held at the Navy Club, Bluebell Way on Monday 30th November from 7pm - 11.30pm. Ladies and gents can take the opportunity to purchase gifts for Christmas from our 'Body Shop Party' (Payment on the night, delivery on the 14th December). There are also three other stalls to browse, from 9.30 - 11pm: - **Flower House** - dried and silk flower arrangement - **Doughcraft** - household ornaments - and finally a ladies **Jewellery and Aromatherapy Burner** stall. (All of the above are cash and carry on the night). Admission only £1, which includes free raffle ticket. There will be a Disco provided by Paul Gittens Roadshow - Anyone over 18 is welcome!

If you would like further details contact Barbara or John at Woolworths on 312936.

### Appeal for Unwanted Indoor Games

Newton Aycliffe Youth Centre are making an appeal for indoor BOARD GAMES, such as Monopoly, Trivial Pursuit etc.

If you have these items going spare, please drop them off or ring for someone to collect on 312520.

## Wedding at St. Marys

A very pretty wedding was not spoiled by bad weather last Saturday, 14th November, when Patrick James Linden Billany of Redworth, younger son of John & Cam married Marie, daughter of Norman and Elsie Grainger of Broomlee Close, Newton Aycliffe.

Father Michael Weymes married the happy couple at St. Mary's Roman Catholic Church. The bride was attended by Bridesmaids Alice Cherrie and Kristy Huebrey with Page Boy Stephen Grainger. Shaun Billany, brother of the groom, was the Best Man.

Patrick works at Nissan and Marie is a Purchasing Officer working for the groom's father at Linden Group, Aycliffe Industrial Park.

The Wedding Reception and Evening Disco Dance was held at Ramside Hall and the couple then spent a short honeymoon in London and Venice.

The newly weds returned to begin their married life in their new home in Woodham.

## AYCLIFFE YOUTH FOOTBALL REPORT

The month of November is proving to be good for the results of the Clubs sides as last Sunday all the teams were victorious except the newly formed under 9's.

The performance of the week was probably by the 13's who travelled to Wolviston and beat an under 14's side in the County Cup, leading 2-0 at the interval with goals from Adrian Clark and David Palmer they were pressured into conceding goals to level the scores before Clarke scored his second. Excellent displays from goalkeeper David Judge and central defender Adrian Taylor enabled the team to maintain this lead and

earn joint MOM awards.

A stalwart of local football, Derek Wood, took advantage of a free morning and was rewarded when both his sons scored 2 goals each for their relevant teams. Seven year old Ben was playing for the under 9's in their inaugural fixture at Redcar and despite losing 9-2 showed some promise, once they gain a bit of experience and shape.

He then travelled to Yarm to watch the successful 10's consolidate their league leader status with a deserved 4-1 victory on a very wet and heavy pitch.

The 10's took an early lead through Richard Langthorne and then conceded an equaliser through slack marking. After missing several chances they took the lead when a corner was only partially cleared and Adam Redhead scored from 18 yards. The second half performance by the Aycliffe midfielder prevented Yarm from threatening this lead and Mark Wood capped a fine performance to score two goals, the second a 20 yarder, Ben Poskett took the MOM award marginally from Mark and Richard.

The 12's entertained Nunthorpe Ath. in a league game and won 3-2 with goals from Graham Johnson (2) and an O.G. Stewart Owen was MOM.

The 11's travelled to Eston and beat South Park Rangers 5-2 with goals from Luke Smith (2), David Neale (2) and MOM Michael Bagnall. A welcome victory after being narrowly beaten several times this season.

The 15's travelled to Byers Green for their local derby with some interschool and classmates rivalry at stake. Although they were without Neil Robinson and Chase McMullen, both on trial at York City, the town boys emerged victors by 4 goals to three in a highly competitive game, the Aycliffe Goals were scored by Craig Mason (2), Rob Symes and Matthew Abraham. Defensive duo Michael Middleton and Kevin Skinner were contenders for MOM but the award went to Craig Mason for his two goals and constant threat to the home defence. The under 14's County Cup Tie was cancelled by Spaire Lads due to unfit ground and will be played this weekend.

# TOWN'S PIPE BAND SUPPORTS BOXERS

On Thursday 6th November Pipe Major Ken Williams and Leading Drummer Neil Hodgson from the Newton Aycliffe Royal British Legion Pipes & Drums gave their support to the Scottish team of Boxers from Glasgow at a boxing venue held at Spennymoor Leisure Centre. They are seen here with three of the Scots Team Coaches. We hope that the skirl o' pipes and the beat of the drums gave them the fighting spirit that was needed that evening.

# AYCLIFFE'S EX-M.P. AT GREENFIELD SCHOOL PRESENTATION NIGHT

On Friday 13th November Greenfield School held a presentation of certificates and awards ceremony for achievement in GCSE examinations presented by the Rt. Hon. Derek Foster M.P.

It was an exciting evening because presentations were made to a very successful year group. For the second time in the history of the School the percentage of children gaining A\* - C was above 40%.

There were also improvements across all other measures. There were some outstanding individual successes.

13% of the Year group gained ten or more Grades A\* - G, 37% gained seven Grades A\* - C, 93% gained five Grades A\* - G and overall 96% of the year group were successful in obtaining a GCSE certificate.

The year group were praised for their high levels of attendance throughout the five years and quite remarkably three students were acknowledged for never having a day away from school as a result of illness throughout their five years at Greenfield. The three students were Michael Anderson, Vicky Ryans and Catherine Turgoose.

The Mayor's Trophy for highest academic achievement was presented to Samantha Dodds who obtained eleven Grade A's with five at A\*.

# St. MARY'S P.T.A. CHRISTMAS FAIR

St. Mary's PTA are in the process of organising this year's Christmas Fair which will be held in the School Hall on Friday, 27th November, 1998 from 6pm.

There will be a large selection of stalls including books, toys, bric-a-brac, cakes, toiletries and cosmetics, gift items, decorations, cards, and lots more. There will be lots of opportunities for everyone to win prizes, bottle stall, adult and children's tombolas, chocolate tombola, raffles etc. Santa will be making his usual appearance and will be taking orders for the children's presents for Christmas day.

The Grand Raffle will be drawn which includes a large selection of prizes, the three main prizes being cash. Our very popular hamper raffle will also be drawn. There will be refreshments and fun and games for everyone. Admission is free but of course any donations will always be accepted.

We are hoping that this year's Christmas Fair will be as big a success as last year and everyone has been working extremely hard with this in mind. The parents and pupils at the school have been extremely generous of their time and efforts this year and are to be congratulated for getting behind our main fund-raising event so well. All the money raised from the Christmas Fair goes towards buying essential equipment for the school and the pupils of the school. Last year was particularly successful in that the money raised on the night, added to that previously raised throughout the year, meant that the school was able to purchase a new Multimedia CD Rom computer and a new

photocopier. This year's target has not yet been set but this will probably be one of the new Headteacher's first priorities when she takes up her post next year.

We would like to thank everyone who has contributed to the fair so far and look forward to seeing lots of the townspeople of Newton Aycliffe on Friday 27th November at 6pm.

# £2,200 RAISED TO HELP INFANT WITH CEREBRAL PALSY

On Friday 6th November the staff from Aycliffe Young Children's Centre held a Charity Night in aid of Adam, a victim of cerebral palsy, at the Cumby Arms, Heighington. Alan and Sybil Bailey, the owners, let us use the newly decorated function room free of charge, which we were truly grateful for. The food was first class - Thank you.

The night started off with a group called 'South of the Border', followed by a lady singer Elisie and both were excellent. There was also a 'Slave Trade' which included a UPVC Door donated by B & M Plastic Supplies - auctioned at £270. There was plumber's, electricians, joiners and somebody designed a lamp. A large raffle was also held and an amazing £2,200 has been raised, which includes the £600 raised by a Coast to Coast Bike Ride, held a couple of months ago.

We would like to thank everyone who supported this night and especially Shaun Moorhouse who made it special. Adam's treatment is not supported by the NHS and we need funds all the time. We are really grateful.

YNE BAXTER 23-11-97. They say, that time heals the pain, yet full of love, its time again to think of all the years by, still full of heartache we wonder? But when we think of your loving face, your shining eyes, it seems like it's instead of years. The drops fall, no hand to hold, no face to kiss, no one at all. Our days are so lonely, our nights so sad. We only remember the loved ones we had. So take Melissa, the hand and Candy by the feet, and meet with us angels, to share the love. Keep. Love you all ever, Mam, Dad, Darren Jackie XXX

MISERABLE HUNTSMAN

Durham County Cup (3rd Preliminary Round)

Huntsman - 1 Sunderland Penniwell - 7 In association with Agnew Taxis (310580).

Director of football Darren Baxter slammed his side's performance as they slumped to a miserable home defeat, writes Martin Walker. Huntsman were very poor and thoroughly deserved their beating, Baxter said: "I'm not going to single out individuals - it was just a terrible team performance". The visitors went 2-0 ahead before Huntsman even woke up - Martin Walker pulled one

back with a delightful lob, and should have added a second minutes later, but Penniwell never looked like they would lose and ended up winning quite embarrassingly.

TEAM: Wilson, Travis, T Walker, Burke, McCabe, Haigh, M Fielding, Armstrong, C Walker, Marram, M Walker, Subs: Leonard, Cherrie, Woodward.

STAR MEN: Wilson 3, M Fielding 2, Armstrong 1. This week, Huntsman are scheduled to play at home to AFC Cockerton in the league.

## Prompt Help Given to Senior Citizen

Dear Sir,  
Could I, through your newspaper, say a very big thank you to 'Help the Aged' for coming to my rescue with speed and efficiency.

My dilemma was this: I am a senior citizen on basic pension living in a council controlled flat. My kitchen had to be rewired throughout due to age. I didn't know how I was to afford the necessary decoration nor the skill to apply it.

I rang the local branch of

'Help the Aged' and within three days the work was completed.

I am now proud of my newly decorated kitchen and the worry and heartache have let me and I feel uplifted to know (by experience) that there is always a friend out there if you only ask.

Best wishes to the Newton Aycliffe branch of 'Help the Aged'.

A happy senior citizen,

PS - and thank you Tom (Decorator), for a job well done.

## LETTER AYCLIFFE COULDN'T COPE!

Dear Sir,  
Knowing that there is only so much you can print about the Horndale House issue I feel I must comment about the statement made at Tuesdays meeting by John Robinson about Corporation Road in Darlington.

There are many unscrupulous landlords within the area but not all. I myself work in the notorious "bedsit lands" in Darlington and yes, it is another world. However the majority of tenants living in these bedsits and flats come there already addicted to drugs, alcohol and criminal behaviour usually put out of their family homes through their deviant behaviour and anti social habits.

I would enter some of these flats and bedsits to carry out repairs or refurbish after some tenants had wrecked them before either doing a bunk or being arrested.

You cannot believe how some of the properties have been left, doors torn off, holes kicked in walls, needles discarded, drugs openly seen, excreta on walls in baths and anywhere else apart from the toilet.

Doing repairs whilst they were still in was just as bad, I have witnessed groups congregating in various flats etc. drinking bottle after bottle of cider combined with injecting themselves with heroin or prescribed methadone along with other drugs.

Nearby is a needle exchange centre sometimes used sometimes not, I personally have had to take boxes and boxes of used needles and discarded drugs there to be disposed of. Each time a tenant left, I went in and redecorated, laid new carpets, mended appliances, fixed doors, windows etc. - until the next time. Many of these people have put their parents through hell and have been put out because they can no longer cope.

Yes they may be in need of more structured help (one reason the needle exchange scheme was introduced there) if they would accept it, but believe you me Aycliffe will not be able to cope with the sort of people who exist in Corporation Road. What I am saying is that it is not always Corporation Road that produces criminal and anti social behaviour - but it is that behaviour which produces the notoriety of Corporation Road.

## SCOUTS BONFIRE NIGHT

Newton Aycliffe Scout Centre recently held two events - a bonfire and firework display on 7th November and a Fair on 14th November. We would like to thank all who supported these events.

Special thanks must go to Cllr. Tony Moore for lighting our bonfire.

Thanks also to Perstorp for supplying the wood and John Painter for collecting it, John Richardson for arranging the fireworks, Wilsons for the donation of buns and Geoff Kidman for donating the onions.

We would also like to thank the Navy Club for allowing us to use their car park at such short notice.

## 1100 SCHOOLCHILDREN LEARN HOW TO DEAL WITH EMERGENCIES

Eleven hundred school children have taken part in a Safety Carousel in Newton Aycliffe. The event was designed to help primary school children cope with potentially dangerous situations. It was organised by Sedgfield Borough's Community Rangers and hosted by Aycliffe Centre for Children. All the Emergency Services were involved, along with St. John's Ambulance, the Railway Police and Northern Electric.

The children went through the Centre's conference area, in small groups, spending fifteen minutes in a series of different rooms. Each room was set out to simulate a dangerous situation, for example, a fire, a road traffic accident or an approach by a stranger.

The children could talk about the situation and take advice from experts. They also learned how to make a 999 call and should have left with a clear idea of what to do in an emergency.

Fireman Sam greeted the children as they arrived and children from Woodham Comprehensive School had made two "Welcome Boards" which will travel with the Carousel throughout County Durham. The Carousel was held from 2nd - 10th November and over 30 local schools have taken part.
