## K9 Pursuits Awarded Five Star Rating

Who would have thought that fifteen years ago an idea that was discussed by best friends would emerge into one of the best Dog Day Care and Training Centres in the area, which has now been awarded a five star rating (the highest award possible under the new DEFRA legislation)?

An idea that was three years in the making, finding premises and putting together a business plan that would get backing from the local council and professionals eventually became a reality on 1st March 2006.

A large 4000 square foot unit with indoor and outdoor

facilities was secured and the adventure began.

Gill and Andi have a long list of experience and qualifications including teaching and training in further education (teaching equine and animal care); dog training and behaviour; canine nutrition and rehabilitation of rescue dogs. Gill and Andi spent six years demonstrating with their own dogs at Crufts, the biggest dog show in the world, in the main arena. They are representatives of Heelwork to Music in the Northern Interregional team and spend time working with schools,

colleges and universities promoting responsible dog ownership and supporting students studying canine behaviour.

The couple have organised community projects in the local area, including visits to schools, nurseries and nursing homes and are Kennel Club registered instructors, judges and examiners. All this and more has ensured that dogs get the best possible care and training in an environment that is now a five-star establishment.

Gill Crawford from Elvet Place in Darlington and Andi Rogers from Dinsdale Crescent in Darlington are extremely proud of K9 Pursuits Dog Day Care and Training Centre and their most recent award.

The current staff are planning to celebrate to thank their loyal customers and friends at the Centre at Whitworth Avenue, Aycliffe Business Park later in the year with an afternoon tea party.

K9 Pursuits dog day and Training Centre offer day care from 7.00am to 6.00pm or 7.00am to 12.30pm with a fun packed day of activities, guaranteed to have your dog exhausted and happy. Activities such as manners training, soft play, hunt the treat, ball play, water activities, agility, individual brain games, all in a fully secure and safe environment. K9 Pursuits also have a fully equipped grooming room with hydro bath and are City & Guilds qualified groomers. The centre also provides foundation training for puppies and adult dogs, Heelwork to music and freestyle (dancing and performing tricks in partnership with your dog), trick training/clicker training, agility, canine hoopers, rally obedience, canine life skills, free puppy play groups and more.

People can visit the centre to find out more or telephone 01325 301177. K9 Pursuits Dog Day Care and Training Centre can also be found on Facebook where you can see the dogs in action.

## Lost Voice Guy Comes to Newton Aycliffe

Aycliffe's multi-award winning pub, The Turbinia, are proud to be hosting an amazing night of comedy on Wed 7th Aug. A unique chance to see this massive star up close & personal in a small comedy club setting

### Lee Ridley (Lost Voice Guy)

Lee Ridley AKA Lost Voice Guy may not be able to talk, but he definitely has something to say, and his comedy will leave you speechless.

Since making his first stand up performance in February 2012, Ridley has gained quite the reputation for being both very funny and very unique.

He's gigged across the country performing at clubs and small venues, and has warmed up at tour shows for the likes of Ross Noble, Patrick Kielty, Jason Manford and Jason Cook.

In 2014 he won the BBC New Comedy Award and went on to become the winner of ITV's highest rated show, Britain's Got Talent, in 2018; the first comic ever to win the show. Lee's other credits include his own sitcom BBC Radio 4 sitcom, Ability, Live at the Apollo for BBC, and in late 2018 he completed a huge nationwide theatre tour before releasing his debut book in May 2019. Supporting Lee we have the hilarious Simon Lomas;

Winner - Hilarity Bites New Act of the Year 2017  
Winner - Nottingham Comedy Festival new Act of the Year 2017

Winner - Great Yorkshire Fringe New Comedian of the Year 2016  
Winner - Nando's New Comedian of the Year 2016  
The show is compered by Pete Otway, who has been described as "Devastatingly funny" - Chortle

"Amiable, cheeky classic stand-up" - Liverpool Echo  
"An amazing comedy talent, and we are making sure we follow his every move in his ever rising career" - Comedy Club  
This show will also feature a newer act in the middle. Tickets for this show will initially go on-sale at the July 3rd show in Newton Aycliffe, with any remaining tickets available online from July 4th. That show features headline act, the very funny Rob Deering, with 3 great support acts.

Tickets for this show can be bought online now from [www.hilaritybites.co.uk](http://www.hilaritybites.co.uk), or in person from The Turbinia, or telephone 01325 313034.

Tickets for all our shows are £6 in advance, or £8 on the door, with doors opening at 7pm and the show starting at 8pm.

## Thank You and Goodbye to a Long-Serving Volunteer

It was a great honour for us to say goodbye and thank you to Vince Crosby when he stepped down as a NAYCC volunteer this week.

Vince has always volunteered - starting as a sixteen-year-old digging over the gardens of old people who were moving into new homes on council estates in the 1950s. Later, for a number of years, he served as a volunteer with Deerbolt, helping young offenders make the transition back into society, and it was this concern to give young people a good start in life that led him in 2009 to join the Youth Centre as the Town Council representative on the Board of Trustees. Two years later, he found himself appointed Chair, in which capacity he made it his task to modernise the Centre's systems, to establish it as a Charitable Incorporated Organisation, and - when the County Council stopped all open youth provision in the County - to oversee a complicated 'asset transfer' which set away the Youth and Community Centre as a self-managing

organisation. This involved a huge amount of work, when Vince had to be in the Centre every day, and it is true to say that without him Newton Aycliffe would probably not have a Youth Centre today.

Last year, Vince felt it was appropriate to step down as Chair, but he stayed on as a volunteer, in which capacity his knowledge and enthusiasm has continued to be a vital part of the Centre. Most of the many people who use the centre know Vince and he will be a great miss to us all. The Manager and Trustees are extremely grateful to Vince for the many hours he has committed to the centre over the years. We wish him all the best in his retirement.

# AVON COURT CELEBRATES 40th ANNIVERSARY

Avon Court celebrate 40 years this year, the home was built in 1979, but was officially opened in September 1980 by the Rt. Hon. Lord Barnard T.D. Avon Court was originally part of the Royal British Legion Housing Association and then became part of Housing21. The residents decided to hold a Garden Party to celebrate and Mrs Mary

Dalton, Newton Aycliffe Town Mayor 2019/20, kindly agreed to open the event. All donations and money raised, a total of £330.40, was donated to 'Help for Heroes' as suggested by the residents of Avon Court. Mary Harnett has lived happily at Avon Court for 23 years and has seen many changes and has also made many friends.

## Community Garden Planned for Silverdale

Dear Sir,  
There is going to be a 'Community Garden' placed in Silverdale Place on a piece of Durham County Council land between Silverdale Place and Langdale Place.

Allegedly, the local residents have given the OK to build this. However, none of the residents in the immediate area knew anything about it. This will be an ideal place for the anti-social behaviour young people that at the moment are in abundance around Silverdale Place and the fast food shop, mainly on an evening.

When asked for a small play area for the under 5s it was said "it will attract anti-social behaviour and be too noisy for residents, that is why the Eskdale Play area was built away from the houses".

When the new fencing was put up around the houses, 3/4 years ago, seats etc were asked to be placed in the square, only to be told the seats would attract anti-social behaviour. It is still attracted without the seats! There are going to be many cars parked in the square blocking residents from being able to park. Especially the residents on the end next to the garden. Where is the gated entrance going to be? There has been no planning application put

in or is the TLP going to wait until they may receive funding? What happens when the TLP (which is led by the police) finishes in the next three months? Costings of £9954.50, which partly come out of the public purse.

There is also planned to be a Poly Tunnel at a cost of £100 a 6'x4' shed £567, fencing and gate £3200, tools to do the work £500 + various other pieces of equipment a total of £28,327.00. Total cost of project including volunteers hours of £18,472.50.

There will be a door to door campaign in the immediate area to discuss with those living close to the proposed garden.

# New Autumn Programme at Greenfield Arts

Greenfield Arts are delighted to announce their new autumn season programme and share with you the many events, exhibitions, projects and activities that are on offer. This season the programme is encouraging our community to express ideas, explore who we are and develop a voice.

The Greenfield Gallery will be hosting an exciting series of exhibitions which will begin with 'Man Made', by our artist in residence, Richard Bliss. Richard is a collaborative artist who has been working closely with the Greenfield Community leading an exploration

and investigation of how men adjust to changing masculinity and includes work supported by Lubain Himid (Turner Prize Winner 2017) and artist William Titley.

Greenfield are also privileged to host an exceptional exhibition 'Norman Cornish: A Man of Destiny' which chronicles the journey of Norman Cornish and the great determination and resilience he showed to become a professional artist. There will be a preview event, illustrated talk and a series of workshops that explore 'the extraordinary in the everyday'.

Our creative activities are inspired by our season and include a range of quality courses such as print making, cyanotype, jewellery making and mixed media collage as well as popular favourites Yoga and Spanish.

There is still chance to book a place on our summer family activities and our adult needle-felting workshop. Why not learn a new skill in a lovely environment with textile artist Victoria Ramsay. Try something new, get creative and join us to make some fabulous new work to take away.

You can find out more about our programme and the many other opportunities that are sure to make this a wonderful season at Greenfield Arts. Check out our digital brochure through our website at [www.greenfield-arts.co.uk](http://www.greenfield-arts.co.uk), email [info@greenfield-arts.co.uk](mailto:info@greenfield-arts.co.uk) or call 01325 379048 and talk to our friendly team.

## MIDDRIDGE VILLAGE FETE

Why not come and join us on the Village Green on Saturday 6th July at 1.30pm for the annual Middridge Village Fete?

We will be entertained throughout the afternoon by Aycliffe & Brancepeth Brass Band and a Re-enactment Group.

There will also be a 'Fun' Dog Show, Strawberries and Cream, Hot Dogs and many other stalls, with a Grand Raffle to be drawn at the end of the afternoon. Hope to see you there!

# THE RED BOX PROJECT UPDATE

Many thanks once again to our lovely donation points and their customers. The above supplies were collected this week from McColls store at Neville Parade and DebnHair Beauty Salon at Simpasturegate. We also have donation points in the PCP at Cobblers Hall, The Thames Diner, Stephenson Way Children's Centre, Newton Aycliffe Youth and Community Centre, and the library.

Every one of our local schools that wanted a Red Box has been given one and we are looking to extend our reach to town organisations and clubs who feel they have a need for one. Please contact us for further information

With the long summer break due in a few weeks we are setting up collection points so that our girls and young women will still be able to access supplies when schools and colleges are closed. All schools are reminded that their students can take as much as they need from the Red Box before term ends so that they are covered for the holidays. Happily we have ample stock in reserve to top up all boxes either at the end of this term or the beginning of next. Newtonians have been very generous (as always) and we are very grateful to everyone who has donated. Right now we need pants and tights in various sizes from age 10 up to women's size 16. We have a huge supply of maxi size pads, so no more of those please, but there's always a need for teen and ultra size products in normal, night and super sizes.

The Red Box Project is doing well in the rest of our county and is always looking for more volunteers to start up a branch in other communities. Funding was given and donation

points set up in Shildon and Coundon and we are in the process of handing out boxes to their schools.

If you feel you can help in other communities please contact us. We are always looking for volunteers in Great Aycliffe, especially drivers. Call on 07731 549196 or email at [redboxprojectdurham@gmail.com](mailto:redboxprojectdurham@gmail.com)

Thank you to everyone who has helped. We couldn't do it without you. Community kindness matters!

### THE PROM

The journey from childhood to adulthood is an accumulation of imperceptible progressions marked by milestone moments and—in our present education system — 'The Prom' has emerged for our young people as a threshold rite of passage. They started as large children (most cringe at their Year 7 photos) but on Prom night they emerge dramatically as nascent adults from the traumatic cocoon which is secondary school.

'The Prom' is a spectacle in itself. Most of the young ladies there are seeking to be as glamorous as they can — most of the young men equally determined to be 'cool'. There is usually a lot of squealing and cheering. There are the presentations — the often tearful glance backwards ... but, before all eyes, it is evident that they have ceased to be schoolchildren. Tomorrow they will turn and gaze into the terrifying void which is their unwritten future.

For a decade it has been the honour of The Newton News — to attend the Greenfield Prom, and this year was as wonderful as ever. We celebrate with the students, we congratulate the award

winners, and we hear that sigh of pride-and-relief from the parents and staff!

### THE SHOW

The two-day community festival which was Great Aycliffe Show is no more, but good on the Town Council for mounting a Horticultural Show, 31st August to 1st September. Let's hope the weather is kind, and let's hope that the community turns out to support this community event. What you don't use, you lose.

### COMPETITION

As you know, every week we read through the articles and share with you those which have caught our attention. It is a subjective exercise, and this week there were any number of items which could have been the 'third issue' for our Editorial. However, amidst all those remarkable articles one stood out for us, and we are going to set you a challenge. There is no prize, and do not feel you need to tell us the answer, but can you spot the item which leapt out for us as we scanned this week's copy? We will just give you this clue:

*"Me! I'm scared of everything ... most of all I'm scared of walkin' out of this room and never feelin' the rest of my whole life the way I feel when I'm with you."*

## GREENFIELD STUDENTS REACH FOR THE STARS

How better to learn space science than from a veteran astronaut? Students from Greenfield Community College were given a lesson with a difference as they ventured into space science when they visited the Xcel Centre to meet Veteran NASA Astronaut Dr Michael Foale.

Dr Foale gave an inspiring talk about how he became an astronaut. He encouraged the students to follow their dreams having at first been turned down for the RAF as a test pilot but then going on to study astrophysics at Cambridge University and finally obtaining a PhD before going to work at NASA.

45 students from Year 7 – Year 9 were given the amazing opportunity to learn more about our universe and what it's like to be in space. Dr Foale has undertaken six space shuttle missions and has spent a total of 374 days in space – a UK record. Students were in awe of some of the photographs and video clips he showed of his time on these space missions. His photographs

of the Earth from the International Space Station were truly spectacular. Students were intrigued and amazed as he shared his experience and brought space science to life inspiring young people to reach their potential with tales of resilience and hard work and relaying various experiments including Earth's magnetic field and properties of fluids in micro-gravity which brought classroom studies to life. The visit was a valuable experience that informed and inspired students in their science studies and wider education.

## JUNCTION7 HELPING FAMILIES TO KEEP THEIR PETS

Junction 7 have received a vast amount of complete dry dog food from the animal welfare charity NASSL, Darlington.

We understand that those who use our food service will also struggle to feed their pets. In some cases residents are having to re-home their family pet, which then causes upset in the family.

Junction 7 are now able to help families keep their pets, by giving food to feed their dogs. We are working in an ongoing partnership with NASSL and are able to help families keep their pets.

## GROUP SECRETARY ANNE RETIRES

Churches Together in Great Aycliffe wish to thank Mrs. Anne Molyneux for her outstanding service as secretary to this group for a great many years.

Anne has worked tirelessly for CTGA and we showed our appreciation at the Quiz Night held at Woodham Golf Club on 19th June. Julian Clark, chair of CTGA, presented Anne with a voucher for afternoon tea for two, and also for admission to view the vestments made by a

Benedictine Nun at Usher College near Durham.

This was the very first time this exhibition has been shown, so Anne so thrilled to view it as in past years she has made many vestments for priests who have served in various parishes in the county.

Anne will be greatly missed by all the committee in CTGA, and we wish her much happiness for the future, the photo shows her with Margaret Lee treasurer of this group.

## Silent Sands Walk Raises Fund for Hydrotherapy

Enthused by a poster in the Pioneering Care Centre, a local woman, Julie Howarth-Pulleyn, recently completed a bare foot walk raising an astonishing £259 in aid of PCP's "Dive In" Campaign.

Julie said, "I wanted to support something I believe in and help my local area at the same time. My idea was to do a silent reflective walk to Lindisfarne. The therapeutic link between water, walking the sand's and the mind and body all tied in really well, so raising money towards a new Hydrotherapy pool was an obvious choice. I rounded up two of my close friends, Rachel Wearmouth and Marjorie Brown-Bolton, and we set about arranging the day."

The three ladies completed the walk in silence and barefoot over the causeway to Lindisfarne, Holy Island on Saturday 11th May 2019, soaking up the special atmosphere and, with careful planning, they avoided the quick sand and weren't caught out by the tides.

PCP's Chief Executive Carol Gaskarth added, "The Hydrotherapy Pool at the Pioneering Care Centre offers thousands of appointments every year and the benefits people report are remarkable. We are aiming to fully replace the pool but it is costly - £410,000 to be precise!! We're over half way there with the fundraising which is excellent but there is still a journey to go. We are truly grateful for the amazing effort of people like Julie, Rachel and Marjorie; doing something for charity is a selfless act and can be very rewarding. Every penny raised will help us reach our goal sooner, if you want to do something why not get in touch we're always open to ideas!"

In addition to supporting PCP, Marjorie completed her walk for her chosen charity, Prada Willi Syndrome, a rare genetic condition. ## New DofE Scheme for Woodham Students

From September, Woodham Academy will be introducing the Duke of Edinburgh Award for students aged 14-16. The award focuses on the wider, holistic school environment and has a significant impact on all. Students will become more resilient, develop independence and enhance their self-esteem. Additionally, the leadership qualities gained from participating in the Duke of Edinburgh scheme are viewed favourably from colleges and universities and have the advantage of improving future aspirations. Furthermore, this award is nationally and internationally recognised by employers who value this programme as a strong attribute in young people. Students will start with the Bronze Award. For this, they are expected to complete 4 sections: volunteering, physical and a skill which they can either learn or develop. Each will be completed over a 3-month time period. There is a 1 night 2 day expedition to complete this section. The Duke of Edinburgh Award is a fantastic opportunity to try something new whilst meeting new people and having fun. It will start in the new term and we look forward to seeing you there in September. The Duke of Edinburgh Award programme is part of Woodham Academy's Leadership Academy.

## Local Pupils Take Part in Joseph and the Technicolour Dream Coat

Year 5 girls from Woodham Burn Primary School became stars of the stage on Monday night.

On Monday 24th June, Year 5 girls joined other Year 5 girls from local schools and the seniors from Durham High School for Girls to take part in a performance of 'Joseph and the Technicolour Dream Coat' at Durham Gala Theatre. Joseph and the Amazing Technicolour Dreamcoat is a musical with lyrics by Tim Rice and music by Andrew Lloyd Webber.

It was the first time the girls had ever performed in a theatre and it was a packed audience! They had rehearsed the songs at school and then on Saturday 22nd

June they joined the other girls, for the first time, to coordinate the performance. They were all incredible and their teacher Ms Graham said "I am so very proud of each and every one of the children. They have worked hard all day Saturday and all day Monday before the evening performance, yet despite the fatigue pulled it out of the bag on the night". Mrs Lonsdale, from Durham High School for Girls, who had organised and choreographed the show, told all the girls how well they did when the curtain went down and how amazing they all were.

We hope to join her again next year for another spectacular show.

## Fantastic Council Coach Trips

Both Sheila and I worked for Great Aycliffe Town Council at the Sports Complex for a number of years and this is the first time we have been on one of the Town Council organised trips. First we stopped at Boundary Mills, greeted by staff and given a free voucher courtesy of the Town Council for tea or coffee and biscuits. Then whisked off to Doxford Hall Hotel, once again greeted by staff for a 3 course meal, the tables were all dressed in beautiful white table cloths and set to perfection, the meal was beautiful, we were totally spoilt! The grounds of the hotel were stunning. After lunch we visited Berwick upon Tweed, what

a beautiful place, lots of quaint places to see even a few antique/curious shops, guitars and ukulele, which I pretended I could play, singing a Beatles song, what a laugh that was. I was tempted to buy the guitar and take it on the bus for a sing song or two, however I don't think the bus driver would have been too happy. Off we go again on the last leg a visit to Dobbie's Garden Centre in Newcastle. Beautiful gifts, flowers and yummy cakes. Then onward bound for home to Newton Aycliffe What else can we say? Yes, there is a big thank you to the Town Council for a fabulous day, many thanks. Yvonne Knight and Sheila Pinkney

# Diana Award for Aycliffe Primary School Student

On 14 June 2019 Isaac Mendelsohn, aged 11, a student in year 6 at Byerley Park Primary School travelled to Edinburgh to receive the prestigious Diana Award for his charity work.

After Isaac's brother Jake received the Diana Award in 2017 Isaac was determined to also do something to raise money and awareness for two charities close to his heart, Brain Tumour Research Charity and Alzheimer's. Isaac had seen his very good friend's aunt, Anna Swabey, die from a brain tumour and also watched his grandfather, Peter Beaty, develop Alzheimer's. He decided to do the Great North Run 4K and also a memory mile swim and he raised over £650 for the two charities. He was presented with his award at the Scottish Parliament in Edinburgh by Tessy Ojo, CEO of The Diana Award and Fulton McGregor,

SMP. Everyone at Byerley Park Primary School and his family and friends are very proud of Isaac for this amazing achievement. Established in memory of Diana, Princess of Wales, The Diana Award is the most prestigious accolade a young person aged 9-25 years can receive for their social action or humanitarian work.

## Youthy Girls Football Champions

Under 14's Girls

Under 9's and Under 10's Girls

Under 7's Wildcats

Newton Aycliffe Youth FC, Girls, travelled in numbers to the Russel Foster League Presentation Night, to collect their well deserved awards for the season. Under 14's picked up the First Division championship having won all 21 league games, scoring over 100 goals. This was a huge achievement for this group of girls. This was followed by the Under 10's Wildcats taking their First Division championship, in the final

season before moving up to 9-a-side.

The Under 9's Angels, in their first full season of league football secured a league and cup double as reward for a fantastic season. The Under 7's Wildcats, are the youngest of our girls teams and won the league and cup double going through the whole season undefeated.

The success of all these teams is, in part, as a result of the clubs Wildcats development sessions. This

is aimed at girls from 4-7 years old, being introduced to football in a relaxed and fun environment with our qualified coaches, who have many years experience in coaching the novice girl looking to start their footballing journey.

Newton Aycliffe Youth are an FA Charter Standard Community Club offering football for both boys and girls. If you need any further information contact Berni 079390 452452 or check our website [www.nayfc.com](http://www.nayfc.com)

## SCARLET SETS RECORD PACE

Scarlet Dunn and Amaron Racing took more steps in their bid to solve the mechanical problems that have stymied performance in their last two events. She showed she had lost none of her pace around the venue by lapping the circuit for her first ever time in sub-minute lap times.

"She really enjoyed going fast again" said Mam

Amanda who also made her debut at the Teesside venue 30 years ago "It was lovely to see a smile back on her face again".

Scarlet next races around Teesside this weekend. She is currently lying a close 2nd in the Bambino Comer Championship.

The race day will be streamed live on YouTube with commentary.

## Sedgefield Water Polo Bring Home the Medals

Sedgefield Water Polo (Born 2005 and younger) travelled to Maltby in Rotherham on Saturday 8th June to participate in the Northern League tournament.

The team proved stronger than all the competition; taking first place and bringing home gold medals.

Parent liaison officer, Paul Taylor, said "it was an absolute pleasure watching the team play as all the boys and girls worked very hard and played all eight games brilliantly together. As well as huge congratulations to the team, who have added to the area's reputation as being one of the strongest clubs in the country, we would all like to extend a massive well done to Kate, who coached her very first tournament to a high

standard, and to team manager Sharron". Further details can be seen on the club website and facebook page. Anyone who would like to try this fun and exciting sport is invited to attend a free trial at Newton Aycliffe Leisure Centre on Saturday afternoons at 4pm. There is no need to book a place but if possible please contact 07579 030598 or email sedgefieldwp@hotmail.com so we can let the coaches know to expect you.

The club is based between Newton Aycliffe and Spennymoor Leisure Centres with a range of members aged from 8 years to adult. Both boys and girls are welcome. Further details can be seen on the club website and facebook page.

## HARRISON FLIES AROUND TEESSIDE

Harrison Dunn took another step forward this week by moving closer towards competitive times around Teesside Autodrome. The number 18 driver - following in the footsteps of his Father who bore the same number nearly 30 years ago - really pressed on around his local circuit and is starting to show his grit, determination and growing confidence.

"Harrison is now showing good pace, so after some work on race formats and flags he will be competing sometime soon" said Dad. "It was Harrison's first time on track with lots of faster cadet karts and he was not a bit fazed. Only one power spin and he was on full power around lots of the circuit" said Grandad Ron, of Amaron Racing.

# Consulting on a Vision for the Future of County Durham

By 2035, County Durham will have more and better jobs, people will live long and independent lives and communities will be well connected and supportive.

That's the vision being proposed for the area by the County Durham Partnership – but do you agree with this ambition for the future?

Residents, businesses and visitors to the county are to be asked for their views on the ambitions laid out in the vision during a consultation launched this week.

The document, which has been shaped by feedback received during an earlier round of consultations, also outlines a series of aims and objectives which underpin the vision statement.

Cllr Simon Henig, Leader of Durham County Council, said: "The vision will help guide the growth of the county over the next 15 years – from regeneration projects and health to police and fire and rescue services. "It reflects the strengths, opportunities and challenges we believe we face as a county and sets out where we want to be in the future."

"It is an important document for County Durham, for all of the organisations involved but, most importantly, for our residents. With that in mind, we're once again asking people for their feedback."

"We particularly want people to tell us whether they think the vision strikes the right balance of priorities and ambitions for the county and how, given the challenges we face, we can work together to achieve

our goals."

Once agreed, the new vision will replace the existing one, which was created in 2009 and is in need of updating with the County Durham Partnership having already successfully achieved or implemented many of its long-term aims. This includes:

- An increase in employment from 64.6 per cent in 2010 to 74.6 per cent in 2018
- A reduction in smoking from 22 per cent in 2012 to 14 per cent in 2018
- A reduction in carbon emissions of 45 per cent in the past 10 years
- A reduction of 55 percentage points in 10 years in the amount of household waste sent to landfill

Stuart Errington, Chief Fire Officer at County Durham and Darlington Fire and Rescue Service, said: "County Durham and Darlington Fire and Rescue Service fully supports the ambitious vision for County Durham that has been developed through the County Durham Partnership. We look forward to working with our partners to do everything we can to make the vision a reality."

More information, including a video and copy of the vision, is available at [www.durham.gov.uk/vision](http://www.durham.gov.uk/vision).

Members of the public can have their say, by emailing [countydurhampartnership@durham.gov.uk](mailto:countydurhampartnership@durham.gov.uk). The closing date for comments is Tuesday, 30 July.

There will also be the chance to give your views at Area Action Partnership (AAP) meetings taking place across the county.

# Walkers Enjoy Connecting With the Natural World

Forty walkers took part in an event organised by Durham Wildlife Trust to encourage people to keep active and support conservation efforts for their local wildlife.

The Sunderland 3 Peaks event took place on Saturday 22nd June, beginning at Tunstall Hills. Walkers enjoyed the views and climbs of Tunstall Hills, Herrington Hill and Penshaw Hill over a route of approximately eight miles. On the way, they met expert guides on Herrington Hill, the Trust's newest Sunderland Nature Reserve, who offered an insight into its importance for flora and fauna, including the spectacular display of wildflowers which adorn the reserve. The walk finished at Penshaw Tearooms.

Emily Routledge, Membership Development

Officer, said: "It was fantastic to see so many of our supporters enjoying the variety of wildlife on display across our nature reserve and its surrounding area. We are delighted that the event has raised around £350 for the Trust.

"It has never been more crucial to conserve and protect our wildlife. The money we have collected through entries to the Sunderland 3 Peaks will go directly into conserving wildlife across our nature reserves, from the Tees to the Tyne and we would like to thank each and every person who took part."

Joanne Wilson, a long-term member of Durham Wildlife Trust who took part in the hike at the weekend, said: "I signed-up to take part in the Sunderland 3 Peaks because it looked like a fun way to

see a part of the North-East I am not very familiar with. I liked the idea of taking on a walking challenge and it didn't disappoint. The group saw some spectacular views across the Sunderland skyline and enjoyed learning all about the wildlife that thrives in this area."

Durham Wildlife Trust runs regular events, details of which can be found on the website: [www.durhamwt.com/events](http://www.durhamwt.com/events)

## SARA NAMED AS PRESTIGIOUS FEMALE BUSINESS LEADERS

Sara Davies MBE, founder and creative director of Crafter's Companion, is celebrating after being named one of Management Today's 35 Women Under 35.

Sara set up Crafter's Companion in 2005 from her university bedroom, while studying for a business degree at York University. Today, the company exports to more than 40 different countries and employs almost 200 people worldwide.

In 2016, the entrepreneur was awarded an MBE for services to the economy and she was recently named as the youngest-ever panellist to join BBC 2's Dragons' Den.

Now in its 18th year, Management Today's 35 Women Under 35 is the UK's longest-running list of young, female business talent. Its alumnae includes Stella McCartney, Martha Lane Fox and Karen Blackett.

Sara Davies said: "As a woman in business I know how much hard work and determination it takes to succeed. Throughout my career I have endeavoured to support as many aspiring entrepreneurs as I possibly can, whether that's through ongoing mentoring or occasional advice. It's so important now, more than ever, that we support one another.

"Management Today has been celebrating the country's best and brightest female entrepreneurs for 18 years now and I am both thrilled and honoured to be named among so many inspiring people."

## NASA Astronaut Visits Woodham Academy

A group of Woodham Academy students recently had the fantastic opportunity to meet an astronaut. The year 10 pupils got to meet former NASA astronaut Dr Michael Foale, CBE, PhD, the first British astronaut to conduct a space walk. Following a short video showcasing the possible career opportunities in the North East for STEM students, Dr Foale gave a fascinating talk on his life as an astronaut. He spoke of the determination needed to follow your dreams, even if you don't succeed at first, and to pursue your passion. He then took questions

from the audience. Hearing his inspirational story will surely have sparked an interest in science in students. This visit is part of Woodham Academy's extensive extra-curricular science programme which includes Woodham Sparkies for primary aged children, the Key Stage 3 Science Club and an extension lecture programme in conjunction with The Institute of Physics. All students at

Woodham Academy study for either a dual science GCSE or take GCSEs in Biology, Chemistry and Physics. Woodham Academy headteacher, Christine Forsyth, says, "Success in the STEM subjects (science, technology, engineering and mathematics) enhances the employment prospects of our students, who are aware of the opportunities locally through our Apprenticeship Awareness Programme."

## Learning Curve: Syllabus for the Future

As part of the 10th anniversary edition of Lumiere Durham (14th -17th November), Lumiere will host a day of discussion about approaches to creativity, education and learning. Learning Curve: Syllabus for the Future will take place on Friday 15th November at Durham's Gala Theatre, sponsored by Learning Curve Group, the national training and education specialist.

Creative professionals and educators are invited to join an inspiring day of talks, panel debates and networking sessions with renowned thought leaders and practitioners. Lumiere, commissioned by Durham County Council and produced by Artichoke, returns to Durham from 14th to 17th November 2019 for a spectacular 10th anniversary edition, illuminating the city with past festival favourites and exciting new works by UK and international artists.

During the day, delegates will explore creativity within education, delving into new strategies and methods to inspire learning. Speakers will assess how the worlds of art, history, technology, science and business are impacted and influenced by different approaches to learning. Learning Curve: Syllabus for the Future will show

the relevance and value of creativity in our everyday lives and its capacity to improve and shape the world around us.

A wide range of visionary speakers from academic, educational and creative fields, including leading voices from the North East, have been invited to contribute by sharing what inspires them to keep learning and how this can be nurtured in others. These include Natalie Haynes, a writer, broadcaster, classics expert and former stand-up comedian and Kate Clanchy, a writer and teacher known for her work with resettled children and refugees.

They will be joined by academics Tom McLeish, a specialist in creativity and science at the University of York; Rachel Armstrong, Professor of Experimental Architecture at Newcastle University; and Simon James, professor of English Studies at Durham University, and academic lead for the Durham Commission on Creativity and Education. Additional speakers, including those giving the event's opening and closing addresses, will be announced in September. Tickets cost £20 (£10 for concessions and special groups) and are available through the Eventbrite page <http://tiny.cc/lumiere-conference>

# FLYING THE FLAG FOR THE ARMED FORCES

The region's largest council is showing its support for the armed forces this week.

Durham County Council will be flying the official armed forces flag at County Hall this week to mark Armed Forces Day on Saturday, 29 June and Reservist Day on Wednesday, 26 June. Chairman of the Council, Cllr Katie Corrigan, also hosted a reception for representatives from the armed forces and council employees who serve in the reserve forces.

The authority signed an Armed Forces Covenant in 2012 stating its commitment to ensuring that serving and former members of the armed forces and their families are treated fairly and are not disadvantaged as a result of their service.

Last year, the council was one of only 50 employers, including ten local authorities, in the UK to receive a Gold Award through the Ministry of Defence's Employer Recognition Scheme. The award recognises employers who demonstrate positive attitudes and policies towards serving and ex-members of the Armed Forces.

The council's work has included the recent introduction of a policy which offers up to 10 days of paid leave for employees who are also Uniformed Cadet Force Adult Volunteers to

attend their annual training. A similar policy, for staff who are reservists, has been in place for some time and has been used as an example of best practice by other local authorities and businesses in the region.

The council also runs a guaranteed interview scheme for veterans, enabling those who meet the essential criteria for a post to overcome any barriers to recruitment opportunities, and, in partnership with other local authorities in the region, Durham County Council

offers an Armed Forces Outreach Service, which provides help and support to all forces' personnel, reservists, veterans and their families, Cllr Lucy Hovvels MBE, Durham County Council's armed forces champion, said: "Armed Forces Day is a chance for us to demonstrate our commitment to all those from County Durham who serve and have served in the armed forces as well as their families. We are very proud to fly the armed forces flag from County Hall."

## RUNNING CLUB NEWS

After hosting last weeks Aycliffe 10k it was back to racing for the club and this week it appeared that the focus was on the local parkruns with great attendances at these and several members achieving PBs on the respective courses. At Hardwick Parkrun in Sedgefield Mark Bainbridge achieved a PB of 22.05 and John Richardson 24.55.

Over at Shildon Parkrun Tracey Pickering achieved a PB for that course of 30.01. Finally on the coast at Hartlepool Richard Campbell achieved a PB of 18.23.

On Sunday members participated in three separate races. First up was Mark Wade who ran in the High Force Fell Race where he achieved 4th place in a time of 1 hour 31.30. This was a gruelling fell race of just short of 11 miles.

We also had two members take part in the Penshaw Half Marathon which takes part in the grounds around Penshaw Monument and includes the climb to the monument itself. First home for Aycliffe was David Stothard in 2.41.43 followed by Carley Gibson in 3.10.42.

For anyone interested in joining the club you can simply turn up at one of our sessions most of which start from the Oakleaf Complex in Newton Aycliffe. Monday night is beginners run at 6.30pm, Tuesday is an endurance/speed session from 7.00pm and Thursday is a track session and this takes place at the Shildon Track. Further details can be found on our website or facebook

pages or alternatively you can message the club via facebook for more information.

Pain doesn't always wear a frown or shed tears. Sometimes pain is hidden behind a smile and seeks to lose itself in the sound of laughter. It often hides in clear view disguised as normality afraid to show you its true self. Distraction speaks volumes of how good it really feels,

empty words like an echo coming back to haunt you in the silence of the night when there is no where left to hide. Just you, your mind, the darkness and the pain.

## Aycliffe C.C. CRICKET SCOREBOARD

Newton Aycliffe Cricket Club's 1st team, sponsored by Franks the Flooring Store were comfortably beaten by 48 runs at home to Stockton 1sts, who now sit proudly at the top of the NYSD 2nd division. The visitors were asked to bat first and were dismissed for 183 after 42.3 overs thanks mainly to a terrific spell of leg spin bowling by Patrick Howe (sponsored by Tom Steele), who finished with career best bowling figures of 7 for 35. In reply, acting captain Sam Telford got Aycliffe off to a flyer scoring a seasonal best 52 runs leaving his side well placed at 85 for 1. However Aycliffe disappointingly lost their remaining nine wickets for just 50 runs finishing on 135 all out after 44.2 overs with only Michael Howe's 19 runs and an unbeaten 16 runs from Ryan Patrick offering any resistance. This match was sponsored by Upex.

Earlier in the week, the first team had a terrific 13 run victory away at first division Blackhall in the semi-final of the NYSD Brunton Cup. Electing to bat first, Aycliffe scored a respectable 118 for 8 in their 20 overs. Adam Randall (sponsored by DTS Joinery) top scored with 33 and there were other useful contributions from Michael Howe (20 runs), Sam Telford (19 runs) and

invaluable unbeaten 17 from Patrick Howe at the end of the innings. In reply, the homeside were restricted to 105 for 8 in their allotted 20 overs thanks to some tight bowling from Jack Slatcher (3 for 19) and James Layfield-Carroll (2 for 18). Aycliffe now play Saltburn 1st XI on Friday 5th July at Marton CC in a repeat of last year's Brunton Cup Final.

The 2nd team were well beaten by 175 runs away at table toppers Stockton 2nd XI in the NYSD 4th division. The home side were asked to bat first and scored an impregnable 229 for 8 in their 40 overs with Lewis Gimple (sponsored by Beaumont Ground Maintenance) taking 4 for 31 and Matty Greaves 2 for 42. In reply, Aycliffe were bundled out for just 54 after 25.1 overs with only Dan Craggs (15 runs) and Lewis Gimple (10 runs) reaching double figures.

Our U15's lost by 106 runs at home to Richmond in the NYACC. The visitors were delighted to be asked to bat first as they piled up a huge 176 for 4 in their allotted 20 overs. In reply, Aycliffe were held to 70 for 2 after 20 overs, Leo Mercy top scored with 21 and David Robinson chipped in with 14 not out.

The U13's lost away at Stockton by eight wickets in the NYACC League despite a spirited performance from our youngsters. Electing to bat first, Aycliffe scored 61 for 6 in their 20 overs with Harrison Pearson top scoring with an excellent 13 not out. In reply the homeside comfortably reached their winning target after 13.5 overs despite some

good bowling from Dan Heaton and Joe Ingman, who both took a wicket.

The U11's were well beaten by 81 runs away at Richmond in the NYACC. However, despite losing the game there were some encouraging individual performances with the bat from Oliver Paylor (11 runs) and Alfie Spensley (10 not out). AJ Wild bowled well taking three wickets and Will Dearden chipped in with a couple of wickets. Special mention must go to debutant Joe Neild who scored 8 runs and then held onto two catches and was given the MOTM award.
