## SYD HOWARTH COMMUNITY SERVICE AWARD 2019

### Split Decision, Goes with the Residents Choice

Earlier on in the summer the Howarth family launched the Syd Howarth Community Service Award in memory of Syd Howarth, MBE.

The nominations soon came flooding in, proving that Newton Aycliffe is not only a great place to live, but shows the commitment to the town and it's residents that the volunteers of the various charities and organisations, who were nominated give, without looking for praise or thanks. There were numerous nominations for 15 different

individuals, charities and organisations who work tirelessly to help those who

are in need. Syd's three Sons and Daughters-in-Law were given the task of choosing the winner - which was very, very difficult. In the end it was a split vote, so the final decision went back to the nominations to see how many had been received for the two finalists.

The winner of the Syd Howarth Community Service Award 2019, and the recipient of £250, and a trophy is "Community Spirit" started by Neville and Joanne Jones.

The Howarth family would like to thank all the residents who nominated such worthy recipients and look forward to next year's award. On being told that they had won the award, Community Spirit sent the following letter:

Dear Sir,  
Neville and Jo Jones would like to thank all who voted for them in the Syd Howarth Community Service Award 2019. Syd was an amazing person who did so much for the Aycliffe community and we are also committed to making a difference to the community in which we live and are honoured to get the first award in Syd Howarth's name.

There are so many other worthy causes and charities that strive to make Newton Aycliffe a better place such as Honest John, The

# The North East's Biggest Pyromusical - Toe Tapping Hits from the Movies

*Last Year's Fireworks Display at Kynren, Bishop Auckland*

Don't miss the North East's Biggest Pyromusical Fireworks Spectacular on Saturday November 2nd. Lighting up the night skies above Bishop Auckland this amazing event provides the perfect fireworks night out for families which can be enjoyed from the comfort of your very own seat. Brought to you by Eleven

Arches, the multi-award-winning team behind Kynren - An Epic Tale of England, this awe-inspiring performance also takes place on the show's 7.5 acre stage set against the magnificent backdrop of Auckland Castle.

The pyrotechnics team at Kynren are renowned for their epic displays, set to original musical scores, which take place every Saturday throughout the summer season. The show takes visitors on a musical journey specially choreographed to a spectacular 30-minute long fireworks performance.

The themed event this year features toe tapping hits from the movies and combines amazing pyrotechnics with iconic songs.

Gates open at 4pm so visitors can sample tasty, locally sourced, heart-warming autumnal food before heading to their seats for the Fireworks Spectacular which starts promptly at 7pm.

The 8,000-seater Tribune sold out in 2018 and this year's show is anticipated

to be one of the Northeast's most popular events. Tickets are available from [www.kynren.com/fireworks](http://www.kynren.com/fireworks) on a first come first served basis.

• North East's Biggest Pyromusical Fireworks Spectacular on Saturday, 2nd November. Gates open 4pm, show begins at 7pm prompt. For details and to book go to [www.kynren.com/fireworks](http://www.kynren.com/fireworks). Adult £10, Child £5, Under Threes Free (when sitting on adult's knee). Flatts Farm, Bishop Auckland DL14 7SF.

## Thank You

Dear Sir,  
Thank you for all your help publicising the event at Woodham Golf & Country Club in aid of the Butterwick Hospice.

The band put on a great performance and there was some great feedback from those in attendance. Through the Newton News I would like to thank all those who attended and supported the Butterwick Hospice - the event raised £1461.18, including support from Barclaycard Pound for Pound matched funding.

Once again, thank you!  
Regards  
Simon Rossinelli

## AYCLIFFE RADIO SHORTLISTED IN NATIONAL RADIO AWARDS

Local community radio station, Aycliffe Radio, have been shortlisted to the final five, in the annual National Community Radio Awards. The station has made the shortlist, which was whittled down from more than 425 nominees, submitted from every corner of the UK. The station has picked up a nomination in the

'Digital or RSL Station Of The Year' category for their work in the local community.

Paul Howarth, station manager, said: "We are delighted to have been recognised among a large number of other stations doing great work across the UK, and to get into the final five is a great accolade for such a young station. Aycliffe Radio are grateful to our listeners for nominating us for this award and thank you for tuning in and supporting your local radio station". Martin Steers, awards chair, said: "Now in our third year, the entries are getting better and better, and we're really able to show off the diverse broadcasting that the country's stations undertake for the benefit of their communities. Every year I continue to be proud by the quality of the submissions and what they represent, the fantastic work that our community radio stations do in their communities. We wish Aycliffe Radio good luck and can't wait to host the ceremony in Barry later this month."

## Look After The Animals

NASSL urgently require wet cat food and cat litter, please help NASSL to support the cats in need. Drop off points are Tesco, Honest John, Grannies Choice and Julies Pet Shop. Please support us by giving cat food and cat litter. Thank you

A new project to feed the wild birds over the winter has been launched. NASSL has a large number of wild bird feeding stations around the local area which will be filled up regularly to feed the wild bird population over the winter months. If you would like to help the drop off points are Tesco, Honest John, Grannies Choice and Julies Pet Shop. Thank you

NASSL also require bedding for the animals in their care, old towels, old sheets, old blankets (no quilts, as the animals may chew and take the insides out and eat it, which will cause harm to them). Please telephone 01325 321855 for collection details.

## Setting a Bad Example

Dear Sir,  
On 15th October, students from Greenfield School were conducting a survey amongst shoppers in the town centre regarding their views on their shopping experience, amongst them was my 11 year old daughter. The children were easily identifiable as school children due to their uniform, most people questioned were lovely, however, one elderly lady, described as between 60-70, was approached by my daughter who was with 3 class mates and asked if she'd mind answering 4 questions. This 'lady', whom my daughter asked politely, turned and told her to f\*\*\* off! This awful woman's words were witnessed by 3 other gobsmacked children too. Had I been there I'd have reproached this woman about her attitude, especially given that my daughter was, and always has been, extremely polite. In an age where the elderly complain about the lack of respect shown to them by children, this cuts both ways and shows shocking manners and attitude from someone of an age who should know better. Respect is earned, not a given right and this woman should be ashamed of her potty mouth! My daughter was really upset, so I only hope this nasty woman gets her attitude paid back to her, there was no need, I'm disgusted! From a very angry Dad

## SYD HOWARTH COMMUNITY SERVICE AWARD 2019

*Split Decision, Goes with the Residents Choice*

Darlington Charity Cup, The Rotary Club, Junction 7 and St. Clare's Food Bank, to mention but a few. The Community Spirit team are grateful to these charities and many local businesses; too many to mention, who support and work with them to help carry out the many random acts of kindness that make Community Spirit what it is and make our local community a better place. In honour of Syd and in the spirit of his legacy, we will be sharing the prize money with two other charities, giving £50 each to Junction 7 and St. Clare's to help them continue the good work they do with the Food Banks.

At this time of year in particular, food can be a real issue for many, particularly as Christmas approaches, so the remaining funds will be used by Community Spirit, the charitable organization that came about on the back of the work we initially completed as a couple. The money will go towards the extensive Christmas project of providing hampers to those in need.

We look forward to seeing you all at the Christmas Craft Fair at The Big Club from 11.00am till 3.00pm on Saturday 23rd November, where Mr. &

Mrs. Claus will be making an appearance. Funds raised will go towards providing hampers at Christmas to help those in need.

Mr. & Mrs. Claus will be making several appearances in Newton Aycliffe over the festive season, so watch out for more dates.

Santa & Mrs Claus will be at the Xmas Celebration in the town centre on Saturday 30th November, 1-4.30pm, with free gifts for the children and I believe Mrs. Claus has been hard at work making Father Christmas a new suit this year!

Don't miss it, come join in the fun and help us to make this community a better place at Christmas and throughout the year. Neville & Joanne Jones

# The Red Box Project Update

In the last month the Red Box Project has contacted every Aycliffe school that has a red box to offer a top-up at the start of the new term. One school exchanged an empty box for a full one, which was very gratifying. We also delivered eleven red bags of sanitary products to the Post-16 education department at Humankind and three red caddies to St. Mary's, St. Clare's and Neville Parade Methodist Churches for any young women's groups that use those churches.

Thanks to the generosity of local individuals and businesses we have an excellent stock to keep the boxes filled over the winter months and enough cash in the bank for a one-off donation of winter tights to every school and college. While the primary aim of

the Red Box Project is to end period poverty in schools we are able to extend our help to any other groups involving young women in Great Aycliffe, so if you're a member of a sport's club, social club, special needs group etc, please ask your leader to contact us and we may be able to help you too.

We offer this totally free of charge: there is no catch! The Project itself is winding down as we step aside for the government scheme to start in January. We anticipate that our help will still be needed until the end of that term. This week we removed donation boxes from Newton Aycliffe Youth and Community Centre, DebnHair beauty salon at Simpasture and McColls at Neville Parade. Newtonians will still be able to donate into red boxes in the library, the Pioneering Care Partnership, St Elizabeth's Church (Mondays 2-4pm) and The Thames Diner. We are very grateful to all those who have allowed us to use their premises to host a donation point.

The Red Box Project was invited to speak at the autumn meeting of Durham County WI and Darlington coordinator Carol Marchant gave an excellent speech on the work of the Project and the reasons why it is so needed.

There were numerous questions from the floor and the ladies showed their appreciation with a rapturous round of applause. Each WI in the County was asked to donate sanitary products and a mountain of filled bags and bin liners was crammed into Carol's car. Every town in the County that is signed up to the Project - including Great Aycliffe - will share in the donations.

Feedback shows that we are making a difference to a lot of girls' and young women's lives, all thanks to Community Kindness. For further information please email [theredboxdurham@gmail.com](mailto:theredboxdurham@gmail.com) or find us on Facebook at The Red Box Project Durham

# YOUTH BIG HARVEST BREAKFAST

A huge thank you to everyone who supported the Youth Big Harvest Breakfast at St. Clares last Saturday. An amazing 88 breakfasts were cooked and £365 made for the charity Water Aid. Aycliffe Parish Churches are very proud of the young Christians who are a credit to the community they serve. They will be serving refreshments at the Advent Memorial Service and hosting a Parish meal for the Feast of Christ the King. Great friendships made, journeys shared. Thanks also must go to the fabulous Youth Team who lead, support and encourage these young people in their endeavours

# ACORN Visit Pickering Weekend

ACORN visited Pickering on Saturday 12th October to experience the WW2 weekend. Not quite knowing what to expect we were thrilled to find many locals and visitors dressed up in period costume and engaging in dancing in the street, singing along to WW2 favourites and browsing local shops bedecked with flags and full of curiosities. Even the local cafes and hostelrys got into the act with entertainers and music blasting out old favourites "run rabbit run" "roll out the barrel" and "bluebirds over the white cliffs of Dover". Although a dark period in our history the British certainly knew how to make the most of what was available as demonstrated by the ladies from the land

army, waafs, home guards, spivs, RAF Personnel of all ranks, Russian Navy selling bloomers in the street, all supervised by the good old British Bobbies. Vintage cars, land rovers, motorcycles, and even an exotic wheelchair, all added to the atmosphere. I would highly recommend this event to anyone looking for a highly entertaining weekend. Plans are progressing for the great ACORN Spooktacular Halloween event, tickets for which are available now, and our next adventure to Leeds for Xmas shopping on 30th November. Anyone wishing to join us on our adventures can make enquiries on the telephone number below Ken Robson ACORN 01325 321471.

## Live Performance Opportunity at Greenfield

Greenfield Arts are delighted to be able to offer families a special live performance which will take place as part of Theatre Hullabaloo's "Take Off" Festival. A community production of 'My Friend Selma' will be held at Greenfield Community College, Shildon on Tuesday 22nd October 2019 at 18:00 and will cost just £5.00 through Greenfield Arts. To reserve your place or buy your ticket just call in to Greenfield Arts, alternatively tickets will be available on the door on the evening of the show. Theatre Hullabaloo describe 'My Friend Selma' as "a remarkable real-life story of one girl's journey from war in Bosnia to safety in the UK. It is the tale of an incredible journey, a world turned upside down, loss, friendship, courage and conkers." The show tours with a small after show exhibition. Greenfield Arts are delighted to continue to bring high quality and innovative performances to Greenfield Community College, local primary schools and the wider community. For further information please call Greenfield Arts on 01325 379048.

# 'Shildon is in Motion' at Greenfield

Greenfield Arts have had a great start to 'Shildon in Motion', a project that examines extraordinary aspects of Shildon's past and celebrates the ongoing creativity and ingenuity of Shildon's people and its future.

As part of the initial phase, members of the community were invited to Locomotion Museum to share their stories and experiences. Project leaders Katy Milne of Greenfield Arts and designer Nic Golightly were thrilled to meet with some fantastic people from Shildon over tea and cake! People who care passionately about its heritage and future.

Guests included residents, volunteers, historians and those who had 'served their time' at the works, the morning was a great success, full of sharing stories, interesting items and good ideas.

Stories captured were about the place and the people of Shildon, uncovering topics such as Kitty Sanderson's journal from the 1880's, the pocket-watch given by Timothy Hackworth, the LNER whistle, the time

capsule situated in 'Dave Camp's house' and other exciting items and tales.

The project will culminate in artwork for Shildon station, alongside a better understanding of what it felt like to be from Shildon. Why not find out more and follow our blog <https://bit.ly/2OPiBjB> where you can add your stories too and be part of a brilliant community project.

Thank you to Locomotion for hosting a great morning, to all of those who came along and for the support from funders Northern Heartlands and Bishop Community Rail Partnership. Northern Heartlands is one of 16 great place schemes across the country.

The project will see Greenfield Arts working with a wide range of organisational partners under the collective of the Bishop Line Community Rail Partnership including Locomotion, Shildon Station Adoption Group (New Shildon Residents Association), Friends of the National Railway Museum (North East Branch), Northern and Shildon Town Council,

and alongside Stockton and Darlington Railway, all of whom share the vision of creating something that transforms Shildon Station, publicly and visually signposting and showcasing Shildon as a destination of national significance.

If you would like to know more about the many events, activities and projects at Greenfield Arts check out our website [www.greenfield-arts.co.uk](http://www.greenfield-arts.co.uk) or email [info@greenfield-arts.co.uk](mailto:info@greenfield-arts.co.uk) or call our friendly team on 01325 379048.

## 100% ATTENDANCE REWARDED

Emily Danson, a former student of Woodham Academy, was a guest at the County Durham attendance awards ceremony, held at Chester le Street Riverside Stadium, in recognition of five years of 100% attendance. During her time at Woodham Emily was an exemplary student who always strived to do better

than she did before. This hard work and commitment to her studies paid off with a set of outstanding GCSE results. Supported and encouraged by her parents, Emily had a complete understanding of the impact full attendance has on progress and educational outcomes. As a result of this Emily never missed a day at school. This gave her the opportunity to ask that pertinent question in a lesson, or problem solve with her peers, or join in a discussion in a particularly difficult topic. Full attendance also meant that Emily could attend numerous subject enrichment classes after school. This award is a great credit to both her resilience and positive attitude to her studies and is richly deserved. Congratulations Emily. We wish you well in the future.

# "A Burglar Would Welcome This Watchdog"

Dear Sir,  
If your reader John D. Clare, shocks so easily, please let him not view Parliamentary TV to witness rampant aggression - complete with facial distortions - starring the 'People's Representatives' to the delight and incredulity of a worldwide audience. True, I may have chosen a better phrase than "put down" but I had already recorded 'dissolved'. The factual detail of my White Stick letter is correct and I stand by 'anachronism', as supported by the Attorney General's - "this Parliament is unfit for purpose" said from the floor of the 'House' ... with more in similar vein. GOVERNMENT is elected to govern on the basis of its manifesto and promises. As the Legislative Body of Government, Parliament's duty is:

1 - to represent the electorate;  
2 - the making and passing of laws;  
3 - overseeing Government, via enquiries and hearings. Effectively, the Executor; and, throughout our lifetime Mr Clare, Parliament has laid claim to being the 'People's Watchdog' over Government. It hasn't quite worked, as:  
1 - Parliament has already democratically voted, passed, approved and promised to honour the

Referendum result, but has failed to do so;

2 - appreciable numbers of our elected Representatives have deliberately chosen to follow their own agendas rather than properly represent the democratic wishes of their electorate. Clearly damage to our democracy is being inflicted from within the very 'cradle' of it. The damage to our pockets is as much a result of Parliamentary uncertainties effect on Sterling than the actual Brexit.

Democracy now denied, there certainly is Nationwide anger at the pretence. Anger of which some appear to be unaware but are simplistically prepared to dub incendiary, an inflammatory word, without addressing the cause. Democracy has been gradually eroded for at least 40 years and that, Mr Clare, is down to a generational failure. Ours, yours and mine.

Complacency and platitudes; calming the victims rather than addressing the practitioners; acceptance of falling standards; all reveal the need for greater awareness, greater selectivity in the people we choose to represent us. If MP's cannot, or will not, or change allegiances, the Electorate - not the Party - needs a mid-term deselection procedure. Accountability focuses the

mind.

1 - New Labour's leaving note in the till read "no money left". Not "sorry" - that a previously solvent Country was left 'broke' - it's people facing punishing austerity years;

2 - PM Heath signed us into the EEC promising it a "strictly marketing exercise" in the knowledge that the document he signed contained clauses for greater political and financial ties;

3 - When PM John Major returned with the Maastricht Treaty in 1991, Parliament passed it without then knowing exactly how much power had been conceded - 339 votes to 253;

4 - Currently, senior Defence and Intelligence experts, warn us of a stealth takeover allowing those services accessible to the EU even after we leave. A giveaway "unseen" by our UK Parliament.

A small sample from 'items of interest' available. I ask the question, what practical use is this 'Watchdog' - this Parliament? It fails to honour its commitment, deliver its promises, or adequately supervise Government's actions.

It stars on TV, while allowing us to be burgled. Surely any burglar would gladly gift such a 'Watchdog' to his next victim.

Yours faithfully  
Douglas Whittaker

## Anti-Ageing Trial Volunteers Wanted

North east volunteers could be among the first in the world to benefit from a revolutionary anti-ageing supplement. Nuchido is leading the way in producing a supplement which is already resulting in unprecedented results. The company, which is backed by some of the world's greatest experts in the field of ageing, has created global interest in its harnessing of the latest scientific breakthroughs and making them available to everyone.

Nuchido's first product - Nuchido TIME + - will be available in the UK this autumn and now volunteers across a range of age groups are being sought to take part in further trials. The company is headed up by longevity scientist, Dr Nicola Conlon, a molecular biologist specialising in the study of ageing. Dr Conlon's work centres around NAD+ - one of the molecules in cells that regulates ageing - which decreases as people age. While other supplements

which replace NAD+ have been created, Nuchido's results far exceed everything else currently available on the market. Trials already carried out by Nuchido in middle aged subjects have seen levels of NAD+ increased to the levels of someone 15 years younger. Now the company is looking for volunteers to take part in a more extensive trial, over a four month period. The supplement will need to be taken daily and those who agree to take part must be available to give blood samples at Northumbria University each week between 1 November - 20 December 2019 and 13 January - 28 February 2020.

Men and women aged between 25 and 80 can put themselves forward to take part, but anyone who regularly takes supplements containing vitamin B3 are excluded. The trial is also not open to anyone who has variable sleep routines, such as people who alternate between day and night shifts. "The supplement is the result of a number of years of work and we are very excited about the results we have seen so far," said Dr Conlon. "This is a breakthrough product in the world of anti-ageing and our plan is now to introduce it worldwide."

Anyone wanting to take part or to find out more should contact hello@nuchido.com. For further information about Nuchido please visit www.nuchido.com

## THE TURBINIA OC'TURB'ERFEST

The Oc'TURB'erfest Beer / Cider & Gin Festival, held at Aycliffe's award winning pub The Turbinia, will feature 17 Cask Ales and 3 Craft Ciders, local and national, available in all types and strengths running from 25th till 30th October - FREE entertainment all weekend featuring two of the biggest bands in the North.

On Saturday we have the fantastic LITTLE DEVIL, a high energy rock band, who are packing out every major venue in the north-east, future gigs include O2 Academy and they were one of the first bands to be booked for 'CrookFest 10th Anniversary 2020'.

On Sunday at 4pm The Tub are thrilled to bring you 'THE GATECRASHERS' who are a fun-loving, versatile and entertaining rock, pop, soul and R & B band, who will rock you gently - or rock your socks off, depending on what you want out of your party. They'll deliver classics from the sixties right the way up to the very latest tunes with the sort of energy and charisma that'll have you dancing in no time at all. The Gatecrashers have had a wealth of experience in the entertainment business.

All of them have played with a host of bands with different musical interests. What that means to YOU is that they can play almost anything - and to the highest standard. THEY ROCK!

With excellent vocals, backing vocals, two brilliant guitarists to woo you, bass sounds to make your heart race and foot-tapping drum-beats, you won't be able to resist having the time of your life: you'll be clapping your hands, stomping your feet - you'll want to dance the night away.

Recent gigs include the main stage at 'Tall Ships Race' as well as 'The Great North Run' several appearances on the main stage at 'Stormin The Castle' and headline spots at 'Rede River Rocks Festival' and 'Rothbury Music Festival' Entertainment.

There is NO entry charge with 17 Ales + 3 craft ciders & 13 gins to keep you satisfied as well as our normal, very large choice of drinks.

Entertainment on Friday 8pm. Open-Mic; Saturday 8pm; Little Devil. Sunday 4pm Gatecrashers. As always we have 1 room for the entertainment and a quiet one to chill out and enjoy the craic.

## BTEC AWARDS FOR AIR CADETS

Seven cadets from 1407 (Newton Aycliffe) Squadron Air Cadets have recently completed their BTec level 2 Diploma in Teamwork and Personal Development in the Community. Cpl. Harman, Cdt. Williams, Cdt. White, Sgt. Tinkler and Sgt. Newbury, pictured, and F.S. Lakey and Cdt. Bye, all completed the award alongside their usual activities at the squadron. Three cadets, F.S. Lakey,

Sgt. Newbury and Cpl. Harman have also successfully completed the BTec in Aviation Studies having passed all classifications in the Air Cadet training syllabus. Well done to all of them! If anyone aged 12 (year 8) - 17 is interested in joining the squadron then please come along to the Barnard Armoury, Greenwell Road, at 7.00pm on a Monday or Thursday evening for a chat with the staff.

# WOODHAM SPORTS ACADEMY

Woodham's Sports Academy have had another highly successful launch to the year. The interest and participation in our range of activities has been particularly high, following a newly introduced Year 7 Activities Fair. We have seen many new faces at all of our activities as well as our dedicated older students. It is fantastic to see students from different year groups working so well together and making sure the new students feel welcome.

All of our sports have seen a higher intake across all year groups, however boxing, dance and mountain biking have had the highest numbers. To meet the increased demand, the boxing academy sessions, held at Seconds Out boxing gym in Ferryhill, are being run on a two-week rota, with Key Stage 3 sessions and Key Stage 4 sessions operating on alternate weeks.

Mountain Biking sessions continue to take place at Hamsterley Forest on a Friday night for our more experienced riders and there are a number of younger students who have requested to take part in the skills development sessions which take place prior to students accessing off site courses.

Dance Academy is the largest it has ever been. This year, large numbers of younger students have joined our vast amounts of older students meaning over 80 students are now involved. Participants are already working hard to prepare for big events such as the 'Great Big Dance Off' and Woodham's annual Dance Showcase. They are also preparing for Woodham's Christmas Concert on Thursday 19th December.

The Sports Academy are now looking forward to hosting our Sports Academy induction evening on Thursday 24th October where we welcome our year 7 students officially and each student receives their Sports Academy contract. After such a great uptake from all of the students, we are excited to improve,

compete and perform in all of our sports and are pleased to work with so many exceptional coaches. These include Premier Player Football Academy, Joanne Banks Dancers, Seconds Out Boxing Gym

and Sedgefield Water Polo Club.

Please follow Woodham Sports Academy on Facebook to see all of our exciting ventures and updates and to follow the success of our students!

## New Campaign to Help People Struggling With Debt

Support for those in debt from the debt collection industry.

The trade body representing the debt collection industry has launched #heretohelp, a campaign designed to encourage customers to actively engage with its members at the earliest opportunity.

Poor and misleading advice on the internet, that can often make matters worse and not better for the customer, has prompted the industry to unite behind a new initiative run by the Credit Services Association (CSA), the voice of the UK debt collection and debt purchase sectors.

With the support of its members and many in the sector, the campaign includes a video fronted by Brad Burton, one of the UK's top motivational speakers, who was once £25,000 in debt.

Brad interviews others like him who have had similar experiences, and whose lives are now back on track. He also speaks to industry experts to explain more about how debt collection works, and how it can help individuals on their journey to take control of their finances and ultimately become debt free.

It is estimated that there are currently more than eight million people in debt in the UK, and debt is one of the top ten topics 'off limits' for individuals to discuss with friends and family.

The video was premiered during the CSA's UK

Credit and Collections Conference in September, and forms part of an extensive communications campaign headed up by the CSA.

As part of the campaign, the CSA is approaching this Government, the free debt advice sector, consumer campaign groups, think tanks, politicians and different factions of the financial services industry to gain further support.

# Ofsted Visit Greenfield Community PCP Shortlisted for Charity of the Year!

A recent Ofsted visit to Greenfield Community College highlighted a number of strengths within the school and identified a small number of key areas for continued improvement.

Ofsted noted that Greenfield Community College "has a warmth and a friendliness to it, across both the Newton Aycliffe and Shildon sites, the school is calm and has a peaceful atmosphere" and that students "feel well supported by staff".

Executive Headteacher, David Priestley was pleased to see many positive comments and also recognised the need for continual improvement. "We are working to build upon positive changes to our curriculum to provide the very best for our students and to support their experience as self-led learners. More and more students are nurturing a love of reading which will allow them to access a wide range of opportunities. We are currently developing learning strategies to support a smooth transition from Key Stage 3 to 4 and beyond allowing all

students to reach their potential and be ready for their next steps".

Ofsted remarked that "there is a deep commitment to the arts in school and how pupils' lives can be enriched by them. Leaders have increased pupils' opportunities to access the arts subjects and changed the curriculum to try to bring this about." This work is strengthened and supported by our own arts organisation and arts centre, Greenfield Arts. There is also a significant increase in the number of overseas experiences available over the next two years and the school is appointing a new

deputy headteacher to support areas of ongoing development.

Greenfield Community College is a specialist Arts and Science School, that is reflected in the curriculum and achievements, including being awarded Arts Council England Platinum Artsmark status. The school has plans to add to the team of excellent staff in the new year as the curriculum offer continues to expand.

The school will be re-inspected within two years to ensure that any issues raised have been built on and that the school is achieving the very best for its young people.

As well as Pioneering Care Partnership's (PCP) Chief Executive being shortlisted for Charity Leader of the Year, PCP celebrations are continuing after finding out they're also a finalist for the highly-coveted North East Charity of the Year!! PCP were nominated by Livin for recognising that to make communities great places to live we must work in partnership to raise aspirations. Livin has worked with PCP for a number of years and felt sure that they were worthy nominees.

Andy Coulthard, Livin Regeneration Manager, said: "The PCP has had a positive impact on local communities since it was established 20 years ago. They are a worthy nominee with proven results having provided over 370

employment opportunities, generated in excess of £28.7 million in charitable income and attracted volunteers giving 77,000 hours of their time"

He went on to say: "What really stands out for us, is the difference the PCP makes to people's lives, in supporting communities and enabling us to deliver employment, health and wellbeing services to our tenants."

Carol Gaskarth, PCP Chief Exec, added, "The nomination from Livin was wonderful and to be shortlisted as a finalist by the judging panel is a true privilege. We can't believe we're down to the last 3! This is a testament to everyone's hard work, passion and enthusiasm. I am proud to work with such an amazing

team and no matter what the result is on the night, I think the staff and volunteers are winners every day!" The outcome will be announced at the Awards night on Thursday 17th

October 2019. To find out more follow @PioneeringCare on twitter or @PCPandCentre on Facebook we'll be keeping people post through the hashtag #NECharityAwards.

## Crafter's Celebrate 14th Birthday

Global craft supplier, Crafter's Companion, is inviting customers to take part in its 14th birthday celebrations.

The ten-day event, which will take place from October 17 to October 27, marks the anniversary of when founder and creative director, Sara Davies MBE, made her TV debut on shopping channel Ideal World with the company's first product, the Enveloper.

To celebrate the occasion,

Crafter's Companion has organised a number of workshops, classes and demonstrations at its Newton Aycliffe, Evesham and Chesterfield stores. Shoppers can also enjoy exclusive discounts, double points and free gifts instore and online, as well as free postage and packaging in the UK.

The company has organised Facebook Lives to provide its social media followers with inspirational project ideas and offers, and is partnering

with Create & Craft to launch a number of brand-new products throughout the ten day event.

Sara Davies said: "We have had a phenomenally successful year so far. We recently employed our 200th member of staff and it's been a record year for turnover. The company was named International Business of the Year at the Federation of Small Business' national awards ceremony and we made it onto the Sunday Times Export Track 100 list for the fourth time.

"None of this success would be possible if it weren't for our team of hardworking people, who go above and beyond for the company on a daily basis, our fantastic local community and of course our loyal, dedicated customers."

"Our birthday is such an important event because we want to give something back to everyone who has supported us over the years and each year it gets bigger and better than ever. I really hope that everyone can get involved and join in the celebrations."

Crafter's Companion's birthday events will run from October 17 to October 27. To book a class at the Newton Aycliffe store, please visit <https://www.crafterscompanion.co.uk/page/store/aycliffe-store/> or call the team on 01388 743763.

## No Raining on BTS & The Expanded Metal Company's Parade

Two North East manufacturers have joined forces to develop an innovative new product.

Newton Aycliffe-based BTS Facades and Fabrications and Hartlepool-based The Expanded Metal Company have collaborated on a joint project which sees the launch of a new expanded mesh frame system for protecting exterior spaces, and the first of its kind in the UK.

It was the passion for the North East and partnering with local firms that initiated the project as well as the need for the new design which steered the team forward.

Both companies create products which complement each other, with BTS Facades and Fabrications manufacturing façade and rainscreen systems under the Vantage® brand and The Expanded Metal Company producing an expanded metal range including high security fencing and gates.

The Expanded Metal Company recognised a

gap in the market for the installation of expanded metal mesh material but could not source a fixing system in the UK, only in Europe, which is where BTS came in.

Already a customer of The Expanded Metal Company, managing director of BTS Phil Atkinson was more than happy to join forces. He said: "We have used the firm's products for a number of years so were thrilled when Phil approached us to work together. We see the mesh framed system in comparison to a diamond ring, with the mesh as the 'diamond' and the framed fixing system as the setting, and together they are a perfect match. As the product is so unique, we currently have a patent pending to protect the design and manufacture of the Vantage® EM F (framed).

The finished product is part of the Vantage® EM range - a protective mesh bracket and rail system affixed to buildings to create a pleasing aesthetic. With framed and non-framed

versions available, the completed look is entirely the creation of the client's imagination.

Phil Atkinson added: "The rainscreen is unique as the colours, finish and patterns of the mesh can be changed to alter the visual appeal, so it is perfect for refurbishments or modern building looking for a façade that can be altered quickly and easily. With our strong market knowledge and as a trusted brand, the

range will create a supply chain for contractors, who previously had to travel to Europe for this type of product.

## Film Show

### "BEACHES"

The "Feel Good Film Show" at St. Clare's Church on Tuesday 22nd October features the comedy drama "BEACHES" starring Bette Midler and Barbara Hershey. Two children meet and remain friends through the decades and the ups and downs. "Wind Beneath My Wings" features through the film, along with other songs by Midler. Everyone welcome, please come along and enjoy. Tea and coffee are served at 1pm, included in the £2.00 admission. The film starts at 1.15pm and a variety of chairs are provided for your comfort, and tables so that you can bring a spot of lunch to eat while you enjoy a great film in friendly company. For further details ring Ric Hargreaves 01325 316755.

## Juniors Football Report

With the weather being a bit more forgiving this weekend there were several more of our junior teams in action compared to recent weeks.

**Under 7 Blacks** played away against Hartlepool Youth although the boys didn't get the result they wanted, the effort they put into the game was not justified. The boys are improving each game and showing great determination. Jacob walked away with MOTM.

**Under 7 Whites** played against Washington and came away with a great result. An excellent performance and effort from all the boys with goals from Regan and Harry. MOTM went to Will W for his outstanding tackles.

**Under 8 Whites** played their final summer league game against a strong Hebburn team at Farrington. The team put real effort and determination into the game and came away with

the result they deserved. MOTM went to Jack R for his two fantastic free kicks. The boys have put their all into this summer league which has resulted in them being promoted up to the higher level leagues.

**Under 8 Juniors** were away against a strong Seaton Carew. The juniors started very strong and took the lead into the second half however Seaton managed to grab back a couple of early goals and unfortunately the boys lost momentum. Goals in this game came from Jack and Jonah, MOTM went to Dom for some fantastic saves and great play when he came out of goal.

**Under 8 Blacks** played their last game of the summer season. Charlie grabbed a goal for the team, but it wasn't to be their day. Although the result did not go how the team would have liked it's been a positive first ever league campaign for the juniors. They are learning and progressing well. MOTM went to James for his improvement shown through the first season campaign.

**Under 9's** were at home this weekend to Stranton and came away with an absolutely brilliant result. After twice coming from behind they produced a brilliant display to finish the game on top. Two great goals from Tyler and a crisp finish from Archie. MOTM went to Tyler.

**Under 10's** remained unbeaten this season with a well-earned draw against Stockton Yellows. It was a tight game however, Thomas provided an equalizer with a brilliant individual piece of skill and a great finish. MOTM went to Preston for his all-round performance, with his ability to play in different positions.

**Under 11 Blacks** came away with the spoils this weekend although it was a scrappy performance, an enjoyable game nonetheless. Goals from Keaton, Alex and Leon. Leon also grabbed the MOTM for this game. Our U11's then went straight to Moore Lane Park as mascots for Newton Aycliffe FC in their home fixture v Penrith FC. A great time was had by all! Many thanks to all involved at NAFC for their hospitality.

**Under 11 Whites** travelled to Billingham this weekend for an early kick off. Having already played this strong Billingham team, to which they lost heavily, the boys were keen to show everyone a better performance can be produced, which they did. They created loads

of chances and hit wood work however Billingham were strong. MOTM went to Danny the goal keeper for a much improved performance. The opposite team coaches even approached our players and praised them on their improved performance and attitude.

**Under 11 Clarets** were at home to Hartlepool Youth, a team who had got the better of them twice last season. Conditions were tough but a fantastic spirited performance saw Aycliffe put a lot of pressure on the visiting side and come away with the result they well deserved. Alex, Ashton, Kia and Danny were on the score sheet with a gritty performance. MOTM was awarded to Harry by the referee.

**Under 12 Whites** travelled to Billingham Synthonia. Once again the boys produced an impressive and strong performance with an abundance of goals. Goals came from Niall 7, Tyler 3, Jack and Dom. MOTM was Niall.

**Under 12 Blacks** played away to Byers Green. The team started well and by half time they were well ahead with a first half hat trick from Jake. Byers came out strong at the start of the second half grabbing a couple of goals back, however the boys carried on from the first half performance and added a few more goals to their lead. Goals from Jake, Kenzie and Rhys. The MOTM went to Kenzie for his first hat trick.

**Under 13's** last weekend travelled to Redcar Town and came out worthy winners with a 6-3 win. Although the boys again found themselves 3-1 down. They quickly composed themselves and began the fight back with some great football with all goals coming from Jake, Zak, Thomas A, Will and Edison but unfortunately the game was slightly soured when Edison was carried off injured after an awful tackle. Again the team and parents were complemented for the behaviour by the referee.

**Under 15's** were at home against Fishburn Park and came away with a great 7-0 win. Goals from Leon, Lewis, Brandon and Dylan. MOTM went to Leon for his great goals and all round performance. Let's hope the weather holds up again for this weekend with lots of games being played at Woodham Academy on both Saturday morning and Sunday..... hope to see lots of support for our juniors this weekend. #juniorsmarchon

## N.A.F.C. REPORT

Newton Aycliffe climbed to fourth place in the table following a 4-0 home win over Penrith at the Beaumont Landscapes Stadium.

They started brightly, and they went ahead with only five minutes gone when Dean Thexton headed in a corner. The play was even for the rest of the half. On 18 minutes Penrith's Coleman got in a strong shot, forcing Adam Pickford into a terrific one-handed save. The sides continued to trade shots but neither keeper was troubled before the break, as the defences dominated, with Lewis Walton outstanding for Aycliffe against Penrith's dangerous forward Coleman.

Aycliffe came out for the second half with a renewed vigour, and got a second goal ten minutes in. A free kick on the edge of the box was played to Thexton, who hammered the ball low into the corner of the net, giving Penrith keeper Miller no chance.

Three minutes later it was 3-0. A pass into the box was slightly too long, but Miller

### Saturday 12 October Ebac Northern League Division One Newton Aycliffe 4 v Penrith 0

spilled his collect straight to Thexton who tapped it in for his hat trick. That made it two hat tricks in three days for the Aycliffe centre forward.

Penrith then had a chance. Gardner dinked the ball past Pickford, but Liam McNamara got back to clear off the line. McNamara then scored at the other end when he headed in a good cross from man-of-the-match

Walton, to make it 4-0. Coleman did get the ball in the net for Penrith late on, but was given offside. Aycliffe saw the match out and took the points.

Next match is an away game to Billingham Town on Saturday 19th October, kick off 3pm.

## Scarlet's Best Ever Race!

Local racer Scarlet Dunn drove her best ever race at Wombwell in Barnsley at the weekend.

In very wet conditions Scarlet drove absolutely brilliantly all weekend giving her a 6th place in heat 1 and two 3rd places in heats 2 and 3 against a very competitive grid of 17 other drivers. The results from the heats started her on the front row for the final and she put in a nail biting performance. Scarlet lead for 95% of the 13 lap race but with only 3 corners from the end the front runners came up to lap a slower driver and Scarlet went one side and the second place driver went the other (Max Mason races in the British champs and is a very experienced top racer) so finished 2nd with only 2 seconds behind 1st place.

"What an outstanding performance" said Mam Amanda.

Scarlet would like to thank everyone involved at Amaron Racing and local companies JohnsonLand Home Improvements and NRG Cycles for helping make this happen.

# AUCKLAND CASTLE SEASONAL EVENTS

A 900-year-old County Durham castle is preparing to celebrate its first Christmas in four years.

Auckland Castle, Bishop Auckland, is re-opening in November as part of The Auckland Project visitor

destination, following an extensive conservation programme that began in autumn 2016.

To mark the occasion, the former home of the Prince Bishops of Durham is offering visitors the chance to join in

the festivities with Christmas food and carols.

Christmas Afternoon Teas will be served in the newly conserved Old Library, formerly known as the Library Tearoom, on Friday 13, Saturday 14 and Sunday 15

December and must be booked in advance.

On arrival, guests will be welcomed with prosecco, served alongside a selection of canapés, including vol-au-vents with hot smoked trout and local game sausage roll with homemade piccalilli.

This will be followed by a variety of freshly made sandwiches, including Weardale brie with homemade chutney and festive turkey with chestnut stuffing and then finished with a trio of decadent desserts, including a choux

bun with Christmas pudding mousse.

There will also be traditional fresh scones, served with cream and jam, made using fruits from the Castle's own 17th century Walled Garden, as well as a pot of speciality tea per person.

Now part of The Auckland Project visitor destination, all of the treats on offer at Auckland Castle will be made by the Project's specialist Catering Team, who work closely with local farmers and suppliers to source seasonal

ingredients and utilise some of the North East's finest produce.

On Saturday, 14 December, the annual Christmas Carol Service returns to Auckland Castle's St Peter's Chapel, delivered by Reverend Denise Dodds, Chaplain to the Bishop of Durham.

Recognised as one of the largest private chapels in Europe, St Peter's will be filled with the voices of The Durham Singers choir, with visitors also invited to join in the traditional carols and hymns.

To make a reservation for Auckland Castle's Christmas Afternoon Tea or Christmas Carol Service, email, bookings@aucklandproject.org or alternatively, call 01388 743 797. For more

information on the events, visit [aucklandproject.org/whats-on](http://aucklandproject.org/whats-on)

# CPI Showcase New Flexible Electronics Capabilities

CPI today announced that an event will take place on 22-23 October, 2019, to showcase the outcomes of project Necomada (Nano-Enabled Conducting Materials Accelerating Device Applicability). This project focused on lowering the cost of future internet of things (IoT) devices through development of new conductive inks and flexible adhesives that

improve the effectiveness, productivity and speed of printed electronics manufacturing. The event will provide hands-on experience to end-users of the technology and allow them to gain a better understanding of the technology's applications in their markets. IoT describes the connectivity of everyday devices to the internet – including vehicles, clothes

and home appliances. The IoT market is estimated to be worth up to £10 trillion by 2025, presenting an

enormous commercial opportunity for innovative companies. However, in many cases these devices must be integrated with flexible electronics, and existing production lines use highly expensive materials. For the IoT market to reach its full potential, low-cost solutions are needed for the mass production of flexible electronics.

The Horizon 2020 Necomada project, which involved a consortium of 13 industry partners, has improved market accessibility by developing conductive inks and flexible adhesives that enable high-speed roll-to-roll manufacture of flexible electronics. Partners in the consortium represented the entire value chain for printed electronics, from nanomaterial suppliers to end-users. The consortium has also established a pilot line at CPI that integrates the materials, printing and component placement capabilities that are essential for high-volume

device manufacture. This presents a reconfigurable open-access platform for companies to use when trialling their materials and flexible electronics products.

The free event will run over one and half days, and will be held at CPI's National Formulation Centre in Sedgefield, UK. Day 1 will feature presentations from Necomada's industry partners, offering their perspectives on market trends and the benefits of IoT technology. There will also be presentations about the nanomaterial pilot line service developed as part of the Necomada project. Interactive sessions on day 2 will give end-users hands on experience with various aspects of CPI's

new capabilities, including manual screen printing, as well as mixing, depositing and testing a conductive screen ink. The full event details and registration can be found here.

Neville Slack, Business Development Manager at CPI's National Formulation Centre and coordinator of the Necomada project, said: "We are delighted to have been a part of this European consortium, and the electronic materials we have developed will lower the barriers to commercialisation of new IoT devices. The upcoming event is a fantastic opportunity to showcase the project's outcomes to end-users, and we are excited to share details about the open-access pilot line service for high-volume manufacture of printed electronics."

# Inspired by The Young Americans

Students at King James I Academy have been visited by four members of The Young Americans Performing Arts Group. Accompanied by their Tour Manager, the group travelled from the USA to make initial contact with the staff and students they will be working with in February.

King James I Academy has arranged for a group of 25 Young Americans to spend three days at the school in February 2020 to work with students in Years 7-9, Sixth Formers and members of RTS Theatre Group. Students will take part in a variety of workshops, which will culminate in a spectacular show on the evening of the 4th.

The Young Americans, which was founded in 1962, is an organisation dedicated to the promotion

of understanding and goodwill among people throughout the world through music, dance, performance, academic education and cultural interaction among their audiences. Members are accepted into the organisation based upon their talent and their interest in helping other students around the world to attain self-confidence, self-esteem and respect for others through music, dance and performance. They follow the philosophy that music brings people together for many purposes including teamwork, respect, accomplishment, caring, self discipline, a sense of self worth and much more.

## Funding for Transport Service to Tackle Isolation

A charity which provides home care and a volunteer driver scheme across County Durham has received a funding boost of over £7,000 to tackle social isolation.

Supportive has secured £7,000 of funding for a transport scheme through the Bishop Auckland and Shildon Area Action Partnership's (AAP) older persons social isolation fund.

The fund is allocated to each of the 14 AAPs to support community led initiatives that improve the quality of lives of people over the age of 50 who may be socially isolated. The initiatives encourage participation in activities and projects that provide opportunities for residents to engage with their local communities.

The charity's volunteer driver scheme has been running for almost 25 years. It has supported thousands of vulnerable people over the age of 50 through promoting independence and providing transport for social activities, supporting carers and the recently bereaved.

John Davison, CEO at

Supportive, said: "We are delighted to be supporting Bishop Auckland and Shildon AAP in their focus on social isolation and getting people back out in to their communities. Social isolation and mental health are sometimes the unspoken topics, but we want to help in changing that.

"We want to support by helping people reconnect through visiting groups and services that are able to provide the additional support they need. We are looking forward to seeing what Supportive can achieve with this generous funding."

Andrew Walker, Bishop Auckland and Shildon AAP coordinator, commented: "The funding we have awarded to the charity Supportive will provide transport for older and isolated residents in the Bishop Auckland and Shildon area, some of whom may struggle to find a way to attend social activities or even to attend appointments. "We hope that this money will be able to reconnect our isolated residents and improve their overall health."

## Council Receive Payroll Service Award for Third Time

The only north east council to be awarded accreditation by the Chartered Institute of Payroll Professionals has achieved the prestigious standard for a third time.

Durham County Council is one of only seven English local authorities, and the only council in the region to achieve the accreditation for its Payroll and Employee Services as part of the Payroll Assurance Scheme.

This is the third time that the team has achieved the status, which recognises that it offers a high quality and professional payroll service, after first being accredited in 2015 and then re-accredited in 2017.

The re-accreditation was granted following a rigorous external assessment which this year incorporated new, more stringent assessment criteria, and which was approved and developed in partnership with HM Revenues and Customs.

Lorraine Anderson, strategic manager of payroll and employee services, said: "I'm thrilled that we have been recognised with this prestigious award. This accreditation is the gold standard and acknowledges

that our processes and people are some of the best in the industry. I'm very proud of all our wonderful, hardworking team."

As well as providing payroll services for Durham County Council, the team also provides services for the county's schools and a number of other organisations including academies, County Durham and Darlington Fire and Rescue Service, town and parish councils, further education colleges and trade unions, generating over £1.1 million income for the council every year.

In the accreditation report, the Chartered Institute of Payroll Professionals Assessor said: "Thanks to the absolutely fabulous team who made this assessment the easiest and most inspiring assessment I have ever done. From the open and frank discussions with the team and plethora of evidence viewed it is very clear the payroll operation is very well run, and Durham County Council is a very professional organisation admirably dedicated to moving the council forward for its own employees and their business operations."

# Language Timothy!!

Dear Sir,  
Once again Cllr. J.D. Clare wants to be moderator of what is acceptable free speech. However, he only berates letter writers who support Brexit. He has twice written Articles in the Northern Echo in support of his fellow Labour/Momentum Councillor who thinks that all leave voters are morons and should be gassed. Ladies, if you voted Brexit (and subsequently voted Labour) that includes you!

The current parliament is 'not-fit-for-purpose'. It is a zombie parliament. Many MP's, Phil Wilson included, have broken the promise they made to their electorate in their party manifesto. Also, a substantial number have left one Party and joined another (some more than once) thus disenfranchising their Leave voting constituents. It is a sham. It is diabolical. It is undemocratic. It is also extremely dangerous for the future proper governance of the country!

I think that any letter writer who supports Brexit and true democracy is better venting their spleen in letters to newspapers than taking part in puerile demonstrations and breaking the law in so doing (like the climate extinction anarchists). The current Parliament is not acting in accordance with the clear democratic mandate given by the people in the Referendum. The SNP only want to abide by the result of a Referendum if the result suits them. The Un-liberal Undemocratic Party want a 2nd Referendum but won't implement a Leave vote! The Speaker, who is required by our Constitution to act without bias, is not so acting. The Judiciary are making up the law as they go along and ignoring the fact that under our equal rights legislation every vote has equal value and that the rich, who can fund vexatious Court Action are getting preferential treatment from the Courts. The Referendum was a democratic vote that must be fully respected by Britain properly leaving the E.U.

The only reason the current Government is surviving is because the Opposition do not dare to vote it out of office for fear that Corbyn would be the caretaker PM. Also, if they are seen to block Brexit, then they are rightly scared that they will not be re-elected. They don't deserve to be.

There must be a General Election soon. Now is the time to tell your MP, prospective candidates and your local Party, that you will not vote for a candidate who is unwilling to fully back Brexit.

This is the only way to guarantee that we will get a Brexit Government and a majority in Parliament for Brexit.

Post-Referendum the Electoral Commission has demonstrated such a bias against Brexit that it has lost the confidence of the electorate that is able to conduct a fair and democratic second Referendum. Also, if our politicians say they will respect a second LEAVE vote who, but a moron, could believe them! Mr. Wilson, this is what your broken promises have done to our local democracy. You should live in hope, as I do, that outspoken correspondence is as bad as it gets!

Yours sincerely,  
Alastair P.G. Welsh

## Thank You

### Alan Blacklock

I would like to record my everlasting thanks to my dear family who have been so wonderful and without their support I would not have made it through the last two years.

To my neighbours and friends who have also been very caring and loving and helped me tremendously. Thanks to Doctor Stephenson for all the care you gave to both Alan and myself. The staff at Bewick Crescent Surgery where Alan was cared for and who were always there when needed.

The Aycliffe District Nurses, if I could choose a name it would be 'Angels', that would be so appropriate for they did everything possible for Alan and nothing was a problem for them.

Alan's last few days in Defoe Crescent care home where all the staff were excellent.

I am so appreciative to the Supportive Carers who looked after Alan with so much care and consideration.

Finally, thank you to Carol Briggs, Bryan Shepherd from Whitehouse Funeral Services who is a true gentleman and provided a great service.

Alan's Funeral Service was just so beautiful, he would have loved the vegetables.

My deepest thanks go to you all for your kind thoughts, prayers, flowers, cards and friendship. I wish I could put into words how grateful I am to you all.

Love, Margaret Blacklock

## Birthday Remembrance

### Syd Howarth MBE (21st October)

There are special people in our lives who never leave us, even after they are gone. Remembering a wonderful Father on your birthday. Paul and Beverley

To my Dad and best friend; Adam and Alex's Grandad. We all miss you every day and wish we could have just one more of your famous crushing hugs. Thinking of you on your birthday. We talk of you still, We haven't forgotten you, And we never will. Love, Stuart, Joanne, Adam, Alex and Ellen.

Our first birthday without you Dad and Grandad. We will be thinking of you and raise a glass or two. Loved and missed always, Chris, Michelle, Jack and Joe xxxxx

Today is full of memories, Happiness and tears. Of birthday celebrations, We have shared throughout the years. And though I'll always miss you, The endless joy you brought. Warms my heart with gratitude, And fills my every thought. Happy birthday to you Grandad, we love you. Carrie, Matthew and Sebastian xxxxxx

Can't believe it's been a year already, since you left us, it still seems untrue. We all miss you very much and think about you daily. So proud of the legacy you left behind and we constantly get reminded from the people who knew you and how you helped them or the community and we enjoy listening to their stories. Forever in our hearts and memories. Love, John-Paul, Lisa, Dylan, Loren, Aimee and Kameron xxxxxxxxxxxxx

# RUNNING CLUB NEWS

This race report covers the first two weekends of October. The first, 6th October, was a cross country race at Acklam, the first of the NSYD cross country league for this year. Our club had a great turnout for this race.

Some of our youths took part in this with three girls taking part in the under 11 race of 1.25 miles. First back for ARC was Hannah Brischuk in 07.27, followed by Courtney Bowes 08.03 and Felicity Lineton in 8.15.

Ferne Brischuk was our only representative in the Under 13 girl's race completing this in 11.45 for 1.75 miles.

Two of the juniors also took part in Kirkcaldy in Scotland on 12th October. James Hodgson

completed this in 23.07 followed by Zoe Hodgson in 29.50.

In the senior ladies' race (approx. 3.5 miles) first home was Tracey Surtees in 23.44 followed by Michelle Scott 25.46, Michelle Jane 26.07, Susan Milburn 29.28, Michaela Kerr in 31.52, Kelly Dickinson in 32.11, Bev Phillippo in 32.15, Melanie Rowland 33.25, Anne Kellett 34.14, Jane Burnside 36.06, Susan Clark 38.20, and Jan McLuckie in 43.29.

Last up was the men's race which is a distance of around 10k. First home was John Surtees in 38.54, followed by Andrew Sedgewick in 43.39, Richard Holland in 44.48, Martyn Knox 50.22, John Burnside 50.34, Ryan Pearson

51.14, John Richardson 56.45, Alan Kellett 58.49 and David Stothard 58.50.

Also on Sunday we had two members take part in the Great Cumbrian Run. This is an annual half marathon which takes place in Carlisle. Mark Bainbridge and Heather Morgan both completed this in 1.44.09.

In addition three of our members took part in the Loch Ness Marathon. The Loch Ness Marathon follows a spectacular point-to-point route alongside world famous Loch Ness, starting in an atmospheric moorland setting and continues through stunning Highland scenery, taking you along the south-eastern shores of Loch Ness, across the River Ness, to finish in Inverness, capital city of the Highlands. Sandra Collins completed this in 4.39.38 followed by Richard Tonge in 4.48.22 and Kathryn Waterworth in 5.33.17.

The following weekend was the Kielder running festival which took place over two days. On Saturday 12th was the 10k race which had the better weather. First home for ARC was Richard Tonge in 1.01.02 followed by Judith Porter in 1.04.43.

Sunday saw runners of ARC compete in both the half marathon and marathon distances. Kielder is a beautiful location but unfortunately the runners couldn't see the lake for the first 3 miles due to the fog. However it did brighten up but the marathon runners got caught in torrential rain. The course is all off road and very undulating. It is a favourite course for some members.

In the half marathon, Mark Bainbridge and Heather Morgan both completed this in 1.49.13 followed by Trish Kay in 1.54.16.

In the marathon, Michelle Dixon and Susan Cranswick both came in at 4.13.19 followed by Andrew Lumley in 4.32.05.

Also that day, but closer to home, we had two members compete in the Richmond Castle 10k. This was a slightly amended route to previous races. David Stothard completed this in 58.59 followed by Eve Doe in 1.12.40.

For anyone interested in joining the club, you can simply turn up at one of our sessions all of which start from the Oakleaf Complex in Newton Aycliffe. Monday night is beginners run at 6.30p.m., Tuesday is endurance/speed session from 7.00 p.m., and Thursday is a track session and this takes place at Shildon Track. Further details can be found on our website or facebook pages or alternatively you can message the club via facebook for more information.

# Youthy Football Round Up

NAYFC U9 Eagles travelled to Riverside Juniors on a cold and wet morning last week. The boys started slowly and found themselves behind after a deflected shot found the back of the net. That's how it stayed until HT.

After a HT team talk, the boys played the football we knew they could. It didn't take long to find an equaliser when Dan sent over an inch perfect cross which found Krystian who managed to beat the keeper. Soon after another great cross from Dan found James at the back stick for a simple tap in. We were now in our stride and added a 3rd through Nathan. Straight from kick off Riverside created a good opportunity but Carter made a great save to keep our lead at 2 goals. This spurred the lads on and James added a 4th. Pep made changes and was rewarded instantly when Evan scored with a nice side foot finish across the keeper to make it 5.

The scoring was rounded off when Brandon smashed a shot into the top corner. FT was 1-6 and the Eagles march on.

## NAYFC U11 Eagles Win Over Shotton Colts

Team: Kian, Finn, Zac, Liam, Olly, Kayden, Kai, Adam, Will, Harvey and Kaiden.

From the kick off the Eagles started well and were battling hard. Goals from Kaiden, Will, Harvey and Adam - all of the goal scorers did so well today but it really was a spectacular team performance. Kian did great in goal when called upon and continues to improve every time we watch him play, being forced to make some difficult saves today.

Finn, Kai, Zac, Olly and Liam in defence/midfield worked together so well, getting their heads up and passing to their team mates. Finn, Olly and Zac, who are fairly new to the team, all had their best games yet and we are so pleased with how much they are progressing. They all had outstanding games. Kai and Liam continuing to do what they do best, using their skills and strength going forward, but just as much effort getting back, Kai was unlucky not to get a goal today and Liam worked so hard in defence. Kayden upfront trying his best to cause the opposition issues from the kick off.

We couldn't be more proud of these boys, not only with their performance today, but their attitude and effort could not be faulted against a very physical opposition.

Great to get a win but more importantly was the performance from every single player. Playing like we did today we really were unstoppable and second half took control of the game giving the opposition no chance.

MOM was difficult this week as could have easily been any of the lads, however went to Kaiden for the 2 wonderful goals he scored and his brilliant attitude. Kaiden played upfront however dropped back to help out his midfield when needed and played this role outstandingly.

## NAYFC U9 Angels Win Over CLS Amazon Stompers

Ava from U8 Wildcats made her U9 debut, stepping up for some 7v7 experience. It was clear from the start that the Stompers were an inexperienced team and so we tried to manage the game

NAYFC U9 Eagles

NAYFC U9 Angels

as well as we could whilst enabling the Angels to express themselves.

Maddy took her usual turn in goal, this time in the first half, moving up front in the second to score her second goal of the season. Marley started in defence and again worked her way forward as the game moved on, also scoring a nice goal. It was Hannah S, however, that opened the scoring after a couple of minutes. Hannah also closed the scoring.

Yasmin enjoyed her most effective game yet, with lots of touches on the ball and some solid tackling. Sophie in defence and Hannah in the centre of midfield gave a strong backbone to the team. Lily had a run in most positions and even took a

turn in goal (it's great when they offer). Peyton had a good game, chasing the ball and showing a willingness to run with and without the ball. Ava didn't take long to settle in. This was her first match on a bigger pitch playing 7 v 7. She didn't know her teammates to play with, though she will have met some through Wildcats. If she was nervous, she didn't show it. She scored 6 and got at least one assist.

We ensured the Stompers put on an 8th player after 4 and a 9th after 6. We then reduced our numbers to 6 and restricted some player movements to enable the opposition some time on the ball. It's a tricky balance, but the players from both teams were clearly enjoying the game which is all that matters.

Star Player: we don't normally give star player awards on debut games, but many of our players were noting immediately that Ava should get the award and who were we to argue. She deserved it. Well done Ava.

## NAYFC U8 Wildcats Win Over Pools Youth Whites

Mia and Lucy G started as subs and we set up with Skye, Sofia, Kaitlyn, Nyah and Brooke.

The game started off with the girls pressing and trying to win the ball back quickly. Also they were trying to pass the ball from the back in triangles, as we have worked on in training.

The effort in the first 6/7 minutes created chances for Brooke and Nyah but their keeper was in good form.

Pools also had chances which we did well to block and Skye saved well when required. Our hard work was rewarded when Brooke won a tackle then Nyah took the ball and hit a lovely shot beyond their keeper for a well deserved goal, her first of the season on her return.

Lucy and Mia were on for Kaitlyn and Brooke and the team continued to work hard and put the opposition under a lot of pressure forcing more saves from Nyah and Lucy.

Nyah won a tackle and the ball fell to Lucy, who used her weaker left foot to move it wide of the defender then hit a sweet right foot shot into the bottom corner for her first of the season.

We scored a super team goal for our 3rd when Skye took a goal kick to Mia. She took a touch and passed to Nyah who played a lovely pass to Lucy.

Lucy took a touch forward and as the keeper came out struck a great shot into the bottom corner. Skye then pulled off a great save from their forward from point blank range to keep us ahead.

Despite Pools getting goals, we kept pushing, with Brooke and Lucy linking up well together and Kaitlyn and Mia winning tackles in our defensive area. This allowed Brooke to edge the ball to Lucy who took on a defender and hit a carbon copy shot of her second to complete a well deserved hat-trick at FT. Well done girls, we are seeing some rewards from your efforts in training. Keep it up.

Lots of games were called off last weekend due to the pitch conditions. Those that did play enjoyed the sunshine!
