ACORN Thank Local Council

Dear Sir,
On behalf of our Community Group ACORN Community Association Newton Aycliffe I would like to extend many thanks to Great Aycliffe Town Council in respect of the grant recently given to our group.

The money will go towards replenishing and repairing wooden flower tubs for our award winning community garden project which brings so much pleasure to Newton Aycliffe residents. It is our intention to purchase further tubs which will be available for other residents to plant up with their favourite flowers.

The current project consists of some 30 tubs scattered along Silkin Way, Stead Close, Lightfoot Road, Faulkener Road, Lilburne Crescent and Christopher Walk and are looked after by volunteers keen to add to the beauty of their areas.

Not only do these tubs look pretty but are used to help prevent vehicles from incursion onto grassed areas. As a group we also plant bulbs and are hoping to also plant fruit trees in the neighbourhood for the benefit of all.

If this is a project you may be interested in please get in touch with our Chairman Ken Robson on 01325 321471 for further details.

Academy Donate to Food Bank

As part of the Leadership Academy at Woodham, Y11 students have organised a food bank to help those within our local community. With the unprecedented challenges that 2020 has faced, our ambassadors recognised the need to get involved and help others. In school, they advertised the food bank and asked for food parcels from all year groups to contribute in their effort to help others.

All donations are going to St. Clare's Church in Newton Aycliffe who will distribute the goods accordingly to those in need.

Miss Aitken, Head of History, said "we are extremely proud of the generosity of our students who have been eager to participate and get involved with this excellent cause."

Care Home Christmas Decorations Competition

Hello and thank you to all of our Nursing Homes who entered our Christmas Decoration Competition for the best dressed home.

All of your photographs were fantastic, which made it VERY HARD to pick a winner. However, even though I think you are all winners, our judges have decided on Defoe Court (shown in photos) as the outright winner, from those who sent in photos of their home. So, a tin of chocolates are on the way to you.

Not to disappoint anyone, some of our family from St. Clare's Church donated extra chocolates - so, I have decided to give you all a little extra treat, even those who did not enter (probably because there was so much going on at present).

So, please enjoy your treats everyone. This is a great joy for me to see you all pull together, so, until I think of something else, or you have any idea's, please get in touch with me.

Wishing all residents and staff in our care and nursing homes, a very Happy Christmas and a better New Year of 2021. God bless you all, keep safe and well. Pam Lovelass

Thank You

Dear Sir,
I must thank the charity, Groundwork Changing Places, for giving me a lovely surprise hamper full of everyday groceries and goodies - even a book to read! It was a lovely thought for this charity to consider trying to help us in these long sad days.

Pemberton Pickers, Picker of the Month Award

As the cold months have now drawn in, the Pemberton Pickers have still been out collecting litter in the local area. To mark our picker of the month for November, young Matthew has been awarded Novembers £10 Amazon voucher for his continued work collecting litter and his enthusiasm.

Voucher was presented at a social distance by Cllr. Stead.

This is the third 'Picker of the Month' award presented to the younger members of the Pemberton Pickers team. As one of the groups founders, Cllr. Stead, commented: "The importance of this community coming together, and especially in our younger members, is essential for the whole area. It was my pleasure to hand out yet another voucher." In the warmer months the group will be organising community events and the group urges anyone local to contact us, collect some equipment and get involved. Next time it could be you collecting the award!

Also we would like to thank Sterling Safety for their generous donation to the group of various safety items.

HOG BLOG

It's been very busy with the run up to Christmas but Tara and myself keep even busier with the small and not so small guests at Prickly Haven. Firstly, I received a call around lunchtime last Tuesday 8th, about a little hog that was discovered on a front lawn, I advised Catherine that we were full to bursting, but I would come to investigate and find a rehabber for her when I got there, well, this little girl was freezing cold and quite poorly, not to mention upset because birds had attacked her face, I couldn't bring myself to leave her and so we brought her in, made her warm, comfy and treat her problems which were quite serious. She had multiple parasite burden and her face was injured too. Tara and I would like to thank Catherine for sending for us. At a very small 300grams, Patti is recovering well and our 21st in rescue, she is happy, content and also making good progress. Patti, will stay with Sonic, Cerys, Betsy, Matty, Myrtle, Tuppence and co till spring now.

Can we take the opportunity to thank all our finders for their help getting these babies to us so quickly so they have been able to be helped, also the generosity of June who has called today with a donation of some wonderful items and a monetary donation to keep these babies cared for over winter, also Sonya for her support with food donations, Karen, always giving us car boot sale items to help us raise funds to feed and care for our babies. Jane Atkinson for her donations of food and Marian yet again for the newspapers, who both work at Tesco.

We have had a very successful year and have saved and released 54 since April and none of this would have been possible without our supportive vet, Sore Paws, they are truly wildlife friendly and love our hoggies.

Can't close this blog without thanking Paul at Newton News for publishing our articles and raising awareness of the troubles these little ones face in the wild.

What I have learned over the last couple of years, is that these little mammals have an awful lot to contend with and most of it is man made, I have had my eyes opened to how vulnerable they are, next year we are ready to save, hopefully, even more hedgehogs.

Wishing you all a very Merry Christmas and a Healthy 2021.

Tip of the week: *The British Hedgehog Preservation Society are always there to offer help and advice on 01584 890801 or Cleveland Hedgehog Preservation Society Facebook Page and Hedgehog Street.*

Festive Fun at K9 Pursuits

A couple of images from the festivities at K9 Pursuits as all dogs had their photographs taken and posted on to our Facebook page. Merry Christmas everyone, from all the dogs and staff at K9 Pursuits.

Successful, but Strange First Year in Business

The Herbal Gin Company, along with its sister company, The Aviator Gin Bar, launched earlier this year to great local reception, offering something new, novel, and interesting to the town of Newton Aycliffe. The people of Aycliffe and County Durham have been hugely supportive, especially so this festive season, sending our gin around the nation to their friends and family and, of course, enjoying a few bottles themselves.

The business has had an eventful start, launching in the midst of a pandemic and into an interesting political climate, everything has been uncertain - except one thing that we have always been able to count on, our customers. Looking to support the local community that we call home, we have sponsored charities including the Great Aycliffe Cancer Support Group, we have held social events and parties including our hugely popular Oktoberfest, and more recently we have partnered with other local businesses that share our passion for quality service.

Aycliffe Dairy, a staple of the local area, can now proudly offer a gin-to-your-door service, stocking a range of festive gin gift sets to be delivered alongside their already fantastic range of responsibly sourced products.

At The Aviator Gin Bar, we wanted to offer more than just drinks to our customers, so we partnered with the hugely popular local diner, Shake 'n' Cake, who supply a bespoke menu including some tasty unique dishes made using our gin. Click 'E' Mart, the sister company to the diner, is also a stockist of the herbal gin range, offering gin deliveries straight to your door alongside a range of groceries.

The County in Aycliffe Village, one of the finest restaurants in the region, is also a proud stockist of The Herbal Gin Company range - offering not only our collection of gins and vodkas but also a selection of festive Christmas gifts.

Then there is Headlam Hall, a luxurious hotel and spa near Darlington, offering our range of craft gin behind the bar and in various bespoke cocktails. Headlam Hall have also developed some delicious and unique fine-dining recipes incorporating our gin, all prepared by their excellent chefs.

And of course, there is the Newton News, a pillar of the local community, run by an excellent team that have been endlessly supportive during our incorporation and who we are immensely proud to sponsor.

Working together with other local businesses during these challenging times has helped us all to remain positive and has allowed us to provide a great and varied service to our customers.

We look forward to the new year which will see us experimenting with some new brands and product ranges, with plenty of opportunity for our loyal customers and the community to get involved. Hopefully, once the pandemic is under control, we can welcome everyone back into the Aviator for some tasty cocktails served alongside delicious food, proudly served by Shake 'n' Cake.

Merry Christmas from the Herbal Gin team and all of our local partners.

Vacancy for Chair of Corporate Board

We would be delighted to receive applications for the role of Chair.

As the final term of our current Chair is due to conclude in July 2021, we are now commencing the search for the new Chair of Bishop Auckland College's Corporate Board. We are especially seeking a business or community leader within our local area who shares our passion for building long term prosperity within Bishop Auckland and south Durham. Our new Chair will contribute their skills and experience to help Bishop Auckland College, and our subsidiary company South West Durham Training, to achieve our vision of providing exceptional learning opportunities and facilitating local economic regeneration.

This is a voluntary role, unpaid but highly rewarding. The role provides opportunities to broaden your portfolio of experience and engage in regular opportunities for professional development. This is a particularly exciting time to be involved with the Bishop Auckland College Group as we have an ambitious and vibrant agenda to deliver, including:

- further improvements to our quality of education, to provide our students with a springboard to future success in their chosen next steps.
- delivering growth in key sectors that are of strategic importance, including higher education and 14-16 alternative provision.
- further understanding the needs of employers and helping local businesses to grow and build economic prosperity, recognising the unprecedented challenges presented by the Covid-19 pandemic and Brexit.
- playing a leadership role in shaping local economic development initiatives, through productive strategic relationships with key partners and stakeholders.

If you are interested in joining us on this journey and would like to play a major role in driving us towards success, we would love to hear from you. **The deadline for applications is Friday 22 January 2021. Interviews will be held during w/c 8 February 2021.**

For further information and to apply, please contact John Banks, Clerk to Corporate Board: john.banks@bacoll.ac.uk

If you would like to arrange an informal discussion, please do not hesitate to contact the current Chair, Pamela Petty: pamela.petty@bacoll.ac.uk

Aycliffe Youth Football Club Update

The heavy rainfall over the previous week resulted in many of our teams having another weekend without football. However the central venues provide us with artificial surfaces suitable to play our mini soccer games and a few away games went ahead.

Under 8 Eagles v Washington Utd.

They boys played some really good football, finding a good balance of staying on the ball and finding a pass. Alex was fantastic in goal, the defence were strong throughout the game, Jacob and Noah were playing the ball under pressure and moved us forward. Alfie set the tempo and Oliver was superb on the ball, sometimes holding off two defenders while waiting until he could beat them, or find his pass. Teni, as always, was a handful with his pace when he had the ball, and was always a goal threat, and again got himself on the score sheet. Will's strength in challenges continues to grow, becoming a big part of his game, and supplied a goal and an assist for the team with Regan showing a good understanding of both defending and attacking. The boys played some of their best football yet and did enough in the game to take the win in a close game between to very good teams

U7 Girls Wildcats v Bishop Auckland Pinks

After an even start Bishop dominated for large parts and put us under pressure. We battled really hard but weren't really at the races. There were some good moments, with Esme scoring a really good goal and Brooke battling hard winning tackles and looking to find forward passes. Erin worked hard all game and earned the Player of the Match award. Well done Erin. The girls first defeat, but they never once gave up and all the girls still enjoyed the game. Lots to work on but great to see them all back playing football. Roll on next week when we play the same team again.

Under 10 Girls Angels v Boldon CA Girls

Another premier league game for the girls with the team of Annabelle, Jessica, Kate, Lyra, Maddy C, Maddi V, Marley, Neve, Skye and Yasmin. The team knew that, going into this fixture, Boldon were an experienced team and hard to beat, however this did not phase our Angels one little bit and they took to the field with their trademark team spirit and gave everything they had from start to finish. The first half produced a strong defensive performance from the girls and once again showed how strong and determined this team has become. The second half saw the Angels moving the ball around well through midfield and advancing further up the pitch. Then after 48 minutes of great football the girls got a well deserved goal when Yasmin sent a perfectly weighted pass from the left to Marley who took a controlling touch before firing into the goal from 15-20 yards. Special mention to our two goal keepers, Maddy and Neve, who both made a countless amount of courageous and amazing saves.

Coaches Star Player: Marley, Opposition Coaches Star Player: Neve
U9 Girls Wildcats v Boldon Girls

The first five minutes were tight and Boldon were strong in defence and had a couple of long range shots that didn't worry Sofia. Kaitlyn was attacking the ball positively and defending well. At the other end Lucy, Phoebe, Ava and Anais were pushing and pressing superbly and this caused a mistake by their defender which Ava got onto and rounded two defenders before putting Aycliffe one up and she quickly added a second. Mia was solid in defence and won almost every tackle she made including three at once, Nyah was on now and working hard up front with Lucy. The goals kept coming which allowed Boldon to add an extra two players. However the girls continued to an emphatic win.

Hetton Juniors v U11 Girls Angels Yellow

The Yellows returned for their first match in six weeks, with nine excited girls in high spirits, sporting very dapper Christmas jumpers. It was a slow start from our girls who were still rusty from our lack of game time. We changed formation during the first half, which woke the girls up and steadied the flow of the game.

The girls responded magnificently in the second half, unfortunately we had no subs to call on so the girls had to dig deep, which made their response even more remarkable. Even though we never managed to score, we also didn't concede in the second half against a team that had the advantage of rolling subs. We limited the opposition to barely have a sniff at our goal and we were unlucky to get at least 2/3

consolation goals. This was the girls best half of the season so far and the effort that was shown was inspirational.

Players: Gwynneth, Coaches: Lily Jarrow 4 v 10 U12 Girls Wildcats

First game back after lockdown 2 and what a cracker it was. Awful weather and awful conditions but the girls definitely did not let this affect their game. First half was pretty even with some great goals at either end. Second half we seemed to explode with positive energy and the goals started flowing. We lost a player early in the first half, due to injury, which meant a switch around and some players out of their normal positions, but it just goes to show what an excellent, strong and talented squad we have. The energy and love for the game and their team mates truly shone today. Goals came from Freya x 5, Faith, Emily x 2, Demi Lee and Evie with her first goal. POTM was really tough this week because all the girls played their part in the victory, but it went to Freya for playing in a couple of different positions, bagging herself five goals and giving her all to everything she does. Well done.

Little Eagles and Wildcats football development programmes.

As our teams continue to compete at the highest level of boys and girls leagues, our two development programmes are preparing more teams at the younger age groups. The boys now have three sessions available with Under 5, Under 6, Under 7 Eagles, all preparing for future league participation, starting with the U7's in March 2021. The boys are learning the basics and growing their skills every week in an excellent indoor facility. The girls have their Wildcats session, which is an FA supported initiative aimed at increasing girls participation in football and it has certainly done that for girls football in Newton Aycliffe. Every season we are producing new teams to compete in the local girls league, the most recent being at Under 7 age group, so we are now ready to build more teams. The girls are aged from 4 to 8 years old, many had never played any football before joining our sessions, but enjoy learning in a fun a friendly environment. If you need any more information visit our website www.nayfc.com or ring Berni 07939 045242.

Aycliffe Athletics Report

Understandably, there were very few opportunities to race over the course of the last week, to the point that we only had one Member actively participating in a race. On Sunday 13th December 2020, Andy Talbot travelled north to Sleafy Hall, near Hexham, for the Wild Deer Events Five Mile Trail Race. In a race that featured some extremely muddy conditions on parts of the course, Andy came home in sixth place in a time of 38:01. In doing so, Andy also finished in first place within his Age Category (Vet 60).

Merry Christmas

Christmas Message from the Mayor of Great Aycliffe, Councillor Mrs. Mary Dalton:

This year has been such a challenge for all of us and here in Great Aycliffe, we have not escaped the turmoil that the pandemic has caused.

Even with the worries of this year, many of our Great Aycliffe residents have shown so much strength and character in supporting our elderly and vulnerable people here which is wonderful to see.

I'm sure, like the rest of you, I am hoping for a great 2021 and I would like to wish you all a Merry Christmas and best wishes for a very Happy New Year.

Many thanks and Happy Christmas and best wishes for 2021.

Before talking about my week, I would like to reflect on last week's Newton News. Even more than normal it seemed to be full of good people doing great things. Whether it was Stephen Creaney's book sale; the Christmas Santa drive through; donations to Junction 7; starting a new badminton club; The Sugar Hill Express; The thanks to Great Aycliffe Cancer Support Group; Greenfield Arts; Feeding Families; Rotary; Festive Activity at Greenfield Community College; A Magical Xmas Story or the relaunch of Creative Couch, there was so much positivity. I would like to thank the Newton News team for giving us these uplifting messages and I would encourage everyone to send in even more as I am sure it makes their work easier reporting such good news.

Anyway, over to what my week had in it:

The week started with a another briefing on Cop 26, this time from Alok Sharma the Secretary of State for BEIS (Business Energy and Industrial Strategy). Cop 26 is the 26th UN climate change conference of the parties that takes place in Glasgow next year. We later had an interesting discussion on assisted suicide with Professor Theo Boer whose views have changed dramatically over time, it's always worth listening to different views on subjects as emotive as this.

I also had the usual BEIS select committee, this time on Brexit preparedness and then a meeting of my Left Behind Neighbourhoods APPG. I also enjoyed a zoom call with pupils from Stephenson Way School, where they were able to ask me about being an MP. We had a webinar about powering the 4th industrial revolution and BEIS facilitated a Business Round Table where we listened to how Covid-19 had affected different businesses and their level of concern for the Brexit deadline. I was interviewed on Radio 5 with regards to my first year in Parliament, before later joining Fishburn Parish Council for their monthly meeting. I also had the privilege of a visit to Woodlands Hospital in Darlington, which is just inside the Sedgefield Constituency and a meeting with Hurworth Albion Football Club about their facilities. I was able to catch up with the NHS re our Covid-19 data and call at Ferryhill to discuss some regeneration plans in Dean Bank.

This is written before decisions on which tier we are to be in next. Whichever it is, and in particular, over the more relaxed Christmas rules, can I please encourage everyone to see the rules as the limit to what you should do, not a boundary to be stretched as far as possible. Whether we are in Tier 3 or Tier 2 please act, as much as possible, as if you were still in Tier 3. Accept any little extra we can do, but don't abuse it as this will only help our prospects of getting permanently to a lower Tier at the earliest possible time. It will also be the best we can do to support our more vulnerable residents. So please everyone do your bit and remember **HANDS-FACE-SPACE**: wash your Hands regularly, wear a mask on your Face where required and give people Space, follow the new regulations that will hopefully put us in a better place for Christmas and beyond. This is the last Newton News until January 8th, so please stay safe and have a Happy Christmas and let's all hope 2021 is the start of something better.

Heighington AFC

Heighington AFC RFYL (Saturday)

The Mighty Red and Blacks were back in action last week, playing against Washington Wildcats and, despite the bad weather, they all played excellently.

After lockdown, and losing a player, it was great to welcome back, for his second debut, Cole Raine. He slotted in nicely with the lads and gave a MoM performance. Helping himself to a goal and making the Washington keeper pull off some brilliant saves. With his non stop running he covered every inch of the pitch.

Although our keeper, Harry, didn't have a lot to do for large sections of the match he made several important saves to keep the score line down. Every single outfield player worked extremely hard with and without the ball. They really pushed to get the win. Playing with our usual passing game they managed to run out 7-3 winners.

Goals scored by Coleby 3, Joshua 2, Oliver C 1, Cole 1.

MoM Cole.

Heighington Blacks (Sunday)

U11s Heighington Blacks 8 - 0 Riverside Juniors

Yet another good performance from the lads. 8-0, all the boys played 45 minutes, all pretty much played in different positions as well. The Blacks started very strong and were 2-0 up after two minutes, this carried on throughout the game, which they dominated.

Full credit to the team as they battled through the cold and wet weather, but good to see them come out on top.

Goals by Alex 5, Dylan, Adam and Jamesy.

Parents MOM: Unanimous decision with nine votes for Stephen Bell. Does the jobs no one else wants to, breaks up the play and keeps the team ticking.

Coaches MOM: This player is really starting to develop within the team since joining us this season. He was confident, tough tackling and strong. Oliver Yale, well done mate.

A Different Year

We WILL make this one of the best Christmases ever,
Whether or not we are together,

If not, we'll do our best,

To bridge the miles will be our quest.

Can we watch, thanks to face time,

When you open your gifts while sipping some wine?

Share the jokes in our crackers?

They're all so corny but does that matter?

Is that a new dress, lucky girl,

Looks so pretty - give us a twirl!

Can we manage some virtual charades?

Yes, later when we've had our Christmas pud or some roulade.

Did Santa bring you all those toys?

My you are a lucky boy!

Thank you for my lovely gift,

You must have known it was my wish.

Well, it's been lovely seeing you,

But now it's time to make a brew.

We're quite tired out dancing around,

But we're so glad that we all found,

A way to be together,

And we didn't have to go out in such cold weather.

Stay safe, God Bless and be strong,

Next year we'll all be together where we belong.

Register for May Elections

Residents in County Durham are being urged to ensure they are registered to vote ahead of local elections next year.

County and parish council elections are due to take place in May 2021, along with the election of a new Police, Crime and

Victims Commissioner for County Durham and Darlington. Durham County Council is already preparing for the elections, and in January it will be writing to residents across the county to ask them to confirm that the details held for

them on the electoral register are correct. If the information is accurate, then you do not have to do anything, but if it is incorrect, it is important to return the form with the right information. The authority is also encouraging people to think about applying for a postal vote, so that they do not have to attend a polling station. To register to vote, go online to register at www.gov.uk/register-to-vote. For more information, call 03000 261 212.

Newton Aycliffe F.C. Juniors Roundup

The **Under 8 Whites** played against Crook. Aycliffe played really well and the result did not do the team justice. Crook played some brilliant set pieces with their corners being something else on this occasion, but Aycliffe's work rate was fantastic. Oscar and William are starting to click with some great passing and excellent shots in front of goal, Harry excellent in defence.

MOTM was awarded to William.

The **Under 8 Blacks** travelled to Darlington to play their first game in over a month against Spraire Lads. Aycliffe started off brilliantly playing some lovely football, looking confident on the ball and were soon in the lead thanks to two well taken goals by Regan. Aycliffe continued to dominate but conceded a goal just before half time. Second half Aycliffe began a little sluggish and soon the game turned around. Aycliffe did not let their heads go down and continued to play good football. Regan was very impressive with more goal action and Aycliffe upped their game knowing

that they could get something from this game. With only a couple of minutes remaining Aycliffe produced a lovely bit of team play with three players linking up before Fin fired home, much to the delight of the Aycliffe players. MOTM was awarded to Regan.

The **Under 9 Whites** played against a well organised Deerness Valley team. Lots of end to end action in the game with goals for both teams but, unfortunately, Deerness was just too strong on the day. Aycliffe's goals came from Jack 2, Dom and James. MOTM was awarded to goalkeeper Jensen for some outstanding saves.

U9 Blacks played against Fast Feet FC PSG. Unfortunately the opposing team's passing game worked really well for them. Aycliffe played well throughout, with some great saves by Jake. Benjamin and Max got a goal each but it was not enough for Aycliffe. MOTM was awarded to Jake for his goalkeeping.

U9 Juniors played the penultimate game of their mini season at home to Whinney Banks. It was not Aycliffe's day with them taking a long time to get into the game and making a few defensive errors which resulted in them conceding a penalty. Aycliffe's goals came from Marley and Jack.

MOTM Jonah who never stopped running. The **Under 11s** played against Sedgfield Youth. Aycliffe started with a new 2-4-2 formation and played really well in the first half. Theo was very impressive in his new role. Aycliffe lost Zeke early to injury which saw Oscar come on for his first game. Aycliffe went behind as they went into half time. Second half Rossi came on and Aycliffe moved JJ into his midfield position. Rossi scored his first for the team and Callum scored after some great footwork. Sedgfield went on to get a couple more goals as Aycliffe just ran out of steam. There were lots of positives to take away from Aycliffe's performance.

MOTM was awarded to Theo who played some great football.

The **Under 15s** were away to Consett. Aycliffe started with only ten players and had another player go off with an injury fifteen minutes into the match. Under the circumstances, Aycliffe did brilliant on the day. Aycliffe lost 6-1 but battled hard with only nine players, with praise from the Consett manager for all the team for their performance. Aycliffe's goal scorer was Charlie.

MOTM Matthew.
