"WHAT IS THERE FOR THE FUTURE GENERATIONS OF NEWTON AYCLIFFE?"

Town Joins National Chain of V.E. Day Beacons

After consultation with the Royal British Legion it has been agreed that the main Celebrations to mark the Fiftieth Anniversary of the ending of the Second World War will take place in Newton Aycliffe 19th/20th August 1995.

To mark the end of the War in Europe a Beacon which will be part of the National Chain of Beacons, will be lit on Monday 8th May by the Mayor of Great Aycliffe (Councillor Peter Gowton).

The location of the Beacon will be on the hill overlooking the playing fields at the Oak Leaf Sports

Complex.

The Beacon will be lit at precisely 8.40pm. Prior to the lighting of the Beacon maroon shells will be fired at 8.35pm to mark the 2 minute silence.

All residents are invited to join the President of the Royal British Legion (Mr Jack McRoyall) and the Mayor to pay tribute to those who made the supreme sacrifice which enable Peace to be achieved.

Further details of the above Event and forthcoming Celebrations can be obtained from the Town Clerks Office on Aycliffe 300700

LETTERS TO THE EDITOR

Dear Sir

We would like to write in agreement to the letter in your edition dated 22nd April 1995, "Will we ever become a real town?", and take it a step further.

What is there for the future generations of Aycliffe? The only development is housing - we now have only two Comprehensive Schools - how is the town going to cope with the up and coming generation? There is nothing on this town other than the Youth Centre that is within the pockets of our 12-18 year olds. What we need is meeting places in different areas of the town (this has come from us talking to local youths) so that young adults can socialise within their own area. We are certain that pubs/clubs/churches could help in this area - without charging exorbitant prices.

What is wrong with the Leisure Centre holding weekly dances. There are so many ideas that could be explored, ask the young adults what they would like to see, and I am certain that we are not the only people in this town who are concerned at the lack of amenities for the youth of Aycliffe. We hear so much of groups congregating and causing a nuisance - but in all fairness what is there for them to do? All they want is somewhere where they can get together and talk.

How about the council deciding to build a complex on the Avenue School Site to incorporate a Cinema, Snooker, Ten-Pin Bowling, Multi-Age bar etc. All age groups could then benefit?

"Good Opposition Means Good Government"

Dear Sir

After reading in your paper that in certain Wards, Labour have a walkover. I do hope that there will be some opposition. As many like myself know, good opposition, means good government at whatever level, no opposition means dictatorship.

I also hope that the new Council will consider the home help, meals on wheels and other services and stop cuts.

They instead could save money by not paying councillors for none attendance or if they are being paid from other sources, stop councillors from indulging in free drink and save it for special occasions and VIP's. Also stop councillors going on conferences on which they have no knowledge of the subject being discussed, surely sending 2 officers would be enough, they would report their findings back to the council - value for money!

Woodham School Takes Action

As part of BT Environment Week 1995, year seven students of Woodham School in Newton Aycliffe are putting right damage inflicted on the ground around their block by the restoration of their building after a fire and the installation of disabled access ramps. Mud and litter plague their outlook so enthusiastic pupils plan to install a herb garden and revamp the neglected land.

During the week activities will include digging and covering the area with plastic and the planting of main shrubs. Further details on these plans to improve Woodham School can be obtained from the organiser, Mrs. Williams on 300328

TOWN'S W.M.C. FOOTBALL TEAM REACHES FINAL

Newton Aycliffe WMC Football Club have won through to the Final of the Durham County Sunday Cup Competition which boasts a starting line of over 300 teams. They will play Newton Hall on the Brewery Field, Spennymoor on Sunday 30th April kick-off at 10.45 am. When all local support will be appreciated.

In the long history of the competition there have only been two winners from South West Durham. Sunderland and Hartlepool teams have dominated the competition in recent years, but we now have the chance of putting Newton Aycliffe

on the County Football map. The squad of players managed by Alan Oliver and Gary Farley are predominantly Newtonians. The team have recently won the Bishop Auckland Ta Steel Sunday League, know they will have to be their best to win this prestigious Final. Heighington Village Celebrates V.E. Day

To celebrate V.E. Day Friends of Heighington Village are organising various events. An Exhibition of war-time photographs and memorabilia will be held in the Village Hall on May 8th from 3pm - 6pm.

Just before that the Church bells will be rung to launch the celebrations.

A Fancy Dress Competition has been organised with prizes for the winners, followed by games on the Green arranged by the Scouts.

There will be a 'Faith Tea' for all plus a Sing-along, after which each child will receive a £2 piece coin which has been donated by the Parish Council. The day will end with a short Service in the Parish Church.

But, none of this can happen without help - We need things for the Exhibition, plus

bunting and flags. We need help to organise the tea etc. A 'Faith Tea' is when everyone brings something to eat such as cakes, scones, savouries etc.

If you can help please ring the Chairman on 312123.

Let's make it a day to remember - anyone who remembers V.E. Day is asked to join in and help.

Watch Scheme Gains 75% Success

Dear Sir,

Thankyou very much for reminding residents of the Neighbourhood Watch Scheme at Harebell Meadows.

As a result 75% of households have joined and the scheme has been officially approved.

Our aim is to achieve 100% membership so that our neighbourhood is fully protected.

Statistics have shown that where these schemes are in operation there has been a marked reduction in burglaries, resulting in insurance companies offering generous discounts on household and car insurance.

Residents wishing to join or seek further info should contact Brian on 310637 or Joy on (01388) 721351.

Yours sincerely,
Brian Wilson

WE CAN BE A REAL TOWN

Dear Sir,

Newton Aycliffe can become a real town if the will is there. Since it began over forty years ago we haven't a lot to show and we are lagging behind most of the other new towns.

I believe the Council have always had massive control by Labour and at the moment things are at a standstill as they appear to have run out of ideas.

I suggest a change is needed if we want to progress and to balance the Councils we need more Independent Councillors - new blood with new ideas to get things going and with minds of their own to vote as they wish for the benefit of the town.

An even-balanced Council makes less mistakes, so I urge the electorate to vote with their feet on May 4th. More independent Councillors will make Newton Aycliffe better. Tony Moore is a good example - more like him would improve things here.

Yours sincerely,
George White.

OBITUARY ANN BATCHELOR

It is with deep regret we record the death of one of Newton Aycliffe's best known personalities, Ann Batchelor, who with her husband Geoff, ran the Town Centre General Dealers and Off-Licence for many years. Ann passed away peacefully, on Wednesday 19th April aged 53 years, at Butterwick Hospice in the presence of her husband, two daughters, close family and friends.

She fought a courageous battle against cancer for over two years, always cheerful, giving inspiration to fellow sufferers and receiving great admiration for her outlook on life and death.

Ann, a spiritualist, drew great strength from her personal beliefs and throughout her illness used this to help and reassure her family. She was born in Doncaster and moved to Shildon as a 12 year old, attending the local grammar school. She trained as an Office Clerk and met Geoff in her late teens. After their marriage in the early 60's they settled in Newton Aycliffe where her husband ran the family business. Ann was involved with the shop except for the times when bringing up their two daughters Amanda and Leslea.

She was a member of the Newton Aycliffe Inner Wheel, supporting many charitable causes.

Residents who were regular customers at 'Batchelors' will recall Ann's ready smile and a kind word for everyone. She was always available to counsel and help anyone in need.

The Funeral Service was at St. Clares this Tuesday and was one of the biggest ever seen in Newton Aycliffe. People from all walks of life, from near and far, filled the Parish Church to capacity with many standing in the aisles and outside.

It was a very emotional occasion and the Minister commented that it was unnecessary to talk about Ann as the sheer number of people present was tribute enough to her life.

Geoff, Amanda, Leslea and all the family thank the many kind people who have sent messages of sympathy. "They have been a great help to us all in our bereavement" said Geoff.

The family have requested donations, in lieu of floral tributes, be sent to Butterwick Hospice, 96 Bishopston Road, Stockton. We add our condolences on behalf of the community Ann served. She will be remembered fondly, missed and greatly admired for the marvellous way she faced her illness and eventual death.

OPEN LETTER GOLF CLUB SECRETARY RESIGNS

Dear Sir,

Following the Special Committee Meeting of the 23 April, I have no option but to offer my resignation as Secretary of Aycliffe Golf Club.

I called this meeting having been assured I has the full support of the Committee in my endeavours for the Club.

This turned out to be a big mistake on my part, except for the support of two members to whom I extend thanks.

There seems to be a very small group within the Club whose sole intent is to push out the old guard like myself. I cannot see why as there appears no-one capable of filling our shoes!

It cannot be mere coincidence that in the last year the three hardest working Committee men have fallen victim to the pressures from this same faction.

The Chairman spoke of reviving harmony, but if he looks around or asks members what they think, he will see where the dis-harmony lies.

My aim has always been to eliminate 'pressure groups' within the Club, but without the support of the Committee I was bound to fail. I wish REAL members all the very best in the coming year.

Yours sincerely,

Tax Office Thanks Newton News for Good Response

Dear Sir,

I write to thank you for the article on behalf of the Inland Revenue published 8th April.

Our visit to The Leisure Centre was the first time the Tax Office had provided a mobile advice centre and we were staggered by the response.

We had 135 callers who wanted advice on completing their tax returns, how to claim refunds, and advice on code numbers. When asked how they knew about our visit they told us they had read it in the Newton News. If anyone was unable to call on that day we will be making a return visit on Tuesday 2nd May from 9.30 - 3.30 pm.

Once again thank you for helping to make our visit to Newton Aycliffe so successful.

Yours faithfully,
Jean Chambers

ELECTION ADDRESS LOOKING FOR A FAIR SHARE OF THE BUDGET

I believe that any candidate who is standing for election to the Sedgefield District Council should be committed to represent the individual citizen, the town of Newton Aycliffe and finally Sedgefield District Council, in that order. I promise that if I am elected to represent the Shafto Ward that I will pursue the concerns of those individuals who seek my help with both speed and vigour and inform them of the outcome as soon as it is known. I also promise that you will see me on a regular basis at your door, not every four years at election time. I will pursue the interests of the town of Newton Aycliffe without fear or favour. I believe that planning matters which will be decided in the next four years, ie: the future of the Avenue site, must be in the interests of the people of Newton Aycliffe.

I also believe, as the largest town in Sedgefield District and the highest contributor to the budget of the authority, we should receive a fair share of the total pie and that services provided to Newton Aycliffe by Sedgefield District Council should be the best standard for the money available. Over the past four years, it is unfortunate that the Shafto Ward has not been properly represented at Sedgefield District Council. Past Councillors have tried to represent the Ward from Hull and, more recently, a Councillor has only attended 2 out of 99 meetings. If I am elected on the 4th of May, I promise to give a commitment to the Ward which has not been seen for many years. Bob Fleming Labour Candidate Shafto Ward Party

COMMITTED TO PROTECTING THE VILLAGE

I am 38 years old, married with 4 children and I have lived in Heighington since 1987. I graduated from Aston University in 1978 and now run a small engineering business in Shildon. I passionately believe that the Tory cuts in education spending and its supporters in Darlington have failed the children of Heighington. I was elected as parent governor of Heighington Primary School in 1989 and I am a member of the Friends of the School Committee. I have actively campaigned within the Labour Party to retain Woodham Comprehensive as the "Community School" for Heighington after Darlington gains unitary status. I am part of a growing number of small businessmen that value the support local business obtains from the Labour controlled councils. As a councillor I aim to encourage this positive partnership and strengthen the links with the business community.

I am a strong supporter of Tony Blair and the changes that have transformed the Labour Party. His clear sighted vision for Britain contrasts sharply with the weak, indecisive and divided Tory Government and their supporters in Darlington. I am strongly committed to protecting the village from unwelcome developers that threatens to breach the village envelope and destroy what makes Heighington special. I believe Heighington and Redworth need a strong voice in the ruling Labour Group in Darlington that will unequivocally fight the developers destructive plans. The Tory Party in Darlington is divided, marginalised and reeling from a string of resignations. With only 15 of the 52 council seats in Darlington Tories have no realistic prospect of control. A Labour councillor will give the villagers in and around Heighington real influence. The Labour controlled district council have

Election Address Heighington

reduced Darlington's portion of the Council Tax by nearly 10%. I will support the strict financial controls that have won these benefits while working to improve the quality of the services Darlington provide to the villages Martin McTague

TOWN'S THAI CHAMP DRAWS FIGHT WITH DUTCHMAN

Local Thai fighter and instructor Barry Scott returned home with a draw from his fight representing England against Holland in Wakefield last week.

The fight soon became a battle of wits with the European No.2 Ranked Dutchman using his kicking ability against Barry's vicious punching and kneeing. After 5 rounds the judges were called in to separate the fighters and a draw was given.

Both sets of supporters believed their man had won the fight so a draw was probably correct.

This means the European Title shot will be put on ice until the IKK can choose between the two fighters. Barry would like to thank C + C Blockpaving for their sponsorship and valuable support.

He hopes to be promoting a top class Title Show at Catterick in July and any company interested in sponsoring the event should ring him on 320504.

Gym Club Work to Raise £4000

Acorn Gym Club, founded in 1994 and held in the Leisure Centre on Saturdays, have been raising funds to purchase new equipment. The Club is well supported with over 70 children aged from 2 - 15 years.

Due to limited resources the Coaches and children have undertaken to raise as much as they can.

12 girls took part in a Sponsored Rock Climb at the Leisure Centre using the new Rock Wall, under the careful supervision of Rock Antics Staff who provided the equipment and instructors free of charge.

The climb raised £120.50p and Coaches Joan Farthing and Jean Stifman would like to thank RockAntics and all who supported this event.

The money will go towards a donation of £200 from a Charity Group to buy crash mats and other equipment needed to develop the new Pre-School class which was started in January.

The Club will be working hard to raise further funds to purchase other equipment totalling £4,000.

Letter to the Editor "I COST LESS THAN A FARTHING A DAY"

Dear Sir
In his letter published in the Newton News last week, Councillor Don Fraser challenged all Aycliffe Councillors to publish their accounts from 1987.

I became a Councillor in 1987 and over the last eight years I have attended well over 600 meetings in Newton Aycliffe and have frequently attended meetings to organisations outside of the town.

In carrying out these duties I have travelled well over 2000 miles in my own car, I have been the Leader of Aycliffe Town Council for the past two years and my commitment as a Councillor is second to none.

During the eight years I have been a Councillor I have claimed a total of £8.00 (eight pounds) travelling expenses.

If I carry out a similar financial calculation to Councillor Fraser, this equates to less than a farthing a day! One of the problems which Councillor Fraser has, is that he is obsessed with payments to Councillors.

In my experience people do not become

Councillors for the payments they will receive. In my own case, as a recently retired headteacher I can, if I chose, make more money working as a supply teacher in a day than I could make in a month if I were a District Councillor. Councillors give something more valuable than money - they give their time. Time, once it is spent can never be recovered. My use of the term farthing above, may point to me being old fashioned. If commitment and a sense of duty is old fashioned then I am proud to be so. I am also old fashioned in that I do not boast about how much I donate to charities. That is something which is private between me and my cause.

Your sincerely
Bob Fleming
Leader of Great Aycliffe Town Council

Town Sport STAFF TAKE THE HONOURS

Staff at the Oak Leaf managed a clean sweep of the titles in the Upex Sponsored Squash Leagues held each month.

Richard Vitty the Manager won his first Premier League title by winning all his matches. Colin Ward and Gary Hall were second and third whilst Derek Pinkney, Mick Jewitt and last month's Champion,

Nigel Blenkinsopp were relegated to be replaced by Peter Ramsey, Kevin Greenhall and Steve Heslop.

The Ladies title was won by Duty Manager Sheila Pinkney with Julie Bowtell and Linda Luke retaining their places in the 1st Division, to be joined by Sue McTague.

Elections
Woodham South

Fully Ward and House
Trained, years of continuous
assessment. Active involve-
ment with residents in Ward
issues.

No delusions to grandeur.
Jibs at the whip, odds on to
take more stick, not a rising
or new shooting star, not
within rocket range of pro-
motion, no ambitions to be
so - once rendered a teacher
speechless!

Outright opposition to One-
Party, One Voice, The Block
Vote-only in Councils.
Opposed to Propaganda
substituting for Councillor
accountability to Ward
electors.

Hands-on, foot-slogging ex-
perience in all aspects of
Ward and Council case work.
Early warning and strategic
systems in place. Town
Guide not required to locate
or identify with any part of
the Ward, night engagements
included.

Fully aware of what still
needs to be done, worked for,
promoted, throughout the
ward.

Aspirations: To continue to
be a conscientious, hard-
working Ward Councillor.
Working with and for resi-
dents and the well-being of
all the Woodham Ward.

If elected to do my best, give
as good a service as I can.
Continue to respect and
value responsibilities and
good faith invested in me by
residents on their behalf, as
I have genuinely tried to do
since 1987.

Don Fraser.

ELECTION ADDRESS TONY MOORE NOW FIGHTING FIT FOR COUNCIL

It has been my honour
to represent you for the
past 21 years. During
the last four years I
have suffered two
major illnesses, but I
am now fighting fit
again.

For quite a long time on
the advice of my
specialists, I was
unable to take a fully
active part in local
politics. But thanks to
the care of my doctors
and my dear wife,
Joyce, I have totally
overcome the health
problems I suffered.

I believe councils have
a duty to keep their
taxes down, especially
at a time when people
are suffering the effects
of the recession.

It is disgraceful that
while our essential
services are being cut,
Sedgefield Council
continues to spend
massive amounts of
your money on booze,
food and holidays
abroad for councillors.
I believe it is important
to have a strong

independent voice on
the council - a man who
makes up his own mind
irrespective of petty
party politics - to act as
a check on local
authority excesses - I
believe I am that man.
Rising crime is also a
major area of concern.
The people of this area
had a particular
problem with
absconders from the
Aycliffe Young
People's Centre. That
problem has now been
dealt with after a
lengthy campaign.
However, we cannot
afford to be complacent
and I will be on the
look out to make
certain the old ways do
not return.

When you cast your
vote on May 4th ask
yourself if you want a
fair system, a council
which is accountable to
local people, a council
not dominated by one
group. I ask you to
consider my record and
cast your vote in favour
of me.

Tony Moore

ELECTION ADDRESS USE YOUR VOTE IT'S PRECIOUS!

Do we realise how
precious democracy
is?

Democracy meant so
much to Jan Palach, a
young Czech, that in
1969 he burned himself
to death in protest at the
Russian occupation of
Czechoslovakia. Last
year in South Africa
when the blacks got the
vote for the first time,
they walked miles and
waited hours - just to
exercise their right to
vote.

Yet how much are WE
prepared to pay for our
democracy? For two
out of three people, not
even a short stroll to the
polling booth.
Shamefully, in some
local elections, the
turnout falls below
30%.

Many people 'don't
like to get involved in
politics'. That does not
mean they are not
political - indeed, they
comment ferociously
about a range of issues
from Bosnia to the
bollards on the green.
But inexplicably, when
it comes to voting they
draw the line.

And so we get the
government we
deserve. The last
fifteen years have seen
the nationalised

industries and the
nation's council houses
sold off. Where has the
money gone?

The economy wastes
away. The Health
Service is being
dismantled, and the
state education system
starved to death. State
pensions and benefits
are being phased out.
The homeless and the
criminalised increase.
Yet the super-rich have
become super-rich.
And this winter, while
some old people were
dying in their unheated
homes, the Gas Board
Chairman gave himself
a massive pay rise.
Now is not the time for
silence.

When you stand in the
polling booth, no lord,
no financial tycoon, not
even the Prime
Minister himself has
more of a say than you.
It is a right purchased
for you through years
of war, rebellion and
agitation. It is one of
the most precious
privileges on earth.

PLEASE go to vote on
4th May. Your vote is
your say in how we are
to be governed: MAKE
YOUR VOICE

COUNT!
Yours faithfully
John D. Clare

ELECTION ADDRESS "I WILL PUT AYCLIFFE FIRST"

LEN COCKFIELD
Woodham Ward
District Council
Candidate

Dear Sir,
One of the reasons I re-
quested a Public Meeting
with Labour candidates
(which they declined) was so
that people could hear, see
and question all facts and
figures provided by those
candidates who wanted their
support.

I am confident of my figures
and will be using them in my
Election leaflet, where they
have to be correct, by law!
Aycliffe provides the biggest
slice of Sedgefield District
Council's budget and to get
a fair deal it needs elected
Councillors who put their
town before the Party.

Elected Labour Councillors
have been proven to be in-
capable of this.

We have seen financial sup-
port withdrawn, the latest
being the Volunteer Bureau,
yet the Council Tax has still
increased.

If re-elected I will continue
to put Aycliffe first!
In last weeks 'Newton News'
a Councillor produced his

expenses, but I wasn't aware
this was an issue now.

Anyone putting their name
forward as a candidate, does
so to represent the people
and the days of high class
by Councillors have gone
and rightly so.

Attendance at meetings has
been an issue of the Election
campaign, but to attend
meetings is only possible
if you are either retired or
employed.

As a working Councillor
attend all meetings I posi-
tively can concerning Aycliffe.
However over 50% of the
meetings do not include
Aycliffe at all!
