The Work Place Celebrates Ten Years of Success

July 2018 sees the start of celebrations to mark The Work Place's first 10 years in business. Opening in July 2008, the business has gone from strength to strength in that time. 'A little gem' is how it is often described. A first class conferencing and training venue with state of the art facilities, The Work Place is perfect for training, interviews, seminars and networking, as well as meetings and conferences. Located on Aycliffe Business Park, just off the A1, it is tucked away behind a row of trees which hides its beauty, yet over 100,000 people have visited the venue over the last ten years.

'It's a fantastic, building and, with our small but dedicated team providing excellent customer service, we really do think the Work Place is the ideal place to be' says Business Manager Angela Wilkinson. The Work Place is a result of the vision of Jane Ritchie (MBE) who established the business after inheriting a large sum of money in 2005. Now based in North Yorkshire, Miss Ritchie, was awarded an MBE for her services to Durham Education Business Partnership, before unexpectedly inheriting a massive £9m by her cousin Margery Freeman after she passed away at the age of 100. Spending only £150 on herself to buy a wedding hat and a rhubarb forcifer, Jane wanted to invest in people. She set up two charities, the Vocational Learning Trust which aims to support learning for young people and The Work Place, a not for profit organisation. Ten years on, Jane's vision to support learning for young people continues. Each year Durham Constabulary and Durham & Darlington Fire Service spend two months at The Work Place hosting learning events for primary and secondary schools in County Durham. The Work Place also offers others strands to the

business. The centre is registered with Quasafe and Highfield to deliver quality training courses including Emergency First Aid, First Aid at Work, Fire Warden Training, Food Safety Training, Paediatric First Aid, Mental Health (Youth) First Aid and more. The office accommodation at The Work Place is also proving to be more in demand each year. The Work Place is already home to Durham County Council and Durham Secondary Schools Centered Initial Teacher Training (SCITT) Programme and more new tenants moving in during Summer 2018. The building looks as fresh as the day it opened. Jane is delighted by the success of the last ten years, commenting 'I'm very proud of The Work Place, it's a brilliant building and the plan is to keep on going'. To celebrate 10 years in business, The Work Place will have a number of offers available over the next few months. The Work Place is also hosting a 10th Anniversary Celebration afternoon from 2pm-4pm on Friday, 14 September, for clients and local businesses. Please email julie.turnbull@twpa.org.uk if you would like more information/invitation.

Tesco Offer Bags of Help

Below are the pictures of the presentations we made from the voting earlier in the year. Three groups are awarded £4000, £2000 or £1000, depending on the outcome of the vote carried out in store.

Other local community projects who have successfully applied and awarded cash from our Bags of Help scheme are Heighington Church of England Primary School, Woodhouse Close Church Community Centre, Bishop Auckland Table Tennis Club, Great Aycliffe Cancer Support Group, Richmondshire Leisure Trust and Our Lady & St Thomas Roman Catholic Primary School of Willington.

We encourage any other local community group who would like a little financial support towards a project they may already have in mind to apply by visiting our website tesco.com/bags-of-help or contact our dedicated helpline on 0121 237 5780.

Top photo is RocSolid of Newton Aycliffe, who won the vote for £1000 which they plan to spend for their group to enjoy days out. Featured are Helen and Shirley from Tesco and Mandy from RocSolid. Middle photo shows Endeavour Woodcraft of Ferryhill who were awarded £2000 towards making an outside bench for Rose Lodge. Bottom photo is PCP, Newton Aycliffe, who were awarded £4000 towards their Together 21 project.

Sergeant's Blog NEIGHBOURHOOD POLICING

By Sergeant Andy Boyd

Having been in my role now for approximately 2 months, I have been overwhelmed by the support from the community, the assistance that we get from partner agencies including the town council, and the positive attitude from my team in wanting to get out and make a difference.

June has presented the police with a number of issues around anti-social behaviour and crime, with a drive by the Neighbourhood Team to tackle a number of burglaries on the Industrial Estate. This has included the team coming in for night shifts and carrying out covert patrols in order to gather intelligence and apprehend offenders. During this period a number of males have been arrested, property recovered, and charges brought against them, one male remanded into custody.

We don't generally have a problem with burglaries elsewhere in the town, but there were two on one night in the Lockyer Close/Bramham Close area of Newton Aycliffe. A vehicle was stolen from one of these addresses and later pursued by the police, the stolen vehicle was recovered and suspects from the Bradford area arrested. One of these males was later charged and remanded for these offences, the other released under investigation.

We have also been attending a number of events in and around the town, including scout and beaver groups, local schools, and charity events. It is very important to us to attend these events,

Thank You

Dear Sir,
Had a great day out again on the "Old Fogie's Trip". As usual it was very well organised, and we had an excellent driver. A big thank you to our Town Council who have made us the envy of pensioners throughout the County.

A local sports club is putting to good use a new floor that has been recently installed at Newton Aycliffe Leisure Centre. Athena Sports Academy, who are based in Newton Aycliffe Leisure centre have taken delivery of a new sprung floor. With support from Durham County Councils Culture and Sport department, the club were successful in securing funding from local councillors John Clare, Eddy Adam, Kate Hopper,

Paul Howell, Scott Durham, Jim Atkinson and Sarah Ivesons Neighbourhood Budgets Joanne Heron, Community Sport & Physical Activity Development Co-ordinator commented, "Athena are an active member of the County's club support programme 'Club Durham'. The club works hard to identify grants that support development and growth. The new floor is a fantastic

addition to the clubs facility, allowing them to offer more classes and host national competitions which in turn will bring more visitors to Newton Aycliffe Leisure Centre and the town as a whole." Brittany Carruthers, Head coach of Athena Sports Club and the project lead said, "The new sprung floor has allowed the club to successfully host British national

qualifier events at the leisure centre and offer regional floor competitions to other clubs across the UK, attracting hundreds of visitors to Newton Aycliffe at a time. In addition, every single one of our 300+ members now benefits from a safer and higher quality session, which will inevitably assist them with much quicker development and progression."

County Plan - Housing Estates

What's Your Opinion?

A recent County Planning Committee criticised modern housing estates which, it said, cram people into too many, too tiny houses, do not provide enough parking places for family members, or sufficient off-road parking bays for visitors, and fail to set aside enough open, 'green' space. I am sure that residents could add other instances of bad design, including roads which are too narrow to park on, with obscure corners, lack of speed restraints ... and many more.

By contrast, Policy 31 on pages 154-157 of the County Durham Plan Preferred Options (bit.ly/CDPPOF) will seek from housing developers "the highest standards in terms of architecture, design, sustainability and

innovation". New housing estates will be required to contribute to an area's character, create buildings which can adapt to changing technologies, and be open, easily navigable and safe.

The CDP proposes a density of at least 30 dwellings per hectare in town centres and locations with good access to facilities and public transport. If you want to see what such a density looks like, the new Eden Fields development on Woodham Way is exactly 30dph. The Plan proposes that lower densities "may be acceptable" elsewhere.

This week, therefore, please consider the inadequacies of our existing housing estates, and suggest planning rules which will give Planners and Planning Committees the power to reject applications which continue making the old mistakes. Now also is the opportunity to ask for policies which will demand adequate developer contributions to improve the physical, social and environmental infrastructure (Policy 27), and to provide suitable broadband (Policy 29) and renewable technology (Policy 35).

THE CDP'S LIMITATIONS

There are requests which the Planners may not be able to add into the Plan because they are subject to government regulations:

- The CDP's Supplementary

Planning Document on good design (bit.ly/CDPBfL) reflects the industry standard 'Building for Life 12' guidance.

- The CDP's Parking and Accessibility Standards (bit.ly/CDPPAS18) - which set the number and size of parking bays - are based on official 'Residential Car Parking Research'.

- Minimum internal floor space rules are set down in the government's 'Nationally Described Space Standards' (bit.ly/THSNDS).

- And while the old Sedgfield Borough Plan required 600sqm of open space for every 10 dwellings, the current DCC Open Space Needs Assessment (OSNA) sets out much lower requirements on a population pro rata basis, and allows developers to make a financial contribution in lieu ... because the OSNA is, similarly, based on government Planning Policy Guidance.

So we are constrained what we can demand from the CDP. And even if we were to be able to convince the Planning Inspectorate that we can justify tougher rules in County Durham, we have to be aware that house prices in the County are relatively low, and planning requirements which are too onerous will simply make housing developments unviable.

NEVERTHELESS

It is still worthwhile drawing the Planners' attention to the inadequacies of modern housing estates, if only to give public support to the CDP's attempts to demand the highest standards possible. Comment by post to FREEPOST Spatial Policy or by emailing: cdpcconsultation@durham.gov.uk

PCP PLEDGE FOR CARERS

The focus for Carers Week 2018 was building communities that support the health and wellbeing of carers and local charity the Pioneering Care Partnership (PCP) has joined over 450 individuals and organisation by publicly pledging to:

- improving the way in which PCP identify carers;
- maintain a register of formal and informal carers who work with us so that we can offer appropriate assistance;
- help carers to be healthy and connected through the provision of good quality and accessible information;
- work closely with local

Carers organisations to embed understanding and best practice; and

• celebrate the achievements of carers in our newsletters and in the local press
Carol Gaskarth, PCP Chief Executive, explained, "There are roughly 6.5 million people in the UK providing unpaid care to family or friends. Caring for others can be extremely rewarding but it can also make looking after your own health and wellbeing less of a priority. PCP employs around 100 people and has

150 volunteers working towards our mission of "Health, Wellbeing and Learning for All". Therefore we have a role to play as a responsible and supportive organisation. This pledge aims to increase general awareness of informal carers and the vital role they play in supporting others and it represent just one of the many way that PCP values our dedicated our team."

Praise for Newton Aycliffe Young People at Regional Charity Awards

Two groups of teenagers from Newton Aycliffe have been recognised for their inspirational projects that helped them to develop their confidence and skills whilst benefitting their local community.

Newton Aycliffe based Us Girls and Ferryhill's Boys R Us were nominated for multiple awards on the evening and took two home. The awards run by North-east charity The Key recognised the creativity, determination and dedication of more than 150 young people across 12 different categories at their regional awards ceremony last month.

US Girls scooped up the Panel Innovators award for an amazing pitch presentation for their ambitious community benefit project. The group of six 17 to 18 year olds planned and facilitated 12 months' worth of activities for cancer patients and families, helping them to make happy memories during a difficult time.

Boys R Us picked up the Unique Project of the Year award after their secret shopper project which saw them test out and review local businesses on how

they treat young customers. The three boys rated the businesses before sending them a letter reviewing their performance and offering suggestions.

Hannah Underwood, The Key's chief executive, said: "It's wonderful to be celebrating the incredible things our regions' young people have achieved and to have the opportunity to publicly recognise the phenomenal job done by our dedicated and passionate volunteer Key Facilitators."

"The Key is all about inspiring young people to believe in their own ideas and take responsibility for living them and it's great we've been able to praise young people from Newton Aycliffe for doing just that." The Key operates in all areas of the North East, with the aim of wanting to create a world where young people believe in their own ideas and can take responsibility for living them.

In the last five years, over 13,500 young people aged 11-25 in our area have participated in the Key Framework, and their activities have benefitted almost 140,000 people in their communities.

AYCLIFFE TRAINER OPENS DARLINGTON ACADEMY

A North East training and apprenticeship provider has expanded its services with the addition of a construction training academy, which opened 25th June.

After being granted an increase to its adult education budget, Optimum Skills, based at Aycliffe Business Park, has chosen a site on Chesnut Street in Darlington to open its new academy.

Steve Kirsopp, director at Optimum Skills, said: "We're delighted to have received the increased funding as this will enable us to help fill the construction skills gap. It's a fantastic opportunity for unemployed people to not only enter this industry but to also set them on their way to sustainable employment with a new trade."

"We chose Darlington as a location thanks to its fantastic links across Tees Valley and the wider County

Chelsea McGarrell, Clare Mills, Paul Redmond, Steve Kirsopp, Richard Keirl

Durham area and we feel that we're offering something different to other providers in the region."

The academy will offer NOCN level one certificate in construction skills (covering bricklaying and joinery initially, with further trades to be added soon) and will also be used as a training base for apprentices in construction and related trades.

The initial aim is to reskill 60 people within the first three cohorts, which will take approximately three months. The students will have access to additional benefits including CSCS cards, PPE

and free lunches, as well as a dedicated Welfare Support Officer; a qualified counsellor who is on hand to ensure their well-being. Once the students have completed the course, there will be options available to them including apprenticeship routeways.

Optimum Skills will provide additional life skills training, covering money management, working in a team, problem solving and effective communication - core competencies that employers are looking for. For more information on Optimum Skills or the Construction Academy, see www.optimumskills.co.uk

Aycliffe Youth Council has had a busy year. Our elections in September resulted in 21 youth councillors, some staying on for a second term and some new. The existing young people mentor the new youth councillors and help them settle in. There have been some very interesting and lively debates at our meetings.

We have a new logo that the young people agreed after many options, colours and much discussion. We hope you like it.

We took part in the 'Smalls for All' campaign and asked our friends and relatives to donate old bras. These are then sent to various African countries where they are distributed to women and children who need our 'support'. With the help of Great Aycliffe Town Council staff we managed to donate quite a few items. A simple thing we take for granted can make a huge difference to someone's life.

We painted some of the seats in the Town Park with our Youth Council colours.

We have given over £1300 in grants to a number

of individuals and organisations. These include St. Mary's Mini Police project; Woodham students for a volunteering opportunity in Thailand helping care for elephants, rainforest restoration and cultural preservation; football strips for Newton Aycliffe Youth Football Club Under 12 Eagles as well as individual grants to enable young people to take part in sporting or dance opportunities.

This year we have launched our Youth Award for Under 18s who are any or all of the following – inspirational, have good vocational/academic skills, volunteering in the community and making a contribution to society, achieving through adversity or a young carer. The winner for 2018 is Casey Topping. She will be presented with her award by the Mayor of Great Aycliffe at the Full Council meeting on Wednesday 25 July at 7.00pm.

The elections for Youth Councillors take place every September. Our meetings are semi-formal and we have the opportunity to get involved in a number of community events.

If you are interested in becoming a Youth Councillor please contact Chrissy Walton on 01325 300700 or email her on christine.walton@great-aycliffe.gov.uk.

St Oswald's Pre-School

We have had a fun few months at pre-school.
The Tots in the Park and our preschoolers joined together to do a 'onesie walk' to raise awareness for autism.

A great big well done to everyone who took part.

In May we celebrated the royal wedding by holding our very own high tea party of pizza, cheese and cucumber sandwiches, fries, cakes and sweets.

Once again, all the children joined together to take part in the party. The children enjoyed this and a number of the girls were extremely keen to watch the royal wedding.

We have had lots of different activities going on in both the pre-school and in our Tots in the Park, twos room. Some of which include baking, painting with animals, making tasty recipes in our mud kitchen, puppet shows, sensory play with shaving foam, nature hunts in the park and many, many, more.

We also held our stay and play sessions which gave parents an opportunity to see what their child gets up to at preschool and also explore and take part in our wonderful activities. All children are eligible to receive 15 hours free funding from the term after their third birthday, we also offer the 30 hours to parents who are eligible.

Children can start at St Oswald's from two years old at our lovely Tots in the Park facility, an hourly rate of £4.50 will apply, with one session costing £13.50.

We still have places available for September in both Tots in the Park and our Pre School.
Please phone Julie Gale, Pre School Manager on 07968 379009 to arrange a visit.

GAMP Fund Cricket Club Nets

Funding from Great Aycliffe and Midridge Partnership (GAMP) has been used to help Newton Aycliffe Cricket Club refurbish the practice net facility at the ground. The original net facility was fitted 8 years ago and having been maintained by the cricket club was in need of major refurbishment, including replacement of the netting and playing surface as well as improvements to the original design.

Funding secured through Great Aycliffe and Midridge Partnership (GAMP) via the Neighbourhood Budget allocations of all County Councillors allowed the club to fully refurbish the practice nets area. Ian Palmer, Chairman of Newton Aycliffe Cricket Club and the lead on the project said, "We would like to thank GAMP and the local County Councillors who have long been great supporters of what our club is trying to achieve and have once more stepped up in supporting this project. The refurbished practice system will increase the attractiveness of the club to prospective junior players and will assist in retaining players by providing better on site facilities and subsequently allow for more outdoor coaching sessions for young players as the new surface can be used all year round." The Sports Club provides a platform for many in the town to both play and watch sport at a high level and it is important that the facilities are kept in top condition to enhance everybody's enjoyment.

CRICKET SCOREBOARD

Newton Aycliffe Cricket Club's 1st team, sponsored by Franks the Flooring Store had an exciting nine run victory at home to Hartlepool 2nd XI in the NYSD second division. After being asked to bat first, Aycliffe struggled to get any momentum in their innings and were eventually bowled out for 152 after 48.2 overs. There were however invaluable contributions with the bat from Darryn Bancroft (36 runs), Chris Palmer (30 runs) and an unbeaten 26 from captain Luke Telford (sponsored by Pheonix Energy). In reply, the visitors also struggled for momentum, but still battled hard against the excellent bowling of Patrick Howe, who took 4 for 30 and Luke Telford (2 for 40) and they were eventually dismissed in 42nd over, just ten runs short of their winning target. The win maintains Aycliffe's promotion push and keeps them in third place in the table. The first team made it into the knock out stages of the NYSD 15/15 cup with a close six run victory away at Wolviston 2nd XI. Electing to bat first, Aycliffe scored 148 for 5 in their 15 overs, thanks to a magnificent innings from opener Michael Howe (sponsored by Yvonne & Bobby Wood), who smashed the bowling to all parts of the ground finishing on 86 runs from 47 balls and his innings included ten boundaries and four big sixes. Other major contributions came from Darryn Bancroft (27 runs) and Jack Slatcher (15 not out). In reply the homeside were restricted 142 for 4 in their 15 overs with Patrick

Howe taking 2 for 24 from his three overs. The game will however, be remembered for the "sending off" of the Wolviston batsman Asif Nadeem for arguing with the umpire regarding a wide that wasn't given as per law 42. The u15's lost at home to Hartlepool by six wickets in the NYACC. Batting first Aycliffe scored a respectable 84 for 8 in 20 overs thanks to Lucas Pilling, who top scored with 29 and Charlie Cayless and Harry Wright also batted well scoring 14 runs and 12 runs respectively. In reply the visitors reached their winning target after 16.1 overs with Matty Greaves the pick of the bowlers finishing with 2 for 11. The u13's recent winning run came to an abrupt end with an eight wicket defeat at home to Sedgefield in the NYACC league. Being asked to bat first, Aycliffe were restricted to a below par 59 for 6 from their allotted 20 overs helped by a superb unbeaten 32 from opener David Robinson. In reply, the visitors took just 13 overs to reach their winning target despite Charlie Cayless and Leo Mercy taking a wicket each for Aycliffe. The u11's were well beaten at home to Hartlepool by 52 runs in the NYACC league. However there were good performances from Alfie Spensley, Thomas Dearden and Harrison Pearson who all scored ten runs each for Aycliffe. Will Dearden and Harrison Pearson also bowled well taking a wicket each in the visitors innings. *Photo of batsman Michael Howe who scored 86 for the first team in their narrow six run win at Wolviston.*

JUNIORS PRESENTATION NIGHT

Newton Aycliffe Juniors celebrated the success of their 2017/18 season at their 21st Annual Presentation Day at Woodham Academy. It was great for the club to reward all their players and thank all the coaches for their work at the school which is our new home ground.

Chairman Nige Slatcher presented special awards to the Under 11's as the clubs team of the year for last season. This team almost folded last summer but sponsor Scott Ellwood and new manager Mark Blythe ensured the team continued and they worked hard, kept improving and won their first trophy at a recent tournament. Jack Slatcher was given the Chairman's award for superb commitment as a player, playing in every age group team at the club over the last 19 years. Jack is also a committed coach and referee and it was great to see his contribution to the club recognised. Special recognition awards were given to Jack Lewis from the Under 10's who saved his Dad when he was choking and Leanne Dunn who resuscitated a parent who had collapsed watching his son training, two truly amazing lifesavers - well done. Each individual player received an award and to help present these were Newton

Aycliffe FC's Dan Mellanby and Deano Browne. The support from the town's Northern League team was welcomed as we all look to forge stronger partnerships now and in the seasons to come. Each team then rewarded individuals with trophy winners listed for each team in the order of Golden Boot, Player of the Season, Managers Award, Most Improved Player or Sportsmans Award, Players Player of the Year and lastly if it was awarded the Player of the Tournament.

DAFT Photographic Football Exhibition

Peter Sixsmith addressed the small but interested group at the opening of the DAFT photographic exhibition in the Library last Friday. He outlined the three areas covered: the Northern Football League (second oldest in the world after the English Football League); the Auckland & District League and the history of Newton Aycliffe Football Club. NAFC currently competes in the Northern League and had previously played in the Auckland & District League. The exhibition will remain open until Monday 15th July.

LATEST FROM GACAP

At a meeting of the GACAP
Partners Meeting on Monday
2ND July it was agreed to
consider becoming a Charity
under the model constitution
for small charities from the
Charity Commission, with an
Annual Income below £5000,
which means we will be a
charity with Trustees with the
same duties and obligations
as a registered charity and
if agreed will be ratified at
a special meeting in August
when the Constitution will be
presented to the Partners.
Following the resignation of
Joan Mitchie as Secretary
after serving GACAP since
its inception in December
2013 and for the steering
meetings, from the brainchild
of Syd Howarth MBE or in
many quarters known as Mr.
Aycliffe.

We have obtained a new
Secretary, we welcomed
aboard June Brown from
Shildon who we met at an
event run by another Partner
CDTVRM run by Simon Day
& Jane Johnson. Jane Johnson
has been doing the minutes
since Joan left and we thanked
Jane for her sterling work with
her very busy schedule.
Chair Introduced speaker
Garreth Morrell of Veterans
at Ease, VAE

Garreth asked if anyone had
not heard of VAE 2 had not,
VAE is a clinical mental
health charity dealing with
physical disorder from
depression to suicide. They
serve the community and help
Veterans. All members come
from the community except
one who is a Physiotherapist.
VAE have helped over
3,000 people. Garreth told
his story of how he was
traumatised himself, which
did not show for years, he
went through normal Mental
Health channels and had
CBT which didn't help him.
He found Neuro-Linguistic
Programming NLP. He
worked in various places and
took volunteer redundancy
and started this charity. He
got a lottery grant in 2012.
He described the symptoms
of PTSD Post traumatic
Stress Disorder. They have
helped 300 men and women.
90,000 people in the North
East need help. Many of those
traumatised seek help through
alcohol and drugs. VAE were
awarded the Queens Award
in 2016 for Voluntary Service
the first so far and the only
military charity to attain the
award. Their vision is to have

4 charity shops, which include
Whitley Bay, Sunderland and
Darlington and have a vision
for a drop-in centre. Hoping
to have 2-3 offices in the UK
and are in consultations with
Kings College, London and
hope to develop a research
project. We help by referring
people, volunteering, in the
shops, admin etc. Furniture
need was mentioned and
noted by Human Kind and
RM mentioned County
Durham Furniture Scheme.
Chair asked Helen Maynard
manager of Tesco if they
could help. Peter Driver asked
if this service was just for the
forces and GM said it was at
no cost, but others could pay
for it. RM asked DB if he was
happy for the charity details to
be shared and DB said he was
happy with that. PD asked if
there was a Stigma and GM
said he thought it was in our
heads. Garreth's details are

Janice Coombes representing
Xcel Local was welcomed
as our next speaker by the
Chair. JC said that Xcel an
established local church,
which in the beginning
was receiving requests for
food by local families as
they had no food. From that
an idea was born to help
people in need of help, with
free haircuts, clothing, and
much more. Xcel local have
put on community events,
children's programmes, hot
meals, debt management,
food bank. Church members
supplemented the church with
these things. This spread to
food parcels, help with new
school uniforms, shoes are
supplied but not always new.
Xcel local run a Christmas
appeal every year. In 2017
they helped 92 families
and 223 children. Children
asked to write out what they
would like for Christmas.
Xcel Local provide food
hampers at Christmas filled
with good things and cost
between £30-35 each. Janice
went on to say it was all a
humbling experience. Stories
of youngsters being isolated
at school for not having the
right uniform or shoes. She
shared a scripture Matthew
25: 31-45'.
Xcel Local have had request
from Durham Prison for

toiletries for the women and
towels for a refuge. They
try to provide whatever is
needed. Janice quoted from
Maya Angelo "People will
forget what you said, people
will forget what you did, but
people will never forget how
you made them feel" Janice
shared her own personal story
of her childhood experiences
which was powerful. Janice
finished by thanking GACAP
and TESCO for their support.
Chair thanked Janice and gave
best wishes to Xcel Church on
behalf of the Partnership.
We explored having our
own office as both an
administration office and a
point of contact, with some
of our partners using it also,
we have a few ideas where
and when this will happen,
but confidentiality prevents us
saying more at this time.
If you have the skills in IT

would help us, then contact
me on 07749236853 for an

RUNNING CLUB NEWS

It was another full week of racing this week for the members of ARC. The racing week began on Thursday June 20th when Michelle Jane was on the only member attending the Angel View Race which takes place close to the Angel of the North. Michelle was 5th Female in this race in a time of 37.55. Her two daughters also took part in the fun run there making it a real fun family night out.

Many members joining in the local Park Runs. There was only one PB at Park Run this weekend and this went to Sam Baronowski at Shildon Park Run with a time of 35.08.

On Sunday 1st July 2018 there was a significant turn out for the club at the Ali Brownlee 5k in Middlesbrough. This is a very popular race with the members of ARC. There was a good turn out for the race and what was a very hot day. The race begins outside of the Middlesbrough Football ground and incorporates a loop around the Middlesbrough College area before return to the stadium area. It is a relatively flat course but just before reaching the stadium racers are sent out across the flyover and turned at the bottom before coming back over the flyover (a little sting in the tail close to the end). All racers then finish in the stadium where the spectators are waiting with their cheers for the runners. Those that took part were: Richard Campbell (18.54), Richard Holland (20.02), Dave Blewitt (21.12), Trish Kay (24.01), Alan Kellett (25.34), Ian Baronowski (26.07), Anne Kellett (26.21), Gemma Holland (27.05), Donna Campbell (29.31), Jane Burnside (30.31) and Sam Baronowski (34.29).

Mark Bainbridge was the only member who travelled to Northumberland to take part in the Run Northumberland Coquer 10k. Mark was 12th finisher in this race in a time of 46.47.

Also on Sunday several club members took part in the Race for Life 10k in Hartlepool. Well done to Mandy Heywood, Eve Doe, Lindsey Brown, Denise Evans, Susan Clark, Carol Ann Stenger, Jane Quigley

and Bev Phillippo and those who accompanied them.

There was then more racing on Monday night at the NEMAA League at Monkton Stadium. Two members participated. In the mile race Alan Wilks was 1st 0/70 in a time of 6.25 and Ray Todd completed this in 9.51.9. Ray then completed in the 200m in a time of 48.3 and Alan competed in the 800m where he was 1st 0/70 in a time of 3.07.7.

The final race of the week was the Bridges of Tyne 5 miles race which took place on Tuesday 3rd July 2018 another hot night for racing. We had 5 members participate in this race (although Paul Dalton was racing under the name of his first team club. There were some really good results in this race. John Surtees was first home for the club in 28.43, Paul Dalton 31.04, Tracey Surtees 33.56,

Michelle Jane 33.58 and Michelle Zamir 36.38.

Girls Football Team League Runners Up

Newton Aycliffe Youth Under 10's Girls recently visited the Rainton Meadows Arena at Houghton le Spring to collect their Russell Foster league runners up trophies after a successful debut 7 a side season. The success was remarkable as the team was made up of a squad of 11 players, with 7 of them playing competitive football for the very first time. During the league campaign the girls only lost 1 fixture and narrowly missed out on a 1st place finish to eventual winners Easington. The team has also enjoyed further success recently competing in

the Russell Foster Taster League designed to help the girls transition from 7 a side to 9 a side for the upcoming season. During the Taster League the girls remained undefeated winning every game they competed in! If any young girls currently in school year 5 (Year 6 in September) are interested in training with this successful team we train on Wednesday evenings at The Oakleaf Sports Complex playing fields 5.30pm - 6.45pm. Players in picture: Top Row, Left to Right: Jasmin, Fearne, Sophie, Ebony, Isabelle & Poppy. Front Row, Left to Right:
